From the Rector

Fr Tom Renshaw SJ | Rector

Educating for Faith

In late June of this year a global Colloquium on Jesuit education was held in Yogyakarta, Indonesia. The focus was 'Educating for Faith in the 21st Century' and its meaning for contemporary Jesuit schools. The aims of the seminar were to:

- clarify the meaning of being Catholic/ Jesuit schools at the service of the Gospel and the Church in the contexts of today
- promote in-depth faith formation in the context of interreligious and multi-convictional dialogue in the service of our mission of justice and reconciliation
- clarify the place of Ignatian spirituality in the faith formation process for students and educators
- identify the challenges and opportunities of educating for faith within the secular/ religious fundamentalistic contexts.

These aims were explored through a number of keynote addresses. The overarching themes explored included:

- how the dynamic of the Spiritual Exercises helps form our Ignatian identity as a friend of God and partner on mission to help souls
- educating for faith within contexts of religious pluralism
- forming a resilient faith within secular contexts
- an exploration of contemporary approaches to evangelisation today.

The last keynote address was delivered by Fr Danny Huang SJ, a Filipino Jesuit, and the former Regional Assistant for the Asia-Pacific region. He currently teaches missiology at the Pontifical Gregorian University in Rome. In a stimulating paper called 'Educating for Faith as Catholic Schools in the Ignatian Tradition Today', he wrote about the importance of Ignatian spirituality facilitating experiences of God and encountering the Divine. He identified three key ways in which this happens:

1. Prayer and liturgy.
2. The experience of community.
3. The experience of service, especially to the poor and to suffering creation.

Throughout this year, the College has been committed to providing opportunities for all to encounter, opening up the possibility for each of us to engage with our God, within the context of our community. I would like to thank Mr John Gilles, Director of Religious Formation and the Ignatian Centre, along with Mrs Caitlin Remeeus, Director of the Regis Campus, and the Regis Campus staff for the multitude of ways they have facilitated these experiences of 'encounter'. I also acknowledge the staff who have accompanied students on overseas immersion experiences, Kairos retreats, and the Ignatian Children's Holiday Camp. These are three peak experiences of encounter that have a transformative affect.

My Flame, Our Fire

Our student leaders this year offered us the motto of 'My Flame, Our Fire'. In developing the motto, the students drew upon the quote attributed to Saint Ignatius, *Ite, inflammate omnia*. This translates to *Go, set the world on fire*. Moreover, there was also a clear resonance with the traditional symbol of a flame, representing the Holy Spirit. I congratulate the Class of 2024 for their leadership this year, especially with the pioneering Marathon for a Cause, where they came together and stretched themselves for the benefit of others. It was inspirational to see the students running around the College at various points of the day and night as the final opportunity for them, as students, to give expression to their desire to be young men for and with others. Through their collective fire, they raised significant funds in support of the Black Dog Institute and Fight MND, honouring the battle that former staff member, Mr Brian Piper, is enduring.

I congratulate our College Captain Sam Wright, and Vice Captains Luke Brady (Day Boys) and Jack O'Hara (Boarders). Along with the other student leaders, they have fostered a strong sense of community and unity. They have lived out their motto of 'My Flame, Our Fire' with authenticity, compassion, and generous example. Sam, Luke, and Jack, along with our House Captains, Vice Captains, the Beadle, the Sacristan, Boarding Proctors, and Liturgy Captains have embodied inspiring and exemplary Ignatian leadership.

Mr Tom Riemer RIP

Early in Term 1, the College Community experienced significant loss with the tragic passing of our much-loved Lay Chaplain, Mr Tom Riemer. Tom was an Old Ignatian from the Class of 1992. He was awarded the Insignis Medal for his year. After an initial career as a lawyer, Tom joined the Society of Jesus. After seven years of formation he decided to leave the Jesuits and, after a brief return to the law, he began work at the College in July 2009.

Cambodian Immersion

Over the past 15 years he was an inspiring teacher, wonderful mentor, and a much-valued member of the Ignatian Centre team fulfilling a number of roles, including Retreats Co-ordinator and, more recently, a Lay Chaplain. Tom was much loved within our community and especially in the Senior Boarding Divisions where he tutored and accompanied many students. As the year comes to an end, we give thanks to God for the life of Tom and pray, with hope and confidence, that he is now in the gentle, all loving and merciful embrace of our God.

Student Engagement

This year I had the privilege of accompanying 51 Year 12 students in the Dive Deeper Seminars. We explored a number of contemporary issues, as well as questions relating to faith and philosophy. I have continued to enjoy my role as a mentor in Campion House, and I thank Mr Rhys Williams, Head of House, and Mr Anthony Cook, Assistant Head of House, for their leadership and support of the students and mentors in Campion. In December 2023 I had the privilege of accompanying nine Year 11 students and three staff members on one of the immersions to Cambodia. It was one of the most enjoyable and inspiring experiences I have engaged with.

I acknowledge and thank all of our teachers, especially those in pastoral and educational leadership roles who engage with our students each day in the classroom. These relationships are strengthened by the generosity of all our staff involved in our co-curricular programs, as well as our boarding community. All our efforts are made possible through the professionalism and assistance of our support and operational staff who ensure the College functions seamlessly each day. I am most grateful for all the efforts of our staff.

The Ignatian Centre

The Ignatian Centre has continued to offer a wide variety of faith formation and service opportunities to our students and staff this year. Ms Tina van Domburg, our Retreats and Liturgy Co-ordinator, continues to provide meaningful and rich experiences of worship for our community, along with reflective and transformative retreat experiences. I was fortunate to participate in two Kairos retreats this year, including our first combined Kairos retreat with Loreto Normanhurst.

Ms Meg Morrison and Ms Jude Southon continue to oversee the co-ordination of our expansive Ignatian Service programs. This year has been one of consolidation for our International Immersion program with three immersions to Cambodia, as well as participation in the joint JACSA immersion to Timor Leste. In late December 2024 and January 2025 we will re-engage with our partners in India and Nepal for the first time since the COVID pandemic.

Our domestic immersions to a number of First Nations communities at Bathurst Island, Central Australia, and Cape York have continued this year. Thank you to Mr Gilles and Ms Manio for their leadership and co-ordination of our immersion programs. I also acknowledge Ms Dominique Marturia, our Ignatian Co-Ordinator, for her creative and engaging staff formation programs and reflection days. Ms Karin Kelly supports the team through her administrative expertise and co-ordination.

Caring for our Common Home

This year we began the implementation of our five-year action plan relating to Caring for our Common Home. There has been a strong commitment shown by our Green Wolves and Ms Stephanie Vardas, our new Caring for our Common Home Co-ordinator. One of the exciting new initiatives has been the development of an environmental dashboard, enabling our staff, students, and community to engage with real data about our water and electricity consumption. I also acknowledge and thank Ms Rebecca Hoad for her efforts, especially with our Return and Earn program to help support the communities we engage with on immersions.

Jesuit Community

I thank my three brother Jesuits who are part of the Riverview Jesuit Community. Fr Joe Dooley SJ has been of great assistance with masses, retreats and his accompaniment of staff and students. Fr Michael Hansen SJ continues to be creative in his ministry of the First Spiritual Exercises. He has spent the past few months of the year on sabbatical, exploring a variety of experiences that engage his imagination, especially through his astronomical and artistic interests. Fr Steve Sinn SJ continues as the leader of the Bridge Community in Bathurst, accompanying men and women with love and compassion as they transition back into society after spending time in jail.

Dr Paul Hine

On behalf of the Society of Jesus, I acknowledge and thank Dr Paul Hine for his generous and committed leadership as Principal of the College for the past 12 years, and especially during the challenges of the COVID pandemic. He has enhanced the teaching and learning spaces of the College, especially with the rebuilding of the Therry Learning Centre and the soon to be completed Wingaru Building. He has accompanied families, and Old Ignatians, in times of joy and deep sorrow. He has been a strong advocate and friend of our boarding community, our Special Education Inclusion program and our First Nations program. Dr Hine has been committed to the faith life of the College, attending countless House masses and joining the boarding community for the Eucharist each weekend. I wish Dr Hine, and his wife Ann, every blessing as they conclude their time of service at the College and transition to new endeavours.

I also thank Mr Pat Lowe for his service over the past 10 years as our Deputy Principal – Students. I wish him every success and blessing as he moves to St Joseph's College in 2025.

Finally, I thank Mr Greg Mackay, the Chair of the Board, along with the College Board and College Executive, for their leadership, collegiality and guidance this year.

From the Principal

Dr Paul Hine | Principal

Dr Paul Hine

As we look back on the end of another year, the College Community can be very proud of what has been achieved through a busy but rewarding 2024. The student motto, 'My Flame, Our Fire', captured quintessential elements of Ignatian spirituality, embracing Saint Ignatius' exhortation to his early companions to 'go and set the world on fire'. While our Student Leaders worked hard to unify and strengthen the College Community, they were concurrently participating in and strengthening a tradition that began nearly 500 years ago in Europe, one that continues with such vitality today.

As much as there were many highlights across a wonderful year, there was also some sadness. The community mourned the loss of Mr Tom Riemer early in the year, a member of staff who was one of the most dearly loved I have been associated with in nearly 40 years in schools. Tom's quiet, gentle presence was a constant, be that in his Year 12 Dive Deeper classes, in the boarding community, in the Rugby program, or in religious life where he gave so wholly of himself in myriad ways. Rest in peace, good and faithful servant.

Ignatian Spirituality and Faith Formation

The liturgical life of the College remains as robust as ever, thanks largely to the presence of the Jesuits who live on site. While some schools struggle to have a school mass each year, Saint Ignatius' College Riverview has dozens of them, not only through the perennial gathering for the House masses, but also major liturgical celebrations such as St Ignatius' Day, the Feast of the Assumption, the Feast of the Sacred Heart, the monthly Parents & Friends Association (P&F) mass, Boarders' Chapel each weekend and much more. We are truly gifted and unique in this area.

A specific expression of the faith life of the College is seen in the multiplicity of service programs that are undertaken by students across the College. From metropolitan service agencies and aged care facilities, to disability centres and refuges for the homeless and those released from prison, the boys are on the front line working to support the disadvantaged and the marginalised. And, they learn so very much in the process.

Beyond Sydney, the boys take up the challenge to support those whose needs are acute and from whom the boys learn so very much. Contingents of Year 10 students participated in immersions to Darwin, Bathurst Island, Alice Springs, and Cape York, traversing some of the most distant reaches of the nation to engage in reconciliation initiatives that will be of long-term benefit to them and to our nation. A full immersion program returned for the first time since COVID with students travelling to Timor-Leste, Cambodia, India, and Nepal. Our young men worked with some of the most disadvantaged communities across South East Asia; they return more worldly and deeply enriched by this experience, one which we trust that they will take forward into their lives beyond school.

Congratulations are extended to Henry King (OR2014), the recipient of the Patrick Rodgers Memorial Award for Service for 2024. Henry's engagement in service since leaving school has been exemplary. He graduated from university after studying Arts and Education and has devoted the past two years to teaching at Xavier College on Bathurst Island. This is in addition to many other initiatives that see Henry support the parish and the local community on the island.

Mass at Dalton Chapel

Mr Russell Newman

Teaching and Learning

After nine years of dedicated service, the Deputy Teaching and Learning, Mr Russell Newman, left to work with Catholic Schools New South Wales in Wollongong. During his time the profile of teaching and learning was significantly elevated. There were six years in succession where the College Dux achieved an Australian Tertiary Admissions Rank (ATAR) score of 99.95 – the highest achievable. In addition, the first Tuckwell Scholar from Riverview was selected in 2019. Since then there have been three more over the past five years – the most recent being Isaac Ford (OR2024).

Graduates have not only secured access to some of the most highly competitive undergraduate courses in universities across the nation, but have also been accepted to Oxford, Cambridge, the London School of Economics, and Ivy League universities in the United States. I extend a sincere statement of thanks to Russell for his commitment to excellence in Teaching and Learning, knowing that his legacy will be taken further by Mr Lloyd Walker who joined the College staff in the final weeks of the year.

Curriculum development continued with the introduction of new computing courses, launched proximal to the construction of the new Wingaru Building, which will be completed by the start of Semester 2, 2025. This will enhance the digital literacy required in the rapidly changing world of artificial intelligence (AI) environments and respond to the growing demand for STEM-focused education.

In Agriculture, the completion of the Faber Farm and Agricultural Precinct will see extra classes offered through the electives in junior secondary and a broadened enrolment in senior secondary. Increased demand for VET and workplace courses has seen the HSC Construction course complete its first on-site cohort with a notable rise in interest from Year 11 students – two classes that will become three in 2025.

Among other academic achievements, Christopher Swan, a First Nations student, was awarded the Academic Prize in New South Wales among all graduating students from the Yalari program. Isaac Ford successfully secured a Tuckwell Scholarship, and Joseph Graves was offered a scholarship at the prestigious Berklee College of Music in Boston, in the wake of gaining his Licentiate in Music from Trinity College in London earlier this year. These are tangible signs of excellence and indicative of the priority of teaching and learning at the College.

This year has also seen the highest number of nominations for OnSTAGE, ENCORE, and SHAPE in the College's history. By any standards, it has been a remarkable year.

Pastoral Care

After 18 years of dedicated service, Mr Pat Lowe is leaving to take up a similar role at St Joseph's College. Pat was instrumental in the development of the House system, providing oversight of the four new Houses in 2015 and in the consolidation of the fully integrated vertical House structure in the secondary school. Deepest thanks are extended to Pat for the significant legacy he leaves through his contribution to pastoral care and the House system over many years.

Pastoral care remains as central to the College's mission as teaching and learning. The Homeroom system at Regis Campus and the House system in the Senior School are constantly reviewed for ways to best provide pastoral care to the young men entrusted to our care. These programs are augmented by counselling services on both campuses to proactively address mental health and pro-social behaviour, so we can best position our young men through the heady years of adolescence.

It is pleasing to report the ongoing partnership with Pymble Ladies' College through the Billycart program and Solar Lights Challenge, both of which are undertaken in primary school. Both programs entered their third year. The Billycart program involves the construction and racing of billycarts in teams, while the

PLC & Regis billycarts

Solar Lights Challenge requires the boys and girls to build solar lights and then send them to countries that suffer energy poverty. The gains from such programs are considerable as boys and girls approach the adolescent years and gain confidence from their respectful interactions with each other.

Some exciting new programs have been developed with Loreto Normanhurst, involving Year 9 and Year 10 students, respectively. As part of the Year 9 Challenge, the girls and boys spent time together

Mr Pat Lowe

on a combined Athletics Day, forming teams in healthy competition as part of respectful relationships. This has been strengthened in Year 10 with a four-day program of integration that involves a range of activities, some of which relate to civic affairs and others to learning programs. While nascent in 2024, these programs are intended to consolidate and strengthen over the years ahead.

Community

I am pleased to report that the highest number of boarders were enrolled at the College in more than a decade. Fluctuating years in agriculture and the interregnum of COVID made the prospect of boarding incrementally difficult. However, numbers are back and strong, thanks to the many who work so hard to promote the positive impact of the boarding community in the College. We move into 2025 in a healthy position. For that I extend a sincere statement of thanks to all who work to ensure that this school – which began as a boarding school 145 years ago – remains authentic to its charter in the contemporary world.

I wish to extend a sincere and heartfelt statement of thanks to the Parents & Friends Association (P&F) for the extraordinary support that they give to ensure that the voice of parents is heard and factored into all considerations in the College. To Liz Thorpe, and to that expansive but essential band of parents who labour tirelessly to advance the cause of community in the College for which we are all the beneficiaries, I am deeply grateful.

As always, members of the Old Ignatians' Union (OIU) have given their all to the College. It is truly a relationship that is rare. The spirit of the College is palpably supported by the Old Boys – namely to be a 'man for and with others' continues to grow and expand over the years. We are truly gifted to have the men that we have, poised and committed to giving back what they received during their formative years to support those who are currently enrolled. Particular thanks are extended to Dominic Edwards (OR2017), who flew from a busy professional schedule in Brisbane to address the graduates on the occasion of their Valete Assembly. This is indicative of the spirit of the OIU, and one that stands as a beacon of our community.

Another of the highlights for the year was an event that continues to capture the imagination and support of the community – the Jesuit Mission Bazaar. It began back in 1952 and has been an ongoing tradition since. This is one event that galvanises the entire College Community – students, staff, parents, past parents, the OIU, and the extended Lane Cove residents who have attended this event over generations. We were blessed with a truly exceptional day and one that produced appreciable gains, particularly for those who will be the beneficiaries of the generosity that this event brings with it.

Jesuit Mission Bazaar

Resource and Environment

Major building works that began in 2023 continued throughout the year and considerable progress was made. Most noticeably, the Wingaru Building is on track for completion, to be used from Semester 2 next year. The external facades are being affixed and the internal fit out is occurring from the lower floors. It is a massive project – the largest since the Arrupe Building was constructed a century ago. The Wingaru Building will add enormous depth to the delivery of Science, Mathematics, Engineering, Technology, and PDHPE.

Fourth Field was ready for use over the summer season and this much anticipated upgrade has yielded considerable benefits and will continue over the years ahead. The other project that has absorbed much time and resource allocation is the Faber Farm and Agricultural Precinct, which came into use at the beginning of Term 4. I extend a sincere statement of thanks to the builders and the staff who have worked so hard to bring these projects to fruition.

Out of the sightline is the significant work that has been undertaken on infrastructure, particularly risk and security. Riverview has a massive reach and its many activities need to have a strong risk framework around them, particularly the outward-bound activities such as immersions and service programs. That so many activities are managed each and every day, with a high focus on the safety and wellbeing of all, is testament to the work that is done by so many.

Following the communications audit conducted early in the year, the College has pursued a number of alternative communications platforms. A new College App, was developed and trialled in Term 4 at the same time that Clipboard, a co-curricular interface that was introduced early in the year, was absorbed into the architecture. Concurrently, the first automated enrolments via Enrol HQ were processed. This is an integrated system that will manage student data and privacy throughout the life cycle of a family. Over the next 12 months a new website and software system to facilitate the production and distribution of Viewpoint will also be completed, centralising and streamlining all communication systems between the College and families.

Wingaru render

A Broader Context

Each year I am mindful that while life-giving opportunity flourishes for our young men in Sydney, in other parts of the world each day brings with it the destruction and violations of war and civil strife. The conflict in Ukraine, which began in 2014 but intensified in February 2022 will move into its fourth relentless year next year, while the Gaza disaster has reached new levels of intensity with more than 43,000 deaths over the past 12 months, including 16,000 children and 11,000 women. This is a shocking indictment on humanity and the escalation of conflict in the Middle East to Lebanon bodes ominously for what lies ahead. We cannot focus on our own affairs to the exclusion of others.

As a result of conflict and internal strife, the number of refugees in the world has nearly doubled over the past 10 years to an unprecedented 43 million. The number of displaced persons has increased to 80 million. Add to this the impact of climate change in countries without the resources to combat its adverse effects, and so many struggle each and every day. As we come to the end of another year, it is important to widen the lens and be grateful for all we have and never take our very favoured circumstances for granted.

Drs Ann and Paul Hine

Summary

As always, there are many to thank as we come to the end of another year. To the Directors of the College Board who give so ably and generously of their time and expertise to ensure that strategic priorities and policy formation are in accord with governance requirements, I extend a statement of sincere thanks. The College Executive remains vigilant and responsive to an increasingly complex educational environment, while the teaching, administration, and support staff ensure that the mission of this school is carried out across the College. To the P&F and the OIU – the parents and the Old Boys who give so much to the affairs of the College – I extend my deepest gratitude.

Thank you one and all, not only for all that has transpired throughout 2024, but for the support that I have been given over the past 12 years. I am eternally grateful for the way this College Community has embraced Ann and me and we leave with memories that will sustain us both over the years ahead.

With every best wish for all that lies ahead.

Pastoral Care

Mr Patrick Lowe | Deputy Principal Students | **Mr Russell Kam** | Dean of Students

As always, the College has enjoyed a full and fulfilling year in respect of pastoral care. The foundation of our system remains our 16 Houses, each with their own patron, characteristics, and way of proceeding. Each House is administered by a Head of House and an Assistant Head of House and further divided into six mentor groups, each led by a mentor. Our mentors continue to serve a vital role in the care of our students, meeting with them regularly, providing both their presence and a friendly ear.

Despite the vertical Year 7 to 12 structure of our House system, each Year has engaged in numerous activities as a group.

Our Year 7 students first gathered at an Orientation Day in November 2023 and this was an opportunity for many to meet each other for the first time. It also allowed Year 7 boarders to enjoy their first overnight stay in the boarding house.

In March Year 7 attended a camp at the Sydney Academy of Sport and Recreation in Narrabeen where they participated in water- and land-based activities as House groups as a means to forge new friendships and to solidify existing ones. The Year 7 Camp remains an enjoyable experience notwithstanding some students needing to confront staying away from home for the first time and others simply enjoying more time and space with their peers.

Our Year 8 students were treated to a magnificent breakfast presentation delivered by Mr Alex Noble. Alex was a 16-year-old rugby star with a promising sporting career ahead of him when an on-field accident left him fighting for his life in a four-day coma in the ICU. Diagnosed with C4 quadriplegia, Alex was not expected to have any movement from the neck down. Defying the odds, Alex has gone from learning to breathe again to travelling the world, starting his own business, going skydiving, and much, much more. His recent book, *I Fight, You Fight*, reflects on his time as a student at Riverview (OR2020), and served as a launch pad for conversation between our Year 8 students and their accompanying adult.

The highlight for our Year 9 students was undoubtedly the Year 9 Challenge. The Year 9 Challenge was held over a period of almost four weeks and students were involved in a myriad of activities such as: Cook 4 Good, where students prepared meals for those sleeping rough; an Indigenous Cultural Day, where our First Nations Co-ordinator, Mr Kaleb Taylor, shared his knowledge of Indigenous weapons and important cultural sites; and a Community Awareness Day where students had the opportunity to play Goalball, a team sport designed for athletes with vision impairment. Bush Week was also central to the Year 9 Challenge, with students overcoming the physical and mental challenge of hiking, canoeing, and mountain bike riding at Glenworth Valley.

In 2024, Year 10 engaged with the Sprint Program for the first time. Sprint was conducted jointly with students from Loreto Normanhurst, involving the following steps:

1. Real-world problems are proposed and refined by a partner organisation.
2. Students are allocated to small groups, receive a problem and are given time to conduct research.
3. Students develop a solution.
4. Students pitch their solutions to their partner.

Organisations from the College Community were incredibly generous in volunteering to be a partner organisation and working with our students, resulting in valuable and creative solutions to their real-world problems. By working with Loreto Normanhurst, the College was also able to deliver authentic coeducational learning experiences supporting the development of respectful relationships.

Year 11 was reminded of the importance of good choices by Mrs Melissa McGuinness. Melissa is a passionate advocate of road safety and her message linking choices and consequences was both heartbreaking and inspirational. This follows on from the RYDA Road Safety program Year 11 students attended last year, and reminds students to form safe habits when operating vehicles.

One of the legacies of our graduating class of OR2024 is Marathon for a Cause. Marathon for a Cause is a Year 12 initiative whereby Year 12s ran a marathon around the College, commencing at the start of a school day, continuing at lunch and through the night, before finishing early the next morning. By doing this they raised funds for Fight MND and the Black Dog Institute. Not only were there in excess of 70 students running the Marathon, they were joined by more than 25 staff (including the Rector, Father Renshaw and the Principal, Dr Hine) who ran, cheered, and accompanied Years 12s as they pushed through 42 kilometres of running.

This year students in all years have been challenged constantly with the maxim: 'Who are you when nobody is watching?' We strive for consistency and reliability as character traits and this simple but effective question reminds us of the importance of integrity in all of our activities.

The combined efforts of the pastoral care leaders at the College, which includes our Heads of House, our Assistant Heads of House, our Psychological Services team, our First Nations Coordinator, and our Year 9 Challenge Coordinator put the care of each student at the forefront each and every day. Our gratitude is extended to all who serve in these important roles at the College.

Mr Pat Lowe, Deputy Principal Students, with Joshua Engelman

Counselling

Dr Laura-Kate Dassos | Head of Psychological Services

At the start of 2024, I began my appointment as the new Head of Psychological Services at the College. It has been an exciting and rewarding journey. I am sincerely grateful for the warm welcome and support I have received by the team and broader staff community. Together, we have made meaningful strides in enhancing mental health and wellbeing initiatives across the College, and I look forward to continuing this important work.

There have been many moments of reflection and celebration throughout 2024. This year's Friends Listen Assembly stood out as a day filled with genuine support, heartfelt conversations, and a sense of community that was both humbling and uplifting. The personal stories shared by two Year 12 students demonstrated great courage and vulnerability, and offered a strong message to the student body that 'heavy is heavy' and different people struggle in different ways. The Counselling team had the privilege of working alongside students and staff in the Drama department to offer a visual representation of how students can check in with each other and offer support – an exceptionally important message for our young men.

There have been some changes to the Counselling team this year. In Term 3, we sadly farewelled Ashleigh Bierton, a cherished member of the team since 2017. We are immensely grateful for the contributions Ashleigh made during her time with us and wish her all the best. We are pleased that Leah Phipps is now a permanent member of our Counselling team.

We are also delighted that the Counselling team is expanding in 2025; we welcome Amelia Hawkins, a Clinical Psychologist with experience in child and adolescent mental health, to the team. We are also excited to share that our Regis Counsellor, Michal Fisher, is expecting two new additions to her family – twins! We wish Michal all the best on this wonderful adventure with her beautiful growing family. Jessica Tan will be stepping in as the Regis Counsellor in Michal's absence, ensuring continuity in our services and ongoing student support.

The College Counselling team 2024: Leah Phipps, Eleni Smirniotis, Dr Laura-Kate Dassos and Michal Fisher

Finally, we are excited to share that Eleni Smirniotis has also completed training to be a nationally recognised nutritionist. Focusing on nutrition relating to health and wellbeing and sports nutrition coaching, Eleni's expertise will be an invaluable resource for our students.

The Counselling team has remained dedicated to our core mission of providing counselling, coaching, and emotional support to students. We have worked closely with students across all year levels, helping them navigate challenges such as anxiety, stress, relationship issues, and academic pressures. In addition to our direct work with students, we have continued in our outreach to the broader school community. This year, we delivered professional development workshops for staff on topics including Mental Health First Aid, managing anxiety in the classroom, supporting through grief and loss, and deepening our understanding of child-protection responsibilities. These sessions have equipped staff with the knowledge and tools to support students and identify early signs of mental health struggles. The Counselling team will continue to use our internal counselling statistics and research evidence to shape proactive and preventative strategies to maximise student wellbeing.

As the year draws to a close, we are immensely proud of the progress we have made in supporting the wellbeing of our College Community. Our team remains committed to *cura personalis*, care of the individual, ensuring that every student feels supported, heard, and empowered to thrive both emotionally and academically. We look forward to the year ahead, continuing our work and expanding our reach as we strive to make a positive and lasting impact on the wellbeing of our students and staff.

Friends Listen, checking in with a mate: Tom Doyle and Xavier Hynes

The Magis

Jasper Perrett with a student from Redfern Jarjum College on St Ignatius' Day

Director of Religious Formation

Mr John Gilles | Director of Religious Formation

Adult Formation

In his book, *The Jesuit Guide to (Almost) Everything (2017)*, Fr James Martin SJ suggests that there are 10 questions which are proper to Ignatian spirituality:

- How do I know what I am supposed to do in life?
- How do I know who I am supposed to be?
- How do I make good decisions?
- How can I live a simple life?
- How can I be a good friend?
- How can I face suffering?
- How can I be happy?
- How can I find God?
- How do I pray?
- How do I love?

He further suggests that these questions are proper to Ignatian spirituality because they are proper to the human person.

We have not attempted to answer all those questions directly throughout the year but have, indeed, reflected on our core purpose and how our language, choices, and actions lead us towards fulfilling the mission of the College and discerning the best path towards God's Greater Glory.

Staff have participated in formation experiences which have asked them to consider how the gift of Ignatian spirituality fans the flame of their motivation, energy, and commitment to their work. Conversely, there have also been opportunities for contemplation, silence, and fostering the capacity to be still – including Christian meditation – and making room for God. As a community we have prayed together as well as opened up Ignatian conversations, where listening is more important than speaking.

The Colloquium on the Ministry of Teaching, Seminars in Ignatian Leadership, and the various Province-facilitated Ignis have allowed staff to collaborate with those from other Jesuit Ministries and so build connection and understanding. Our internally run reflection days, Capstone program, staff prayer and service opportunities have assisted us to grow in community with one another and, hopefully, take a few steps towards being able to respond to those questions that define our shared humanity.

Retreat Program

This year, students in Years 5 to 12 enjoyed days of pause and conversation, pilgrimage, and prayer. These precious moments of faith formation sought to foster self-awareness, prayerful discernment, and draw retreatants towards a deeper relationship with God. Year 11 enjoyed their Days of Reflection in houses at Peter Canisius House, exploring the dignity and worth of all people through the insights of the First Principle and Foundation of Saint Ignatius. The Year 12 Retreat program of 'Freedom and Indifference' closed out a busy Term 1, offering eight locations for faith formation throughout the week. Some students walked on coastal or bush pilgrimages in the spirit of the early companions, others undertook prayerful and contemplative retreats in the Southern Highlands or service and action-oriented experiences with the Cana Farm community and amongst the Holy Family Parish at Emerton.

Four Kairos retreats invited Year 11 and 12 participants into a deeper understanding of God's love, with an invitation to partake in prayer and sacramental life. June Kairos was enjoyed with students from Loreto Normanhurst in an historic, and very successful, coeducational Kairos.

Year 9 engaged in a program on 'Companionship' in a pilgrimage-style Day of Reflection held across five different parks on a glittering spring day. Year 11 Peer Ministers co-facilitated the day with Heads of House, meaningfully exemplifying the model of companionship through their conversations around vulnerability, authenticity, and faith during challenging times.

External presenters were invited to address Year 8 on their Morning of Reflection, encouraging student thought and action about maintaining dignity in relationships. Year 10 participated in a Morning of Reflection and prayer to consolidate the learnings of empathy and compassion from their Service Week experiences.

The Year 7 program on 'Finding God in All Things' was supported by trained Year 10 Peer Ministers, who helped to bring retreatants to a deeper awareness of God's presence in all our daily interactions and experiences. Year 5 and 6 Mornings of Reflection were held at the Regis Campus, explaining some of the foundational elements of our shared Ignatian spirituality. Students workshopped how they might 'Strive for the Magis' by living as people of conscience, compassion, commitment, and competence. They enjoyed the hypothetical scenarios, which brought these traits of human excellence to life.

Liturgy

Our increased engagement with the rich liturgical life of the College was evident from both Opening School Masses, presided by Fr Tom Renshaw SJ and Fr Joe Dooley SJ. Envisioning a hope-filled future, these Eucharistic celebrations were followed quickly by solemn Lenten and Easter liturgies, all enriched by our Ignatian choir and student musicians under the musical guidance of Ms Moriarty and Mr Hume. For the Feast of the Sacred Heart of Jesus we were joined by members of Cana Communities, enabling a mutual sharing of stories, gifts, and graces, which flow into the College service program. Our Marian devotion was celebrated in a special Mass for the Assumption of Mary, where the congregation were pointed to her model of faith and acceptance.

A passionate liturgy group led by two outstanding Liturgy Captains helped to coordinate student Masses in the Dalton Chapel. Masses for peace and creation were particularly well supported by students from all year groups. House Masses were celebrated throughout Term 1 and 2, offering Houses the opportunity to come together in worship and companionship. St Ignatius' Day began as a faith community, during which a student-led reflection reminded everyone of the purpose of commencing this traditional day of service and outreach with the Eucharist.

Year 10 at Redfern Jarjum College

The number of Year 11 students seeking roles as Eucharistic Ministers continues to soar, with a record 70 students for 2024/2025. This group engaged in a morning of reflection to prepare for faith leadership. They have already cherished the opportunity to lead and serve the congregation at student Masses. Their training also comprised leadership of the Examen, fostering an increasingly regular student voice of prayer in the College Community.

The outgoing Year 12 Eucharistic Ministers were thanked and farewelled at a student Mass for 'Gratitude' where newly elected Year 11 leaders articulated their gratitude to a model cohort who left an enduring legacy with their passion for liturgical singing. Year 12 Valete Mass signalled an end to the learning and spiritual formation of a most impressive cohort, with students proudly participating in all elements of Mass with their families, singing of the greater glory of God as they exited Ramsay Hall.

Year 11 at St Canice's Kitchen

Year 11 at St Canice's Kitchen

Bathurst Island Country Placement

Ignatian Service Program

A tenet of Ignatian spirituality is gratitude. Being 'grateful' is different from being 'thankful'. Thank you is the end of that emotion: once said, it is done. Gratitude is an action: a movement of the heart that needs to be lived out. We live out gratitude through generosity. As we reflect on the extraordinary Ignatian service by students and staff over the past 12 months, we see gratitude lived out through generosity. Students have been generous with their time, skills, and money. Most importantly they have been generous with their presence as they accompanied those living on the margins.

Years 5 to 11 have lived out their faith through action. They have worked alongside people rebuilding their lives after incarceration, walked for Jesuit Mission raising funds for those in Myanmar, swam to support those battling cancer, slept out in solidarity with those sleeping on our streets, served over 3,800 hot meals to those needing food and conversation, been companions to the elderly, participated in Clean Up Australia, served on Country in Indigenous communities, and supported adults and children with disabilities. Our students have served in over 60 different community organisations and schools and have raised more than $110,000 for charities and causes.

The Ignatian Service program is designed to progress students from **people for others,** to **people for and with others.** Year 10 is the turning point for this, with students engaging in face-to-face service. This year, 238 students served in 45 different agencies, organisations, and schools. Some as close by as Luz All Abilities in Lane Cove, others as far afield as Bathurst Island in the Timor Sea.

Ignatian Service invites students to follow Ignatius' desire to model Jesus by being at the service of others. For many students, the Ignatian Service program provided a transformative experience, with many expressing a deeper awareness of injustice and greater understanding of socioeconomic and cultural diversity. The question we ask students to reflect on is, 'HOW have these experiences helped to shape them?' As one student expressed:

"I can't even describe it in words!!! This service placement was the best thing that has ever happened to me at this school and I want to do more of it. This placement has inspired me to do more service." – Year 10 country placement.

Religious Education

At the JEA and JACSA 2023 Education Conference, we heard about the challenge of mission for our schools in our Religious Education and Faith Formation programs. How have we responded to the objectives presented by Fr Chris Middleton SJ at last year's JACSA conference? The established Religious Education curriculum addresses the key responses to the challenge proposed; however, there were a few inclusions made this year:

1. Exploring the reality of 'Suffering and Evil' as a unit of work or as a theme which can be integrated within the current curriculum. We re-imagined a unit of work in Year 9 – 'Jesus: Ultimate Victory' – to tackle how students perceive the problem with suffering and evil.
2. Explicit study in the 'Historicity of Jesus' – ensuring (at a young age) that our students understand that Jesus was a 'real' person, therefore assisting in the question of faith and reason. We developed a unit of work for Year 7 students – 'Jesus: the Way, the Truth and the Life' – which focuses on the real and human Jesus.
3. Maintaining the relationship between faith and justice. We included the Bookends Project in Stage 5: bookend 'First Nations' in Year 9 and bookend 'Refugees and Asylum Seekers' in Year 10.

International and Domestic Immersion Programs

The International and Domestic Immersion programs continue on the planned graduated recommencement of experiences, such that in 2024 immersions to Cape York, Cambodia, Timor-Leste, Nepal, and India were offered. It is exciting to fully recommit to Global Citizenship in working with Jesuit Educational and Social Ministries around the world. Our students continue to benefit from the professionalism and sheer capacity of the staff who lead these experiences. They grow noticeably into more authentically integrated people – long may this evolution continue!

It is important that we acknowledge in the Alma Mater the passing of College Lay Chaplain, Mr Tom Riemer, in February of this year. His ministry of presence and accompaniment was a natural personification of everything that the Ignatian Centre hoped to be and to become. Simply being around him was a hope-filled experience, a living symbol that the possibility of achieving the dream that the College has for its community is a possibility. He will be deeply missed, though we are consoled that he is in God's loving embrace. May he rest in peace.

Cambodia White Immersion

From the Archives

Ms Cathy Hobbs | Archivist

Riverview Archives supports the College by providing a permanent and secure home for the historical records, photographs, memorabilia, and museum objects that date from 1878 to the present and serve as the memory bank for the College. The records held in the Archive document the establishment, growth, and direction of the College, as well as provide biographical information on past students, Jesuits and staff.

The exhibition programs held by the Archives this year included:

An historical display at the Nostalgia Luncheon for the Classes of 1940–1973
In July, Old Boys from the Classes of 1940 to 1973 and their partners gathered together for the annual Nostalgia Mass and Luncheon. The archival display mounted at the function helped to bring back memories as friendships and shared bonds were celebrated.

A visit from Capstone staff in July and September
Capstone is a four-year program for staff as they begin at Riverview. Each year, key elements of the Ignatian story are shared with staff, beginning with the life of Ignatius and the history of the College. As part of the program, staff visited the Archives Museum during the July and September school holidays to view the displays on aspects of the history of the College.

Historical tours in February and June for the P&F Strategy Day and Year 12 parents
The tours encompassed the historical precinct of the College, including the Parlour, Archives Museum, and the Rose Garden, finishing at the ferry wharf. While touring the historical precincts of the College, the participants were told stories from the College history and shown photographs of what the area looked like more than 100 years ago.

Class and mentor group visits to the Archives Museum
During Term 4, classes and mentor groups visited the Archives Museum to view the exhibition mounted by the Historical Society entitled 'Ghost Buildings of Riverview'.

Riverview Archivist Ms Cathy Hobbs

Riverview Archives continues to be a valuable resource for the Riverview community and the general public. In particular, the research service offered by Riverview Archives continues to be popular with staff, students, Old Boys, bona fide researchers, local historians, and genealogists.

This year, the Archives has been very fortunate to have had Mr Michael Punch working as a volunteer. Having been employed at the College for 30 years, Mr Punch brings a wealth of knowledge to the Archives as he works on identifying many of the photographs held in the collection. Mr Punch was originally employed at the College in 1975 as the first lay Sportsmaster. He also taught senior English and was the inaugural Xavier Housemaster when the House system was introduced in 1983. Mr Punch left his teaching role in 1992 and was appointed Director of Development, a position he held until he left the College in 2005.

The Riverview Collection

A major project this year was the development of an online platform called Riverview Collection. The online platform will enable members of the Riverview community to engage, explore, and interact with the College history and digitised resources from the Archives. The platform will provide a space to document and update the College records, which honour the achievements of the student body and lists positions held by significant staff and students from 1880 to the present. Riverview Collection will also provide an online exhibition space where curated stories on the history of the College, Jesuits, staff, and students can be explored.

As part of the development of the platform, items within the collection are being digitised.

College Community Archives will be featured in the Riverview Collection

Year 12 parents on a tour of the Riverview Archives, Parlour, and Rose Garden

The Archives display at the Nostalgia Luncheon

Andrew Meagher (OR1984) and Terry Meagher (OR1950) at the Nostalgia Luncheon

Some of the resources which will be available on the platform include:

- historical videos recording co-curricular and significant events and anniversaries
- photographs dating from the establishment of the College in 1880
- College Community Archive, including museum items such as sporting medals, trophies, and honour blazer pockets, which have been donated by members of the Riverview community
- Father Dalton's Diary
- Our Alma Mater 1886 to present
- Ignatian 1992 to present
- published histories of the College
- audiotaped oral history interviews with alumni, Jesuits, and past members of staff
- the College art collection
- history of Riverview Observatory
- Riverview and World War I
- Riverview and World War II
- a timeline on the history of the College

Donations of Artefacts

Honour Blazer Pocket awarded to George Doughty Arnold

Known as Doughty, George Doughty Arnold attended the College from 1908 until 1914. During his time at the College, he was involved in as many activities as possible that were offered at that time. Arnold was a member of the Debating Club, appeared in College dramatic productions, participated in the Swimming and Athletics Carnivals, was a member of the Cadets, was a member of the 3rd XI cricket team and the 2nd XV rugby team. Notably, he was a member of the 1st IV rowing crew which won the Yaralla Cup at the GPS Regatta in 1913. In 1916, he signed up to join the war effort, serving in Flanders with the 1st Australian Siege Battery. After falling ill on the battlefield, he was attended at the Base Hospital by another Riverview Old Boy, Captain Chaplain Cecil Loneragan (OR1901). When World War II was declared, he again enlisted in the RAF and served as a Squadron Leader in the Middle East.

The P&F Planning Committee were taken on a tour of the Archives, the Parlour and the Rose Garden

Year 7 History students in the Archives Museum

Honour Blazer awarded to John Griffin McKinlay (OR1950)

John Griffin McKinlay, nicknamed 'Inky', attended the College as a boarder from 1943 until 1950. He was in the 3rd IV rowing crew in 1948 and went on to gain College awards in the 1st VIII rowing crew in 1949 and 1950. In 1948, he was also a forward in the 4th XV rugby team. He scored two goals on 12 June against Shore and was nominated best player on 26 June against Sydney Grammar School. He went on to play in the 1st XV in 1949 and 1950 where he received College awards.

Overall, it has been another busy and exciting year in Riverview Archives.

Laureate Assembly

Mr Lloyd Walker | Deputy Principal Teaching & Learning

It was a great privilege to address the Laureates of the cohort of 2024 at the event held on the morning of Friday 14th February 2025.

Whilst we celebrated the academic success of our highest performing graduating students on this day it's important for us to remember, that there were many other students in the 2024 cohort who have managed to achieve their academic personal best that were not necessarily present.

When sifting through our comparative learning growth data, some of our most important success stories were discovered at ATAR scores below 90, and as a result, we awarded a special 'Studium Award', which was presented to the student that demonstrated the highest comparative learning gain in the cohort (Willliam Pettiona). Whilst only one student was presented with this award, symbolically it is important to recognise why this award exists and what it represents. As has been said many times before at our school, the objective is always about the achievement of Human Excellence, whatever that might look like for each and every one of our graduating students. The Laureates all achieved a very high level of excellence in scholarship but my message is that we measure the quality of a learner, not by his talent, but by his perseverance, his determination to improve and his efforts to achieve.

Looking at the overall academic achievement of the 2024 cohort reveals some remarkable performances.

At a glance, highlights include:

- a record number of NESA nominations for showcasing major works and performances – a testament to the creativity, dedication, and support fostered within our community, with 45 nominations for these major works and ultimately two successful inclusions in NESA Showcase events
- exceptional ATAR performances – with eight students achieving an ATAR above 99
- we also have nine Premier's All-rounders Achievers Awards – awarded to those students who achieved distinguished status across a broad range of subjects.
- three state rankings and approximately 299 – Band 6 and E4 results – A criteria which earns these students a place on NESA's Distinguished Achievers List in these respective courses.

However, it is also important to acknowledge that no success is achieved in isolation. Behind each graduating student stands a network of individuals whose support, encouragement, and belief have been instrumental in their progress. The teachers who have inspired and nurtured their intellectual curiosity; their families, whose love and steadfast support have provided an unshakable foundation; and their peers, whose companionship and encouragement have motivated them through times of difficulty. To all those who have played a role in this achievement, we extend our deepest gratitude.

On behalf of the College Community, I congratulate each one of our graduates of the Class of 2024 on their remarkable academic achievements, with a particular focus on the Laureates who have dared to do as much as they can do. A special congratulations to our College Dux, George Gaha, and our Proxime, Christian Spiropoulos, for their most outstanding achievements.

DUX OF THE COLLEGE
George Gaha

PROXIME OF THE COLLEGE

Mr Lloyd Walker, Deputy Principal Teaching & Learning

2024 Laureates

The Kircher Collection

The Kircher Collection

Mr Lloyd Walker | Deputy Principal Teaching and Learning

On the evening of Friday 14th February we gathered together at Regis Hall to celebrate the outstanding HSC Major Works that were formally included in the Kircher Collection of 2024.

Whilst I was not personally present at the College during the period of time when these works were so diligently designed and developed, it was immediately obvious to me, and I'm sure all the members of the audience on that evening, that the quality of major works on display could have only been achieved via a combination of dedication, creativity, and a deep passion for the respective disciplines of each of these students. The event itself was a celebration of their hard work and unwavering commitment to their projects. Each had crafted something truly extraordinary.

What stood out to me was the diversity of disciplines represented. We had works that explored the depths of scientific inquiry, where students had embraced the challenges of the natural world and sought to push our understanding ever forward. We saw the eloquence of the written word, as students in English had crafted essays and narratives that were as insightful as they were impactful. Our Visual Arts and Photography students captured moments in time with stunning compositions that evoked emotion and provoked thought. The music compositions filled our hearts and minds with the power and emotion of sound. Our Industrial and Design and Technology students applied their innovation and problem-solving abilities to create works that not only inspire but hold the potential to change the world. And of course, our Drama students who demonstrated their command for movement, humour, and creativity in their group performances.

All of these works speak to the exceptional calibre of education and mentorship these students received here at our College. But they also speak to the passion and determination of the students themselves. It takes vision, courage, and resilience to push boundaries in any field, and each of these students certainly have managed to overcome respective challenges in the making of these major works.

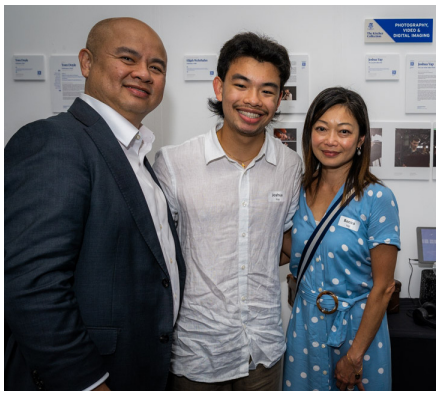

I'd like to also recognise the incredible support system that has been there every step of the way for these students. The families and friends who have been by their side, offering encouragement and love as well as the teachers who have worked tireless to support these students and their projects.

Congratulations once again and thank you to everyone who came and attended this wonderful celebration of excellence in teaching and learning.

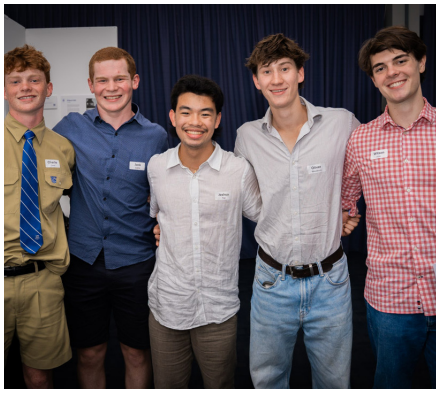

Scan the QR code to see the outstanding works in the 2024 Kircher Collection

Valete

Captain's Year in Review

Sam Wright | College Captain

Let me tell you the story of OR2024.

On January 29th 2018, from five states, four nations and 54 schools, the class of OR2024 gathered for our first day of school.

For most, those first days were daunting. For the only time in our schooling, we were late for a valid reason, as we walked around main campus like it was Hogwarts. Day boys learnt the social hierarchy on the 691 the hard way. Whilst for the boarders the peaceful soundtrack of the country was replaced by the sprawl of a dorm room, with the realisation that their diet would consist of food that hadn't evolved since the 1980s, creating waves of homesickness.

But as the blazer developed a few stains from touch on Gorman, gradually we united in the brotherhood of the blue and white. With every Sunday service with the Holy Dooley and Mondays spent making sandwiches for Rev. Bill Crews Kitchen, we were ingrained with our spiritual purpose to be a 'Man for Others'. With every sprint down the Therry steps and Saturday pilgrimages to that team in pink, we learned not only who we sang for but also what we were banded together as – View Boys.

Then came COVID (sorry for reminding you).

Lockdowns and outbreaks meant for two years these experiences became quickly forgotten. Face-to-face classes replaced by the abyss of a Zoom screen. Saturday sport was not played at sixth field, but in our own backyards.

And when we finally made our way back through Loyola Drive, we returned to a college that was changing. Cooking and serving food for the homeless along George Street had been replaced by a virtual service program. Religion classes were the only place where Iggy was talked about. Even the great Mr Rodgers had decided he'd seen enough.

After a wonderful start, the unifying foundations of our College and year group appeared fragile. So, we returned to the core purpose of Ignatian education.

In the city of Rome in 1541, Ignatius farewelled his companion Xavier with the plea that he needed to go and set the world on fire. Almost 350 years later, Father Dalton continued this mission,

setting not off overseas but instead to the banks of the Lane Cove River.

As he welcomed students on a rainy day in 1880 he announced the motto: *Quantum Potes Tantem Aude*, 'as much as you can do, so much dare to do'. It was a call to action: that every Riverview boy would not only feel inspired but obligated to make the world a better place.

So, we aimed to continue this legacy through our student motto: 'My Flame, Our Fire'. A calling that as individuals we only have a flame but together, we have a fire – one that can warm a world in need of light.

MY FLAME OUR FIRE

2024 Student Motto

Our first individual flame was our support.

When Isaac Ford walked onto the stage of the Lawrence Campbell Oratory Competition in the eastern suburbs on a pouring Friday night, Scots had no one, Riverview had a hundred. What followed was our second win in 50 years. When the AFL boys reached the final, we gave them a record crowd. Even better, when the AFL boys made the state final in Canberra, so many boys were watching it on their school laptop that IT blocked the website in the middle of the game.

Boarders were the number one ticket holders across the school's musicals. Fencing made appearances on View Boy Clan. Where there was an event involving a boy in the blue and white, the View boys were there.

But even when the results did not go our way the support did. Our Captain of Rugby recalls a last-minute loss at Scots as his favourite game. Why? Because 150 boys of this graduating class watched and sang 'Jerusalem' in torrential rain. Across a 10-game rugby season there were only two examples of us having a smaller crowd than the opposition.

The second flame of our class was service.

During COVID the service program faced an existential crisis. Alongside the magnificent work of the Ignatian Centre, we helped bring Riverview's service program back. From Year 7, that looks like more than 2000 hours of combined community service. During Year 12 that's evidenced in the 67 boys that went on an immersion and raised over $100,000 for our immersion partners.

And we ended in line with that commitment. Our last 24 hours of timetabled class (except for the marine conservation attempt and second field transportation efficiency experiment) were spent running around the school 21 times to complete the first Marathon for a Cause raising money for Fight MND and the Black Dog Institute. In 48 hours, we raised $16,000

The money is important but not as meaningful as the purpose. Both charities were chosen due to their importance to members of the Riverview community. A couple of weeks after school we received a copy of the letter sent from Mr Piper. On the front was a picture of a Koala in a tree – a picture he used as an analogy for how our graduating class had given him hope as he suffered fighting MND.

This initiative speaks to the humility of our whole year group. I did not come up with the idea, it was brainstormed by a mixture of boys with and without black leadership ties, and then passionately supported by our cohort of parents.

We would also like to thank our parents and families. Whilst you are the ones who have paid the bills, your contribution extends well beyond this. We as students rely upon your unconditional support. You stand on the sidelines supporting us, you chauffeur us across Sydney and indeed across the county. No family is perfect, sometimes we'd disappoint you, yet you were always supportive.

I also want to extend my gratitude to the boys.

Riverview is first and foremost an educational institution. But that is not what makes it special. What makes this school special is its community, the staff, the families, the spirituality, and the opportunities. What made it special was the culture we built within our graduating class.

From travelling together on immersions to five different countries, to those who got to go to Oxford to debate or Canada to ski; with every pilgrimage to make the 3:15 kick-off, to every recess and religion class.

We will grow further apart, but there will always be one thing: that the 239 students of this graduating class received the gift of a Riverview education. A gift that saw us go from timid boys to men for others. Our final assembly may have been called the

Valete – farewell – but may we never leave the spirituality and friendship that made our years at Riverview the best of our lives.

So, I conclude in the words of Saint Ignatius and that of Mr Riemer at the end of every email,

Boys,

Go Forth and Set the World on Fire.

Take care and blessings always.

Valete Assembly Address

Dr Dominic Edwards BMedSt MD (OR2017) | Valete Keynote Speaker

Rector, Headmaster, members of the Riverview community, guests, students and, most of all, to the Graduating Class of 2024, I thank you for inviting me to deliver this Valete Assembly address. In giving this address, I am cognisant that such gatherings have occurred here for many thousands of years, and I acknowledge those Indigenous people past and present, and those who are here in this community today.

Only seven years ago, I sat in this hall where you are now. The only difference between you sitting there and me standing on this stage is that I have made it through university and now have a job. And honestly, it is a little unnerving being back so soon; I still feel like Bill Dowers might force me into getting a haircut at lunchtime.

I vividly remember the excitement, the thrill of knowing the end of school was fast approaching, the nervousness of the upcoming HSC exams, and the fear of what lies ahead after school. I was sad: I wasn't going to be playing games of sweaty handball at recess outside the Licona; no more KFC Thursday in Mr Hume's tutor group; or belting out 'I Leave My Boats Behind' in the Dalton Chapel ... and the worry that a place that I had spent so much of my life in, as soon as that Economics HSC exam finished on a random Monday in November 2017 ... that this chapter in my life would be closed shut.

Looking back, I think the good news is that I didn't have much to worry about – and neither do you. Leaving these gates, apprehensive about what was next, I was keen on a career in medicine; but, I didn't get straight in. Having started at the Australian National University in medical science, I got an interview for a delayed start to study medicine in Queensland. I was so lucky to have done the Ignatian Children's Holiday Camp and 120-plus hours of service, which helped me to get that place. Even though those countless hours of community service seemed long and tiring, especially when playing FIFA seemed like a better option, I cannot stress how important such acts of service to the community have on you and those around you.

Involving myself in all aspects of school life, whether it was academics, co-curricular activities like sports, music and debating, and, of course, service, has made me the person I am today. The two key events from my time in Riverview that stay with me are the Kairos retreat and my Cambodian Immersion.

The Kairos retreat not only allowed me to reflect on my sense of self, and also connect on a deeper and spiritual level with my mates (helped by a significant number of Tim Tams). The Cambodian Immersion in 2016 was my first opportunity beyond Australia's shores to practice those Ignatian values. Although there were fun times spent haggling at the local Phnom Penh markets, what had a lasting effect on me was the impact such small tasks we performed had on the local community and how generous they were. I have since returned to Cambodia twice in the last two years to perform gynaecological surgeries for women suffering from childbirth complications such as fistulas and infections.

We should be so grateful to have gone to Riverview. That is because not only are we fortunate enough to be in a financial and social position to reap the benefits of a good and lucky life, but more than that, we are so fortunate that we have the capacity to change and improve the position that others sit in.

Unknowingly, those fundamental Jesuit teachings I heard from Gregg Bryant in SOR 1 and Dr Hine at whole school assemblies have profoundly impacted how I view the world:

- a sense of responsibility to give back
- to use my capabilities in the service of a society that has given me so much
- to be part of a team achieving critical outcomes
- to strive to be the best I can be
- to be a man for others.

All these important values have shaped my moral compass in these post-schooling years and helped me take the mission of this school beyond those gates. No place were they more applicable than when I landed in Uganda in my final year of medical school in 2022. Having spent five years in Queensland, there I was, eyes wide open in Kasese in Western Uganda with Sabuni, the hospital driver, wardsman and security guard with no teeth but an enormous smile.

To add to the experience, an Ebola outbreak on my third day was declared in Uganda and all nearby airports were closed indefinitely, with the Department of Foreign Affairs and Trade advising me it was not safe to leave the hospital premises. So, I was genuinely stuck in a hospital with about half the population of patients suffering from HIV/AIDs, a new Ebola variant in the community and constant gunshots overheard across the river, occupied by Islamist militia at the Congolese border.

Over four weeks, I performed or assisted 73 caesarean sections, 34 surgical procedures and delivered over 60 babies. I think there are about 12 Dominics running around Western Uganda today. Monday to Friday I was one of two doctors managing more than 60 maternity patients in a 30-patient ward. To be able to put my education to work with the people of Kagando was an honour. On the weekends, we went to the local prison where 140 men were crammed in a hot concrete bunker with no windows and limited water. The inmates were suffering from conditions such as malaria, typhoid and wound infections.

Also, we trekked into the mountains, educating remote villages on topics like puberty, the menstrual cycle, alcohol and drug abuse – topics which were all heavily stigmatised in Uganda. Two years later, I am fortunate to be a Board member at this hospital and I'm looking forward to going back next year. It was tough, really tough, but it was incredibly rewarding and an amazing experience.

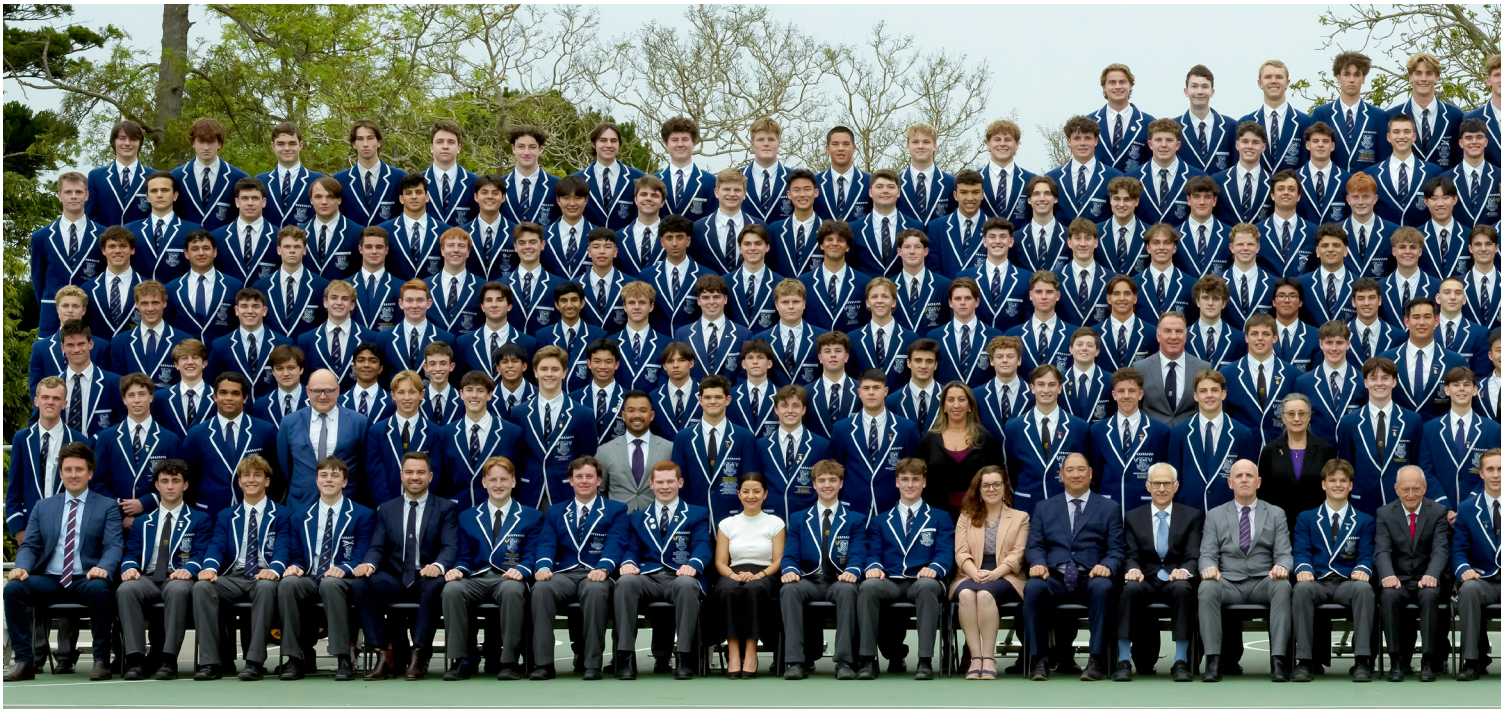

It's been only seven years since I sat in this hall. I have now been out of Riverview the same amount of time I spent here. That time has gone very, very fast and I only now realise that what I learned here in those years, from these teachers behind me, are lessons I will carry with me for the rest of my life.

Congratulations on making it to where you are today. Be so excited about the future ahead of you, but don't forget the wonderful times you had here. Never forget about the debt of gratitude you owe to the teachers, mentors and your families here today who all have shaped your journey through this school. I wish you all the best for what lies ahead.

College Chair Greg Mackay, Fr Tom Renshaw SJ, Dr Dominic Edwards (OR2017) and Dr Paul Hine

Class of 2024

Back Row: Jackson Delany, William Pratt, Oliver Perkins, Evan Dransfield, Benjamin Bousie, Joshua Saunders, Marcus Lane, Lachlan Matthews, Luke Easdown, Oliver Gunns

Sixth Row: Xavier Cunial, Angus McGibbon, Charles Davidson, Connor O'Sullivan, James Sneddon, James Groundwater, Joe Rooney, Joseph Carney, Frederick Stuckey, Charlie Watson, Sam Terry, Charlie Harrison, Archie Harvey, Dominic Cabot, Alexander Simmonds, Harrison Sealey, Oscar Davis-Rice, Charlie Barwick, Riley Burgess, Daniel Smith, James Hehir, Alexander Yeo, Christopher Blencke, Daniel Shannon, Daniel Byimira, Sebastian Filla-Duan, Edward Dunstan, Pearce Cole, Edward Roach, Toby Ryan, Charlie Christie, Rupert Fulton, Bryce Keevers, Freddy Reinhardt

Fifth Row: Hugo Wrightson, Nicola Bet, Robert Boyd, Michael Gardiner, Marc Jacob, Frederic Nery, Vincent Huang, Christopher New, Nick Neal-Bartier, Patrick Lie, Finn Tyrrell, Joshua Jacobs, Lachlan Vey, James Harrison, Sebastian Todd, Daniel Dougan, William Paterson, Jaeden Louie, Patrick Ward, Martin Slobodetsky, Noah Thurecht, Oliver Lambert, Marko Zdrilic, Gabriel Bennett, Oscar Ell, Judah White, Samuel Blakers, Toby Ward, Samuel Polich, Christian Spiropoulos, Theodore Tsihlis, Josh Deniz, Jack Burden, Harry Madigan, Jeremy Holmes, Jack Henry

Fourth Row: Joseph Graves, Jack Simmon, Archie Metcalfe, Joshua Price, Oscar Spora, Wilson Frith, James Saad, Amir Saeedi, Tyler Hartman, Lachlan Iacono, Charlie O'Connor, Luca La Spina, Oliver Woodburn, Jack McConnell, Lachlan Smythe, Christopher Chidiac, Nate Tucker, William Mathie, Robert Laird, Hugo Casali, Michael Mason, Alex Harvey, Callum McCaffrey, Jack Thompson, Lukas Taylor, Hugh Kennedy, Michael King, Patrick Short, James Rochaix, Spencer Solomons, Augustin King, Cian McAweeney, Dashiell Russell, Lachlan Mauleon, Flinders Crimmins, Joshua Engelman

Third Row: Edward Carter, Sam Ball, Henry Digges, Oliver Hunt, Jeremy Studdert, William Grattan, Daniel Sequeira, Austin Alexander, Luke Geoghegan, Rory Ell, Darcy Ryan, Archibald Westhoff, Johnny Malek, Will Brasington, Connor Forrest, Aaron Malla, William Pettiona, Daniel Rigney, Joseph Paii, Max Mason, Darcy Hallam, Jeremy Newton, Conor Dempsey, Max Donohoe, Tom Furlong, Walter Walker, Jacob Magsakay, Thomas Schell, Thomas Lollback, Christian Pierangeli, Harrison Bunis, William Rowe, Tom Doyle, Elijah Wehrhahn, James Fraser

Second Row: Benjamin Spicer, Henry Rooney, Milan Sundaraj, Ved Patel, Oliver Edwards, Alexander Appino, Joshua Yap, Oliver Whiteley, Joshua Maiers, Harrison Anson, William Ward, Daniel Gibson, Hugh Graham, Mr Dane Inman, William Hodge, Lachlan Thomas, Tana McCleary, Justin Hiew-Choy, Ms Natalie Baines, Angus Phillips, Prithviraj Shrivastav, Marcus Kulukovski, Luke Alam, Jacob Kulukovski, James Welsh, Hong Sidney Au-Yeung, Oliver O'Callaghan, William Croall, Lachlan Hordern-Smith, Lachlan Cronin, William Hall, Dylan Hanson, Patrick Ryan, Christian Bainy, William Barlow

First Row: William Dynan, Hugh Waldren, Christopher Swan, Mr Damien Reidy, Zac Brasington, George Daly, Raphael Quoyle, Mr Christian Iligan, George Gaha, Edward Thorp, Max Macedone, Ms Maria Skouras, Stefan Wood, Thomas Kalogerou, Benedict King, Ms Denyse Gibbs, Henry King, Joseph Madigan, Marco Vecchio, Patrick Maguire, Ms Rosanna Comastri, Zachary Duane, Samuel Beaman, Sean McKeon, Mr Tim Lee, Thomas Lee, Nicholas Re, Angus Lenehan, Ms Jane Rorke, Xavier Hynes, Jaiah Wallace, Ambrose Hennessy, Mr Rob Stuart, Thomas Hartman, Hudson Alexander, Mr Peter Wakeling

Seated: Mr Sean Bowmaker, Luke Bannerman, Albert Dowling, Alastair Brown, Mr Benjamin Carolan, Isaac Ford, Nicholas Dougherty, Jack Caine, Ms Suzanne Mouait, Austin Orsini, Liam Randell, Ms Debra Williams, Mr Russell Kam, Mr John Gilles, Mr Patrick Lowe, Luke Brady, Dr Paul Hine, Sam Wright, Fr Thomas Renshaw SJ, Jack O'Hara, Ms Jo Keeling-Lowe, Mr Anthony Begg, Ms Phoebe Loneragan, Ms Sally Gates, Ms Caitlin Remeeus, Lucas Ballantine, Daniel Saunders, Mr Peter McNamara, Kristian Armstrong, Luc Johnstone, Charlie McKay, Mr Rhys Williams, Henry Butler, Sebastian Zukerman, Jude Smith

Absent: Phoenix Graham, Alexander Lee-Young, Oscar Pidcock, Anakon Ratanavan

Awards and Honours

Insignis Medal

Ambrose Hennessy | 2024 Insignis Medal Citation

Insignis means outstanding amongst peers. The Insignis Award is the highest honour that Saint Ignatius' College Riverview can bestow upon a young man when he graduates. It is awarded to one who has been conspicuously involved in the breadth of College life and who has earned the esteem of his contemporaries and teachers. The Insignis is a person who is large-hearted, generous, acts on principle, showing promise to build up God's kingdom on earth by inspiring and influencing the companions with whom he labours.

The recipient of this year's Insignis is a student who is known for being an outstanding and well-rounded student. During his time at the College, he has received a number of merit certificates for application to his studies. Not only is he committed to his studies, he is a superb sportsman and gifted musician. He is universally admired and respected by staff as well as both older and younger students alike. He is known for his self-effacing manner and his humility. He is a person who is kind and compassionate with a number of different passions.

Faith and service are important to this student. He was a peer minister in Years 10 and 11, assisting with the Years 7 and 9 Days of Reflection. He has participated in Ignatian service in a variety of contexts including the Red Shield Appeal, the Kids Cancer Project, the Balmoral Swim, the Jesuit Mission Walk in Solidarity as well as assisting at the Loaves and Fishes Restaurant run by the Exodus Foundation in Ashfield. He participated in the virtual Cambodian immersion. He also visited the First Nations Community at Bathurst Island as part of his Year 10 Country placement and he was a participant on one of the Cambodian immersions last year. Going to Cambodia was a life-changing experience for him. In reflecting upon that experience, he said that it instilled in him a realisation that genuine happiness comes from relationships in our lives. This student is also a Eucharistic minister and has been a regular server in our College masses, both in the day school and the boarding community. He has been recognised as one of our Faith and Service leaders this year.

This student has been involved in many different aspects of the College's co-curricular program including rugby, swimming, and track and field. Last year he was a member of our Second XV Rugby team. He is also a gifted musician, being a member of the College's Intermediate Concert and Stage Bands, the Riverview Big Band and the Sax Quartet. When he was in Year 11, he was one of the student leaders of the Hot Potato Shop. He has been a committed and passionate member of the Green Wolves for a number of years.

This student is a confident public speaker. He gave an engaging reflection earlier this year at his House mass and he was one of our two student speakers at our Friends Listen Assembly, sharing with us his uncle's experience with mental illness and his family's commitment to making a difference in helping people who experience mental health challenges. Through his storytelling and advocacy, he has inspired many with the extraordinary commitment of so many of our Year 12s in the Marathon for a Cause.

Our Insignis winner this year is also an extraordinarily talented and committed rower. For the past two years he has been a member of our First VIII crew. Last year he was part of the crew that won the Head of the River, as well as the New South Wales and Australian Championships.

Only a few weeks ago, he was a member of the Australian under 19s men's coxed four that won the World Rowing Championships in St Catharine's, Canada.

It is with great pleasure that we announce this year's Insignis Medal winner to be the 2024 Captain of Xavier House, 2024 Captain of Boats and Boarding Proctor, Ambrose Hennessy.

Isaac Ford

Citation for the Michael Cunich Memorial Prize for Excellence of Character

This Prize is awarded to a student who has displayed strength of character, religious conviction and perseverance in his time at the College. He is also particularly noted for his leadership across a number of areas at the College.

The recipient of the Michael Cunich Award for Excellence of Character epitomises the ideals of the 'Magis' delving into all the College has to offer under the auspice of the pursuit of distinction.

Central to an Ignatian education is the development of critical thinking and effective communication. Upon commencing at the Senior College, our recipient demonstrated the diligence for which he is now recognised.

Academically, he received certificates recognising his Application to Studies in Year 7, Year 9, and Year 10. He also received awards for Academic Excellence across his Stage 4, Stage 5, and Stage 6 years. This commitment and application across several years embodies both a deep engagement to learning and a healthy pursuit of respectful and candidate learning profiles.

As part of the educative journey at Saint Ignatius' College Riverview, all students are called to be both active members of the faith life and give witness to that faith through the service programme. The recipient exemplifies these features of the College. He participated enthusiastically in the Garate Programme, volunteered at the Loaves and Fishes Restaurant and collected money for the Red Shield Appeal. As he entered his senior years, he also had the honour of being appointed to Eucharistic Ministry and the School Liturgy team. It is not only the range of activities, but the humble way he participated that embodies his compassionate and caring nature, too.

The recipient also flourished in the Co-Curricular life of the College. In his junior years he willingly participated in public speaking, drama, musicals, debating and a range of sports. In his senior years he not only sustained participation in Golf, Rugby Union, and Senior A Debating, but was also awarded the prestigious Lawrence Campbell Oratory Prize. The Prize is awarded to the best impromptu public speaker from a range of independent schools across New South Wales. This achievement, along with a sustained commitment to academic, spiritual and sporting pursuits, is a wonderful confirmation of diligence, creativity, and commitment to excellence.

The recipient as a senior student was also recognised by his peers as a leader both in word and deed. He had the honour of being appointed as a Proctor in the Boarding Community and as the House Captain of Romero. In each role he embraced the many values inherent to a service leader and was respected by his peers.

It is with great pleasure that we announce Isaac Ford as a most worthy recipient of the Michael Cunich Award for Excellence of Character.

George Gaha

Citation for the Prize for Outstanding Academic Achievement 2024

The Outstanding Academic Achievement Prize is awarded to a student whose academic achievement has been at the highest level. He has engaged in the full range of learning experiences and he has been a role model for other students in his diligence, contribution to class and engagement.

The Prize for Outstanding Academic Achievement is awarded to a student whose academic achievement has been exceptional. The recipient of this prize is a model for other students via their persistent diligence and continual positive contribution to the classroom climate, as well as the learning culture of the school and broader academic community.

George Gaha completed HSC studies in both Advanced Mathematics and Engineering in 2023 as an accelerating Year 11 student, achieving a final score of 98% for both.

In 2024, George has completed his Year 12 HSC courses with ranks which will see him matriculate with one of the highest Australian Tertiary Admissions Ranks of his cohort. These include 1st place in Visual Arts, 1st place in French Continuers and French Extension, 1st place in Mathematics Extension One, 3rd place in Mathematics Extension Two and 5th place in English Advanced.

Throughout his time at the College, George has demonstrated an outstanding commitment to the pursuit of personal mastery and human excellence.

Oliver Gunns

Citation for the Prize for Outstanding Academic Achievement 2024

The Outstanding Academic Achievement Prize is awarded to a student whose academic achievement has been at the highest level. He has engaged in the full range of learning experiences and he has been a role model for other students in his diligence, contribution to class and engagement.

The Prize for Outstanding Academic Achievement is awarded to a student whose academic achievement has been exceptional. The recipient of this prize is a model for other students via their persistent diligence and continual positive contribution to the classroom climate as well as the learning culture of the school and broader academic community.

Oliver Gunns completed HSC studies in both Advanced Mathematics and Engineering in 2023 as an accelerating Year 11 student, achieving a final score of 97% and 95% respectively.

Oliver has achieved top 10% academically in every year of the senior school since Year 7. In 2024, Oliver has completed his Year 12 HSC courses with ranks which will see him matriculate with one of the highest Australian Tertiary Admissions Ranks of his cohort. These include 1st place in Mathematics Extension One, first place in Physics, 5th place in English Advanced, and 9th place in Mathematic Extension Two.

Throughout his time at the College, Oliver has demonstrated an outstanding commitment to the pursuit of personal mastery and human excellence.

Lachlan Mauleon

Citation for the Prize for Outstanding Academic Achievement 2024

The Outstanding Academic Achievement Prize is awarded to a student whose academic achievement has been at the highest level. He has engaged in the full range of learning experiences and he has been a role model for other students in his diligence, contribution to class and engagement.

This award recipient began his Riverview journey at the Regis campus. He quickly established himself as an earnest and hard-working student whose dedication to studies led to exceptional academic performance.

He has demonstrated remarkable consistency, scoring in the top 10% of his grade in Years 7, 8, 10, and 11. His impressive awards include the Prize for Mathematics in Year 6, the Prize for Italian in Years 8, 9, and 10, and the John King Brangan Memorial Prize for Accelerated HSC Maths in Year 11.

His commitment to excellence is further evidenced by the numerous certificates he received for Application to Studies: Gold in Years 7 and 10; White in Years 8, 10, and 11; and Blue in Year 9. These awards in particular, indicate unwavering commitment to learning.

His Chemistry teacher's comment on his Semester One Report provides insight into his character: "He continues to work in a manner that brings out not only his best, but the best in those around him." This observation underscores his positive impact on the learning environment and his ability to inspire excellence in others.

He concludes Year 12 ranked 1st in Maths Extension Two, 1st in Science Extension, 2nd in Physics, equal 3rd in Chemistry, equal 3rd in Maths Extension One, and within the top 25% of Advanced English. His success can be attributed to his inquiring mind, persistent effort, and diligent approach to study. His ability to excel across multiple disciplines suggests he possesses the versatility and intellectual curiosity necessary to thrive in whatever path he chooses to pursue.

May I present the winner of the Prize for Outstanding Academic Achievement, Lachlan Mauleon.

Jack O'Hara

The Gordon Oxenham Prize for Year 12 Division Boarders 2024

This Prize, nominated by his peers, is awarded to a student whose character and contributions have deeply enriched the Riverview community. This student's journey as a boarder has been marked by exceptional leadership, humility, and dedication to his peers and the College.

From the moment this student joined the College in Year 10, his presence was felt strongly. Within 18 months, he was elected as the Captain of Boarders and Vice Captain of the College, an honour that reflects the deep respect he commands among both staff and students. His natural leadership style is defined by quiet strength and empathy. He never seeks the spotlight; instead, he consistently lifts others, especially the younger members of the boarding community, helping them feel seen and included.

His academic achievements are complemented by a genuine spirit of service and an unwavering commitment to his spiritual journey. He has actively participated as a Eucharistic Minister, member of the Liturgy Committee, and leader in various school retreats, including the Arrupe Leadership Academy and the Kairos retreat. His ability to navigate conversations about faith and spirituality with peers speaks to his deep emotional intelligence and his passion for the growth and wellbeing of those around him.

In addition to his leadership roles, he is a dedicated athlete. He has represented the College in Swimming, Rowing, and Athletics at State and National levels, consistently displaying resilience and determination. Even when medical advice forced him to stop playing the sport he loved – Rugby Union – he redirected his energy into coaching and mentoring younger players, exemplifying humility and a selfless approach to teamwork.

His service extends beyond the sporting field and the classroom. His participation in the Ignatian Service program, along with his involvement in local and international outreach programs, highlights his commitment to living out the College's values of justice and compassion. Whether helping to build homes in Cambodia, or working at the Loaves and Fishes Restaurant, he has embraced every opportunity to serve others with warmth, humility, and gratitude.

This student is the epitome of servant leadership, embodying the qualities that make an outstanding Riverview boarder – humility, integrity, and a deep love for his community. His influence and contributions to the boarding community will continue to inspire future generations of students long after his graduation. It is with immense pride and admiration that we award Jack O'Hara the Gordon Oxenham Prize for Senior Boarders in 2024.

Christian Spiropoulos

Citation for the Prize for Outstanding Academic Achievement 2024

The Outstanding Academic Achievement Prize is awarded to a student whose academic achievement has been at the highest level. He has engaged in the full range of learning experiences and he has been a role model for other students in his diligence, contribution to class and engagement.

This deserving recipient has fully embraced the academic opportunities available during his time at Riverview, consistently excelling across all areas of study.

His academic potential was recognised and established early in his high school tenure. He ranked in the top 10% of his grade for Semesters One and Two in Year 7 and has continued to perform at this elite level. His accolades include the Principal's Prize for Writing in Years 7 and 11, the Prize for English and the Prize for Italian both in Year 7, the Kirkpatrick Prize for Year 8 English, the Art of Speech Award in Year 8, the Prize for Year 9 History and Magis Integrated Learning, and the Year 11 Prize for Modern History. He received White Lines for academic excellence in 2021 and 2023 and was awarded Proxime in Years 9 and 11.

Beyond the academic sphere, he has also excelled in the Co-Curricular arena, representing Riverview as part of the First Tennis Team and receiving the prestigious White Crossed Racquets Award.

As he concludes Year 12, he ranks 1st in Advanced English, Extension One English, and Economics; equal 2nd in Studies of Religion 1; third in Business Studies; equal 6th in Maths Extension One; and 16th in Advanced Maths, which he completed while still in Year 11. This impressive record of academic performance showcases his exceptional critical thinking skills and a refined learning disposition that will undoubtedly contribute to his future success.

May I present the winner of the Prize for Outstanding Academic Achievement, Christian Spiropoulos.

Jaiah Wallace

Citation for the Dr James L'estrange Prize for Ignatian Service 2024

This Prize is awarded to a senior student who has demonstrated in an ongoing way a generous involvement in, and commitment to, Ignatian service within and/or beyond the College.

The College is delighted to award the Dr James L'Estrange Award for Ignatian Service to Jaiah Wallace.

Jaiah is a proud Gumbaynggirr man who joined the College family as a boarder and quickly began to give of his best, being awarded two academic prizes in Year 8, as well as a number of Blue and White Certificates for Excellence in Effort throughout his time here. He was awarded the prize for 1st Place in Aboriginal Studies at the end of Year 11.

In his later years, it became clear that Jaiah is a leader of significance. This was expressed through his role as a Peer Minister to Years 7, 9, and 11 through the Days of Reflection for those Year groups, as well as being a Kairos Leader on two separate occasions, including being Rector. He trained as a Eucharistic Minister and was a faithful Green Wolf for two years, seeking to progress the College's journey of sustainability. Jaiah is a member of the Arrupe Academy for Ignatian Leadership and has also served as a Proctor in the Boarding Community. Additionally, Jaiah was awarded the role of Xavier House Vice Captain in this, his final year at the College. It is clear from this list of formal experiences of Service and Leadership that Jaiah is an outstanding student. In a Jesuit school, service and leadership are inextricably linked, so it stands to reason that Jaiah is one of our lighthouse students when it comes to the integration of these qualities.

But thinking of the formal elements does not complete the picture of this outstanding young man – it is the intangibles that really set Jaiah apart. The way that younger students were captivated by his peer mentoring leadership on Days of Reflection, where he could effectively change the hearts and minds of students with simplicity, honesty and truth. It was through the careful self-revelation as a Kairos Leader where retreatants were led into personal vulnerability and ensuing strength of conviction. It was the fidelity to the Green Wolves that made his quiet voice one that resounded with courage and responsibility.

Jaiah has taken to his Ignatian Service with a heart full of generosity and hands of action. He was awarded the Outstanding Effort in Ignatian Service Award in 2023, a reflection of asking 'What more can I do?', rather than 'What do I have to do?' In doing so, Jaiah leads us to a further horizon, pointing to a future full of hope in the face of despair. At every point, Jaiah has gone over and above in the area of Ignatian Service, including taking on more service experiences than were required, serving students in Cambodia through the Virtual Immersion, and at Luz All Abilities in Lane Cove. There are many people whose lives have been animated as a result, including this community. We owe Jaiah an expression of gratitude for making us a more authentic and outward-looking community than we would be otherwise.

Jaiah has been a wonderful servant leader of the First Nations students throughout his time at the College, and his insightful Acknowledgements of Country have made us all a little more informed and in sympathy with a First Nations view of the world we all inhabit.

As we wish Jaiah a life of meaning and purpose that is a natural result of living a life of service, we send him with the Dr James L'Estrange Award for Ignatian Service. Congratulations Jaiah.

Sam Wright

Citation for the Prize For Outstanding Academic Achievement 2024

The Outstanding Academic Achievement Prize is awarded to a student whose academic achievement has been at the highest level. He has engaged in the full range of learning experiences and he has been a role model for other students in his diligence, contribution to class and engagement.

The Prize for Outstanding Academic Achievement is awarded to a student whose academic achievement has been exceptional. The recipient of this prize is a model for other students via their persistent diligence and continual positive contribution to the classroom climate as well as the learning culture of the school and broader academic community.

Sam Wright completed HSC studies in both Advanced Mathematics and Engineering in 2023 as an accelerating Year 11 student, achieving a final score of 96% and 93% respectively.

In 2024, Sam has completed his Year 12 HSC courses with ranks that will see him matriculate with one of the highest Australian Tertiary Admissions Ranks of his cohort. These include 1st place in Studies of Religion One, 2nd place in English Extension One, 2nd place in Economics, 5th place in English Advanced, 11th place in Mathematics Extension Two, and 12th place in Mathematics Extension One.

Throughout his time at the College, Sam has demonstrated an outstanding commitment to the pursuit of personal mastery and human excellence.

Sam Wright

Citation for the Shore School Centenary Prize for a Senior Student 2024

This Prize is awarded to the young man who has displayed an appreciation for academic excellence, but also has displayed a sense of fair play and sportsmanship in his Co-curricular activities. He is also a young man whose leadership and spirituality is a model for his fellow students.

It is often said that Ignatian leaders are those who 'inspire others by their own example, creating environments of greater love than fear'. The recipient of the Shore School Prize is a young man who in so many ways embodied these charateristics of the servant leader throughout 2024, while seeking to be involved in all the College has to offer.

Having been afforded the privilege of working alongside this young man through various student-led endeavours, my observations of him are best captured by the Roman lyric poet Horace who once opined, 'remember to keep the mind calm in difficult moments'. In the most turbulent of years, this young man was a constant presence of strength with internal reflections leading to outward perspective of wondering where he can help others.

The recipient of this award traditionally is known for approaching their learning in a conscientious, gracious, and magnanimous manner, while embracing all facets of College life. He was awarded the Dux of Year 11 and the Proxime of Year 10, and received countless certificates for his application to studies throughout his time at the College. In addition to being Dux last year, he also received the prize for Year 11 Studies of Religion 1 Unit. Over the years he has been awarded prizes in subjects as diverse as Religious Education, Drama, Chinese, Industrial Technology – Engineering, Physical Activities and Sport Studies. The breadth of subjects and awards speaks to both a love of learning and pursuit of excellence.

Along with his pursuit of excellence in his academic life, he has also made a significant contribution in the Co-Curricular facets of the College. He has represented the College in Cricket since 2018, playing at the highest levels, including being the Captain of the 1st XI this year. During the winter season, he has played both Rugby Union and Football. Last year he was a member of the College's 2nd XI Football team and this year he is a member of the College's 1st XI Football team. He has also represented the College in Snowsports, and Track and Field. The broad contribution testifies to a willingness to experience a holistic education where, as Ignatius would suggest, one is fully alive to explore all factors of their giftedness.

In his time at the College he embraced the service opportunities, constantly seeking new ways to walk alongside the marginalised. As a leader in Faith his spiritual life came to the fore. He both participated in, and then led a Kairos retreat, and his ability to ariticulate how faith informed his actions on a daily basis was valued by both peers and staff alike.

Over the course of this year his presence as a leader took shape, as he strove to be a student leader who left a legacy that embodied the qualities of compassion and humility. As the School Captain he has led the leadership group in a thoughtful and resolute manner, determined that the group lead through their deeds as much as their words. These actions truly embody what Ignatius calls all of us to be – people of gratitude. His leadership will be remembered for its strength, composure, and gratefulness and in so doing, he has enabled those who experienced it richer for the encounter.

It is my pleasure to announce Sam Wright as a worthy recipient of the Shore School Centenary Prize for a Senior Student.

THE JESUIT COMMUNITY AWARDS FOR CONSISTENTLY ACTING IN THE IGNATIAN SPIRIT OF THE COLLEGE:

Luke Bannerman
Zac Brasington
Henry Butler
Edward Carter
Wilson Frith
Rupert Fulton
Xavier Hynes

Director of Regis

Mrs Caitlin Remeeus | Director of Regis

Growing in Learning

As we reflect on the past academic year, it is evident that our students have showcased remarkable academic promise through their achievements in class assessments, PAT tests and ICAS examinations. These accomplishments stand as a testament to their dedication and hard work.

We are extremely proud of our recent ICAS results which highlighted some excellent skills and application in the areas of Mathematics, Writing, Reading & Comprehension, and Science & Technology.

Our results were as follows:

WRITING: 5 Distinctions, 8 credits, 4 merits
ENGLISH: 6 Distinctions, 14 credits, 7 merits
SCIENCE & TECHNOLOGY: 2 High Distinctions, 5 Distinctions, 24 credits, 4 merits
MATHEMATICS: 2 High Distinctions, 1 Distinctions, 15 credits, 3 merits

A special congratulations goes to Oliver J in Year 5 who was awarded an ICAS Medal for a 100% grade in the Science & Technology paper. His results are extremely difficult to accomplish in these higher-level thinking competitions.

However, success at our College extends beyond academics; it is enriched by the sense of community fostered through various events. Initiatives such as wellbeing activities, the Solar Buddy challenge with Loreto Normanhurst, camps, Science Week, Billycart building with Pymble Ladies' College, our daily student-led assemblies and service initiatives have strengthened our bonds, creating an environment where every individual feels valued and supported.

Our Billycart Grand Prix did all of this and was a truly trans-disciplinary learning event. Not only did the students learn to assemble their billycart, they also learnt new terminology, navigated a course with different surfaces and levels of incline and had a brief introduction to carpentry. Most importantly though, the students learnt a great deal about persistence, problem solving, collaboration, and maintaining a growth mindset. These 'soft skills' are what strengthen our character and support us for future learning endeavours and challenges. While they can be explicitly modelled and role played within the classroom context, it is events such as a trip to Canberra or a Billycart Grand Prix where they are called on most to support and enhance our experience as well as that of our peers and teachers. We are proud of how our boys engage with these opportunities and know that they will look back on these experiences as standout memories of their time at Regis.

Our students exhibit a profound pride in their identities and roles within the Regis community. They consistently uplift one another, demonstrating a contagious spirit of camaraderie. This element of fun is further amplified in carnivals, mentor groups, and extracurricular activities, where participation in sports, music, and drama allows them to flourish and express their talents.

At Regis helping others is deeply ingrained in our school culture, and our students have truly embodied this ethos throughout the year. The 2024 student motto 'My Flame, Our Fire' encapsulates the genuine connections formed between Regis boys, their peers, homeroom and mentor groups, illuminating the strength found in unity. Together, this year we have built a vibrant community that celebrates both individual and collective achievement, paving the way for future success.

Mental Health & Wellbeing

On RU OK? Day our students had the pleasure of hearing from Regis graduates now in Year 11, Daniel and James, who talked to the boys about the power of conversations. The leaders encouraged our students to be a friend who listens, a friend who cares and is there for their mates and the Regis community. Mental health awareness has gained significant traction in recent years, highlighting the necessity of open conversations around emotional distress. We promote and teach our boys to act by asking someone if they are okay. We teach them to foster an environment of trust and empathy, and we hope our boys will continue to be open with their families and their friends, prioritising conversation, meaningful dialogue, nurturing a culture where mental health is prioritised and psychological safety is cultivated.

This interaction with Daniel and James was a good example of senior students taking on leadership roles, enhancing their confidence and communication skills, but also allowing younger peers to gain insights from those with more experience. Furthermore, the collaboration highlights the importance of mental health advocacy, cultivating a culture of empathy and support within educational institutions. Senior students, often having navigated their own challenges, can offer relatable perspectives and practical advice, which can significantly resonate with younger individuals facing similar issues. Additionally, this initiative serves to reinforce community ties, as students work collectively towards a shared goal of promoting mental health awareness, thereby establishing a supportive environment conducive to open conversations about emotional struggles. Ultimately, collaborating with senior students on RU OK? Day not only promotes mental health awareness but also fosters a sense of unity, resilience, and responsibility, underscoring the essential role that peer support plays in cultivating a healthier, more inclusive school community. We encourage our students to understand when they need help. One of our successful programs is the BRAVE program, an online platform to help young people with anxiety overcome their worries.

Growing in Leadership

We expect all boys to be leaders. Our Year 6 ministries cater for each student to lead within our community. Some of the experiences have been organising shared lunch between homerooms, writing publications for the newsletter and InsideView, organising wellbeing activities and chess comps. Hosting monthly activities for Mirrabook (the early learning centre next door) has been a special moment for our students. Caring for our common home at Regis is everyone's responsibility. Caring for what's commonly used is not an add on but rather a way of living and our Year 6

students have paved the way forward, leading by example, addressing our community on updates every week with our recycling program, earn and give, and rallying the boys when they become untidy. Our Year 6 students have also led morning assemblies and fostered a sense of maturity and grace through prayer. We finish the year with fond memories of the boys using the microphone to lead each day.

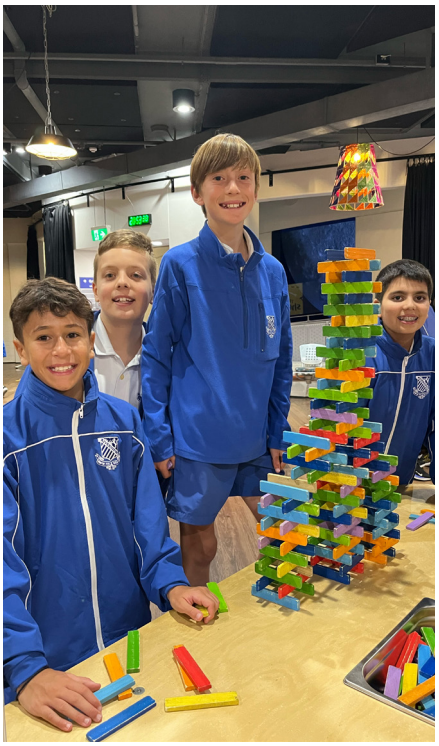

The Year 6 leadership camp to Adelaide was attended by our Regis captains. The three-day experience featured a collaboration among students from various Jesuit schools and served as a potent catalyst for strengthening Catholic identity, promoting evangelisation, and nurturing a collective sense of hope for the future. Our leaders engaged in shared experiences, the boys not only deepened their understanding of Catholic values, the Jesuit ways and Ignatian principles but also learned to embody these principles through acts of service and fellowship. The camp environment fostered essential skills in teamwork, allowing participants to connect with peers from diverse backgrounds, form close bonds within their tribes, and broaden their perspectives on faith and community.

All leaders engaged in discussions, prayer, and collaborative projects, which form lasting networks that reinforce their commitment to their faith and to one another. This revitalisation of spirit and purpose equips them with the necessary tools to make a meaningful impact at their home schools. With newfound enthusiasm and a developed sense of responsibility, these young leaders return committed to embodying the teachings of Christ in their daily lives, inspiring their peers to act with compassion and integrity. Ultimately, the leadership camp moulds young men who are not only aware of their Catholic identity but are also empowered to evangelise and instil hope within their communities, shaping a brighter future for all.

Some insights from the boys:

- *So very grateful that we had the opportunity to go.*
- *Loved meeting the other captains and making new friends. We all got along so well, and many new friendships were formed.*
- *Very lucky to have the time with boys and the girls.*
- *It was great how they created mobs with other people who we didn't know, which gave us the chance to really get to know them.*
- *Character Builders were there, and we enjoyed the activities and 'Big-Ups' with them. Receiving Big-Ups from some new friends was really affirming and it was great to give them to others too.*
- *Let other people be in the spotlight and know when to step down and let others shine.*
- *You don't have to wear a badge to be a leader – we're all leaders and this experience has given me confidence to stand up and look out for others and find ways that I can be helpful, which can be a great leadership quality, too.*
- *Getting to fly to Adelaide is something I'll never forget. It's been great to come back and connect what we learnt with what we can do here at Regis and with our families and friends.*

I am immensely proud of the boys' achievements, their spiritual growth, and their care for one another and the special place we call Regis.

Seated Row: Noah Girgis, Hugo De Jonk, Miles Neal, James Finniss, William Broomhead, Samuel Galt, Raymond Muggeridge-Nguyen, Samuel Cudworth, Austin Jones, Harry Maiers
Second Row: Tom Cooley, Brody Protich, Hugo Menegazzo, John Psychogios, Samuel Cleary, Caleb Donnelly, Harry Lunn, Hugo Wills, Samuel Doran
Third Row: Leo McCarthy, George Palmer, Tobias O'Hea, Matteo Scardilli, William Bailey, Edward Brownie, Dashiell Wootton, Nicholas Triggs
Teacher: Mr Andrew Sayyad

Homeroom 6.4

Seated Row: Oliver Thistlewood, Sebastian Busco, Pierce McPhillips, Toby Pool, Algernon Marchant, Grayson El-Agha, James Kearney, Hamish Berry, Charles Maynes, Valentino Antonelli
Second Row: Henry McDonald, Aidan Simeon, Theodore Harris, Thomas Walter, Joseph Beregi, Lachlan Mills, Maximilian Hill, Joshua Burton, Xavier Roberts
Third Row: Benjamin Williams, Jacob Vera, Elliott Johnston, Nicholas Atkinson, Jack Stampar, Charles McInerney, Callum Donohue, Thomas Sheppard
Teachers: Mrs Sharon Bignold, Miss Heather Mallia (Teacher Aide)

Regis Activities

Art at Regis in 2024

Ms Catherine Penning | Visual Arts Teacher

The Art program at Regis Campus saw a dynamic range of activities and achievements throughout the year, fostering creativity and artistic expression among students. The program offered students numerous opportunities to engage with different mediums and styles.

Throughout the academic year, students participated in regular Art classes where they explored techniques in drawing, painting, sculpture, photography and digital art. The curriculum was designed to encourage both traditional and contemporary practices, allowing students to experiment with materials such as clay, watercolour, and mixed media.

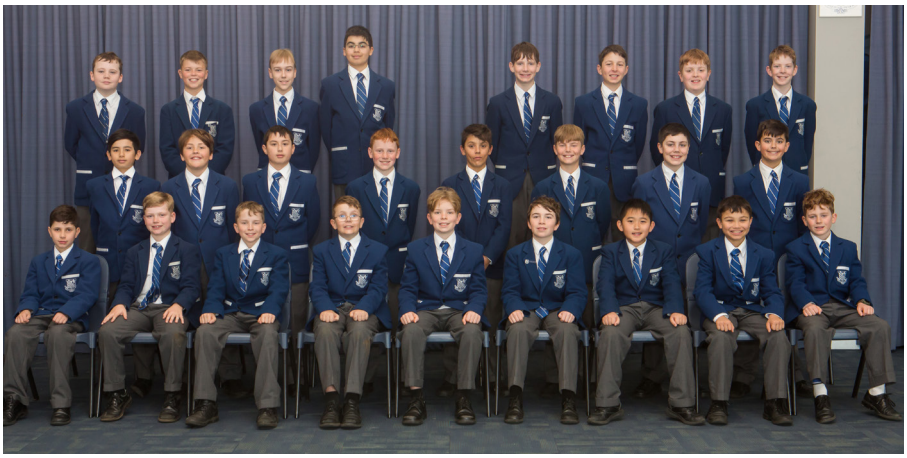

A highlight of the year was the biannual STEAM exhibition, which showcased the hard work and creativity of students from all classes. This event provided a platform for students to display their artwork to the school community and their families, reflecting the varied interests and talents of the students.

Year 5 students visited the NSW Art Gallery to view the Archibald Portrait Prize. They were also given the opportunity to participate in a workshop led by artist and illustrator Aura Parker. They learnt how to draw animals using charcoal to create value. This session also offered the students hands-on experience and insight into Aura's practice as a graphic artist and illustrator.

The Year 6 cohort expanded their artistic practice, exploring photography with great enthusiasm. They learnt specific techniques and developed their editing skills to produce creative images with the Regis Campus environment as the subject matter. Year 6 students also visited the Sculpture by the Sea exhibition where they interacted with the sculptures and engaged in meaningful discussions about sculpture and art, and its role in society.

Art Club was also a hive of activity on a Monday afternoon. Students worked on their own projects, made new friendships, and enjoyed developing their skills in a relaxed and enthusiastic space.

While 2024 was a busy year, it was filled with new experiences, endless enthusiasm, and expressive artworks.

Art Club

Back Row: Archer Branson, Carraig Wortley, George Palmer, Michael Coorey, Alexander Moir, Cooper Stewart, Angus Healy, Jacob Peach
Middle Row: Marcus Strano, Clancy Willis, James Kearney, Thomas Brewer, Lachlan Robertson, Angus Quin, Liam Hegarty, Harrison Lennon.
Seated: Henry Donaldson, Jasper White, Benjamin Cronan, James Walter, Henry Hayduk, Oliver Thistlewood, Jayden Zhang, Harry Padovan, James Spalding
Absent: Sebastian Busco, Oliver Jacka, Hendrix O'Connor, Christian Patrk

Chess Club (Junior)

Mr Victor Zhang | Chess Co-ordinator
Ms Fang Qian | Assistant Co-ordinator
Spencer Solomons | Chess Captain

The College Chess Club is a welcoming community for students who enjoy social games with friends, as well as those who thrive on the strategic challenges of both school and inter-school chess competitions.

Every year we are excited to welcome new members from Regis Campus, who bring a love for both casual, social games, and the thrill of competitive chess. In addition to our regular lessons, Chess Club offers students the opportunity to participate in inter-school tournaments, fostering a sense of community and friendly competition.

As we close the 2024 season, we look forward with excitement to 2025. We are confident in the continued success of the Riverview Chess Club and are committed to further cultivating a vibrant chess culture that unites and inspires our school community.

The 2024 Regis chess award winners are:

Year 6 Chess Champion
Alexander Moir

Year 5 Chess Champion
Hugh Carpenter

Regis Chess Club
Standing: Rory Hartigan, Alexander Moir, Christian Patrk
Seated: Xavier McInerney, Ben Garling, Liam Hegarty, George Gracey, Lewis Bowe
Absent: Hugh Carpenter, Man Yuan

Garden Club & STEM
Paddock to Plate

Mrs Tania Godfrey | Assistant Head of Regis

Our Regis eco-garden continues to bloom its way into our hearts as it supports so many elements of our learning. Our weekly co-curricular Garden Club, Friday STEM Paddock to Plate group, and our fabulous chickens are all centred around this outdoor learning environment.

This year the Regis co-curricular garden club supported the growth of our herbs and strawberries as well as potting up some beautiful succulents. The boys are learning about the benefits of plants for physical and mental health, and are greening up our many outdoor pathways and smaller garden beds. We continue to bring some green into all of our learning spaces and look forward to adding some potted colour and more succulents in 2025.

Paddock to Plate continues to be a hit with all of our boys and while I'd like to think that it's the garden that draws them in, the truth is that the cooking and time with the chickens will always be a preference with our budding agricultural and food tech scientists! The boys enhanced their chopping, roasting, blending, and stir-frying skills this year as they created some delicious dishes which all used herbs, vegetables or eggs from our bountiful eco-garden. Guacamole, crunchy noodle salad, egg-fried rice, saganaki, and French toast were all well received by the boys with many utilising their French toast skills on Mother's Day for their grateful families. In 2024 our Regis boys were exceptionally productive in the garden, maintaining weekly weeding sessions as well as creating new garden beds for a row of citrus and fruit trees, and adding topsoil and sugar cane mulch to the entire eco-garden. They really were exceptional and have helped to create a far less weedy and more manageable space for our future gardeners. Alongside our wonderful Paddock to Plate garden and cooking companion Mrs Fennessy, all of these boys really thrived.

Our chickens are delightful! The boys loved naming and spending time with them each week – as well as collecting their eggs. While some were happy to be held and were fabulous companion animals to our boys, others preferred to free-range and peck in the garden without needing any human touch. We are sure they will continue to teach us about compassion and gentle nurturing of animals, caring for our common home including all living things, and how to clean and care for a chicken coop.

Our garden has epitomised our faithful call to live sustainably as we care for our Regis eco-garden and teach our boys to live and be environmentally focused on their futures.

Regis Garden Club

Seated: James Spalding, William Firek, Clancy Willis, Liam Hegarty, Rocco Barbaro

Debating

Mrs Sharon Bignold | Regis Debating Program Co-ordinator

The Regis debating teams had a highly active and successful year in 2024, with more than 70 students participating in the Debating program. In Term 1, the Year 6 teams took part in a range of distinguished competitions, including the ISDA, SSDC, and various internal debates. As the year progressed, students also competed in the SDN Debating competition. Meanwhile, the newly introduced Year 5 debaters quickly embraced the challenge, learning new skills and actively participating in internal debates whilst some also began competing in the IPSHA Debating competition.

After a thorough selection process, we entered multiple teams into the SSDC online debating competition, hosted on the Regis campus during Term 2 and 3. These students, many of whom were debating for the first time, showed remarkable growth and improvement over the course of the season. The Year 6 Primary A and B teams delivered outstanding performances in the SDN competition, with both teams advancing into the final few rounds. While the Primary A team was narrowly outperformed by a skilled Wenona team in the Semi Final, their efforts were commendable and showcased their development as debaters.

In addition to their participation in IPSHA, throughout Terms 2 and 3 the Year 5 team also travelled to various nearby IPSHA schools to participate in formal debates. Not only did they represent Regis with distinction, but they also gained invaluable experience in roles such as timekeeper, chairperson, and host, contributing to their success in the competition.

A highlight of the year was Regis's successful hosting of the Annual IPSHA Debating Day in September, marking our second consecutive year in this role. We welcomed eight IPSHA schools for a day of spirited debates, with Year 5 and Year 6 students taking on various responsibilities, including debater, timekeeper, chairperson, and host. The event was a resounding success and it was inspiring to see the enthusiasm and dedication displayed by our students throughout the day.

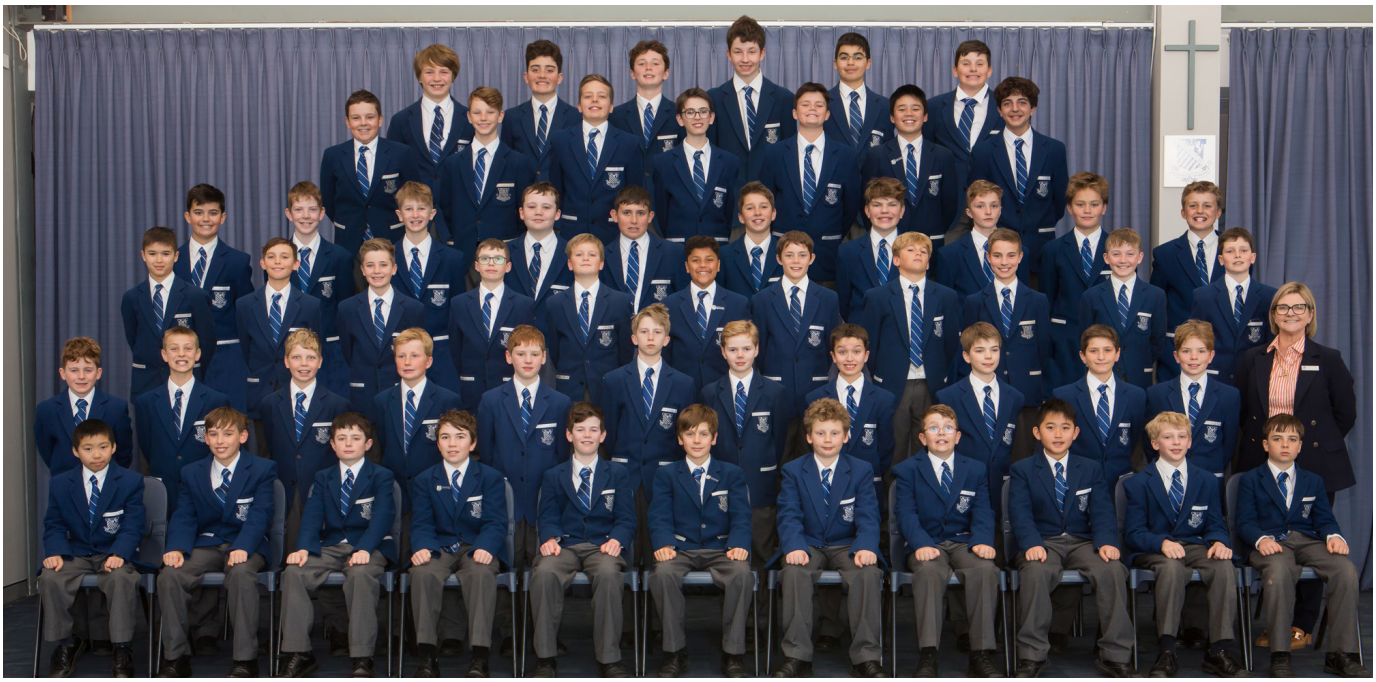

We extend our gratitude to our exceptional coaching team, led by James Wilson and supported by Anna Burton, Sargun Bhatia, Peter Gordon, Harry Ashton, James Thorpe, and Matias Danziger. Their expertise and commitment to the development of our debaters provided invaluable guidance throughout the season. Additionally, we thank the parents, family members, and friends whose unwavering support played a vital role in motivating our students and helping them achieve their best.

The energy, passion, and growth demonstrated by our debaters in 2024 have been truly inspiring and we look forward to another exciting and successful season in 2025.

Public Speaking ('Speak Up')

Mrs Marilyn Fitzgerald | Public Speaking Co-ordinator

Established in 2017, our 'Speak Up' co-curricular course, run in close collaboration with the girls from Santa Sabina College, once again offered our Regis students a powerful platform to plan, prepare and present a polished speech to an audience of peers and parents. While most of the boys were nervous novices, it has been wonderful to see their growing confidence in finding their voice, one that often sees them carry through the public speaking mantle as they move through to the Senior School.

Debating

Young Engineers

Ms Angela Westerway | Young Engineers Co-ordinator

This year our Young Engineers have engaged with and marvelled in sessions aimed at stretching their engineering and creativity skills. The students had opportunities to demonstrate a variety of new skills, while learning in collaboration and challenging their thinking and ideas for innovation. Students engaged in a range of activities, fostering their growth mindset and experiencing the 'learning pit' where out-of-the-box strategies and deeper connections flourish.

Students completed a range of design challenges, including a paddle pop explosion, speedy car, wind turbine, launchers for different purposes, sail boat, and creating the tallest tower with only paper and tape. Students are shown a range of materials and given a brief in which they then work in partnership to identify and develop a solution. By fostering a collaborative environment, these sessions encourage innovation and creativity, equipping our Young Engineers with the skills and tools they need to thrive in a rapidly evolving technological landscape.

Photography Club

Ms Justine Gesterkamp | Photography Club Co-ordinator

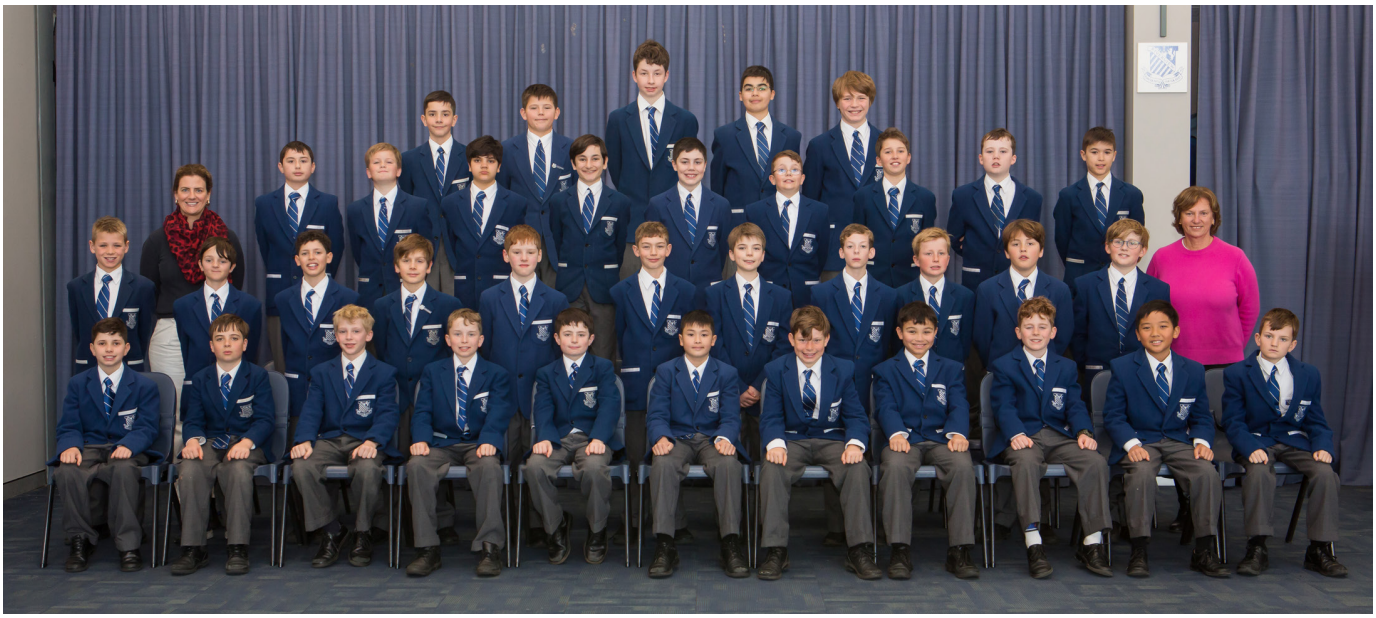

In Semester 2, Regis Campus students are invited to join the Photography Club co-curricular program. It is a great way for them to access the College's professional photography studio and editing suite, as well as the black-and-white photography darkroom. Students are afforded the opportunity to work closely with senior students in a buddy system at the Senior College Campus. Meeting weekly, the students develop knowledge, skills, and further interests in photography.

An introduction on how to use a camera and shoot in a photography studio provides the foundation to their learning. This year we worked with macro lenses to shoot miniatures with food photography. The fishtank ink photography experience was a highlight and introduced the importance of timing, creating dreamy and surreal textures. Students then accessed the College darkroom to produce traditional black-and-white photography using enlargers and chemistry to extend their understanding of time and light. In the editing studio, learning digital photography skills provided students with experiences to experiment with new technologies in the Adobe creative editing suite.

Congratulations to Jacob Peach (Year 6) and Brando Campo (Year 5) who received this year's award for their commitment to the Regis Campus co-curricular Photography Club.

Thank you to the 12 photographers who all contributed to a wonderful experience this year. Special thanks also goes to Ms Desira who generously shared her expertise and experience in supporting the students.

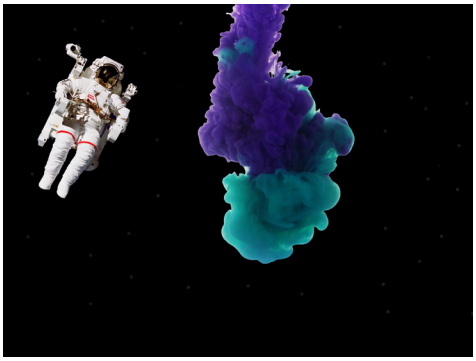

Don't forget when you are out shooting...
"Photography is the only language that can be understood anywhere in the world."
– Bruno Barbey, French photographer

Teachers: Ms Felicity Noonan, Ms Angela Westerway

Regis Music

Regis String Ensemble

Ms Nicole Murray-Prior | Ensemble Director

With a weekly rehearsal on Monday lunchtimes, the Regis String Ensemble explores the joys of string music for young musicians in Years 5 and 6. In the middle of the year, the Ensemble had an exciting inflow of wonderful new Year 5 violin, viola, cello, and bass players joining our more experienced Year 6 instrumentalists.

In September the Regis Strings combined with Intermediate Strings to perform two entertaining pieces, 'Tiger Ridge' and the famous Canon by Pachelbel, at the Jesuit Mission Bazaar. 'Tiger Ridge' is a catchy tune with fun rhythms and melody sections for everyone, showcasing both arco and pizzicato techniques. The 'Canon in D Major' by the German composer Pachelbel is one of the most recognisable pieces of classical repertoire, and was likely composed somewhere between 1680 and 1706. It became popular in the 1970s, and its chord progression has been used in a variety of pop songs.

The highlight of the year will be a performance of 'Dragon Slayer' by Rob Grice at Regis in Concert in November. This musical adventure is set in E minor, and creatively uses just six notes to complete the score. It is rhythmic and uses mild dissonance to complete a dark, medieval sound, evoking images of ferocious fire-breathing dragons from medieval legends.

We will farewell our fabulous Year 6 cohort at the end of the year as they venture across to the Senior School and new musical adventures. We look forward to welcoming new students in 2025 to join our Ensemble. A big thank you is extended to our fantastic Violin Tutor, Ms Mary Byrne, who has done so much to support and enhance our Ensemble this year.

Regis Choir

Ms Kimberley Jonceski | Ensemble Director

It has been another busy year for the Regis Choir, filled with numerous performance opportunities within the College Community and beyond.

The Regis Choir was thrilled to be invited back to perform at Stand Tall at the ICC in Darling Harbour, a highlight of our calendar and a performance opportunity that the students truly cherish. They delivered a stirring rendition of 'Hero' alongside the Ignatian Choir, with the talented Jael Wena – known for her appearances on 'The Voice' and 'Australia's Got Talent' – leading the performance. For our Year 5 choir members, this was their first time performing in front of an audience of 5,000 students and they did an incredible job!

In Term 3, the choir had the honour of representing the College at the IPSHA Concert at the Sydney Town Hall, joining the Regis Concert Band under the direction of Mr James Walder. They performed an arrangement of Elton John and Bernie Taupin's classic, 'I'm Still Standing'. The term concluded with a delightful outdoor performance near the Chapel during the Jesuit Mission Bazaar, where they entertained family and friends.

Regis in Concert was the choir's final performance of the year. They showcased a choral arrangement of Niall Horan and John Legend's 'The Show' and reunited with the Regis Concert Band for another rendition of 'I'm Still Standing'. This event holds special significance for our Year 6 choir members, as it marks their last performance with the Regis Choir before they transition to the Senior College.

Ms Kimberley Jonceski and Ms Christine Moriarty are incredibly proud of the Regis Choir's accomplishments this year. We extend our heartfelt thanks to our Year 6 students for their dedication over the past two years and encourage them to continue their musical journey with the Ignatian Choir, led by Mr Kirk Hume.

Regis Concert Band

Mr James Walder | Ensemble Director

The Regis Concert Band has had a productive and successful year with a number of exciting performance opportunities.

Early this year, the Regis Concert Band was invited to perform at Riverview in Concert alongside many of the Senior School ensembles. This was our first major performance of the year, and was the first opportunity for many of our newest members to perform in a professional setting in front of a large audience. We performed 'Shut Up and Dance', written by the rock band Walk the Moon, and 'Raiders March', the theme from the Indiana Jones films.

For the first time, we participated in the Australian School and Band Festival at the University of New South Wales. We performed three pieces of music: an Australian work called 'With Flags Unfurled', 'Largo' from Dvorak's New World Symphony, and 'Avengers' from the Marvel films, written by Alan Silvestri. We received a Bronze Award, as well as some valuable feedback from the adjudicator.

The Regis Concert Band has entertained audiences at a number of other events across the College this year, including Grandparents Day, the Jesuit Mission Bazaar, and Regis in Concert.

One of the highlights of the year was performing at the IPSHA Concert in the Sydney Town Hall. We accompanied the Regis Choir, performing the classic song 'I'm Still Standing' by Elton John. Accompanying a vocal group is very different to performing just as a band, and this was a valuable and enjoyable learning experience for all involved. Many of our students were also involved in the combined Orchestra, performing 'Habanera' from Bizet's opera, 'Carmen'.

In Term 4, the Regis Band had the opportunity to perform on the stage at The Canopy in Lane Cove. We performed seven pieces in a half-hour set of music, followed by the Intermediate Concert Band and the Riverview Big Band. We debuted a fun new piece of music 'Hollow Penyo Hop', as well as performing the thrilling piece 'Dragon Slayer'.

I wish all the best to my Year 6 students as they move up to the Senior School and look forward to following their progress as young musicians. I am excited for my Year 5 students to be the senior players in the Regis Concert Band next year.

Regis Guitar Ensemble

Mr Richard Cichocki | Ensemble Director

The Regis Guitar Ensemble is made up of enthusiastic Year 5 and Year 6 students who come together once a week to practise and improve their musical skills. Through these sessions, the students focus on developing their listening abilities and refining their guitar-playing techniques.

For many members of the ensemble, playing the guitar is a relatively new skill. To ensure everyone can participate and grow, simpler parts are assigned to those who need extra support. The ensemble enjoys tackling fun and engaging pieces, including well-loved tunes such as 'Tequila', 'Happy Together', and the Inspector Clouseau theme. These selections not only bring joy to the students but also offer a range of challenges that help them build confidence and teamwork.

While some students have faced challenges, such as maintaining consistent timing and projecting their sound effectively, they have made noticeable progress throughout the year. Their dedication and collaborative spirit have been instrumental in overcoming these hurdles, and they continue to support and learn from one another.

The ensemble is eagerly preparing for their final performance at the Regis End of Year Concert. This event is a highlight for the students, offering them the opportunity to showcase their hard work, talent, and the skills they have developed over the course of the year.

Regis Liturgy Ensemble

Mr Arne Tripolone | Ensemble Director

The Regis Liturgy Ensemble has enjoyed a vibrant and successful year, performing at all Regis masses, including the Mother's Day Mass, Father–Son Mass, Grandparents Mass, Ash Wednesday, and the Feast of the Assumption, as well as individual class masses. With a diverse repertoire of over 50 hymns, the ensemble has provided our liturgical celebrations with favourite hymns including 'Shine Jesus Shine', 'The Lord Is My Shepherd' and 'Here I Am, Lord' and many more.

This year, we have focussed on refining our delivery of melody, capitalising on the strengths of our predominantly melodic instrumentation. And to this end, the ensemble has demonstrated exceptional dedication and growth, resulting in superb musical experiences for the students. Looking ahead to 2025, the Liturgy Ensemble will expand our musical understanding by incorporating more harmonic support into our rehearsals and performances. This will enrich our sound and deepen our understanding of musical interplay.

We are grateful for the support of our school community and excited for the opportunities ahead as we continue to share our passion for music. Thank you to everyone who has contributed to the success of the Regis Liturgy Ensemble this year!

Regis Percussion Ensemble

Mr Stephen Ley | Ensemble Director

We are excited to share the wonderful experiences students are having as members of the Regis Percussion Ensemble. Each Tuesday morning, before school, the students gather to dive deep into the fascinating world of rhythm, exploring not only the fundamentals but also the creative possibilities that percussion instruments offer.

During these sessions, students have the opportunity to play a diverse range of instruments, including djembes, roto toms, mini-cajons, boom whackers, and marimbas. This variety keeps the rehearsals engaging and allows each student to find their unique voice within the ensemble.

As the ensemble worked through written pieces, they improved their rhythm reading and comprehension skills significantly. We also incorporated fun rhythm games, such as 'call and response', which not only enhanced their aural skills but also promoted creativity and collaboration among the students.

The ensemble is a vibrant mix of drummers and pianists, fostering a rich environment where different musical backgrounds come together to create something truly special. We are proud of the growth and camaraderie we see developing in our ensemble, and we look forward to further progress in 2025.

Regis Rock Band

Mr Richard Cichocki | Ensemble Director

The Regis Rock Band is an exciting opportunity for Year 6 students to explore the world of rock music, performing a variety of energetic pieces at school events throughout the year. One of the highlights for the group was their performance at the Jesuit Mission Bazaar, an event they thoroughly enjoyed, as well as their final showcase at the Regis Activity Concert.

This year, the Rock Band saw significant growth, with the inclusion of six guitarists. While this presented challenges during live performances, such as coordinating the group and balancing the sound, it also enriched the overall experience for the students. They learned valuable skills, including how to use amplifiers, apply effects, and improve their listening and timing during group performances.

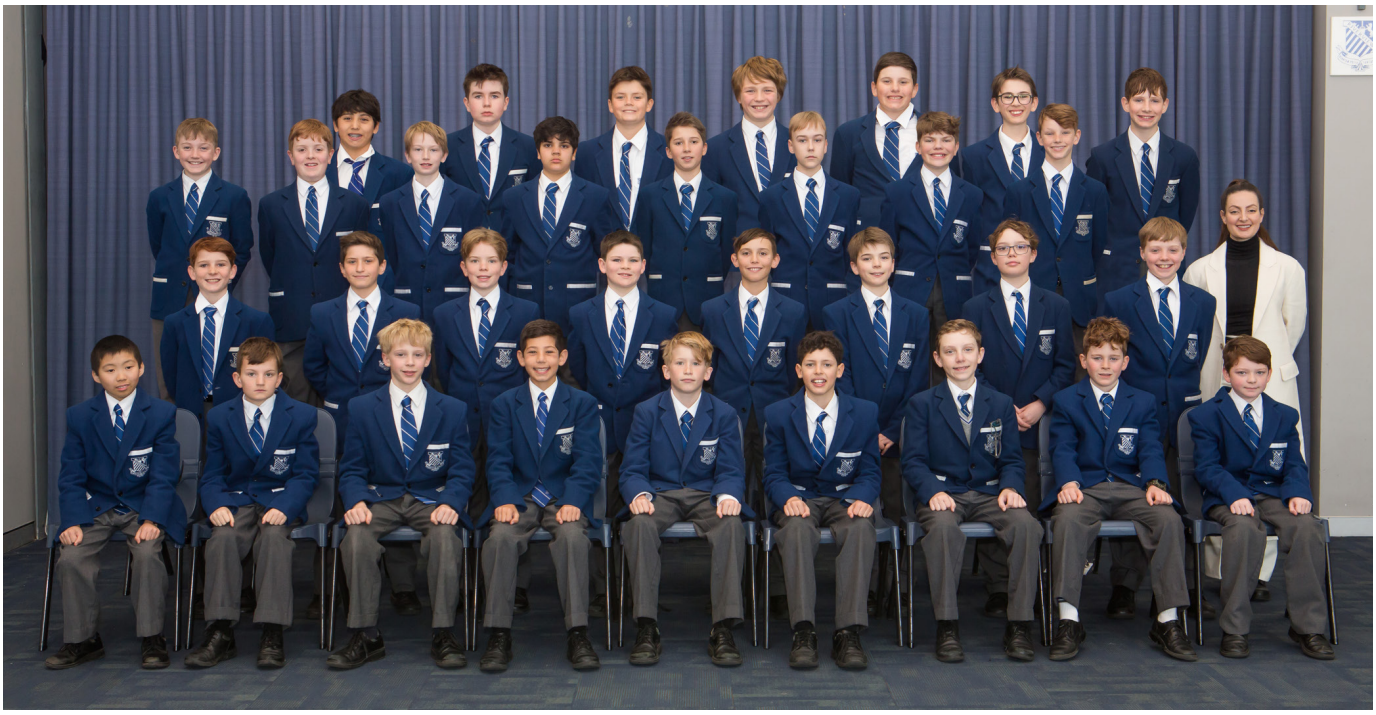

The centerpiece of their repertoire this year was Bon Jovi's iconic 'Livin' on a Prayer'. This timeless 80s rock anthem remains a crowd favourite and brought excitement to both the band members and their audiences. Beyond the music, participation in the Rock Band has fostered strong friendships among the students, creating a supportive environment for their growth as young musicians.

The experience has been a rewarding one for all involved, and it is hoped that many of these budding rock stars will continue their musical journey in Senior School and beyond.

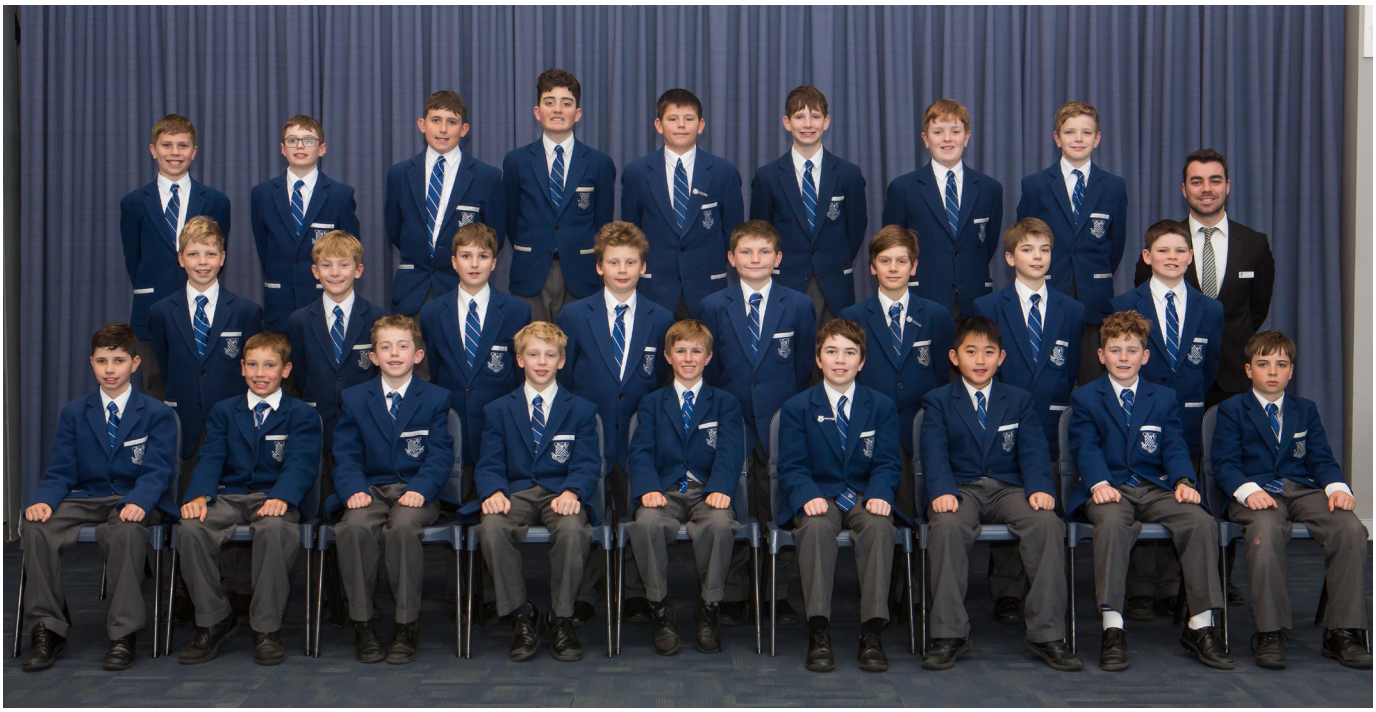

Regis String Ensemble

Teacher: Mr Richard Cichocki (Ensemble Director)

Regis Sports

Regis Sport Report

Mr Michael Noud | Regis Campus Sportmaster and PDHPE teacher

In 2024 the Regis Campus had another very successful and exciting year in sport. Regis Campus students had the opportunity to be involved in Saturday sport fixtures in summer and winter sports. The annual events of swimming, athletics and cross country carnivals at a school, zone, regional and state level were contested with great enthusiasm and excitement.

Some students were also selected to attend at a higher representative level in trials for basketball, cricket, tennis, touch footbal, football, rugby, and snow sports at the Independent Primary School Heads of Australia (IPSHA) and NSW Combined Independent Schools Sports Council (NSWCIS) stage. Several of our students gained selection in higher representative teams.

Many Regis students also had the opportunity to be involved in gala day carnivals, including the Paul Kelly Cup for AFL, the Sydney Grammar Cup Football Carnival Day, and The Armidale School (TAS) Rugby Carnival.

It was a wonderful year in sport at the Regis Campus in 2024. Thank you to all the students, staff, coaches and parents for the overwhelming support for school-based sport and competition. We look forward to an exciting year in 2025 and I wish the outgoing Year 6 students great joy and success in their sporting endeavours in the senior school. I thank them for their efforts over the past two years at Regis Campus.

Summer Sport

In Term 1 and 4 our Regis Campus students went through a series of selection trials and were graded into ability-based sporting teams.

Basketball

Basketball is a very popular sport at Regis Campus with 97 students graded into 10 teams. It continues to be successful and exciting, with Regis a dominant force in the IPSHA competition. The Regis teams had a very good season with many students growing and developing their skills over the two terms. Each day at Regis Campus you will see many of our students playing basketball before school, at recess and at lunch on our three courts. This is a strong contributing factor to our strength in basketball at Regis Campus.

Cricket

Cricket teams are graded into Year 5 and Year 6 teams based on ability, with four teams: 11A, 11B, 12A, and 12B. Students play a modified version with eight- or nine-a-side teams over a two-hour period. All students have the chance to bat, bowl and rotate through all fielding positions on the day. It was fantastic to see the growth and development of cricket under the guidance of our talented and experienced coaching coordinators and young coaches. Well done to the students involved.

Congratulations to **Jude Denny** and **Harry Carson** in Year 5 who were selected in the NSWCIS cricket teams to participate in the 2025 State Cricket Championships.

Tennis

Tennis continues to offer students the opportunity to play, self-umpire, and score their own fixtures. Under the guidance of Australian coach Mr Jaymon Crabb, and the efforts of our coaching staff, students have the chance to train on Thursdays and to be involved in additional lunchtime coaching sessions.

We congratulate **Orlando Bacic** who was selected to represent the Sydney Metropolitan Region at the 2024 NSW U10s State Teams Championships for tennis in Bathurst.

Touch Football

Touch is a new and growing sport at Regis Campus. In 2024 we had three teams competing strongly. In 2025 this will grow to five teams. Congratulations to the Touch 2 team, which completed the whole season undefeated and were a dominant force in the IPSHA competition. Teams 1 and 3 also had outstanding seasons. A big congratulations to the touch football coaching staff who have overseen the growth of the sport from one team several years ago to an expanded number of teams in 2024. Well done to **William Bailey** who was selected in the NSWCIS touch team to attend the State Touch Championships.

Waterpolo

Waterpolo is a new sport introduced to Regis in 2024 for Year 5 and 6 students. It has proven to be an overnight success due to great coaching from Kent Churcher and Mitchell Rutherford as well as an enthusiastic and talented group of students who play with great enthusiasm and skill. In 2025 we will have two waterpolo teams representing Regis Campus. We hope this sport continues to grow and thrive into the future.

Winter Sport

In the 2024 season we had some weeks of bad weather and rain-soaked fields, which unfortunately saw the cancellation of fixtures in every winter sport across the IPSHA competition. However, despite this, we still managed to have a brilliant season in AFL, football, and rugby.

AFL

In 2024 Regis Campus fielded two AFL teams, graded into Team 1 and 2 based on skills, ability, attitude, and effort. Team 1 was able to participate in the Division 1 competition and Team 2 were placed in Division 3. Both teams had some excellent wins, playing against some strong teams that challenged them and helped them grow from some losses. It was great to see parents involved as goal umpires and sideline assistants, which enabled our young coaches to focus on the development of the players.

All of our AFL students participated in the **Paul Kelly Cup** this year, which is a state-wide primary school AFL knock-out gala day. We had two teams participate in the 12-a-side event at Cremorne. Both teams had a fantastic day competing against students from state schools, Catholic schools, and independent schools. Unfortunately, the teams did not progress to the next level. Even so, every student had a fun-filled day that helped grow their love for AFL.

Football

In 2024 students playing football were graded into Year 5 and Year 6 ability-based teams, which allowed them to play against teams in their own skill level. Students playing football have an excellent coaching format – they train on Thursdays, as well as volunteer to do an extra Monday morning session. Thank you to Mr Ferrara and our coaching staff who oversee the growth and development of football at Regis Campus.

Early in the season, our Year 6 students had the opportunity to be involved in the **Sydney Grammar Cup** at Sydney Grammar's St Ives Campus. The focus of this gala day was to prepare students for the regular season by playing in a six-a-side competition. Students play a nine-a-side modified version of football on Saturdays as they progress towards senior-level football at the high school and club stages. Nine-a-side means more touches on the ball and more involvement by all players on a smaller field.

Rugby

Prior to the season beginning, a Year 6 team attended **The Armidale School (TAS) Rugby Carnival** in the April holidays. This team trained every week for six weeks prior to the carnival under the guidance of Mr Thompson, Mrs de St Germaine and skills coordinator Mr Noud. On the tour, Mr Thompson and Mrs de St Germaine travelled to Armidale and guided the team to an undefeated tournament – they won the Division 2 U12 Boys event against clubs, schools and representative teams from Queensland and NSW.

This season, the students involved in rugby continued to display great skills and determination. They were very competitive in every game. In Year 5, our students played a 12-a-side modified game with no contested scrums. In Year 6, we had three teams in the IPSHA competition. Team 12A and 12B played 15-a-side with uncontested scrums and 12C played seven-a-side at the central venue of Koola Park in Killara. A special mention goes to the **12A rugby team** which completed the season undefeated. **Maximilian Hill** had great success in rugby. He was a dominant player from the Regis 12A team and was selected for the IPSHA rugby squad. This saw him attend trials for and be selected in the NSWCIS rugby team with William Bailey. They then both competed in the State Rugby Championships. Maximilian then continued his impressive season with selection in the NSW rugby team.

Snowsports

Every year some Regis Campus students participate in the Riverview Winter Sports program. In 2024 **Benjamin Hodgkinson** and **Charles Maynes**, both of whom are talented winter sport athletes, represented Riverview at a NSW level at the National Winter Sport Championships. Congratulations to these young winter sport champions.

Sportsman of the Year 2024: William Bailey

In 2024 we continued the tradition of naming a Sportsman of the Year. This is in honour of a student who displays a high level of sportsmanship, as well as being a leader and role model to all. Importantly the Sportsman of the Year must display outstanding and high-level skill and representation in school-based, IPSHA, NSWCIS, state, and even national events.

William Bailey is a talented athlete and role model. He trains hard and is a well-respected person among his peers and coaches. William represented IPSHA and NSWCIS in athletics, touch and rugby. He was unfortunately injured and that may have affected his ability to reach even higher honours.

Major Carnivals

Swimming

In 2024 the Regis Campus Swimming Carnival was held at the Gartlan Pool at Riverview in Term 1. It was a fantastic day of fun, competition, cheering, and team spirit. Congratulations to the following students who were Swimming Age Champions:

Regis Campus Swimming Age Champions 2024
10 years – Giovanni Fontana Gribodo
11 years – Jake Hall
12 years – Edward Davis

BPSSA Invitation Swimming Carnival
Every year Riverview hosts an Invitation Swimming Carnival for Catholic schools at the Gartlan Pool. The aim is to prepare these schools for the upcoming representative season. This was attended by Riverview, St Aloysius, St Pius X, St Patrick's Strathfield, Waverley College, and Christian Brothers Lewisham. It was a highly competitive and fun-filled swimming carnival, which prepared students from all schools to be ready for the higher-level carnivals.

IPSHA Selection Swimming Carnival
The Regis Campus swimming team is selected from the Regis Campus Swimming Carnival. They then compete at the BPSSA Swimming Carnival, before progressing to the IPSHA Selection Swimming Carnival at Homebush Aquatic Centre. Our students performed strongly with many achieving personal best times and results. Thank you to all the parents who attended and supported their sons.

Cross Country

We had a strong cross country season in 2024, beginning at the Regis Campus Cross Country Carnival. It was a compulsory event that saw all Regis students put in a gallant effort to place or even complete the course. Students completed a course of 2.2 kilometres in their age groups (10, 11, or 12 years). The top five place-getters in each age group were selected to attend the IPSHA Cross Country Carnival at The King's School.

Regis Campus Cross Country Age Champions 2024
10 years – Xavier Inman
11 years – James Keating
12 years – Andrew Lukas

IPSHA Cross Country Carnival
At the IPSHA Cross Country Carnival held at The King's School, our Regis Campus runners competed with great effort and determination over a very tough course of 2 kilometres for 10 years and 3 kilometres for 11 and 12 years. Up to 150 students per age group raced around this course.

A special mention to **James Keating** in the 11 years boys division and **Andrew Lukas** in the 12 years boys division who placed in the top 15 competitors at the IPSHA Cross Country. They then went on to compete in the NSWCIS Cross Country at Sydney Equestrian Centre.

Athletics

The Regis Campus athletics season began, to some degree, in Term 2 Physical Education lessons where all students learned how to high jump, long jump, shot put, and throw a discus. They also learned how to crouch start and correct running techniques for sprints for five weeks. The Regis Campus Athletics Carnival was held on 1st Field at Riverview with an emphasis on competing to your best in all events.

Athletics Age Champions 2024
10 years – Xavier Inman
11 years – George Bowie
12 years – Algernon Marchant

From the Regis Campus Athletics Carnival, students were selected in the Regis athletics team. These students then were able to compete in the **BPSSA Athletics Carnival** which was hosted by Riverview-on-Riverview 1st Field under the guidance of Mr Monaghan in 2024. The BPSSA is an invitation-only carnival attended by Riverview, St Aloysius, St Pius X, St Patrick's Strathfield, Waverley College, and Christian Brothers Lewisham. It prepares students for the upcoming IPSHA Athletics Carnival at Homebush Athletics Centre.

The **IPSHA Athletics Carnival** is a selection-based carnival where students compete against independent schools from all over NSW. Congratulations to **William Bailey** who was selected in 100m, 200m, and Discus events to attend the NSWCIS Athletics Carnival and to **Andrew (AJ) Lukas** who gained selection in the 800m and 1500m events.

Summer and Winter Sport Team Awards 2024

At Regis Campus we award team sports with two awards:

- Best and Fairest is for the player who demonstrates sportsmanship, leadership and a high skill base.
- Coach's Award rewards students who show effort, a good attitude, is a team person or display improvement throughout the season.

Undefeated Teams in 2024

Congratulations to the 12A Rugby team and Touch 2 team who were undefeated throughout their sport seasons.

Winter Sport Awards	Student Name

Teaching and Learning

Teaching and Learning Report

Ms Jo Keeling-Lowe | Acting Deputy Principal Teaching and Learning

As we reflect on the achievements of 2024 we are filled with excitement and anticipation for the transformative opportunities that 2025 will bring to our educational landscape.

This past year has been pivotal in advancing our learning environments, fostering collaborative and innovative spaces that embody our commitment to excellence in education. The ongoing construction of new facilities is not just a physical enhancement; it is a leap forward in how we prepare students for an ever-evolving world, particularly within the Agriculture and STEM disciplines.

A highlight of 2024 was the completion of the Agriculture Faber Farm Precinct. This state-of-the-art facility now offers two modern classrooms equipped with laboratory-grade specifications, enabling hands-on, inquiry-based learning for Agriculture and Primary Industries students. The centrepiece of this development is the advanced greenhouse, which features cutting-edge digital management systems that mirror contemporary agricultural practices.

This exciting space provides students with invaluable insights into modern farming techniques and food production technologies, creating dynamic opportunities for collaborative learning. By bridging theory and practice, the Faber Precinct equips our students to engage meaningfully with the complexities of the agricultural industry.

Looking ahead to 2025, we are particularly excited about the upcoming Wingaru Building. Set to become a cornerstone of our educational infrastructure, this facility will serve as a hub for collaborative STEM learning. Equipped with cutting-edge resources, Wingaru will support a curriculum that emphasises critical thinking, innovation, and problem-solving skills. We are eager to see how this new environment will enhance our students' educational experiences.

As we move into 2025, we also embrace significant leadership transitions that promise to invigorate our educational approach. We said farewell to Mr Russell Newman after nine-and-a-half years of service and welcomed Mr Lloyd Walker as the new Deputy Principal for Teaching and Learning. Although he has only recently joined us, Lloyd is already preparing to make a significant impact. In 2025, he will spearhead the implementation of the College's new Teaching and Learning Framework (TALF), a major initiative developed in 2024 through a collaborative effort involving staff from all faculties.

The TALF represents a unified vision for fostering excellence and innovation in our classrooms, and Lloyd's leadership will be instrumental in bringing this vision to life. His extensive experience and forward-thinking approach position him to guide this transformative process effectively. Additionally, we acknowledge Mrs Debra Williams' successful tenure as the Acting Dean of Teaching and Learning in 2024 and congratulate her on her new role as Head of Innovation and Research starting in 2025. Debra is poised to drive exciting developments in our curriculum, further enriching our programs for student benefit.

As we look toward the future, we also pause to bid farewell to Dr Paul Hine, whose 12 years of leadership have left an indelible mark on the College. Dr Hine has been a steadfast friend to Teaching and Learning, championing human excellence in every student and staff member. His advocacy for holistic growth and commitment to our shared values have inspired our learning community to strive for their best, both academically and personally. His legacy of compassion, vision, and excellence will continue to guide us forward, and he will be missed.

A huge thank you to our incredible teachers, staff, and families who have supported our students every step of the way. Together, we've created a community that empowers success and inspires greatness.

Thank you to our teaching staff for their continued dedication throughout 2024. Their adaptability and commitment has ensured a high educational standard.

Special recognition goes to our Heads of Faculties for their support in fostering a culture of continual improvement – an effort crucial in driving academic excellence across the College.

We are inspired by all of the accomplishments of 2024 and celebrate not just the results, but the journey – the friendships, growth, and achievements that extend far beyond the classroom. Together, with the support of our talented educators, students, and community, we will continue to foster innovation, growth, and human excellence, shaping the future of teaching and learning at Saint Ignatius' College Riverview.

It has been a privilege to work alongside such dedicated and visionary colleagues who continue to strive for excellence.

Faculties

Agriculture and VET

Mr Michael Roffey | Head of Faculty

This year, the Agriculture faculty has flourished, with students from Years 8 to 12 rolling up their sleeves and getting their hands dirty in learning about sustainable farming, animal husbandry, and horticulture. From planting the first seeds of knowledge in Year 8 to mastering advanced agricultural techniques in Year 12, our students have embraced the challenges and rewards that come with working the land.

Year 8 students took their first steps into agriculture by learning the basics of soil health, plant growth, and animal care. Their enthusiasm was evident as they worked in the school garden, tending to vegetables and herbs while gaining a deeper understanding of how food is produced. Year 9 students built on these foundations, taking on responsibilities in livestock management and experimenting with different farming techniques to improve crop yields.

In Year 10, students explored more complex agricultural systems, diving into topics such as hydroponics, sustainable farming practices, and the impact of climate change on food production. They also played a key role in maintaining the school's chicken coop and beehives, learning firsthand about the importance of biodiversity in agriculture.

Senior students in Years 11 and 12 took on leadership roles, applying their knowledge to real-world agricultural challenges. Through practical experiences in farm management, agribusiness, and advanced crop production, they gained valuable skills that will serve them in future careers.

None of this would have been possible without the dedication of our Agriculture teachers, who have provided invaluable guidance and support throughout the year. Their commitment to hands-on learning and fostering a love for the land has inspired students to think critically about the future of agriculture.

As another year comes to an end, we celebrate the growth, achievements, and hard work of our Agriculture students. Whether they continue in farming, agribusiness, or environmental science, they leave with knowledge and skills that will make a lasting impact.

Business, Economics, Legal Studies & Commerce

Ms Suzanne Silk & Ms Melissa Bowering | Heads of Faculty

It has been another remarkable year for the BELC Faculty, filled with dynamic global events that have allowed us to bring real-world learning into our classrooms. With significant shifts in the business, legal, and economic landscape, our focus has been on ensuring that students engage with contemporary issues, fostering deep understanding and critical thinking. Through this approach, we have continued to offer authentic learning experiences that prepare our students for the complexities of the modern world.

The 2024 HSC results were outstanding, and a credit to both staff and students in the BELC Faculty. In Business Studies over 70% of students achieved a Band 5 or 6. In Economics and Legal Studies over 80% of students achieved a Band 5 or 6. Another year of excellent results which continue to reflect the expertise and support offered by staff and the commitment and engagement of students.

Congratulations to all of our exceptional teachers who worked hard to achieve excellent results across Years 9 to 12 this year including Mr Stephen Croker, Mr Andrew McGovern, Ms Melissa Bowering, Fr Thomas Renshaw SJ, Mr Leon McAllistair, Mr Robert McGinn, Mr Todd Freedman, Mr Jim Busteed, Mr Russell Newman, Ms Rowena Byrne, and Mr Adam Carr.

Economics

This year, students explored the evolving economic landscape, with a strong focus on international politics, interest rate fluctuations and inflation. Key global events such as the ongoing Ukraine war, post-pandemic supply chain challenges, and the impact of cost of living issues in Australia provided rich discussion points, in alignment with the Jesuit emphasis on Caring for Our Common Home, students examined the evolving policy responses to climate change. The Year 12 cohort also delved into the Brazilian economy, enhancing their global economic perspective.

Business, Economics, Legal Studies & Commerce
Standing: Melissa Bowering, James Busteed, Todd Freedman
Seated: Tessa Nelmes, Stephen Croker, Robert McGinn, Suzanne Silk, Adam Carr
Absent: Leon McAllister, Fr Tom Renshaw SJ

Business Studies

Business Studies was also an interesting and authentic subject in the world of inflation, wage rises and changing global supply chain issues. Students were provided with authentic case studies of how businesses operate and respond to external influences on a daily basis. The Year 11 students focused on small businesses whilst the Year 12 classes examined large multinationals and examined operations, marketing, finance, and human resources.

Legal Studies

Legal Studies remained a popular subject, with students deeply engaged in the examination of the criminal justice system, family law, and world order. Through the analysis of compelling case studies – both conventional and unconventional – students developed critical legal reasoning skills. Media file analysis played a significant role in supporting students' arguments, ensuring that classroom discussions remained dynamic and reflective of real-world legal developments.

Commerce

The foundation for many of our students' future achievements is laid in Years 9 and 10 Commerce. Year 9 students enjoyed producing campaign videos for a hypothetical election, and assessing the political and legal impact of new laws. They also explored consumer and financial decision-making through the popular Shark Tank Task, and the year concluded with an investment unit.

In Year 10, students cover a wide range of relevant topics including employment and work futures, and delved into how the law has been applied in real life. They also spent time learning about changes in the economy and actively connected their learning to the ever-changing world around them, making their studies both meaningful and engaging.

The BELC Faculty continues to provide an enriching and intellectually stimulating learning environment, ensuring that our students are well-equipped to navigate the complexities of business, law, and economics in today's world. With another year of exceptional achievements, we look forward to continuing our mission of delivering high-quality, real-world education in 2025.

Drama

Ms Louise Arnott | Head of Faculty

This year marks another outstanding and dynamic year for curriculum Drama at Riverview. We are blessed at the College to have such an abundance of talent and passion among our Drama students. They continue to produce inspiring and sophisticated performance work in all elective Drama years from Year 8 through to Year 12.

Our Drama students have thrived with opportunities to view professional new theatre productions in our Sydney theatre. They have also extended their acting skills through workshops with professional theatre directors and practitioners at the College, while also learning specialised skills in their elective Drama classes. Through these class workshops in curriculum Drama we have continued to reinforce our connections with the professional theatre world. We are in debt to many Old Boys currently working in theatre who have generously given their time to conduct workshops and rehearsals.

We began the year with the thrilling news of the outstanding HSC Drama results from our 2023 Drama boys at Riverview. The commitment these boys devoted to the rehearsal of their HSC Drama performance pieces, as well as diligence towards the written component was rewarded with almost all students placed in Band 6. This placed our boys well above the state average. We celebrated the largest number of nominations ever received at the College for the NSW Education Standards Authority (NESA) OnSTAGE showcase, which highlights exemplary work. The College received 19 nominations with nearly all boys in the cohort receiving a nomination for their group and individual performances.

Viewing live theatre productions is an intrinsic element of our Drama syllabus and is always reflected in the high standard of performance work at the College. In Term 1 students in Year 12 Drama attended OnSTAGE, to view the 2023 HSC Drama projects and performances at the Seymour Centre. Year 8 and 9 Drama viewed the highly theatrical gothic theatre production of *Women in Black* at the Theatre Royal.

Meanwhile, Year 10 Drama enjoyed the incredibly powerful production at Belvoir St Theatre of *The Curious Incident of the Dog in the Night-Time*. Year 11 Drama students were extremely fortunate to preview the beautiful production of *Yuleda* by First Nations Bangarra Theatre Company to complete our wonderful year of Sydney theatre viewing.

All students enrolled in elective Drama this year were privileged to participate in workshops led by professional theatre directors, who imparted specialised skills during class sessions. Year 10 Drama students gained invaluable techniques in physical theatre. Meanwhile Year 12 Drama classes were led through a series of classes that developed the physical theatre acting skills of Jacques Lecoq – one of the key topic areas in their HSC Drama studies this year. All Elective Drama students from Years 8 to 12 closed the year with a performance and workshop of the powerful Australian play *Norm and Ahmed* by the Buzo Theatre Company in our own O'Kelly Theatre.

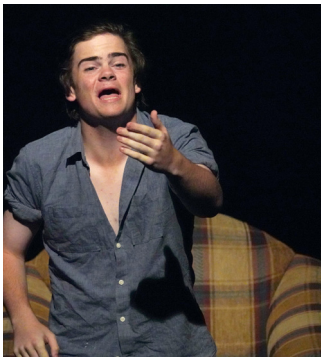

The year concluded with a selection of elective Drama boys performing in our Elective Drama Showcase. The students thrilled audiences with a wide range of performance styles learnt through our elective Drama courses. There were wonderful moments of comedy from Year 9 and 10 students who showcased skills from our clowning workshops, gothic theatre scenes from Year 8, and more sophisticated work from Year 11 with monologues and scripted text scenes.

There is much to celebrate in the coming year with another full season of shows and showcases for all boys in Years 8 to 12 in the O'Kelly Theatre. We are truly blessed with a richness of talent and enthusiasm for performance at Riverview. Our Drama students are passionate, creative, and most importantly love theatre. The Drama department is looking forward to another exciting year ahead in 2025.

Drama
Conrad Page, Louise Arnott, Lara Stern

English

Mrs Debra Williams | Head of Faculty

Innovative changes in our Years 7 to 10 scope and sequence documents took centre stage this year. We embraced the updated NSW English Syllabus's focus on reading for challenge, interest, and enjoyment by introducing daily reading routines, junior and senior book clubs, and refining our fortnightly library lessons with stage and age-appropriate recommended genres and reading lists. We also integrated extracts from our Riverview Reads selection – *The Overstory* by Richard Flanagan – as an exemplary prose piece into numerous programs, and even the daily Examen.

An international focus on explicit teaching in educational discourse influenced our pedagogical approach to syllabus implementation. Using elements of The Hochman Method, an instructional style focusing on staggered sentence writing, we integrated materials into new and updated units of work to strengthen literacy skills. Efficaciously, the synergy between literature and Ignatian values instructed our Years 7 to 10 text selection and unit focus. For instance, our Year 9 poetry unit 'Verse of the Earth' unifies the Jesuit call to 'Care for our Common Home' with syllabus requirements. Along with focusing on texts written by First Nations composers, our selection embraces cultural and gender diversity, sustainability, and ethics.

Throughout 2024, we included, we included a range of initiatives to celebrate writing and speaking skills alongside creative and critical thinking. Curriculum initiatives that extended to a broader audience included the Year 7 Slam Poetry Competition, Year 8 My Story speaking contest, our Stage 5 Art of Speech grand finals, and our Year 10 Passion Project. We also introduced the dynamic literary journal, *The Edge of Words*, to showcase staff and student writers.

We were fortunate to host several incursions and also attend excursions. The Poetry-In-Action performers delivered 'Unlocking the Poetry Code' to Year 7, 'Power of Poetry' to Year 8, 'Words that Changed the World' to Year 9, and 'Words of War' to Year 11 Standard students. This year, the Year 12 teaching team facilitated a full day of writing workshops to introduce Module C: The Craft of Writing to HSC Standard and Advanced students. This was in collaboration with Loreto Normanhurst staff and students. Guest speakers, acclaimed writers James McKnight and Nam Le, launched each day with an inspiring session. Our Year 11 Extension students attended the Sydney Writers' Festival student workshops. In Term 4, the 2025 HSC Extension Two students consolidated their understanding of the course and established expectations around their major work pieces' form, concept, and purpose at a day of workshops.

English
Back row: Philip Koen, Rhys Williams, Dominic Moore
Middle row: Aimee Ingram, Natalie Baines, Jacob Stevens, Claire Burke, Rebecca Marren, Rosanna Comastri
Seated: Andrew Taylor, Maryanne Humphrey, Marilyn Fitzgerald, Debra Williams, Rosie Manion, Prudence Fitzsimmons, Denyse Gibbs
Absent: Pat Lowe, Andrew McGovern, Christine Paek

Our 2024 HSC results reflect the concerted efforts of all students and staff. A notable increase in top band performances in Standard (26% in Bands 5 and 6), Advanced (86% in Bands 5 and 6), and Extension One (100% in E3 and E4, with 73% in the top category) rounded the year. Our Extension Two candidates all achieved the highest result (E4) indicating their determination and passion. Congratulations are extended to Jaiah Wallace, whose Extension Two major work will be published in this year's *Young Writers Showcase* anthology. This is an exceptional achievement given the elite nature of this publication and the high calibre of its selected pieces.

This year, we welcomed Jacob Stevens, a strong educator and role model, and Claire Philips, an internship student from Sydney University, into the faculty. We farewell several staff including Pat Lowe, who is moving to St Joseph's College, Denyse Gibbs, who is retiring, and Sinead Zille. We will miss their kindness and professionalism in the faculty. In other personal news, congratulations to Rhys and Anna Williams who welcomed their daughter Lucia into the world, and to Rosanne Cuschieri on her nuptials.

I sincerely thank the English faculty for their boundless energy, creativity, professionalism, and humour, and Rosie Manion and Marilyn Fitzgerald for their guidance as Assistant Heads of Faculty. I am truly blessed to lead a collaborative and generous group of people who share my passion for literature and learning.

Edge of Words
Back row: Lazlo Kapel, Cian McAweeney, Jaiah Wallace, Mrs Williams
Middle row: Prithviraj Shrivastav, George Gaha, Thomas Doyle, Lachlan Martinez
Front row: Alexander Bradley, Lachlan Caruana, Charles Lennon
Absent: Hugo Wrightson

The Edge of Words: Literary Journal

In 2024, the English faculty added a literary journal to their suite of co-curricular initiatives. This is a way to showcase student and staff talent and human excellence. An editorial board, graphic design team, and ICT expert panel were formed from student expressions of interest in Term 1. While a teacher will always be present, this is a student-run initiative.

Ongoing consultation between these enthusiastic students solidified the journal's title, inspired by Dr Rowan Williams, the former Archbishop of Canterbury. His 2013 lecture series about language and the possibilities of speaking with God was later turned into a book titled *The Edge of Words*. The board adopted this title as it embodies their vision to pursue language and the questions it may raise to the very edge so that new perspectives, conversations, and reflections may emerge.

The group decided on the submission dimensions, including the type and size/word count of any files. They agreed to accept cover art, fiction, poetry, and creative nonfiction. Robust debate ensued within the group about community guidelines, plagiarism, and authorship.

Consultation with Alexander Mai, the ICT Web Services Officer, ensured community expectations around authenticity were upheld via a declaration of originality at the upload point. To foster a reading culture, an image carousel promoting the Riverview Reads selection, the current Senior and Junior Book Club choice, and a range of books recommended by the Editorial Board, is also on the journal's homepage.

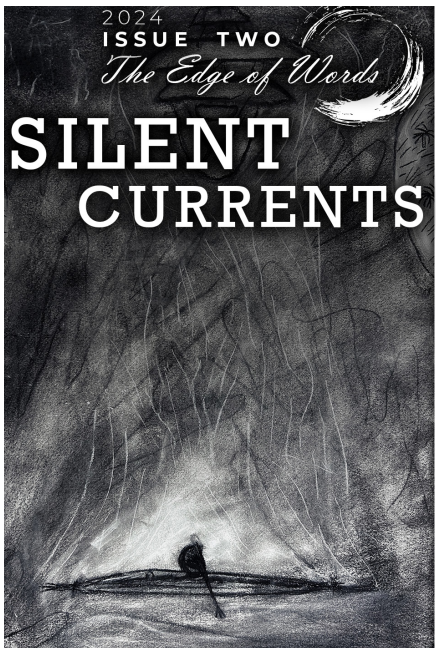

The 2024 Editorial Board comprised Tom Doyle, George Gaha, Cian McAweeney, Prithviraj Shrivastav, Jaiah Wallace, Hugo Wrightson, Alexander Bradley, Lazlo Kapel, Angus Martinez and Charles Lennon. Notably, Tom Doyle (Year 12) adopted a leadership position within the group, often facilitating discussion, assigning duties, and ensuring debate among members. Jaiah Wallace (Year 12) wrote the Acknowledgement of Country published on the journal's homepage, and George Gaha designed the logo.

With sincere thanks to Charlie Lennon (Year 10) and Alexander Bradley (Year 11) who contributed significantly to each cover's look and feel. All members are to be commended for their editorial praise comments beneath each entry that capture the main idea and strengths of each submission. Working alongside passionate and creative students who volunteer precious lunchtimes to edit, debate, plan, and execute this exemplary journal is enriching. I extend a heartfelt thanks to all board members for their contributions this year.

Congratulations to all the staff and students who volunteered their art or writing for public consumption in the journal's first two issues. The published pieces in our first and second editions, focusing on 'Identity' and 'Silent Currents' respectively, capture the hearts, minds, and talent of the College's staff and students. They will undoubtedly inspire future writers and artists.

All entries can be found digitally via InsideView. In 2025, the board will have new and existing student members, reflecting the regenerative nature of the journal's model, and exciting themes ahead.

Geography

Mr Rex Cooke | Head of Geography

New Stage 6 Curriculum: Year 11

This year we introduced the new Stage 6 Geography syllabus at Riverview. After 23 years of the old senior Geography syllabus, it was great to see a range of changes implemented as part of the new syllabus. One of the key changes for the Year 11 course is the approach to studying key characteristics of physical geography in more detail. The first topic looked at the processes, cycles, and circulations connecting natural systems. This focuses on how processes and geographical features, such as latitude and altitude, affect the natural systems of the world. The students then explored the key aspects of atmospheric, hydrological, geomorphic, and ecological systems around the world.

As part of the first topic, we conducted fieldwork on how natural processes, cycles, and circulations have shaped Narrabeen Beach and Lagoon. The students studied how longshore drift, driven by wave action, transports sand along the beach and how it can create blockages at North Narrabeen. Manual removal of the sand is the most effective way to transport the sand back into the sediment budget of the area. The students conducted a beach transect to show how natural processes influence the structure and formation of beach environments.

The second topic the students studied was aspects of human geography. They looked at global population, including rates of change, distribution, and densities of the population, and identified characteristics that exist around the world. One of the case studies the students enjoyed was the movement of people from Central America up into the USA and the social and political issues that have arisen from this flow of migrants. The students also did a comparison between a developed and developing country where we looked at Japan and Uganda.

As an optional topic, we looked at political geography. The students studied the geo-political issues associated with the South China Sea. This case study gave the students a greater understanding of the complexities that exist within contested areas of the world and how certain countries exert political and military dominance over other areas and countries. The students had to identify the key stakeholders and the role each plays within the contested spaces and why it is so important.

For the final topic, we went for one of the key global topics of climate change. This topic has been covered extensively within the media and from many varied viewpoints. The students were presented with a range of data and information from a range of sources, and they had to use the information to establish their own viewpoint. The students also completed a case study on the small island nation of Kiribati to develop their understanding of the impacts associated with climate change. They explored how the island nation is managing the impacts associated with sea levels rising.

Geography
Peter Steffan, Michael Webb, Cassie Crompton, Valentina Raguz, Stephanie Vardas, Rex Cooke

Students looking at the natural processes within Narrabeen Lagoon

Students calculating the elevation of the beach during their beach transect

Narrabeen Lagoon flowing out into the ocean

Students collating results from their fieldwork activities

History

Mr Trent McAllan | Head of Faculty

The History Faculty has had an inspiring and enriching year in 2024, filled with exceptional opportunities for students to engage deeply with the past and reflect on its impact on the present. Across all year levels, our students have embraced the study of history with enthusiasm, curiosity, and thoughtfulness, supported by the dedication of their teachers.

Year 10 students deepened their knowledge of genocide through a visit to the Sydney Jewish Museum supporting their Term 1 studies. This excursion was a powerful and transformative experience, as students examined Jewish resistance to the Holocaust and analysed primary sources belonging to survivors. A highlight of the visit was the opportunity to hear firsthand from a Holocaust survivor whose personal narrative offered invaluable insights into the atrocities of the Holocaust and the resilience of the human spirit. The museum tour and survivor testimony fostered empathy, critical thinking, and a profound understanding of the importance of remembrance and education in preventing future genocides.

In Term 2, Year 7 students embarked on an enlightening excursion to the Chau Chak Wing Museum, where they delved into the fascinating worlds of archaeology, mummification, human remains, and the grandeur of Ancient Rome. This hands-on experience allowed students to witness the techniques archaeologists use to uncover the past and appreciate the meticulous care involved in preserving cultural heritage. They explored artifacts, learned about ancient burial practices, and discovered how the legacies of civilisations like Rome continue to shape our understanding of history.

The Year 9 Challenge provided a unique chance to explore the stories of service and sacrifice at the ANZAC Memorial. Students attended a moving performance of Morris Gleitzman's monologue 'Loyal Creatures', which brought to life the experiences of the Light Horse Brigade during the First World War. They also gained a deeper appreciation of the critical contributions of women in the Medical Corps through a verbatim performance of Devoted Service. These performances not only illuminated the complexities of war but also encouraged students to consider the human dimensions of historical events.

History
Standing: Nikki Brown, Joshua Conlon, Leonie Gastineau-Hills, Tessa Nelmes
Seated: Jennifer Shin, Kimberley Romeo, Trent McAllan, Vanessa Blake, Jo Keeling-Lowe
Absent: Peter McNamara, David Wales

We extend our heartfelt thanks to Mr David Wales for organising and leading this year's ANZAC Day and Remembrance Day services. These solemn occasions continue to serve as poignant reminders of the sacrifices former Riverview students and families made throughout Australia's involvement in global conflicts. Through his leadership, Mr Wales has ensured that the significance of these events remains deeply resonant for our community.

The success of this year would not have been possible without the exceptional dedication of our History Faculty staff. Miss Vanessa Blake, Ms Jennifer Shin, Mr Peter McNamara, Mr David Wales, Ms Kimberley Romeo, Ms Tessa Nelmes, Mrs Leonie Gastineau-Hills, Mr Joshua Conlon, and Ms Jo Keeling-Lowe have gone above and beyond in supporting our students' academic and personal growth. Their passion for history and commitment to teaching have inspired countless moments of discovery and reflection.

This year, we also bid farewell to Miss Nikki Brown, who has been an outstanding teacher of Ancient and Extension History. Miss Brown's expertise, enthusiasm, and collegiality have left an indelible mark on both her students and colleagues. She will be sorely missed, and we wish her all the best in her future endeavours.

As we reflect on the achievements of 2024, we remain committed to fostering a love of history in all our students and providing opportunities to engage meaningfully with the past. Thank you to our students, parents, and staff for making this another remarkable year for the History Faculty. Together, we continue to honour the stories, lessons, and legacies that shape our shared humanity.

Year 9 Students in the ANZAC Memorial

Languages

Ms Louella Perrett | Head of Faculty

The College's Languages program is supported by activities that take language study beyond the classroom and make it a more tangible experience. We endeavour to provide students with rich and meaningful learning opportunities to hone their language skills in authentic cultural settings, and to interact with like-minded peers from other schools.

Our Classics students took full advantage of the events organised by the Classical Languages Teachers' Association, engaging with other students from across the state who share a passion for all things Classics. In March, the Year 11 students attended the Senior Classics Dinner at Newington College. In the true spirit of the Classical symposium, students embraced the conviviality, shared classroom experiences and participated in games, a Classical trivia quiz, and a very colourful costume parade with some rather innovative interpretations of Classical attire.

In June, Gabriel Ashmore, William de Vos, Ciaran Wilde, Caelan Cosgriff and Jimmy de Flamingh performed admirably in the annual Kevin Lee Latin Quiz, a fun event that tests students' knowledge of the language, history, and mythology. They competed valiantly against strong opposition and finished the competition strongly.

In September, Riverview once again hosted the Year 9 Latin Reading Competition. Our students enjoyed a successful evening, competing against more than 80 students from nine schools in the recitation of works from Cicero and Virgil. Jimmy de Flamingh came first in the solo prose and Austin Clark came third in the solo verse. With our choral group also gaining third place, our aggregate total was sufficient to secure second place overall in the competition.

Our Chinese students were highly successful in the Chinese Bridge Speech Competition. Justin Choy and Charles Spiteri (Year 11) came third, while Elijah Wehrhahn (Year 12) came second and went on to represent NSW in the Australian final. Elijah won second prize and secured the right to compete in the international round in China.

Languages
Standing: Amelia Denton, Victor Zhang, Harold Bonnington, Fang Qian, Maria Skouras
Seated: Justine Malingrey, Suzanne Mouait, Louella Perrett, Elena Turunen, Christine Moriarty

In the Chinese Eisteddfod, Gianluca Di Pietro (Year 8) and Nicholas Wong (Year 10) came fourth in their respective non-background speakers and Cantonese speakers sections. Alex Camilleri was selected by the China Soong Ching Ling Foundation as Junior Cultural Ambassador for Australia and was rewarded with a one-week study tour of Beijing.

The Italian and French students participated in a pen pal exchange program with the students from Loreto Kirribilli, applying their language skills to an authentic, real-life situation. The activity was highly motivating, and students were excited to send off their letters and receive replies from the girls.

In Term 3, Riverview hosted three Italian students from Rome. As they conversed with their Riverview peers in Italian, they offered valuable insights into Italian daily life, fostering a dynamic environment for language practice and the development of intercultural capability. The Italy Classics Tour in September provided further opportunities for cultural exchange. Twenty-four students and three staff members embarked on an itinerary that comprised historical and cultural sites in Milan, Verona, Venice, Assisi, Florence, Siena, Rome , and Pompeii. The boys also had a one-week home stay in Perugia. While the Italian students attended a language school, where they honed their speaking skills, the Latin students experienced the daily life of an Italian student at the local school.

The Italy Tour marked the long-awaited resumption of our Languages study trips. Plans are well under way for the 2025 China Tour. Unfortunately, the December Noumea Tour was postponed owing to security concerns on the island. In its place, French students attended a three-day program at the Alliance Française, Sydney, consisting of a variety of cultural activities, role plays, conversations, games and delicious French meals at the Philo Bistro. It is hoped that the overseas French Tour will also resume in 2025.

Junior Cultural Ambassador for Australia, Alex Camilleri

Learning Enrichment

Mr Dominic Wilkinson | Head of Faculty

Throughout 2024, the Learning Enrichment team remained committed to providing a comprehensive framework of support to ensure sustainable and equitable access to education for all students. The team was guided by values of diversity, inclusion, and compassion, working closely with teaching staff, parents, and external professionals to create a culture that encouraged personal excellence and maintained high expectations for all learners.

The support offered by Learning Enrichment begins at the Regis Campus, providing students with the foundational skills, confidence, and knowledge they need as they embark on their learning journey. This support continues through to the senior years, with tailored programs that focus on a deep understanding of content knowledge, pedagogy, and student profiles. The continuum of care is designed to assist students in recognising their strengths and building the skills needed to navigate the curriculum and assessments, while also building their self confidence as learners.

As part of this process the Learning Enrichment team also concentrated on improving students' executive functioning and cohesive writing skills, all key components of fostering engagement and access to the curriculum. These skills, when integrated into collaborative planning, provided a strong framework for students' academic progress. Acting as a bridge across different areas of the College, the Learning Enrichment team was instrumental in building staff capacity and supporting students to meet the academic challenges of their respective stages.

A significant focus this year was on supporting students through the Disability Standards for Education and managing the Nationally Consistent Collection of Data on students with disabilities (NCCD). The team reported a larger number of students in the NCCD, reflecting the increasing complexity of support required for diverse learners at the College. This, alongside the rise in students approved for Disability Provisions for the HSC, signalled the evolving landscape of inclusive education. This is a complex but rewarding space to work in and ultimately lays at the heart of the College's focus on *cura personalis*.

Learning Enrichment
Standing: Nikki Brown, Rhian Lovell, Michelle Ellis, Elena Turunen, Therese Herborn, Claire Burke
Seated: Marion Bodilly, Lara Righi, Dominic Wilkinson, Kate Hilyard, Dominic Moore

In 2024, the team's commitment to diversity and inclusion was further demonstrated through continued involvement in the AISNSW First Nations Waratah Project. This initiative focused on supporting Indigenous students at the College and the broader network of partner schools, including Loreto, Knox Grammar, Barker College, and New England Grammar.

Through a multidisciplinary approach involving teachers, tutors, language therapists, and cultural mentors, the project yielded significant improvements in literacy and numeracy outcomes. This work also aided Indigenous students' transition into the College environment, both academically and culturally. Additionally, professional development sessions on cultural heritage and trauma-informed practice were held, further empowering staff to support Indigenous students effectively.

As the faculty of Learning Enrichment expands its professional responsibilities, the demand for ongoing growth and development continues. The team consistently strives to adapt to the challenges faced, showing professionalism and dedication to inclusive education. The work often goes beyond the expectations of their roles, reflecting their passion for supporting all learners. This year many of the team delivered professional learning workshops across the College and participated in courses that enabled the opportunity for shared knowledge and professional growth across the team.

Looking ahead, the faculty anticipates further refinements to practice while holding onto the foundations that make our work foundational to the College. As the work of the faculty continues to evolve in response to the needs of the College Community, I am incredibly proud of the team's unwavering commitment and the positive impact they have made on students' learning outcomes, wellbeing, and overall inclusivity. Each team member plays a crucial role in shaping the inclusive culture of the College, and for this, I extend my deepest gratitude for their support and dedication over the past year.

Library & Information Services

Ms Kathryn Eyre | Head of Information Services

The year 2024 has been a vibrant and successful one for the Christopher Brennan Library. It was marked by a diverse range of activities, events, and initiatives that have fostered a love of learning and a sense of community among our students.

The Library has been alive with engaging lunchtime activities that sparked curiosity and brought students together. From very competitive Kahoot quiz sessions and fun guessing competitions, to a quirky 'Name the Fish' challenge, there was something for everyone. These activities entertained and also offered opportunities to collaborate, think critically, and develop new interests.

The Library also hosted a variety of informative and inspiring displays. Topics ranged from graphic novels and the heroes of mathematics, to profiles of paralympians and commemorations of International Men's and Women's Days. These displays highlighted the diversity of interests and achievements that shape our world, while encouraging students to explore new ideas and broaden their horizons.

The year also saw the introduction of stick insects into the Library. These creatures have been a source of curiosity for students. They've become a living, interactive display that complements the Library's focus on learning and exploration.

In keeping with our commitment to student wellbeing, the Library once again hosted R U OK? Day. Students were invited to enjoy a free hot chocolate while having a conversation with a friend. It was a reminder of the importance of 'checking in' and fostering a supportive school community.

The Library also continued to serve as a dynamic hub for staff borrowing. During faculty-briefing days, the Library hosted a pop-up space, and curated library baskets were provided to departments to support them. The collaboration with the History and English departments throughout the year has also been a highlight, with resources and support provided for a variety of teaching initiatives.

One of our ongoing priorities has been fostering a culture of wide reading across the school, from Years 7 to 11. To support this, in Years 7 and 8, each class was assigned a teacher librarian who facilitated breakout groups and activities designed to encourage reading, develop literacy skills, and help students engage with texts in meaningful ways. This initiative made a significant impact, providing students with explicit instruction in essential skills that will serve them throughout their lives.

Looking ahead to 2025, we hope to expand our collaborative teaching efforts across faculties and year groups. We are committed to ensuring students continue to benefit from explicit instruction in research skills, source curation, and literacy-building strategies. By embedding these skills in their daily learning, we aim to create more confident and capable students, prepared for the challenges ahead.

One of our key goals for the year was to enhance the reading culture among the boys. Reading not only improves literacy but also fosters empathy and understanding. Our most borrowed fiction book of the year was *I Survived Hurricane Katrina* by Lauren Tarshis, a graphic novel that captured the imagination of many. In terms of non-fiction, the most popular topics were fishing and basketball. Books such as *The Fisherman's Handbook* by Steve Starling and *The Mamba Mentality* by Kobe Bryant topped the list of most borrowed information books, reflecting the students' interest in these areas.

Our top borrower of the year was a Year 7 student who checked out an impressive 95 books! This was a testament to the growing reading culture at the school and the impact of the Library's resources and initiatives.

We remain committed to nurturing a love of reading, building literacy skills, and supporting the personal and academic growth of every student. We look forward to even more exciting developments in 2025.

Mathematics

Mr Glenn Abrahams | Head of Faculty

This 2024 Mathematics report marks my final contribution as Head of Faculty at Saint Ignatius' College Riverview. My first report was for Our Alma College magazine in 2000. As I reflect on the academic achievements of this year, I also want to acknowledge the significant advancements in Mathematics pedagogy at the College over the past 25 years.

In 2000, Mathematics teaching relied on whiteboards, overhead projectors, markers, and teacher knowledge. Today, we employ a vast array of digital tools that have transformed both teaching and learning. Our lesson outlines, resources, and supplementary materials are now hosted on the College's learning management system, Canvas, making materials readily accessible. Platforms like Mathsonline and Mathspace allow us to track student engagement, while data projectors, dual monitors, and OneNote on tablet PCs with stylus support enhance our instruction.

Although technologies like Artificial Intelligence (AI) are still evolving, they hold great promise for education despite occasional challenges, such as inconsistencies in AI responses to complex Higher School Certificate (HSC) questions. Through all these changes, however, the essence of Mathematics education remains embedded in the dedication, expertise, and enthusiasm of our Mathematics teachers.

The 2024 Higher School Certificate (HSC) cohort recorded comparable HSC results to previous years. Our students achieved a pleasing number of Band 6 and E4 scores, Mathematics Extension 2 (29%), Mathematics, Extension 1 (30%), Mathematics (31%) and Mathematics Standard 2 (24%) reflecting the College's longstanding commitment to high standards in Mathematics. We are particularly encouraged by the high performance of students relative to the State in Standard 2 Mathematics course and the ongoing success of our Mathematics Acceleration program.

A highlight in faculty development this year was the participation of Nardin Collaros, Mikayla Kim, Chris Wright, and Jeff Myles in the Mathematics Association of NSW (MANSW) Annual Conference during Term 3. The conference, themed 'Teaching For and About Problem Solving', provided insights into syllabus developments and introduced innovative mathematical investigations that promote student engagement and learning growth. Sessions offered both inspiration and practical techniques, equipping our faculty with fresh ideas to elevate classroom practice and support students' mathematical understanding.

Mathematics
Standing: Angy Newey, George Cassar, Mikayla Kim, Kathleen Mullan, Jeff Myles, Paul Collins, Mathew Furtado, Christopher Wright, Robert Maxwell, Adrian Chan, John Newey
Seated: Nardin Collaros, Rebecca Hoad, Jacinta Barlow, Neil Mushan, Glenn Abrahams, Daniel Hyde, Marion Bodilly, Fiona Yates
Absent: Samuel Maher, Damien Reidy

In 2025, we will bid farewell to Neil Mushan, an exceptional Mathematics educator, who will be taking a year's leave to consider retirement. Neil's influence has extended far beyond the classroom over his many years of dedicated service as Year 11/12 Boarding Co-ordinator, House mentor, sports coach, immersion leader, and a unifying force among staff through activities like Melbourne Cup sweeps and footy tipping competitions.

Above all, Neil is a passionate teacher, often leading the Acceleration and Extension 1 Mathematics programs with remarkable commitment. His humour, enthusiasm, and genuine care for students have left an indelible mark on their learning journeys and personal growth. His love for sports, stories, and travel has enriched our community, and we are profoundly grateful for his contributions to the team.

I would like to extend my heartfelt thanks to the entire Mathematics faculty for their unwavering dedication to teaching, assessment, and student support throughout my nearly 25 years as Head of Faculty. This team exemplifies the Ignatian values of the College, not only through their classroom work but also in their broader involvement in boarding, the House system, and co-curricular programs. Their passion and commitment continue to shape our students' educational experiences and strengthen our vibrant community.

Music

Mr Peter Watters | Head of Faculty

In 2024, the Music Faculty continued to thrive, building on the successes of previous years and laying the groundwork for future growth. A major focus was preparing for the implementation of the new Years 7–10 Music Syllabus in 2026, with the review and updating of programs and Canvas pages ensuring clear learning intentions and curriculum alignment. Literacy development also remained a priority, with strategies targeting vocabulary and writing skills in listening tasks to strengthen analysis in the senior years.

Stage 4 Music students engaged enthusiastically with the mandatory program, consolidating their understanding of music theory, notation, and instrumental performance through structured activity workbooks. This foundation supports creative and analytical engagement across later years. For the first time, Year 8 Advanced Music students participated in an elective course, Riverview's Got Talent, which developed instrumental skills alongside audio and video recording. The program was well received and provided a valuable platform for students to extend their musical learning.

In Stage 5, students explored a wide range of historical and contemporary contexts, from Baroque and Classical traditions to Jazz and Popular Music. The integration of performing, composing, and listening activities encouraged well-rounded musicianship, with performance emerging as a particular strength. Highlights included solo performances by Caelan Cosgriff (Flute, Year 9) and Matthew Lee (Piano, Year 10) at the Music Gala Evening, along with Jude Feilen (Voice, Year 9) singing 'Change the World' by Eric Clapton at the Care for the Common Home Assembly. The Year 9 band Live Wires (Will Thomas, Luke Jacobs, Ignatius Meagher, Sam Fitzsimons, and Will Baird) also entertained audiences with 'Take Me Out' by Franz Ferdinand at the College Speech Day.

Senior students in Stage 6 continued to excel in Music 1, Music 2, and Extension courses, showing leadership within the classroom and across co-curricular ensembles. Their dedication was evident in a series of impressive solo performances at the Music Gala Evening, including contributions from Mattheo El Haddad (Piano, Year 11 Music 1), Nelson Meehan (Clarinet, Year 11 Music 2), Joseph Graves (Drum Kit, Year 12 Music 1), Thomas Doyle (Voice, Year 12 Music 2), Elijah Wehrhahn (Violin, Year 12 Music 2 and Extension), and Jack Caine (Baritone Saxophone, Year 12 Music 2 and Extension). Year 11 Music 1 also performed 'Orange Coloured Sky' by Nat King Cole, adding to the variety and richness of the evening.

Music

Standing: Michael Bellemore, Dacia Thomson, Trish Schwager, Elizabeth Wojtczak, Kirk Hume
Seated: Sue Thomas, James Walder, Peter Watters, Kimberley Jonceski
Absent: Arne Tripolone

The leadership provided by Music Captain Jack Caine and Vice Captain Thomas Doyle has been invaluable, with both students demonstrating commitment, enthusiasm, and support for the College's musical life. Their contributions have helped foster a collaborative and vibrant environment within the Faculty.

The Year 12 cohort achieved commendable results in the HSC, with Encore nominations awarded to Thomas Doyle (Voice, Music 2) and Joseph Graves (Drum Kit, Music 1). Joseph also completed his Licentiate in Drum Kit (LTCL) through Trinity College London, was the recipient of a Blue Award, and secured acceptance into Berklee College of Music in 2025. In addition, Elijah Wehrhahn (First in Music 2) and Jack Caine (First in Music Extension) joined Thomas and Joseph in being recognised in this year's Kircher publication.

Beyond the classroom, Music students showcased their talents at assemblies, liturgies, recitals, and the Solo Recital Evenings in October, contributing richly to the life of the College. Notable performances included Elijah Wehrhahn (Violin, Year 12) at the Opening College Mass, Thomas Doyle (Voice, Year 12) at the Easter Liturgy, and Joseph Graves (Drum Kit, Year 12) at the Blue & White Assembly. These events provided opportunities for students to share their gifts with the wider community, highlighting both individual and ensemble achievements.

Thank you to the dedicated team of staff whose commitment and expertise underpin these successes, and to the students whose passion for music continues to inspire. This year has been a year of excellence, growth, and community spirit, and the Music Faculty looks forward to the exciting opportunities that lie ahead as we prepare for the implementation of the new syllabus in 2026.

PDHPE

Mr Peter Kovacs & Ms Laura Bernasconi | Head & Acting Head of Faculty

In 2024, PDHPE students participated in a diverse and enriching PDHPE curriculum. Across all year levels, the program emphasised personal wellbeing, physical skill development, and social responsibility. Through a blend of theory and practical activities, students deepened their understanding of health, fitness, and self awareness, fostering growth both in and beyond the classroom.

Year 7 PDHPE introduced students to the concept of self within the context of evolving relationships, examining how friendships, online interactions, and positive social experiences influence identity. As they navigated adolescence, students explored the physical, social, and emotional changes typical of this life stage.

In Year 8, students engaged in theory units that encouraged them to reflect on personal challenges and make informed health decisions, while practical activities helped them developed coordination, strength, and teamwork. These experiences fostered growth on personal and physical levels, providing a solid foundation for continued learning in PDHPE.

The Year 9 PDHPE program focused on themes of control and decision-making in social contexts, exploring issues like abuse and the influence of social media. Practically, students advanced their movement and strategic skills, in addition to enhancing their technical skills and teamwork in preparation for the Bronze Medallion Award.

In Year 9 Physical Activity and Sports Studies (PASS), students engaged in units that presented challenges both in the classroom and through practical activities, including understanding the requirements of physical fitness and how our body systems each play a pivotal role. They finished the year by exploring why Australia has such a high profile in regards to being a sporting nation.

In Year 10 PDHPE, students explored key themes that have a lasting impact on their personal development and wellbeing. They examined the influences on their decisions, mental health awareness, and the importance of balancing challenges beyond school life, equipping them with valuable life skills that will support their continued growth and health beyond school.

PDHPE
Standing: Benjamin Carolan, Giulia Baitieri, Anthony Cook, Dane Inman, Thomas Milenovic
Seated: Zachary King, Tony Morris, Laura Bernasconi, Peter Kovacs, Kate Hilyard, Debra Melrose, Anthony Begg
Absent: Jackson Garrels, Paul O'Brien, Tim Sedgwick

In Year 10 Physical Activity and Sports Studies (PASS), students explored key topics such as the misuse of performance-enhancing drugs, the significance of proper nutrition, and the role of technology in sport. Students debated whether athletes are 'born or made' and examined ethical issues surrounding doping. A series of modified games rounded out the year, setting a solid foundation for the upcoming Human and Movement Science course.

Stage 6 PDHPE has seen fantastic achievements marked by outstanding student performances and a strong commitment to learning. Jasper Sinclair achieved first place in Year 11 PDHPE, and Jeremy Studdert led the Year 12 course, finishing in top position going into the HSC examination. Congratulations to all students for their efforts. We look forward to building on this success in the future with the commencement of the new Health and Movement Science course in 2025.

In Sports Lifestyle and Recreation, students focused on developing lifelong fitness and sports skills and completed an NRL Coaching course, gaining valuable leadership, communication, and coaching skills. We congratulate Gabriel Bennett (Year 12) and Jake Hardwick (Year 11) who achieved first place in the course.

The 2024 PDHPE program promoted personal growth, physical skills, and community-mindedness, preparing students for lifelong wellbeing. Looking ahead, the department remains committed to delivering enriching experiences in health and physical education as the curriculum evolves.

Religious Education

Ms Antoinette Yarak | Head of Faculty

Inspired by Pope Francis' following message on the Feast of the Epiphany, "The Magi teach us that we need a courageous faith, one that is unafraid to challenge the sinister logic of power, and become seeds of justice and fraternity", the year began with a faculty reflection on the manifestation of Christ in our own lives and how this influences our role as educators. We shared our own insights into how this personal witness of faith shapes our ability to facilitate students' understanding of faith and its implications for the world around us.

Religious Education
Standing: Martin Collins, Bill Dowers, Mark Diggins, Charlie Reneker, Brett Benkenstein
Seated: Louise Buckley, John Gilles, Antoinette Yarak, Gregg Bryant, Christian Iligan
Absent: Michael Dela Cruz, Sinead Zille, Christine Fonseca, Anthony Reilly

Subsequently, we implemented core actions proposed at last year's JACSA Conference. In reviewing 'our identity in educating for a faith and hope-filled future', the faculty skilfully planned and collaborated to re-imagine some content points into new learning experiences. These included:

- the historicity of Jesus in Year 7, enabling a deeper understanding that Jesus was a 'real' person and our ultimate model of human excellence. This learning will hopefully become a strong foundation in the question of faith and reason, which grows as the student does.
- the problem of suffering and evil in Year 9, enabling a deeper understanding of Jesus' unconditional love as the ultimate victory – God's gift of salvation. This learning will hopefully deconstruct any misconceptions of a God who is anything other than infinite love and mercy.

Future curriculum initiatives include: dispelling the myths of the incompatibility between science and religion; and exploring the detrimental impact of fundamentalism as we seek to plant seeds of 'justice'.

In Loving Memory of Tom Riemer

We remember our dear friend and colleague, Tom Riemer, who passed into eternal life on 14 February 2024. It is with love and gratitude that we reminisce on a faith-filled man who has left an unforgettable impression on our hearts and in our lives. Tom's selflessness, generosity of spirit, intelligence, passion for theology, and his loving presence to every individual will never be forgotten. Remembering Tom will continue to ignite our desire to seek more effective ways of planting the seeds of 'fraternity'.

Recognising Staff

Our theological mission can only set in and grow in the hearts and minds of students through the creative innovation of our faculty. I am deeply blessed for the unique gifts each teacher brings, which together form a powerful and collective approach to the way we proceed. To Michael and Gregg, I am grateful for your assistance in leading an amazing team.

This year, we welcomed Christine Fonseca and Charlie Reneker as permanent members of our team. Mid-year we farewelled Paul Achmar, and at the end of Term 4, we farewell Sinead Zille and Gregg Bryant. To Paul, Sinead and Gregg, we extend our heartfelt gratitude for your immense contribution in educating our students, your collegiality, and friendship. We will miss the love, the laughter, and the wisdom which each of you imparted.

I would like to conclude by sharing a learning or perhaps an epiphany from a Year 7 student: *2024 was certainly the year for finding God in all things... ADMG!*

Zac Dockney and Archie Delany (Year 11) joined a student panel at the AIS Studies of Religion Conference

A 'campfire' learning experience with Mr Kaleb Taylor

Science

Mr Matthew Bentley | Head of Faculty

The Riverview Science Faculty has had an extraordinary year in 2024, filled with innovation, discovery, and hands-on learning experiences that have inspired our students. From exciting new investigations to engaging field excursions and special guests, our faculty has embraced every opportunity to ignite curiosity and foster a passion for Science.

Science

Back row: Timothy Lee, Andrew Szabo, Lachlan Wylie, Sarah Dieu
Middle row: Kasturi Sivaram, Graham Bruce, Toby l'Estrange, Helen Ephraums, Joan Geoghegan, Nancy Van
Seated: Jane Rorke, Alanna Elliott, Nancy Flynn, Matthew Bentley, Ursula Sequeira, Kim Davey, Gayaneh Michaelian
Absent: Russell Kam, Lorraine Logue, Rob Stuart, Allegra Vitanza

This year, we introduced several new initiatives that have enriched our students' learning journeys. Year 11 Physics were the first to take advantage of the Faculty's new model rocketry program, conducting investigations into factors affecting rocket flight. Each student designed and built their own rocket, using video analysis to measure success. They gained skills in risk management and liaising with the Civil Aviation Authority to secure flight permissions under an international flight path.

Classroom experiences were also transformed for Years 7 and 9 as we trialed new educational platforms that make innovative use of technology. Traditional textbooks and slide presentations are no longer best practice – modern Science teaching thrives alongside interactive technology and AI, allowing greater student and teacher engagement. In 2025, we will embed the most effective of these technologies across the curriculum.

One of the highlights of the year was National Science Week, which invited students to apply their learning in real-world contexts under the theme Species Survival – More Than Just Sustainability. Students explored issues affecting the future viability of living organisms. Year 7 visited the Australian Museum and Botanical Gardens, engaging with research scientists on sustainability projects. They also toured the gardens, learning about environmental monitoring techniques and First Nations peoples' sophisticated use of plants for food, medicine, and tools.

Years 8 and 9 enjoyed a visit from the Australian Reptile Park, where they attended an engaging presentation on reptile and amphibian evolution and had the chance to meet animals up close. The Park's collection included axolotls, a mature alligator, snakes, and lizards. The presentation was a huge hit, drawing crowds from across the campus.

Staff enthusiastically supported the theme with a dress-up morning tea and heard from Year 11 student Harrison Hooper, who spoke about his significant volunteer work with Taronga Zoo's conservation programs.

We also hosted the traditional lunchtime Science Show, where Chemistry teachers wowed the crowd with screaming gummy bears and exploding gas bubbles. Ms Dieu ran a Reuben's tube disco session for the Physics enthusiasts. The week's events put Science at the heart of College life and captured the imagination of students and staff alike.

The HSC courses experienced several highlights this year. Year 11 Earth and Environmental Science and Biology conducted field trips to Bantry Bay, while Year 12 Earth and Environmental Science visited the Long Reef rock platforms to study the region's unique geology. Year 12 Chemistry students visited the University of NSW for hands-on experiences with advanced chemical analysis techniques unavailable in school laboratories, which they later applied to their HSC preparation. Physics students stayed on campus to utilise the faculty's extensive suite of optical equipment in an incursion supporting their depth study on the nature of light. They explored fascinating light phenomena using lasers and data logging technology.

The Class of 2024 performed strongly, with nearly 50% of Science students achieving Band 5 or higher – a benchmark that reflects the consistently high standards of the Faculty. Achieving at this level is particularly challenging in the current HSC system, and we are incredibly proud of the hard work and growth demonstrated by these students. Special mention goes to the Biology cohort and their teachers, who delivered impressive results in what was a tough year for HSC Biology across the state.

I am privileged to work alongside two outstanding Assistant Heads of Faculty, Ms Ursula Sequeira and Ms Nancy Flynn, who provide invaluable support to programs and staff. I am also grateful for the enthusiasm and skill of the entire Science teaching team – from the wisdom of our senior HSC teachers to the energy and innovation of our newer staff. Their passion for Science is at the core of our success.

Looking ahead, we are excited to revolutionise the student experience with the opening of the Wingaru building in 2025. This state-of-the-art facility will provide cutting-edge technology and dynamic learning spaces, further enhancing hands-on Science education at Riverview.

SEIP Inclusion Program

Mr Toby Martin | Inclusion Program Co-ordinator

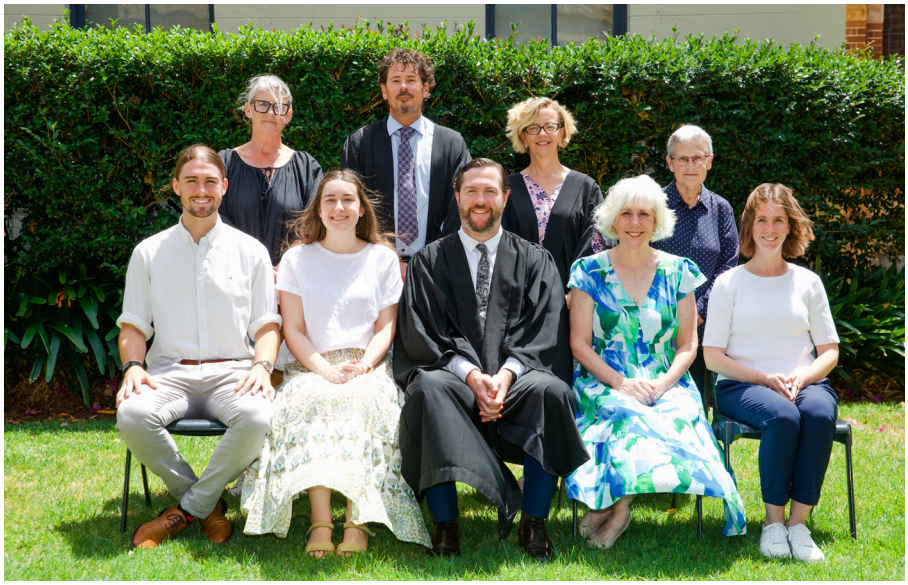

The biggest challenge I face annually is summarising the year into 600 words and a handful of photos, and 2024 is no exception. Since we welcomed 18 students back to the College in February, including the three new families who have been welcomed into our community within a community, there has been little time to reflect on another year of incredible achievement and opportunity for the students in the Inclusion Program.

The list of activities the students have been involved in this year is endless:

- Senior students participated in work placements at Sydney Swans, Google, Chartwells, Mercure, Ikea, and ABC to name a few.
- Excursions focused on independent travel to the city, PLC, Danebank, Warragamba Dam, and Eastern Creek filled in the gaps of what is already a busy calendar.
- On top of it all the class welcomed families, staff and Old Boys to the Inclusion Program Mass – a beautiful reminder of the love and warmth that is synonymous with the Inclusion Program.
- In the spirit of giving, the class's fundraising annual efforts through the Walkathon, Blue and White Cafe, and Christmas Cards raised in excess of $15,000 for Riverview immersion partners – an incredible achievement for 18 students.

In 2024, Angus Reardon set the example of how to live a life with compassion, consciousness, commitment, and competence. As a boarding student from Goulburn, Angus has shone through his commitment to the Ignatian Service program and his willingness to support fellow students in his boarding division and the Inclusion Program classes. He is a much-loved role model to many and was the deserving recipient of the Outstanding Inclusion Program Student of the Year Award.

The perpetual turnstile of education continued to turn as we said goodbye and good luck to three Year 12 students, each of whom has left an indelible mark on the College. Ben, Will P, and Will D have each graced our community in their own unique way and, like the many students who have gone before them, they leave a hole which will be difficult to fill. They will long be remembered for the smiles, jokes, resilience, and joy they brought to us all. We wish them nothing but the best in their future endeavours.

Inclusion Program
Standing: Kim Prodinger, Greg Jones, Kerry Dean, Kathleen Hunt
Seated: Jesse Spang, Juliana Zaborski, Toby Martin, Jackie Mead, Fiona Cameron

As our student body grows, so does the requirement for staff. In 2024 a team of nine teachers and Inclusion Assistants were responsible for the care, growth, and development of the students in the program. To each of the staff, I extend my heartfelt thanks once again for the incredible amount of work they do – it goes far beyond the role description. Nowhere in the College is there a more lived example of 'to give and not count the cost' than in the staff of the Inclusion Program.

It would also be remiss to not acknowledge the support of Dr Paul Hine as he moves on from the community. We have been privileged to have the unwavering support of Paul and his constant endeavours to provide an inclusive and diverse community for Riverview families. During his tenure, 48 students and their families have benefited from the support and leadership of Paul.

I finish by paraphrasing Archbishop Desmond Tutu who famously said, "A person is a person because he recognises others as persons." Riverview is a community because it recognises all others as equal members of the community. It is a privilege to be a core part of a College that lives out this mission everyday.

Technological & Applied Studies

Mr Peter McMillan | Head of Faculty

The HSC Industrial Technology – Timber cohort experienced our College's most successful results in their major works, with 15 NESA SHAPE nominations. Projects ranged from entertainment units and dartboard cabinets, to rocking chairs, lounges, and record-playing cabinets. All bespoke creations displayed a wide range of high-end skills and processes which the students learnt through their time in the subject over the years. Their projects and good work ethic provided inspiration for the next generation of Industrial Technology students. This is a testament to the young men they have become throughout the year.

This year in HSC Design and Technology, our students, guided by the dedicated Mr Sean Hewes, achieved outstanding results in their Major Design Projects, with three of these exceptional works receiving NESA SHAPE nominations. Focused on creating innovative solutions, our students tackled a range of challenges in areas such as sports, accessibility, sustainability, and personal needs, demonstrating a thoughtful and determined approach to design. Through the use of emerging technologies, including a CNC router, 3D printers, and laser cutters, the students brought their ideas to life with impressive quality and precision. These SHAPE nominations reflect the depth of their skills and the hard work they've invested throughout the year. We are immensely proud of this cohort. Their success is a significant achievement for our Design and Technology program, and we look forward to seeing these young innovators continue their journey in design.

This year in TAS Computing and Software, we celebrated milestones and farewelled valued members. We extend our heartfelt gratitude to Ms Jodi Kinchant for her dedicated years of service in the field of computing studies,and warmly welcome Mr Mario Ronzini to the faculty as our new TAS Computing and Software staff member.

Throughout the year, our students engaged in a variety of enriching projects across different year levels. Year 9 students demonstrated dedication in mastering data analysis, conducting research, and building foundational skills in software development models. Year 10 advanced their expertise with projects in website development, software programming, animation techniques, and digital media, laying a strong foundation in both creative and technical skills. Meanwhile, Year 11 Software Engineering students took on challenges in programming microcontrollers, developing innovative software solutions, and designing progressive web applications.

Technology & Applied Studies
Standing: Jason Lucia, Rebecca Hoad, Sean Bowmaker, Luke Robinson, Gerard Carson, Sean Hewes
Seated: Chris Bishara, Harrison Layton, Peter McMillan, Emanuel Comino, Graeme Hubbard
Absent: Robert Angeloni, Anthony Di Mauro, Joshuah Morris, Mario Ronzini, Peter Wakeling

We also farewelled our Year 12 Information Processes and Technology cohort, who completed outstanding major works in areas such as automated manufacturing, multimedia, spreadsheets, and databases, showcasing the skills and knowledge they've acquired over the years. Looking ahead, we're excited to introduce robotics and drones into our curriculum in 2025, opening up new possibilities for hands-on learning and exploration in the computing and technology landscape.

VET Construction was a new subject introduced to the College in 2023. It is on a steady growth trajectory. Completion of the course provides students with a dual qualification, one being a two-unit subject contribution to their HSC and ATAR and the second being a Certificate 1 in Building and Construction. The course is great for students who are considering any type of career with links to building, construction or trade. Students construct many projects throughout the two-year course (240 hours), ranging from simple timber projects such as a cement float and a timber carry-all toolbox, through to larger class projects such as concrete slabs and timber decks, all with hand-cut bearers and joists. Students also undertake two weeks of work placement on a fully operational work site, providing them with accurate hands-on experience.

Visual Arts & Media Studies

Mrs Julie Stevens & Mr Mark Anderson | Head and Assistant Head of Faculty

The year 2024 in Visual Arts was one of growth with students actively engaged in the physical making of art – drawing, sculpting, printing, and painting. They also engaged in thinking about art and its philosophical nature. What is art? What is it to be human? How are they connected?

While Artificial Intelligence (AI) has come into the academic world, in art we have continued to have students self-reflect with an emphasis on imagination, research, experimentation, reflection, and discernment – an Ignatian approach. This self-reflection, combined with a commitment to the physical properties of art, allows for a kind of alchemy to occur which AI cannot begin to replicate. This transformation of the physical through the conceptual is at the heart of Visual Arts, and in 2024 we saw this transformation occur repeatedly.

The Year 7 students produced intricate line drawings of aspects of the College grounds. These beautiful drawings were bold, patterned and offered a fresh look at what we see every day at the College. The Year 7 students then made landscape paintings celebrating their favourite places in the world, thus showing an appreciation of the specialness of the environment. The Year 8 students looked at cultural identity through a study of cultural masks, involving the making of sculptural clay masks. They then went on to examine water views and aspects of the Sydney Harbour through the process of relief printing.

The Year 9 students made portraits that focused on the importance of self-identity and the identities of others. Furthermore they engaged in making three-dimensional figures acknowledging the uniqueness of human strength and agility. Meanwhile, Year 10 students worked in printmaking, completing drypoint etchings based on their study of the Northern Renaissance artist Albrecht Dürer. They then turned to landscape painting after studying the paintings of well-renowned European Modern artists Claude Monet and Paul Cezanne, as well as the great Australian artists Grace Cossington-Smith and Maragret Preston.

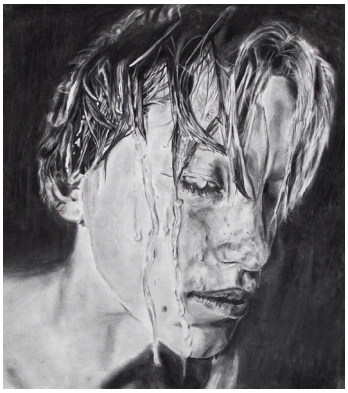

In March, Year 11 students supported their study of what constitutes a 'site' in contemporary artmaking practice by visiting the 'An Gorta Mor' monument at the Hyde Park Barracks and ARTEXPRESS at the Art Gallery of New South Wales. In Semester 2, Year 11 students turned their focus to Surrealism, studying the work of James Gleeson and making their own Surrealist works in charcoal and watercolours.

The Year 12 students had a very focused year dedicated to making their Body of Work while studying a range of postmodern and contemporary artists. Each student had their own working space in the gallery/studio area provided by the College and attended after-school workshops. To assist the Year 12 students in artmaking, Shirley Bond, a well-known practicing artist, visited the workshops to develop and refine techniques on an individual basis.

Highlights

In early August, our Year 12 students exhibited their sophisticated and thought-provoking HSC artworks in the 2024 HSC Bodies of Work Exhibition. The exhibition represented the culmination of three terms of hard work, reflection and refinement in the artmaking process. During the exhibition, many students, family members, friends, and staff frequently re-visited their favourite artworks.

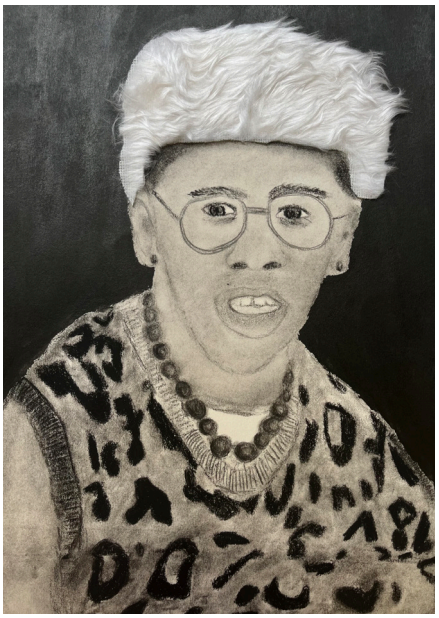

In late November, the College was notified that two of the Bodies of Work from our 14 HSC students were pre-selected for 2025 ARTEXPRESS. These were the HSC Bodies of Work by Austin Orsini and George Gaha. This is a tremendous achievement for the students and the Visual Arts program! In late November, the College was further notified that the HSC Body of Work by George Gaha was selected for actual inclusion in the 2025 ARTEXPRESS exhibition!

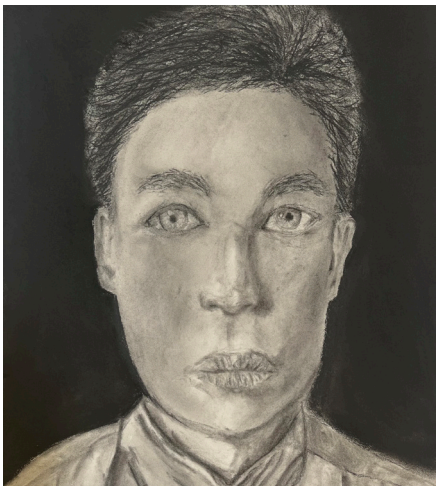

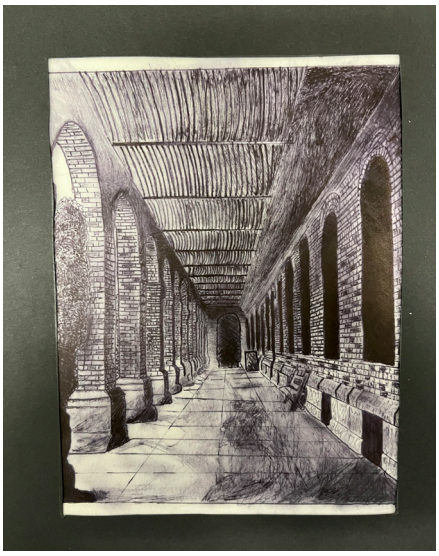

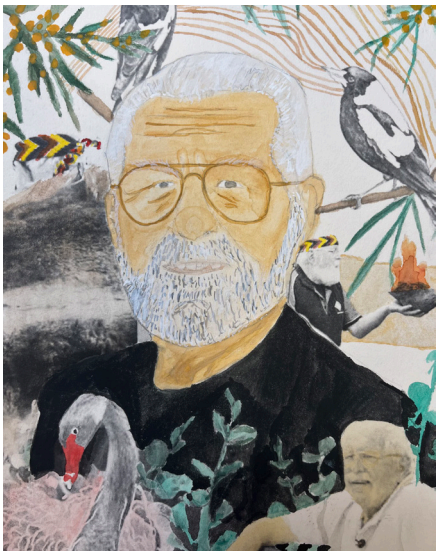

Photographic & Digital Media

Ms Justine Gesterkamp | Photography, Video and Digital Media Co-ordinator

In the Photography and Digital Media department, students get to embrace new experiences, make mistakes and learn from them, become adaptable, trust their instincts, and enjoy the creative journey – it's all part of the fun.

Students are always acknowledging the creative freedom they get to experience in our Year 9 to 12 Elective courses. The experiences we provide to students teach them not just about photography and filmmaking, but also the value of teamwork and being flexible in the creative process. Throughout the production process, students learn the importance of collaboration, attention to detail, and adaptability. These experiences highlight the importance of thorough planning to successfully bring their creative visions to life. Patiently refining work through the production process gives students a sense of achievement as the final product starts to visualise. The students become surprised at how engaging the process becomes.

Student portfolios showcase the research and planning, development and evaluative process of making media works. All students work on developing and extending their portfolio of work by documenting their skills and the conceptual development in the creation of a variety of photography and digital projects across the Year 9 to 12 Elective courses.

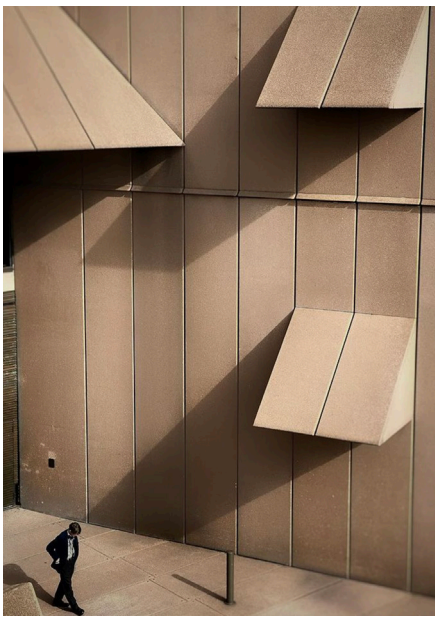

The annual online Media Show exhibited all student work to the College Community. This digital exhibition acknowledged and celebrated the diversity of creative talents in our students. Additionally, Year 10 and Year 12 students hosted exhibition evenings, inviting family and friends to attend a screening of films and a showcase of their photography work.

Year 12 created seven major film productions and two photographic series. Students researched suspense techniques to produce homages to Sir Alfred Hitchcock, the 'Master of Suspense'. Returning to Cockatoo Island after their 2023 initial recce, they worked with industry professionals and a group of Riverview Old Boys who supported the students' learning and extended their production experience and knowledge on how to direct their own creative productions. The College is most grateful to Riverview Old Boys Finn Stannard (OR2018), Harrison Upfold (OR2019), and Edward Wright (OR2021), along with Vision Splendid Media Cinematographer James Todd who generously shared their industry knowledge and experience with our students. Our gratitude also goes to Elena Turunen who kindly played our female lead in the productions.

Video title sequences were produced by the Year 11 cohort. Students researched professional title sequence studios and creators, and identified techniques that engage audiences to watch television series. In the production of their own creative narratives, students used the College studio to gain experience shooting portraits and incorporating them into title cards for their proposed television series.

The World Press Photographers introduced Year 10 to life as a documentary photographer. Further research on photojournalism and an exploration into a wide variety of photographers and techniques helped them develop their ideas for a series of work that demonstrated a personal photographic style. The two

classes joined as a Riverview Production Studio to create a film trailer, 'The Weight of Worn Boots'. Two days of working with Riverview Old Boys and industry specialists gave them the experience of a day in the life of a filmmaker. Supplemented by a case study on industry professionals, this opened their eyes to the film industry and the important and varied roles in production.

For the Year 9 students' first experience in their Elective journey, an introduction to image making was the essential groundwork to the course. Students created personal Instagram accounts and completed a 30-week challenge to post weekly as they developed their skills. During this challenge they worked with a range of photography, shooting and editing techniques. A study into street photography and the work of Max Dupain drove an adventurous excursion to the city and the Sydney Opera House. Visual effects were explored through video editing. Students created a group music video production that demonstrated their new skills working with Adobe Premiere Pro.

Congratulations to the 2024 Academic award winners:

Year 9 Photographic and Digital Media:
Luis Criola

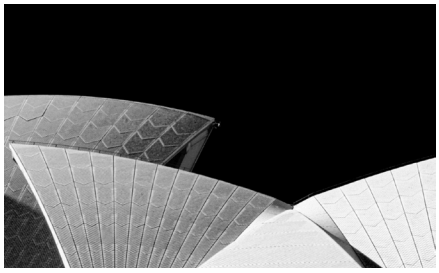

Year 10 Photographic and Digital Media:
Aidan Cosgriff

Year 11 Photography, Video and Digital Imaging:
Ruki Merlin

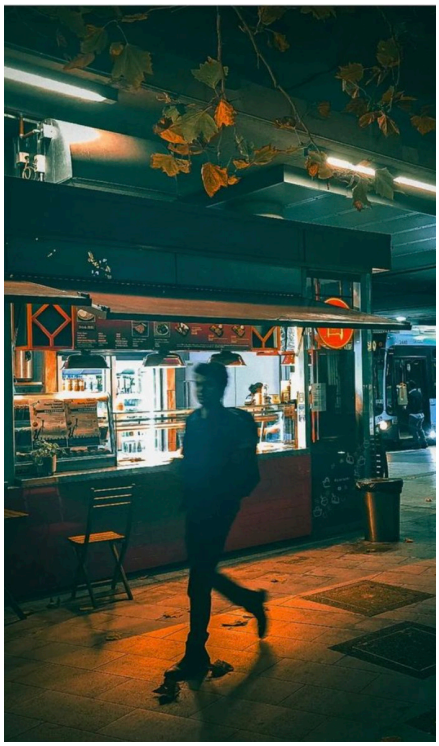

Year 12 Photography, Video and Digital Imaging:
Joshua Yap

Selection for *2024 Kircher Collection:*
Wilson Frith and Joshua Yap

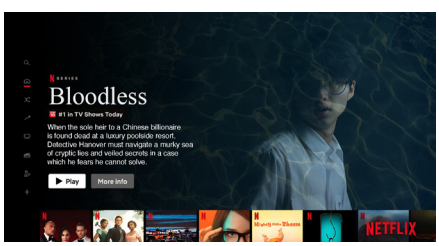

Pastoral Care

First Nations Program

Mr Kaleb Taylor | First Nations Program Co-ordinator

As always, we begin by honouring Gammeraigal country, so to the land herself and to the elders both past and present, our First Nations cohort now and always pay our respects to you because we feel so blessed to live, educate, grow, and just be present on this beautiful land. We will continue to try our best to keep the legacy of this place alive and well, which was created for us by those before us; so to those who came before us and those who have worked in the program before me, our great appreciation to you all.

This year we welcomed five new Year 7 brothers to the College: Bede (Wadduwarrung), Mataeo (Wiradjuri), Zephania (Moa Island), Yalyal (Yolngu), and Angus (Gomeroi). It has been special to watch a group come in so strong, establishing yourselves as a year group who will once again raise the bar in our community. I am very proud of your courage and persistence in dealing with a demanding first year away from home and for being involved in everything the College has to offer. Congratulations to Bede who led the Year 7 play as Aladdin and Angus as one of the fiery guards.

Our Sorry Day ceremonies took place again in the Gartlan Centre. I'd like to extend a big thank you to all of the parents, families, and mentors for being there. It was easily the largest attendance on the day in my time. A big thank you to Brock Tutt and Darren Compton for coming and supporting me in teaching our young men and performing on the day. Thank you also to our young men for taking this on with such respect and passion.

This year, the students earned the opportunity to learn even more songs and dances as they grew stronger. Those who were ready were taught senior dances to share with the community. Receiving these more significant dances from my dance teachers was an immense gesture of respect for our young men, recognising their strength in culture both as individuals and as a group. To all the young men who presented, danced, spoke, sang, and played, I thank you so much for being part of my favourite day of the year.

The OIU Mentor program ran again this year. A huge thanks to OIU President Mr Sean Cunial, for helping me re-establish this program which sees each young man have a deadly mentor. We've had four barbecue gatherings and an end-of-year dinner celebrating our Year 12s. We are also planning a weekend away in 2025 to one of our student's homelands. To each mentor who has been to these events or training nights, thank you so much for being involved. I look forward to keeping things moving next year.

Our Learning Enrichment space has once again hit a new gear this year with students taking full advantage of our outstanding teachers in St Michael's House. The gents have been guided by Mr Pulpitel (senior students) and Mr Moore (Years 7 to 9). The quality of work reflected on the students' reports are second to none – there have been some 100 percent marks on assessments and tasks from at least four of our students this year!

Without our Learning Enrichment Team, we would not be in this space of excellence that we have seen this year; thank you for your consistency, expertise, and love – you are greatly appreciated. Students, to see this commitment to both academic and cultural aspects of the school is outstanding. Thank you all for your individual efforts this year which make you an outstanding group!

A special mention to Mr Moore who steps back into his boarding tutor role with the return of Mr Boneham next year to take over junior learning. Thank you for stepping in and bringing your own legendary spirit into the role. We have thoroughly enjoyed having you on board in the day school. Your passion for First Nations education is very clear and we are grateful to have you as part of our community as you only make it stronger!

Finally, to our Year 12 leaders Christopher, Jaiah and Joseph, congratulations on completing your schooling journey! What a journey it was.

Christopher, the way you balance your academics with your antics has been something to behold. The care you took with your academics and then being able to turn around and bring us to laughter is something we will terribly miss. Joseph, your aura and leadership, and your commitment to things you love is amazing – I will never forget the way you grew in both mind and spirit while you were here and found your place. You showed so much care for your brothers and family.

First Nations Program
Kaleb Taylor and Kyle Wallace

Jaiah, your powerful mind and spirit are unique; thank you for being such a strong man of both faith and culture, and for taking it upon yourself to go on the history tour that honoured those who lived the motto 'men for others'. Also, a huge congratulations on being honoured in the NSW Young Writers' Showcase with your outstanding written piece. I know this won't be the last publication, so don't stop now!

Thank you all for your excellence; for being students who taught us so much. It has been an absolute pleasure to watch you grow and know that you are going to make big positive changes in this world. I'm proud to call you old Riverview men and brothers. Your footprint will stay here forever. Take care for now, Yaluu, Kaleb.

Campion House

Mr Rhys Williams | Head of House

Assistant Head of House:
Mr Anthony Cook

Mentors: Ms Louise Buckley, Mrs Angela Newey, Mr Peter Watters, Mr Peter Kovacs, Ms Antoinette Yarak, Fr Thomas Renshaw SJ

House Captain: Charlie McKay
House Vice Captain: Henry Butler
House Vice Captain: Luc Johnstone

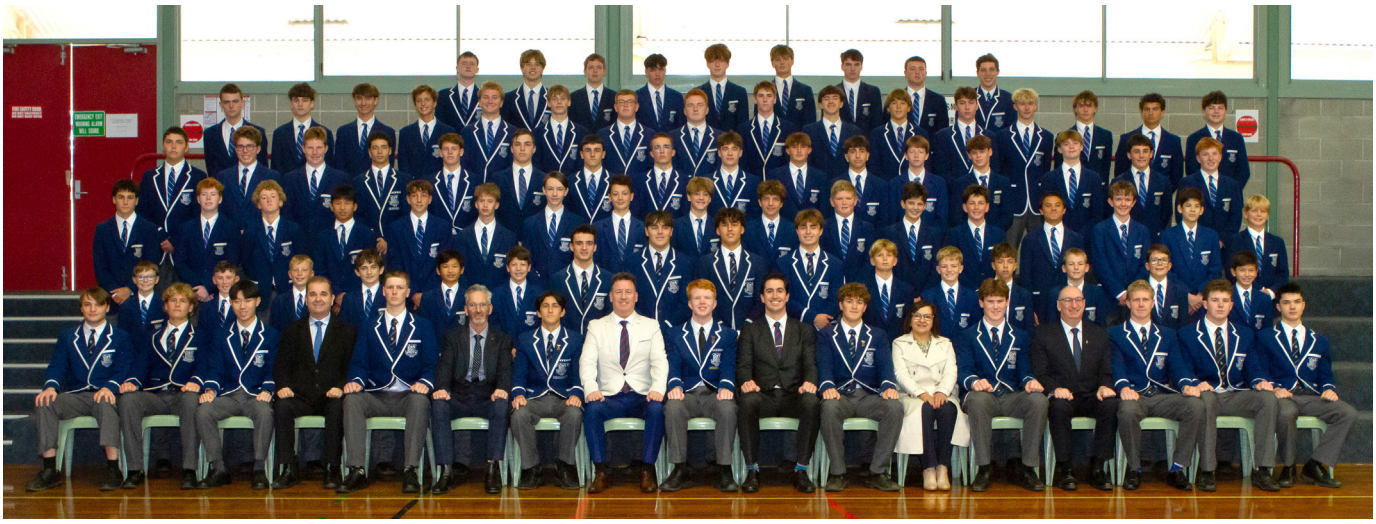

'Find Your Flame'

At the end of 2023, our incoming Year 12 students developed our new House motto. They sought something that not only embraced the wider school motto but also reflected their desire for Campion students to find their passion, to seek what inspires them, and to work through what challenges them. As such, they tasked the young men of Campion to 'Find Your Flame'.

It has been a blessing and a privilege to step into the role of Head of Campion House this year and to see the 93 young men of Campion 'Find Their Flame'.

This sense of commitment and spirit has been most evident in our continued involvement with Turbans 4 Australia during our celebrations of St Ignatius' Day. Assisting in food packaging and hearing from the valuable members of Turbans 4 Australia for the second year running allowed our House to immerse itself in the experiences of those on the margins, those who experience food shortages, and those who struggle to find a home.

Furthermore, this year's Campion Kebabs fundraiser saw us raise over $3,000 for Jesuit Mission Australia. A special

Campion

Third Row: Harper Webb, Angus Young, George Bradford, Kai Swift, Alfred Jensen, Gregory Zucconi, Oscar Mason, Jack O'Keeffe, Kaelan Jackson, Will Cuschieri, Zachary Elias, Isaiah Seaton, Lachlan Antcliff, Patrick McInerney, Archer Mason, Ned Attrill
Second Row: Rupert Mason, Jesse O'Neil, Toby Brown, Zeke Chan, Sebastian Mardon, Massimo Leonard, Arthur Lusher, Jack Stanic, Charles Holt, Xavier Scardilli, Charlie Brown, Henry Wheelahan, Zion Sharman, Frankie Hayson, Larry Lynch, Marcus Kiley, Nicholas Fairfax
First Row: Wilbur Lusher, Flynn Redden, Teddy Boisvert, William Gunning, Xavier Chan, Nicholas Sheehan, Will Ward, Max Mason, Max Donohoe, Mike Mason, Lachlan Cuschieri, Joshua Garling, Joshua Bignold, Max Molesworth, Angus Stanic, Ben Case
Seated: Michael Gardiner, Jack Henry, Jaeden Louie, Mr Peter Watters, Oscar Pidcock, Mr Peter Kovacs, Luc Johnstone, Mr Anthony Cook, Charlie McKay, Mr Rhys Williams, Henry Butler, Ms Antoinette Yarak, Phoenix Graham, Fr Thomas Renshaw SJ, Oliver Gunns, Dominic Cabot, Elijah Wehrhahn
Absent: Nathanial Mardon, Patrick Clugston, Frederick Dunn, Max Gordon-Twaddell, Xavier Antcliff, Kannen Webb, Jasper Sinclair, Louis Taylor, Ms Louise Buckley, Mrs Angela Newey

acknowledgement to the Camilleri family, who once again generously donated the kebabs for this experience, which is now well and truly an integral part of the Campion calendar.

Perhaps the strongest sense of House spirit was evident over the course of the year during the various Inter-House competitions. For the second year in a row, we claimed the illustrious House Cup, on the back of two very impressive wins in Inter-House Cricket and Inter-House Touch Football. More important than these wins is that these events allow members of our House to engage across year groups, enabling our senior students to mentor our junior students, developing bonds that transcend year groups.

In experiencing the breadth of this community for the first time this year, I owe a monumental debt of gratitude to the Mentors of Campion House: Fr Thomas Renshaw SJ, Angela Newey, Antoinette Yarak, Louise Buckley, Mario Ronzini, Peter Kovacs, and Peter Watters. Their unwavering dedication to support the young men in their care ensures that each student is wholeheartedly known and cared for.

I must also express my sincere thanks to Anthony Cook, whose ongoing presence in Campion House has ensured that it remains a community of acceptance and support for all. Anthony continues to be an integral part of Campion House, and is deeply valued and respected by students and their families.

Without a doubt, the most important House event on our calendar is our annual House Mass and Supper. In experiencing this for the first time in Campion House, I was amazed at the level of support and assistance offered by all members of our community – particularly by the parents and families of our Year 12 cohort, whose unwavering efforts ensured that our House could celebrate the fullness of this community.

Our Year 12 Campion graduates this year were led with empathy and humility under the guidance of Charlie McKay, Luc Johnstone, and Henry Butler. Under their leadership, they instilled a strong sense of acceptance among all who wear red and black. Our new incumbents will no doubt draw on the foundations developed by the leaders and the graduates of 2024.

In looking ahead to 2025, I am filled with enormous hope that our House will continually ensure that the young men of Campion have the opportunity to flourish in whatever they choose to pursue. I have no doubt that moving forward, the young men of Campion will continue to strive as Saint Edmund Campion did – in *Duco Exemplo*, which means to 'Lead by example'.

Cheshire House

Mr Sean Bowmaker | Head of House

Assistant Head of House:
Ms Suzanne Mouait/Mr Joshua Conlon

Mentors: Ms Jenny Pocknall, Ms Louise Arnott, Mr Gregg Bryant, Mr Luke Robinson, Ms Elena Turunen, Ms Valentina Raguz, Mr Tom Milenovic, Ms Giulia Baitieri,

House Captain: Luke Bannerman
House Vice Captain: Albert Dowling
House Vice Captain: Hugh Waldren

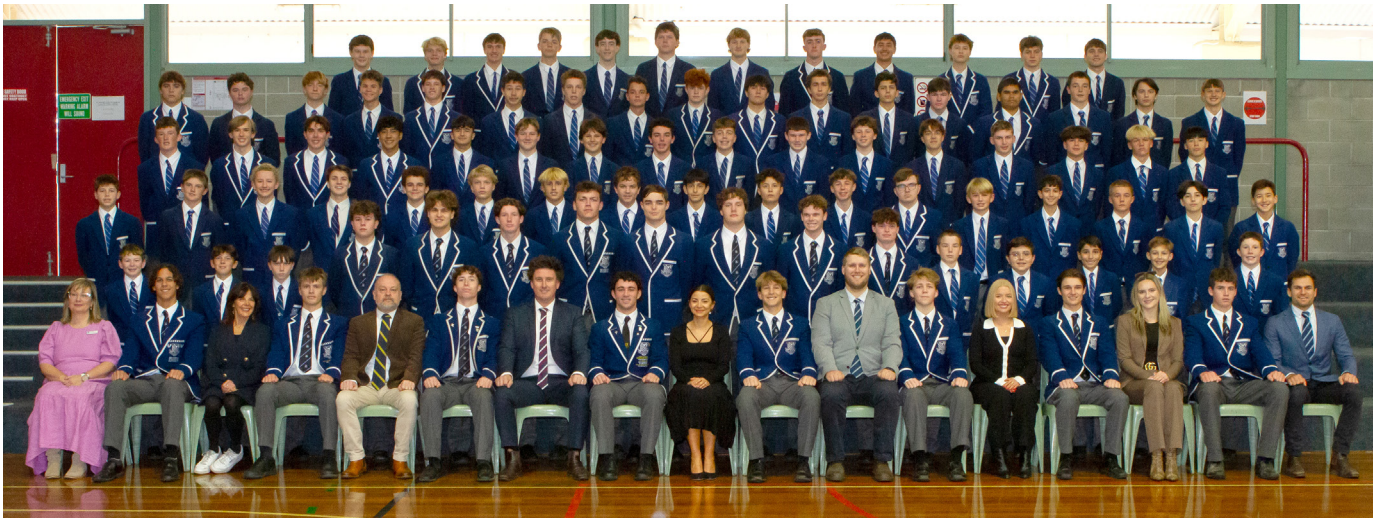

At the beginning of 2024, we welcomed 18 new students to Cheshire House, 14 of whom began their studies in Year 7. It didn't take long for the newest members of our community to feel at home, thanks to a series of House meetings organised by our student leaders that fostered strong bonds across each year group.

On 2 May, we had the opportunity to come together as a House to celebrate Mass, during which many of our students participated by reading and offering prayers of the faithful. This was followed by supper in Memorial Hall, allowing us to share a meal and connect with families from other Mentor Groups.

We were fortunate to have dedicated student leaders in Luke Bannerman, Hugh Waldren, and Albert Dowling. They consistently prioritised the interests and wellbeing of others in the House.

They drew support from the wider Year 12 cohort and left a lasting legacy in their absence. I am confident that our outgoing group of 16 young men will reflect positively on their Riverview and Cheshire experiences and will ultimately strive to make a difference in the world through service to others. Each student is unique, and although they now move in different directions, they will forever be connected to this House through a strong sense of camaraderie and belonging.

Once again, Cheshire House competed vigorously in all Inter-House competition events held throughout the year, energised by the chance to compete alongside students of all year levels. Cheshire placed a close second at the College Athletics Carnival – a result all students should be very proud of. I was particularly impressed with how the leaders coordinated participation in each event,

Cheshire

Back Row: Thomas Wicks, Jackson Marshall, Sebastien Cagé, Fergus Roger, Deuchar Waldren, Banjo Metcalfe, Archer Love, Rocky Roger, Isaac Andrews, Nicholas Adam, Max Agresta, Lachlan Wappett
Fourth Row: Benjamin Teague, Jimmy Croall, Iggy Jenkins, Jack Matthews, Oscar Holmes, Jack Costa, William Matthews, Harrison Matthews, Zachary Bambagiotti, Charles Traill, Alexander Sutherland, James Pittorino, James O'Connor, Tristan Donnelly, Thomas Roche, William Reilly, Maximillian Nix
Third Row: Arthur Roche, Harrison Hooper, Julian Criola, Ula Punchayil, Christian Ayrouth, Charles Magarey, Lachlan Ferris, Luis Criola, Mitchell Johnson, Sam Wicks, Zachary Agresta, Teddy Cagé, Charlie Davidson, Nicholas Cannane, Charlie Culbert, Joshua McKenzie
Second Row: Charlie Holmes, Sidney Roche, Joshua Pagent, Angus Harrison, Matteo Maiorana, Harrison Marshall, Tommy Davis, Dalton Beaumont, Liam O'Keefe, JJ Adam, Sam Ashton, William Rennie, Nicholas Culbert, Alex Ribet, Henry McConohie, Jules Roche, Julian Makita
First Row: Billy Hamilton, Scotch O'Connor, James Russell, Harrison Anson, James Harrison, Charlie O'Connor, Daniel Smith, Charles Davidson, Harry Madigan, Archie Metcalfe, Will Croall, Teddy Hardy, Dean Criola, Samuel Wigan, Jake Rezsdovics, Frederick Roche
Seated: Ms Jenny Pocknall, Lachlan Matthews, Ms Louise Arnott, Hugo Wrightson, Mr Gregg Bryant, Hugh Waldren, Mr Sean Bowmaker, Luke Bannerman, Ms Suzanne Mouait, Albert Dowling, Mr Luke Robinson, Darcy Ryan, Ms Elena Turunen, William Mathie, Ms Valentina Raguz, Jeremy Holmes, Mr Tom Milenovic
Absent: Jack Daley, Joe Fernandez, Joseph Gilles, Hugo Manion, Flynn Schlederer

ensuring that students from all year groups had the opportunity to compete and earn points for the House.

I continue to be amazed by the overwhelming support for our annual house fundraiser, Cheshire Pancakes. On Shrove Tuesday, numerous plates of pancakes poured through the door, ready to be packaged and sold during lunchtime, all in support of the Ryder-Cheshire Foundation. Once again, we managed to raise a substantial amount of money, which is a testament to the contributions of all families in our community and their commitment to alleviating suffering for those on the margins.

Extending on this, our House motto, 'To Give is to Grow', was embodied in the many service opportunities completed by students from all year groups throughout the year. The young men of Cheshire House ensured that completing service was not seen as an obligation, but as a privilege that enriched the lives of the marginalised.

St Ignatius' Day is always something to look forward to each year. In 2024 we engaged with Holy Family Parish in Emerton, Our Big Kitchen in Bondi, Inala in Cherrybrook and Vaucluse. Two of our mentor groups also raised over $1500 for Jesuit Refugee Services, taking part in a Walkathon around Narrabeen Lagoon. Conversations and reflections shared with the boys revealed that while the primary aim of the day is to make a difference in the lives of others, invariably all returned with a renewed perspective and a determination to live out the Magis in all endeavours, ultimately furthering the legacy of our House patron, Sir Leonard Cheshire.

One of the strengths of Cheshire House is the group of mentors who care for the boys each day. They consistently prioritise the wellbeing of each student, lead and deliver our Pastoral Care program, and foster a strong sense of self-worth in every student they support. I would like to extend my sincere thanks to Gregg Bryant, Louise Arnott, Giulia Baitieri, Valentina Raguz, Elena Turunen, Luke Robinson, Jenny Pocknall, and Tom Milenovic for all that they do for our community.

I would also like to thank Assistant Head of House Suzanne Mouait for her leadership and support in Semester 1. We wish her well as she transitions to the Head of House role in Claver House in 2025. We welcomed Josh Conlon as Assistant Head of House in Term 3, and he quickly became someone each young man could turn to for encouragement and support, actively embodying our house motto in all facets of his work; for this, I am truly grateful.

Dare Est Augere

Chisholm House

Mr Peter Wakeling | Head of House

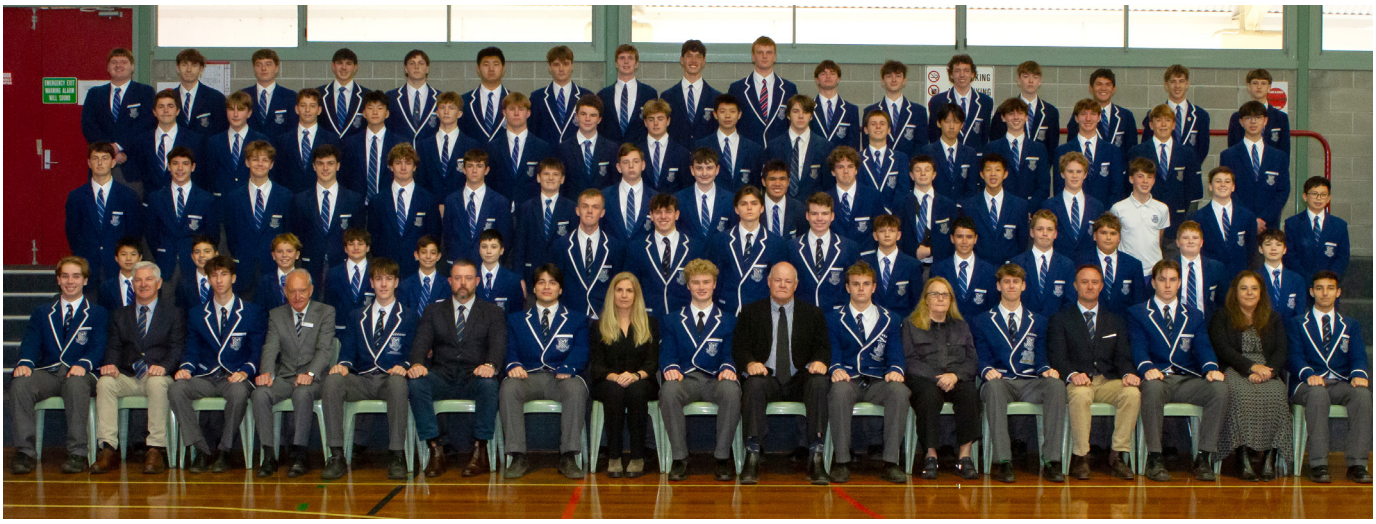

Assistant Head of House: Ms Rhian Lovell

Mentors: Mr Graeme Hubbard, Dr Paul Hine, Mr Peter McMillan, Sebastian Zukerman, Ms Julie Stevens, Mr Michael Roffey, Ms Patricia Papa, Ms Nicola Matthews

House Captain: Jude Smith
House Vice Captain: Sebastian Zukerman
House Vice Captain: Hudson Alexander

Named after Caroline Chisholm, our House embodies the legacy of a pioneer in social reform and humanitarianism. Known for her tireless advocacy for immigrants and women in 19th-century Australia, Chisholm's values of compassion, community service and looking out for those in need resonate deeply with our House's principles. Giving a hand up as opposed to a hand out is paramount in enabling those around you to rise above.

As we conclude another year, Chisholm House reflects on our collective achievements, shared values, and dedication to service. This year, we're proud to have contributed to the Starlight Children's Foundation. We raised just under $2000 in the Sydney CBD during St Ignatius' Day. These efforts reflect our students' generosity and the community's willingness to support worthwhile causes.

Chisholm

Back Row: Thomas Nesbitt, Toby Adams, Archer Wilson, Ronan Daly, Heath Mercer, Raymond Teng, Hamish Johnston, Matthew Beaman, Theo Turner, Zachary Hyde, Zachary Hawkins, Dominic Walter, Thomas Kropman, William Edmondson, Mark Bradshaw, James Rees-Woods, Cameron Raynor
Third Row: Nicholas Morgan, Benjamin Butler, Patrick Welsh, Luke Wang, Willem Gilroy, Sam Barry, Jack Whitson, Spencer Zuckerman, Ethan Li, Nicholas Dwyer, Henry Burton, Eric Chen, Hamish Walter, Lucas Kropman, Caius White, Jude Musgrave
Second Row: Albert Dew, Angus Menegazzo, Maximilian Finsterer, Jed Mercer, Riley Jackson, Oscar McCann, Tommy Burton, Ryley Nolan, Joseph Curtin, Jacob Bradshaw, Edward Mulligan, Angus Ashby, Bosco Cheung, Liam Macintosh, William Rees-Woods, Bede Mercer, James Hopper
First Row: Jonathan Li, Samuel Abouchrouche, Zac Burton, Charlie Jackson, Jacob Follari, Patrick Le Roux, William Dynan, Henry Digges, Tyler Hartman, William Barlow, Lachlan Kitchener, Max Micevski, Hudson Brown, Bennett Kaye, Oliver Nesbitt, Thomas Drake
Seated: Robert Laird, Mr Graeme Hubbard, Connor O'Sullivan, Dr Paul Hine, Judah White, Mr Peter McMillan, Hudson Alexander, Ms Rhian Lovell, Jude Smith, Mr Peter Wakeling, Sebastian Zukerman, Ms Julie Stevens, Lukas Taylor, Mr Michael Roffey, Daniel Shannon, Ms Patricia Papa, Christian Bainy
Absent: Antonio Hartman, Ashton Drew, Ned Collis, Ignatius Babbage-Hockey, José McDermott-Buzolic

Additionally, Chisholm House, along with Southwell House, ran our usual car wash to support Jesuit Mission. While we're still finalising the total raised, the enthusiasm and dedication displayed by everyone involved (even in washing a car!) were evident. The House worked tirelessly on the day, ensuring that there were plenty of clean cars driving around after they ventured into the car washing bay. Admittedly, many boys had to be shown how to actually wash a car, but our Mentors ensured that the learning was certainly taken on board very quickly (we had no choice considering the rate at which cars were coming at us!)

At the end of Term 3, we bid farewell to our Year 12 Chisholmites. Their combined leadership and example have set a standard of dedication, kindness, and integrity – and they have left a lasting impact on all the members of Chisholm House. Their support, guidance, and enthusiasm have been instrumental in building a strong, inclusive House culture. They will be missed.

Jude Smith, our outgoing Chisholm House Captain ensured that the whole Year 12 cohort stood up and demonstrated what it means to be a leadership group for the whole House. Accompanied by Hudson Alexander and Sebastian Zukerman as our Vice Captains for the year, they were able to show what it means to 'Lead by Example'.

We are incredibly grateful for the guidance and commitment of our dedicated Mentors who have gone above and beyond, fostering an environment of care, leadership, and integrity. Special thanks go to Mrs Rhian Lovell, our supportive and patient Assistant Head of House, whose constant encouragement has been invaluable to students and staff alike.

Finally, we bid a heartfelt farewell to Dr Paul Hine, who has been a cornerstone of Chisholm House for some time now. His mentorship of the boys has left an indelible mark on our whole Chisholm community, and he will be sorely missed. As we move forward, we carry his spirit of service and dedication with us.

Thank you to everyone who has contributed to making this year memorable and impactful for Chisholm House.

Claver House

Ms Denyse Gibbs | Head of House

Assistant Head of House: Mr Jeff Myles

Mentors: Mr Sean Hewes, Mrs Christine Zimbulis, Mr Joshua Conlon, Mr Christopher Bishara, Mrs Debra Melrose, Mr Russell Kam, Ms Fang Qian, Ms Sinead Zille, Mr Abu Hassan

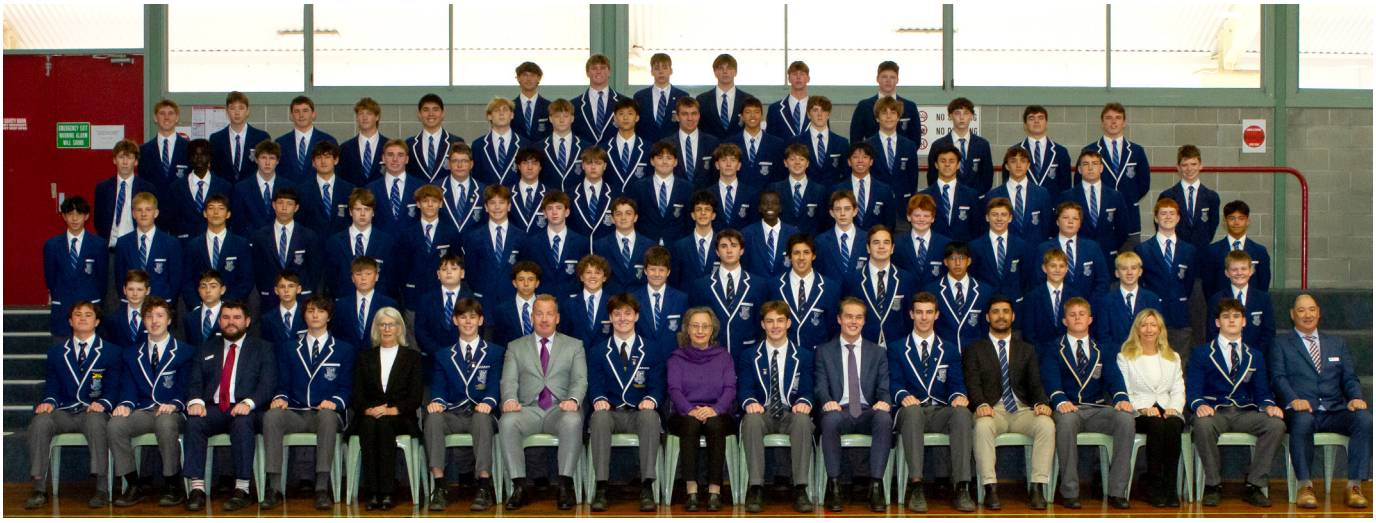

House Captain: Henry King
House Vice Captain: Joseph Madigan
House Vice Captain: Benedict King

Claver House students started 2024 with their usual enthusiasm and energy, welcoming the Year 7 boys and some new students in the later years as well. Our incoming House leaders Henry King, Ben King, and Joe Madigan led the House with great pride and engagement. They were always ready to step up and help when needed in so many ways. Their presence, and that of many of the Claver senior students, in the office most mornings to greet the boys as they arrived for the day was much appreciated by the younger boys.

Enthusiasm was also shown by the boys at all the Inter-House activities this year. Although we didn't have any wins, we improved on the House personal bests in all activities. The boys enjoyed House meetings, with silent auctions, trivia quizzes, scavenger hunts, and barbecues being always the most popular.

On that note I need to sincerely thank Alex Yeo who was our inaugural 'Captain of Tongs' for the way he ran the barbecues, making sure every boy was well fed. Alex was also awarded the Nicholas Wardell Memorial Prize. This award was decided by the senior boys and will become a perpetual role with Alex passing the tongs to Ted Perrignon for the coming year.

The House Merit Competition was again well supported, with Mentor Group hampers being won for the most merits awarded. As they always do, the Mentors in Claver House guided and supported the boys in so many ways. Thank you to Mr Chris Bishara, Mr Joshua Conlan, Mr Russell Kam, Mrs Debra Melrose, Mr Sean Hewes, Ms Fang Qian, Ms Sinead Zille, and Mrs Christine Zimbulis for their ongoing support. Also, thank you to Mr Abu Hassan who stepped in as a Claver Mentor this year. Another big thank you goes to Mr Jeff Myles, Assistant Head of House, who supported the House in so many ways – particularly the Year 7 boys as they transitioned into the Senior School.

Claver

Back Row: James Harper, George Tancred, Ciaran Wilde, Thomas Tancred, Lachlan Clancy, Oscar Campbell
Fifth Row: William Brown, Hugo Collins, Harrison Polin, Joshua Clancy, Nelson Seeto, Frederick Hartson, Declan Brown, Deven Feng, William de Vos, Finn Deakin, Jasper Timms, Oliver de Ambrosis, Aaron Donohoe, Ted Perrignon, Angus Grover
Fourth Row: Theodore Madigan, Anade Oboya, Angus Hartson, Jordan Smith, Jack Gray, Alexander Camilleri, Luke Williams, Rupert Angell, Thomas Polin, Jake Bouropoulos, Samuel Lewis, Vaughn Velasco, Miller Siasat, Thomas Poynton, Alexander Kerr, James Pfafflin
Third Row: Brendan Casey, Henry Salter, Indravardhan Shrivastav, Ace Williams, Sidney McCosker, Max Harper, Henry Quigley, Xavier Kennedy, Samuel Poynton, Oliver Bion, Ngong Deng, Flynn Maynard-Fallon, Henry Pfafflin, Alexander Peel, Charles Walker, Liam Castellas, Jay R Appino
Second Row: Tom Shanahan, Xavier O'Beid, Dax Cooley, Jasper Smith, Jack McCosker, Francis Abou-Antoun, William O'Rourke, Finn Gibson, William Grattan, Prithviraj Shrivastav, Christian Pierangeli, Alexander Appino, Daniel McCaffrey, John Malone, Charles Salter
First Row: Alexander Lee-Young, Edward Roach, Mr Sean Hewes, Xavier Cunial, Mrs Christine Zimbulis, Joseph Madigan, Mr Jeff Myles, Henry King, Ms Denyse Gibbs, Benedict King, Mr Joshua Conlon, Alexander Yeo, Mr Christopher Bishara, Callum McCaffrey, Mrs Debra Melrose, Gabriel Bennett, Mr Russell Kam
Absent: Aidan Bion, Benjamin Camilleri, William Dawes, Luke Geoghegan, Timothy Lea, Hugo Mortimer, Otis Timms, Harry Walker, Jack Webb, Ms Fang Qian, Ms Sinead Zille, Mr Abu Hassan

Highlights of 2024 included some outstanding achievements in co-curricular pursuits. These included Miller Siasat's success in the Australian Surf Lifesaving Championship where he secured bronze in the Beach Sprint and gold in the Beach Flag, successfully defending his title. Angus Grover was selected in the Australian U18s Rugby side, beating NZ Barbarians and NZ Schoolboys. Alex Lee-Young was selected in the U19s Australian Cricket Team that toured India. Lastly, Alex Camilleri was awarded the Australian Junior Cultural Ambassador Title from the Chinese-speaking competition and travelled to China to represent Australia.

This year at the Jesuit Mission Bazaar, we again ran the Erg Challenge on the rowing machines. The boys stepped up to raise much-needed funds. We also created a colouring book featuring the birds of Riverview, which was a great success. We sold almost 100 copies.

As I write my final contribution for the Alma, I look back on the 11 years that I have spent as Head of Claver House and feel so grateful for the journey that I have been able to share with these wonderful young men. I wish them the very best for the future.

I would also like to wish the incoming Head of Claver House, Ms Suzanne Mouait, all the very best. I know our incoming leadership team of Angus Grover, Declan Brown, and Alex Camilleri will continue the traditions and support Claver House well into the future.

Dalton House

Ms Lorraine Logue & Ms Suzanne Mouait | Head & Acting Head of House

Assistant Head of House: Mr David Wales

Mentors: Mrs Penny Kelly, Mrs Kim Prodinger, Mrs Heather Mitchell, Mr Jackson Garrels, Ms Aimee Ingram, Mrs Rebecca Marren, Ms Christine Moriarty, Mr Andrew Taylor, Mr Jackson Garrels

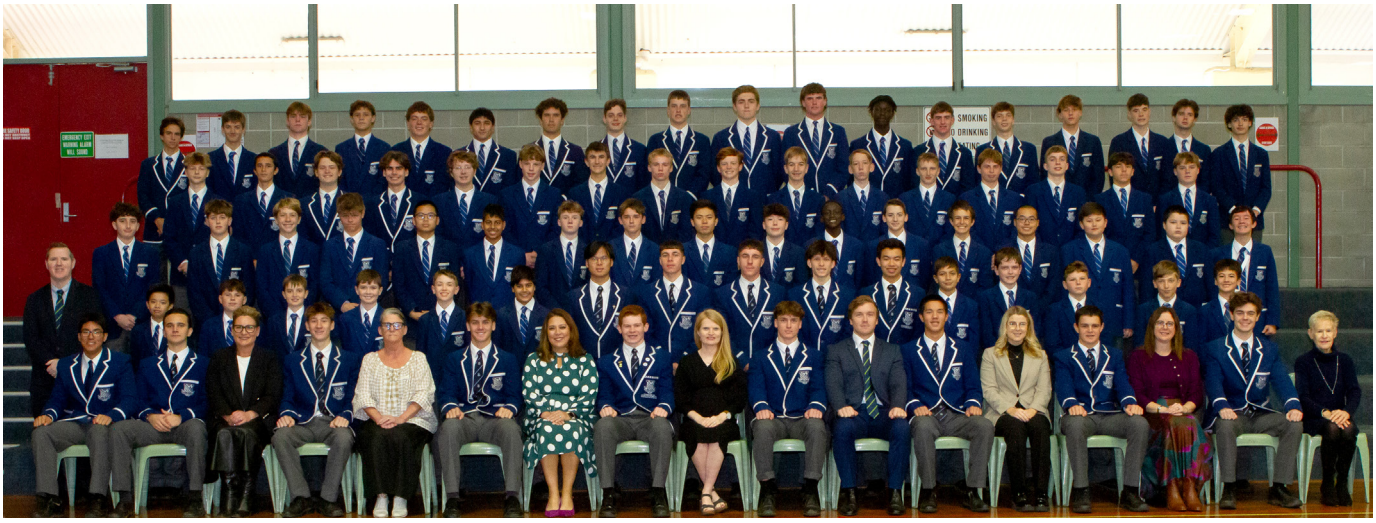

House Captain: Austin Orsini
House Vice Captain: Jack Caine
House Vice Captain: Liam Randell

This year has been an exciting and memorable one for Dalton House, as our young men united under the inspiring motto, 'My Flame, Our Fire', chosen by the Class of 2024. Under the steadfast leadership of House Captain Austin Orsini, alongside Vice Captains Jack Caine and Liam Randell, the Dalton community was guided with genuine care and support. These leaders played a pivotal role in fostering camaraderie and strengthening the spirit of unity within the House.

The year began with the Year 7 students starting their Riverview journey with a camp in Narrabeen, led by Mr David Wales. The camp provided a wonderful opportunity for the boys to step outside their comfort zones, face challenges, form new friendships, and create lasting memories.

As a House, we enjoyed a variety of activities that brought us closer together, including Mentor Group gatherings, barbecues, and spirited sporting competitions. Highlights of the year included a food auction, basketball games, and several touch football matches, where students from Years 7 to 12 demonstrated outstanding teamwork and a healthy sense of competition.

In the Inter-House competitions, the Dalton boys displayed unwavering determination and resilience. While they fell short of replicating last year's success, they made a strong impression in basketball, advancing to the final. The game ended 25–23 in Fernando's favour, but it was a showcase of Dalton's diverse talent across all year groups. The Larkin brothers delivered a strong start, holding their own against older opponents, while Liam Randell's unorthodox defence helped secure a five-point lead at halftime. Veterans Sam Blakers, Charlie Watson, Austin Orsini,

Dalton

Back Row: Aladin de Lacharriere, Edward Nink, Archie Oxenham, Hamish Walker, Leo Hill, Orlando Gregory, Malakai Butcherine, Elliott Confos, Harry Kelly, Andrew Paterson, Montague Hyles, Bol Diing, Maurice Hyles, Sam McLaughlin, Lachlan Maiers, Thomas Martin, Hamish Elliott, Noah Confos
Third Row: Samuel Brown, Luca Bet, Angus Martinez, William Brothers, Stephen Barchinski, Thomas Moloney, Hugo Harper, Andrew Larkin, Charlie Caine, Jack Healy, Harrison Burns, Andy Scott, Angus Murray, Brian Larkin, Hugh Gacitua, Oliver Allsopp
Second Row: Marc de Bella, Archie Thomas, Jacob Collins, Oscar Le Guay, Lachlan Au-Yeung, Harry Saadat, Daniel Wright, James Bugler, Alistair Leung, Aedan Lewis, Amjad Mousa, Archie Kavanagh, Artaban de Lacharriere, Ethan Au-Yeung, Lachlan Reilly, Charles Cudworth, Marc-Felipe Lewis
First Row: Mr Andrew Taylor, Jacob Yap, Charlie Chisholm, Thomas Bredenhann, William Breddenhann, Patrick Bates, Thomas Saadat, Sidney Au-Yeung, Jacob Kulukovski, Marcus Kulukovski, Joshua Maiers, Joshua Yap, Oliver Patrk, Jimmy Kelly, Lachlan Gacitua, Lachlan Nink, James Hodges
Seated: Aaron Malla, Nico Bet, Mrs Penny Kelly, Oliver Woodburn, Mrs Kim Prodinger, Samuel Blakers, Mrs Heather Mitchell, Jack Caine, Ms Lorraine Logue, Liam Randell, Mr Jackson Garrels, Charlie Watson, Ms Aimee Ingram, Walter Walker, Ms Rebecca Marren, Wilson Frith, Ms Christine Moriarty

Angus Martinez, and Andrew Paterson led from the front, displaying exceptional sportsmanship despite the narrow defeat.

One of the most significant events of the year was the Dalton House Mass and Supper in Term 2. This cherished tradition is the cornerstone of our annual calendar. On a beautiful evening, the House gathered to celebrate the Eucharist and share in each other's company. Father Joe Dooley delivered a solemn yet joyful Mass, filling the Dalton Chapel with a profound sense of love and community. A special moment of the evening was the performance by the Barchinski family, who played the Bandura, a traditional Ukrainian instrument, reminding us of the blessings of peace and freedom. Our heartfelt thanks go to Ange Bredenhann for her stunning decorations in Memorial Hall, which created a warm and inviting atmosphere for the event.

Term 3 brought the much-anticipated St Ignatius' Day. After a beautiful Mass prepared by Ms Tina Van Domburg, Dalton House welcomed residents from two local aged care facilities for an afternoon of food, meaningful conversations, and activities. The day concluded with a barbecue and lively Inter-Mentor games on Second Field.

Another highlight was the Jesuit Mission Bazaar, where Dalton House partnered with Gonzaga House to run a successful Tombola stall. The boys embraced the community spirit of the day, raising funds for Jesuit charities supporting those in need across the world.

As the year drew to a close, we farewelled our much-loved Year 12 students as they embarked on new journeys in study, travel, and work. At the same time, we welcomed our 2024–25 student leaders: Andrew Paterson, Malakai Butcherine, and Maurice Hyles, who will carry Dalton's flame forward.

A special thank you goes to Mr David Wales for his outstanding leadership and to our exceptional team of Mentors.

Fernando House

Ms Maria Skouras | Head of House

Assistant Head of House:
Ms Kimberley Romeo

Mentors: Ms Kate Hilyard, Ms Alanna Elliott, Mr Michael Dela Cruz, Ms Amelia Denton, Mr Patrick Lowe, Mr Tina Van Domburg, Mr Robert McGinn

House Captain: Stefan Wood
House Vice Captain: Thomas Kalogerou
House Vice Captain: Max Macedone

In his final address as House Captain, Stefan Wood reflected on his time at the College:

"Here we are as Year 12s, at the end of our schooling years – and what an incredible experience it has been. It's hard to believe we're really graduating; we've been told many times that 'it goes so fast', but I never thought it would actually end. Some of us are excited for the next chapter, others reluctant to leave. But for all of us, leaving this community and our friends behind is the hardest part.

"I feel blessed to have been part of Fernando House throughout my years at Riverview, supported by Ms Skouras and Ms Romeo. Their guidance has allowed me to forge lasting friendships. Since the Year 9 Challenge, our connection has only deepened, marking the start of our 'Fernando Forever' group chat, which includes all the boys in our year. It's experiences like these that make Riverview so impactful – whether through our sporting victories, immersions, drama or music performances. But often, it's the small moments that become the most cherished memories, collectively igniting the fire of the 2024 Riverview cohort."

At the start of 2024, 13 new Year 7 students joined the Fernando family. Within weeks, they attended Year 7 Camp, where they began building bonds that will last throughout their time at the College. Year 7 student Stirling McAssey shared his experience:

"My time at camp was unforgettable. I participated in activities like kayaking, paddle boarding, and outdoor games. It was a great way to meet housemates and have fun together."

St Ignatius' Day is a significant date on the Riverview calendar, and in 2024 Fernando House continued its strong tradition of service. This year, Fernando House supported Jesuit Mission with two impactful activities: a Walkathon carrying groceries to donate to the Ignite store, and

Class of 2024 Valete – Year 12 students

Fernando House at the Athletics Carnival

a water relay carrying 10-litre containers up the rowing sheds ramp. Boston Kirkby and Timothy Moylan (Year 10) recalled:

"These experiences gave us a glimpse into the challenges people in developing countries face without basic necessities. It helped us appreciate the struggles associated with water insecurity, something we often take for granted."

The annual Jesuit Mission Bazaar also brought the community together to support Jesuit Mission. James Armour (Year 11) reflected:

"The Bazaar was a celebration of the Ignatian community and its values. Fernando's Target Toss and lucky dip stalls were especially popular, and we raised over $1000 for Jesuit Mission. The day was a great success with smiles all around."

For Year 10 students, service often takes place beyond the College grounds. Alexander Teoh (Year 10) shares his insights from a placement in Central Australia:

"My time in Central Australia was a highlight of my year. I met inspiring people who broadened my perspective on life and made me realise how fortunate I am. Service trips are invaluable for developing spirituality, empathy, and self-awareness."

House Captain Stefan Wood expressed deep gratitude to Ms Kimberley Romeo and the Fernando Mentor team for their steadfast support throughout the year. He also bid farewell to two mentors: Mr. Robert McGinn, who will assume the role of Assistant Head of House for Ricci, and Mr Patrick Lowe, the inaugural Fernando Mentor who has served for 10 years. Welcoming new Mentors, Ms Tina Van Domburg and Ms Amelia Denton, Fernando continues to be in caring and capable hands.

Fernando House looks forward to an exciting year with new leaders Matteo Milozzi as Captain, and James Armour and Patrick Fehon as Vice Captains. Their leadership will continue the Fernando tradition of nurturing men of compassion, conscience, commitment, and competence.

At the House Valete Assembly, Stefan shared parting advice with younger students:

"One of the privileges of attending Riverview is the countless opportunities available to us. As Ms Skouras has said, the worst thing you can hear from graduating boys is regret. But how do you avoid that? The answer is simple: try everything you can. Step out of your comfort zone, leave no room for regrets. Trying new things will help you find what you truly enjoy, giving purpose and fulfillment.

"It's easy to succumb to pressure and follow the crowd, but it's important to pursue what makes you happy. You'll get the most out of yourself by following what you love. And remember to respect everyone. You won't be best friends with everyone, but respecting others fosters unity and inclusiveness. The simple act of acknowledging someone can go a long way in making them feel valued."

In his final words, Stefan left a powerful legacy of gratitude, service, and purpose for future Fernando students to follow.

Athletics Carnival – Finn Maher and Oscar Leibbrandt

Gonzaga House

Mr Peter McNamara | Head of House

Assistant Head of House: Ms Cassie Crompton/Mr Lachlan Wylie

Mentors: Ms Vanessa Blake, Mr Paul Collins, Mr Jennifer Shin, Ms Nikki Brown, Mr Conrad Page, Mr Philip Koen, Ms Helen Ephraums, Ms Rosanna Cuschieri

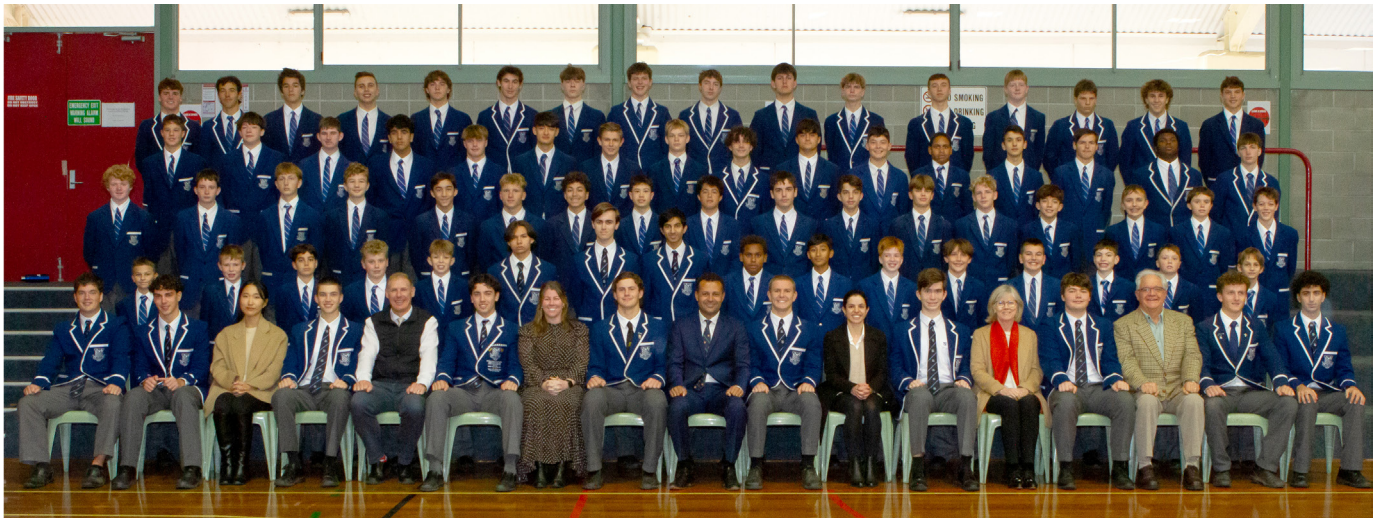

House Captain: Daniel Saunders
House Vice Captain: Kristian Armstrong
House Vice Captain: Lucca Ballantine

This year was filled with energy and accomplishments for the young men of Gonzaga House, with students achieving success in many areas and continuing to build a strong, supportive community. Our Year 12 leaders, Daniel Saunders, Kristian Armstrong, and Lucas Ballantine, began the year by warmly welcoming our new Year 7 students, creating an environment where each boy felt included.

Our new Year 7 cohort enjoyed their first camp together, engaging in activities like kayaking, stand-up paddleboarding, archery tag, and team-building exercises. These experiences allowed them to forge new friendships, build resilience, use teamwork and develop a unity which we continued to witness throughout the year.

In Term 1, our House gathered for our annual Mass in the Dalton Chapel, followed by a community dinner in the Memorial Hall. This event provided a chance to reconnect as a Gonzaga family, with the candle-passing ceremony symbolising the unified support of our mentors, parents, and Year 12 students. It was an evening full of warmth and joy, and we thank all those who contributed to making it memorable.

The year was filled with both academic and extracurricular achievements, and the Gonzaga community rallied together to celebrate each success. Our Inter-House Mentor Cup featured lively competitions across various activities, including touch football, cricket, basketball, ultimate frisbee, and even Mario Kart. Each event highlighted the camaraderie and competitive spirit of our students and brought them closer together as a House.

Gonzaga

Back Row: Dominic Flynn, Brandon Sullivan, Matthew O'Brien, Finn Egerton-Warburton, Kieron Deniz, Samuel O'Brien, Konrad Svilans, Harrison Davis, Xavier Anderson, Charlie Lund, Lucas Breeze, James Hector, Hugo Curran, Matthew Marinovic, Xavier Acton, James Davis

Absent: Hugh Taylor, Austyn Stanton, Henry McRae, Charlie Hennessy-Bowden, Joshua Healy, Ethan Hawkins, Joseph Graves, Julian Carr, Charlie Butler

This year, we celebrated St Ignatius' Day by partnering with MacKillop House to support the Cerebral Palsy Alliance. Our students did an outstanding job fundraising to contribute to this important cause. A highlight of the day was hearing from Jack Calderan (OR2017), who shared his personal experience of living with cerebral palsy. Jack's story was truly inspiring, and we are deeply grateful for his generosity in sharing it with our community.

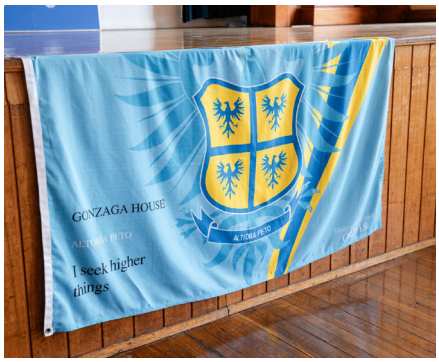

The Athletics Carnival was another chance for our House to demonstrate their sportsmanship and House spirit. The enthusiasm was contagious, with special recognition going to our Year 10 cohort, who represented the House spirit by winning the tug-of-war through a perfect blend of teamwork and enjoyment.

One of the year's highlights for Gonzaga House was the Inter-House Season of Creation competition. While our artistic entry didn't take first place, the teamwork and support our students showed each other was truly a winning display. It was fantastic to watch them come together – gathering materials, offering some amusing sideline commentary, and encouraging our artists throughout the creative process.

Currently, our Year 9 cohort is participating in their Challenge experience, which includes a range of experiences from kayaking to developing skills in ironing and sewing. We look forward to seeing them embrace this journey, pushing their limits and strengthening the friendships that make Gonzaga House so vibrant.

A heartfelt thank-you goes to our Gonzaga mentors – Ms Blake, Ms Cuschieri, Mrs Ephraums, Mr Collins, Mr Page, Ms Shin, Mr Koen, and Ms Brown – for their unwavering support, care, and dedication to our students. Their guidance is essential to the community we cherish here.

It has been a memorable year for the Gonzaga community, marked by growth, unity, and shared experiences. We look forward to building on this strong foundation in the year ahead and continue to 'Seek Higher Things'.

Year 9 Reflection Day 2024 - Centennial Park

Year 7 Camp 2024 - Narrabeen Lake

Season of Creation Art Competition 2024

Athletics Carnival 2024

Year 12 Cohort 2024

MacKillop House

Mr Tim Lee | Head of House

Assistant Head of House: Ms Jane Rorke/ Mr Lachlan Wylie

Mentors: Mrs Marilyn Fitzgerald, Mr Dan Hyde, Mr Aaron Speed-Johnson, Ms Lara Righi, Mr Mark Anderson, Ms Michelle Ellis, Mr Anthony Di Mauro

House Captain: Sean McKeon
House Vice Captain: Samuel Beaman
House Vice Captain: Thomas Lee

In 2024 we looked internally to better help us connect with each other. Inspired by Brene Brown's book *Atlas of the Heart,* a few teachers and Year 12 students shared their thoughts around different emotions. Our Captain, Sean McKeon, along with Vice Captains Sam Beaman and Tom Lee, guided us in trying to normalise emotions we often choose to neglect.

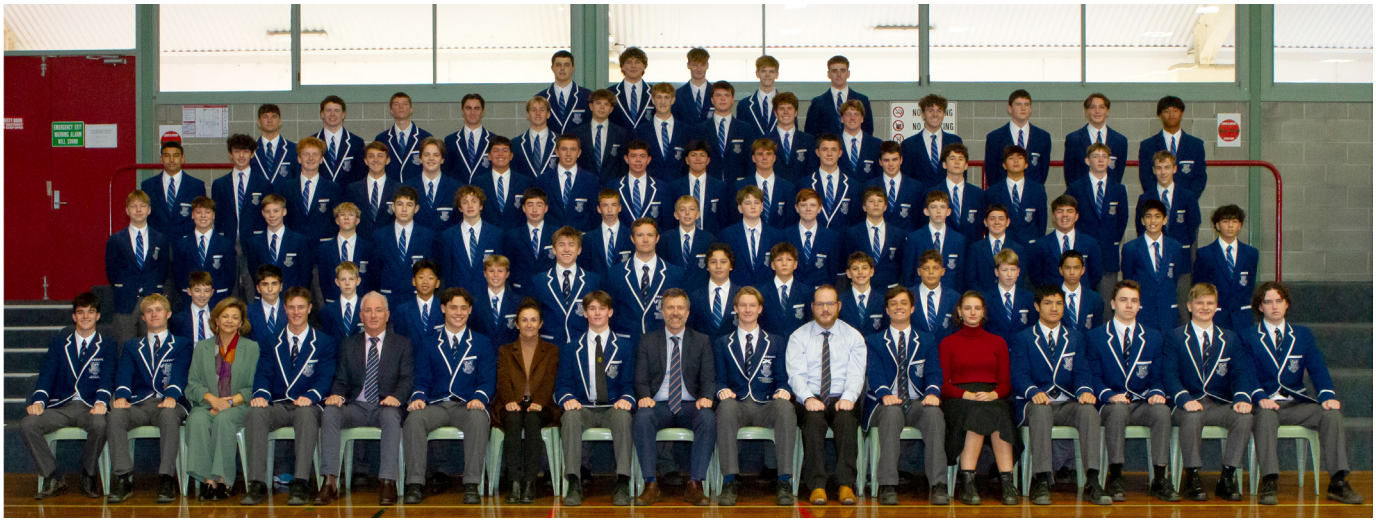

While I am sure there was some eye rolling at times about whether it was necessary, I did feel like our Year 12s paved the way for us to be more human and not deny ourselves of emotions in fear of judgement or embarrassment.

We were fortunate enough for the following people to be vulnerable and share with the group something they thought was important for others to hear.

Mr Lee – Anxiety
Riley B – Perfectionism
Tom L – Envy
Sean – Comparison
Oli O'C – Worry
Nick – Expectations
Dan – Foreboding joy
Mr Lee – Surrender
Ms Ellis – Love

In terms of gratitude, we were also blessed to have a number of new students join us. In Year 7 we welcomed Noah, Beau, Charlie, Harry, Marcello, Sam, Nick H, Ryan, Loren, Ben M, Nick M, Cole, Ben T and Oliver. We also welcomed Marshall (Year 8), Charlie K (Year 9), Adrian (Year 10) and Hamish (Year 11) into MacKillop as boarders.

The energy and enthusiasm of the Year 12s was a main stay throughout the year, regardless of whether it was a College Carnival, House meeting or mini-House.

MacKillop

Back Row: Thomas Duncan, Angus Devlin, William Beaman, Leo Schmid, Thomas Atkinson

This group introduced 'captains' for each Inter-House competition, not that it made much difference in the final result, but it helped to underpin our value of turning up for each other.

We joined Gonzaga and supported the Cerebral Palsy Alliance once again. Every 20 hours one child is born with cerebral palsy (CP). In Australia, over 40,000 people have this condition. Early intervention is vital for CP to enable children to reach milestones that we take for granted such as talking and walking. As a guest speaker, we invited one of our own back, Jack Calderan, who was our House captain in 2000. As someone with CP, Jack was able to show us that despite life's obstacles you can still live life to the full. It was also important for the boys to understand the power of language and the impact that this can have with people with disabilities. We walked around the campus for our Walkathon and raised about $1300.

One of the most significant changes to MacKillop was to see our Assistant Head of House, Jane Rorke, leave to take over Owen House. For Owen House it is quite poetic that all of Jane's three children went through Owen House and that their assistant Head of House also came through the ranks in MacKillop. We wish Jane all of the best in her new role. While it was sad to see her go, we know that she will play a significant role in supporting others in our Riverview community. Although this leaves an obvious void, we are extremely lucky to have Mr Lachlan Wylie join us, bringing his own energy and expertise.

Wallace Level 3 was a little quiet after the Year 12s left, as for some this was an area they would frequently congregate. However, I am confident that the new leaders of Ethan, Will, and Tom will be able to guide their year group in leading with the same energy and enthusiasm.

More House

Mr Dane Inman | Head of House

Assistant Head of House: Ms Tessa Nelmes

Mentors: Ms Suzanne Silk, Mr Rex Cooke, Mr Matthew Bentley, Mr Christopher Wright, Ms Sarah Cullen, Ms Joan Geoghegan

House Captain: William Hodge
House Vice Captain: Hugh Graham
House Vice Captain: Lachlan Thomas

It has been a year of remarkable growth, unity, and achievement for More House. It has been a privilege to work with such an inspiring group of young men, under the leadership of our outstanding senior team: William Hodge, Hugh Graham, and Lachlan Thomas. Their guidance, coupled with the enthusiasm and spirit of the House, has helped strengthen the sense of community within the More Family.

Throughout 2024, the leadership team consistently encouraged their peers to embrace every opportunity the College presented – not just to refine existing talents, but to discover and develop new ones. The response from the boys was exceptional, with most members showing a strong commitment to participating in all areas of House and College life.

One of the highlights of the year was our House Mass and Supper, which provided a wonderful opportunity for the More House community to come together in celebration and fellowship. Fr Joe Dooley SJ led a heartfelt Mass, and the evening continued with a delightful supper, where new and returning families had the chance to connect and share in the spirit of More House.

Our involvement in Inter-House activities was another standout feature of the year. Whether it was the Jockey Races, Basketball, King of the Hill, Chess, or Cricket, the boys consistently displayed great spirit and determination. Their enthusiasm and competitive energy were evident in every event, contributing to the vibrant atmosphere that defines More House.

Although we did not win the Athletics Carnival this year, the level of participation, energy, and team spirit was outstanding. Each boy gave their all, and their pride in representing More House was clear in the excitement and support they showed throughout the day.

More House

Back Row: Alec d'Amico, Charles Roche, Matt Walters, Austin Clark, Luke Jamieson, Harry Sultana, Joseph Condon, Niall Kinchington, Will Morahan, Max Graham, Xavier Cameron-Smith, Lazlo Kapel, Henry Klok, Liam Dickinson, Adam Walters, Cooper Sintras, Rory Parker
Third Row: Charlie Briggs, Oliver Naughton, Matthew Lee, William Star, Henri Dempsey, Thomas Naughton, Darcy Macpherson, James Hannaford, Montgomery Ward-Thomas, Hamish Davidson, Louis Maher, Nicholli Thompson, Oliver Eisenhauer, Christopher Hill, Isaac Perkins, William Bryant, Rafe Melero

The leadership demonstrated by our Year 12 students has been truly inspiring. Their willingness to get involved, support their peers, and take initiative has been a hallmark of their time at More House. Their legacy will be one of community, commitment, and enthusiasm, setting a high standard for the students who follow in their footsteps.

Throughout the year, House meetings were filled with fun, teamwork, and plenty of laughter. From auctions and kick tennis to diving board competitions and barbecues, the variety of activities helped bring the boys together, offering moments to relax, bond, and enjoy each other's company.

In addition to our regular activities, this year we embraced the Caring for Our Common Home initiative for St Ignatius' Day. All More House students took part in various environmental projects around the College campus, including removing noxious weeds and maintaining garden plots. This initiative not only helped improve our environment but also fostered a greater sense of responsibility towards caring for the world around us.

The achievements of More House students across academics, sport, music, drama, and the arts have been outstanding. These successes are a testament to the hard work, dedication, and initiative shown by the boys throughout the year. Success comes to those who seize opportunities and challenge themselves to reach their full potential, and More House has certainly embodied this spirit in 2024.

As we bid farewell to our Year 12 students, we acknowledge the high standards they've set for the future of More House. Their leadership, commitment, and sense of community will leave a lasting legacy, and we look forward to the opportunities and challenges that 2025 will bring.

Thank you to all the boys, mentors, and families for making 2024 such a memorable year for More House. We are excited for what lies ahead!

Owen House

Ms Jane Rorke | Head of House

Heads of House: Mr Jeremy Bennett, Mrs Elin Michelsons (Acting Head of House Term 1 and 2) and Mrs Jane Rorke (Term 3 and 4)

Assistant Heads of House: Mr Todd Freedman (Term 1 and 2) Mrs Elin Michelsons (Term 3) and Mrs Rebecca Marren (Term 4)

Mentors: Ms Rosie Manion, Mrs Debra Williams, Ms Mikayla Kim, Mr Adrian Chan, Ms Emma Desira, Mr Glenn Abrahams, Mr John Newey, Ms Justine Gesterkamp

House Captain: Angus Lenehan
House Vice Captain: Xavier Hynes
House Vice Captain: Nicholas Re

2024 Overview

Owen House had a remarkable 2024. Under the exceptional leadership of Mrs Michelsons, Mr Freedman, and our student leaders – Angus, Xavier, and Nick – we remained strong contenders throughout the year for the House Cup. Although we narrowly missed the top spot, conceding in the final Athletics Carnival, Owen House proudly secured second place. We're optimistic about claiming victory next year!

Term 1 Highlights

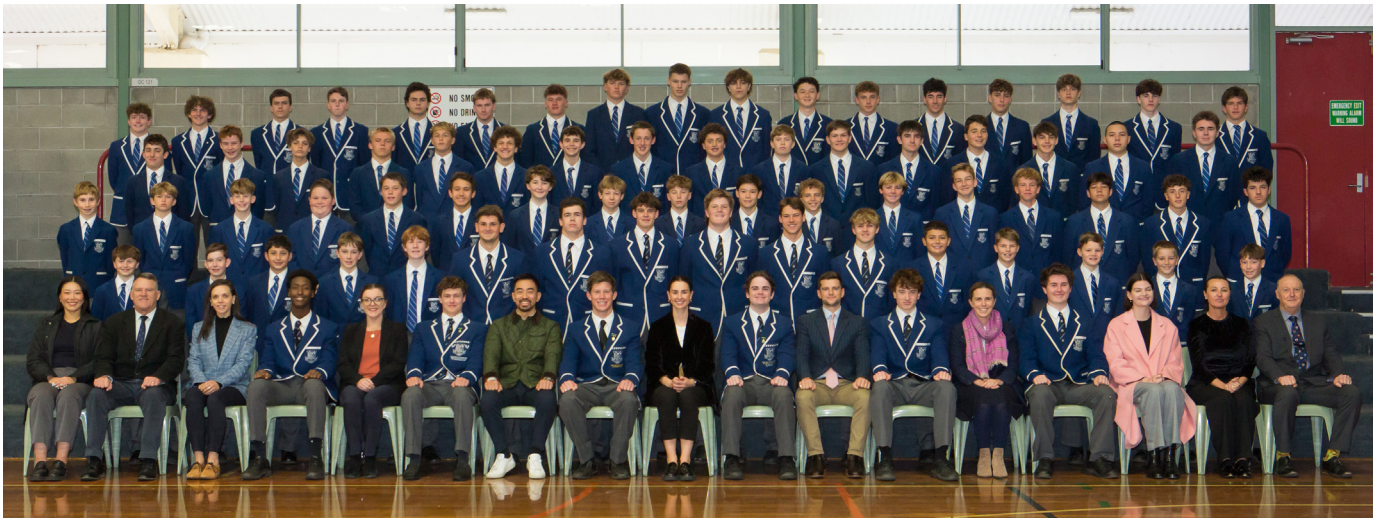

We welcomed our new Year 7 students: Angus, Lachlan, Nicholas, William, Jack, Sidney, Finn, Oliver, and Sebastian. In addition, boarders Bill and George joined us, settling in well despite missing their homes in Scone and Gunnedah. A special mention goes to Bill Giblin, who represented Owen House in the Inter-House Musical Chairs competition and emerged victorious in this prestigious event!

Term 2 Highlights

More wins in the Inter-House Competitions with Nick Re winning King of the Hill and second place in the Touch Football. Owen were fortunate to have Supercoach Ms Michelsons who was an Australian representative player for several years and coached the team to a near victory.

Term 3 Highlights

Sadly, after 28 years at the College and being Head of House for Owen, Mr Bennett retired. The following farewell to Mr Bennett was written by Charlie Lenehan.

Owen

Fourth Row: Archie Boyd, Cooper Morton, Mathew Keen, Riley Wallis, Laurence De Luca, Bryce Walsh, Robert Dimitrov-Johnson, Jago Ramage, Dylan Harris, David Garcia-Hennessy, Cameron Hunter, Oliver McDougall, Xavier Donohue, Oliver Taylor, James Edmunds, Lachlan Cashion, Charles Lenehan
Third Row: Alex Mercieca, Jimmy de Flamingh, Henry Collopy, Edward Mitchell, Hunter Harris, Edward Morton, Hamish O'Brien, Angus Giblin, James Re, Patrick Hickton, Patrick McNeil, Jake Rawson, William Baird, Hugo Sealey, Jonathon Anastasiadis, Christian Engelman
Second Row: Sam Liubinskas, Jonty Hickton, Sabian Polhill, George Russell, Bill Giblin, Sebastian Koromilas, William Carney, Henry Stuart, Lucas Gesterkamp, Hugo Davidson, Charles Power, Charles Gould, Hugh Brown, Joe Sweeney, Conor Sa-Cordeiro, Harry Taylor, Julian Pulido
First Row: Nicolas Gesterkamp, Jack Bray, Barney O'Brien, Sydney Dynon, Joshua Engelman, Harrison Sealey, Frederick Stuckey, Alex Harvey, Austin Alexander, Nicholas Anastasiadis, Oliver Dryden, Finn Senior, Liam Barnes, Angus Brentnall
Seated: Miss Mikayla Kim, Mr John Newey, Ms Emma Desira, Daniel Byimira, Mrs Debra Williams, Nicholas Re, Mr Adrian Chan, Angus Lenehan, Mrs Elin Michelsons, Xavier Hynes, Mr Todd Freedman, Angus McGibbon, Ms Rosie Manion, Joseph Carney, Ms Claire Phillips, Ms Justine Gesterkamp, Mr Glenn Abrahams

"This year we celebrated the incredible career of a man who has not only been a pillar of Riverview but a role model, a mentor, a head of house, a maths teacher, and a friend to generations of young men – Mr Bennett.

Mr Bennett's presence has been felt here for a long time. So long, in fact, that many of the fathers of our current students remember him just as fondly as their sons do now. When we talk about a legacy, Mr Bennett's stretches across decades, shaping lives and building character with a steady, guiding hand.

Anyone who has known Mr Bennett will remember his towering presence. He has been a true friend to all of us here, whether he was providing a listening ear, providing advice, or simply getting us out of trouble. Every student in Owen House, and indeed all of Riverview, knew they had someone in their corner.

Mr Bennett was more than just a teacher. He was a mentor who took the time to show us that life is full of adventures if we just pedal forward and enjoy the ride. His love for cycling has inspired countless students over the years, reminding us that life, like cycling, has its hills and valleys, and it's the journey that matters.

As Muhammad Ali, a man he greatly admired, once said, "Service to others is the rent you pay for your room here on earth." Mr Bennett has paid that rent a hundred times over. His dedication to our community, his care for each of us, and his commitment to Owen House have left an indelible mark.

To Mr Bennett, May retirement bring you all the adventures and open roads you so deserve. Riverview is a better place because of you. Your legacy will be cherished and remembered."

Mrs Elin Michelsons stepped into the role of Head of House, embracing the challenge of filling Mr Bennett's big shoes.

The Owen House Mass in week 1, led by Fr Tom Renshaw SJ, was a heartfelt event. Generous donations from parents raised significant funds for the Redfern Jarjum School in Redfern.

On St Ignatius' Day, Owen House continued its tradition of volunteering at Clark Road, where students engaged with special needs children – a meaningful experience fostering empathy and service. September's Jesuit Mission Bazaar saw Owen House, in partnership with MacKillop House, hosting a vibrant Kids' Room with games, activities, a jumping castle, and a magician.

Term 4 Highlights

We proudly introduced our 2024 House Captains: Cooper Morton (Captain), Charlie Lenehan (Vice Captain), and Xavier Donohue (Vice Captain). Additionally, Robert Dimitrov-Johnson was appointed Liturgy Captain.

A special congratulations to Charlie Lenehan for winning the prestigious Inter-House Slam Poetry Performance. Charlie's heartfelt poem about his experiences as a homesick boarder captivated the audience and highlighted his growth into a confident young leader.

Year 9 students embraced the challenges of their camp, particularly excelling during the canoeing activities, despite the rigorous push-ups led by their instructor!

We extend our sincere gratitude to our dedicated mentors – Mr Glenn Abrahams, Mr John Newey, Mr Adrian Chan, Ms Emma Desira, Ms Justine Gesterkamp, Ms Mikayla Kim, Ms Debra Williams, and Ms Rosie Manion – whose support has been invaluable. Sadly, we bid farewell to Mr Abrahams and thank him for his years of service to Owen House.

Throughout 2024, Owen House continued to embody humility and faith, exemplifying the spirit of our Patron Saint, Nicholas Owen.

Ricci House

Mr Bill Dowers | Head of House

Audere Egregia

'Dare to be different'

Assistant Head of House:
Mr Christian Iligan/Mr Robert McGinn

Mentors: Mr Kirk Hume, Mr John Gilles, Ms Prudence Fitzsimmons, Mrs Suzie Marks, Mrs Jacinta Barlow, Mrs Meg Morrison, Mrs Sally Gates, Mr Brett Houghton, Mrs Sue Thomas, Mr Andrew McGovern

House Captain: George Gaha
House Vice Captain: Raphael Quoyle
House Vice Captain: Edward Thorp
College Captain: Sam Wright

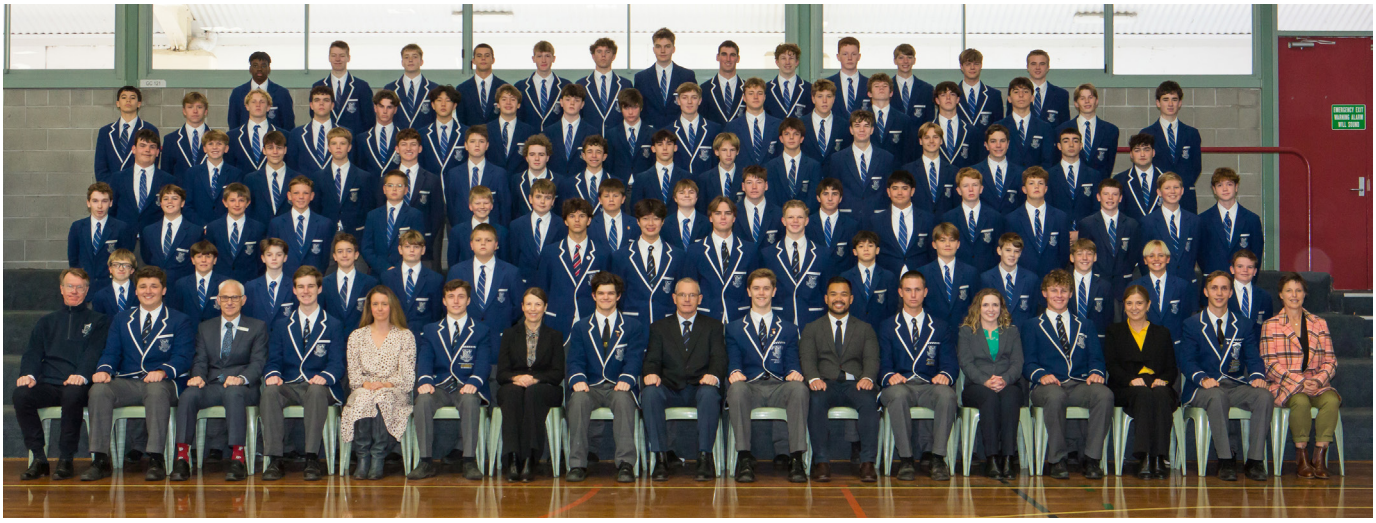

Craft Your Calling

2024 House Motto

On behalf of Mr Iligan, Mr McGinn and myself, it has been a privilege to witness the men of Ricci House strive to achieve their personal best throughout the year, continually demonstrating resilience, accountability, perseverance, hard work, kindness and simply 'having a red-hot crack'.

Much credit for the success of our year is directed to the leadership of our House Captains, George Gaha, Raphael Quoyle, and Edward Thorp. These three men, as well as many of the Year 12 Ricci cohort, devoted significant time and effort to keep the relationships within the House functioning and all the men of Ricci House connected and supported. This was evidenced each morning at Registration greeting all the boys, in the running of House meetings and organising House participation in Inter-House activities. We were also fortunate to have the support of the College Captain, Sam Wright, who we were proud to claim as one of our own. Sam should be very proud of the job he did in leading the College. The Year 12 cohort, as a group, were great role models for all the men in Ricci House. They used their talents to the best of their ability in many areas of college life, worked hard and believed in themselves. These recurrent themes and their academic rigour, led to many great achievements throughout the year, especially the fine HSC results they achieved.

We are fortunate in Ricci House to have Mentors and Associates that give so much of themselves and their time to the students in their care. I extend my gratitude to Mrs Sally Gates, Ms Prue Fitzsimmons, Mr Kirk Hume, Mr Brett Houghton, Mrs Susan Thomas,

Ricci

Back Row: Ben Barnett, Ben Ross, Hugh McGrath, Harry Christie, Lucas Johnson, Angus McGrath, Jack McAvoy, Thomas Johnston, Tom Macey, John Dynon, Jude Feilen, Nelson Meehan, Xavier O'Hea
Fourth Row: Leonardo Kong, Darcy Feilen, Brody Folkes, Oscar Jarman, Ben Hyde, William Huang, Lachlan Hannan, Xavier Dynon, Edward Towzell, Jake Hardwick, Raff Toohey, Harry Ridgewell, Hunter Laing, Lachlan Tucker, Joe Messara, Max Remeeus, Owen Muir
Third Row: Max Quirk, Finn Bannan, Hugo Mason, Xavier Quoyle, Angus Tesoriero, Liam Muir, Ellis Hazelton, Lachlan Caruana, Jake Gomez, Gabriel Ashmore, Benjamin Tucker, Charlie Dalglish, Finn Roberts-Thomson, Christian Bowe, Michael Gatsas, Liam Codemo
Second Row: Christian Hazelton, Beau Inman, Zachary Dynon, Jack Priestley-Mathews, John Roberts, Jonathan Hogben, James Wylie, Jack Virgona, Charles Lennon, Augustin Laing, Samuel Dillon, Samuel Hsu, Jock Dalglish, Frank Messara, Edward Johnson, Charlie McEvoy, Alfie Marnell
First Row: Max Spice, Xavier Johnson, Dominic Hall, Angus Allen, Tristan Laing, Samuel Roberts, Lachlan Iacono, Vincent Huang, Oscar Ell, Lachlan Smythe, Ignatius Kong, Tom McAvoy, Frederick Cooksey, Jack Millane, Oscar Addison, Tim Quirk
Seated: Mr Kirk Hume, Marko Zdrilic, Mr John Gilles, Eddie Dunstan, Ms Prudence Fitzsimmons, Edward Thorp, Mrs Suzie Marks, George Gaha, Mr William Dowers, Raphael Quoyle, Mr Christian Iligan (Assistant Head of House), Charlie Christie, Mrs Jacinta Barlow, Charlie Harrison, Mrs Meg Morrison, Sam Wright and Mrs Sally Gates
Absent: James Liliopoulos, Jonas Mason, Nate Tucker, Edward Williams, Mr Brett Houghton, Mrs Sue Thomas, Mr Andrew McGovern

Mr Andrew McGovern, Mrs Suzie Marks, Mr John Gilles, Mrs Meg Morrison, Mrs Jacinta Barlow, Mr Dan Noonan, Mr Gerard Carson, Ms Christina Mikan, Mr Brett Benkenstein, Mrs Jude Southon, Mrs Kathryn Eyre, Ms Natalie Baines and Mrs Tania Godfrey. It is one of the great strengths of Ricci House that we have such an experienced Mentoring team interact every day with the young men of our house.

Throughout the year, the men in Ricci House engage in a range of service activities offered by the College. This allowed them to experience many opportunities where they could give back and take themselves outside their comfort zone by accompanying others in different communities that are in most need. The immersions, service hours, community work, Jesuit Mission Bazaar and, in particular, the St Ignatius' Day activities allowed all our students the opportunity to walk with and for others. This is something we value in Ricci House and the boys are to be commended for the way they willingly embrace their service obligations.

Two of the great community events of 2024 were the Valete House Assembly and the House Mass and Supper. The Valete Mentor commendations of the Year 12 students was truly a highlight and reflects the strength of the House system and the great work the Mentors undertake to understand and know the men in their Mentor Groups. The House Mass and Supper was another highlight of the year. Thank you to the organising committee for creating this great opportunity for connections and relationships to develop between all members of the community. This is another aspect of these events that always stands out for me, the great parent involvement. I appreciate the willingness of the parents of Ricci House to work in partnership with me in the interest of their sons. This relationship is one of the great strengths of Ricci House.

Finally, I want to thank Mr Christian Iligan for all his assistance over the past four years in caring for the men in Ricci House, especially when I was on Long Service Leave in Term 3 this year. Although it is sad to see Mr Iligan leave Ricci House, we are all very excited for the new adventure he is to embark on as Head of Teresa House. We wish him all the best as he continues his exciting journey.

God bless and live Jesus in our hearts forever.

Ricci 4 life!

Romero House

Mr Ben Carolan | Head of House

Assistant Head of House:
Mr Jason Lucia

Mentors: Ms Rebecca Hoad, Ms Gayaneh Michaelian, Mrs Maryanne Humphrey, Mrs Nancy Van, Mr Trent McAllan, Mrs Claire Burke

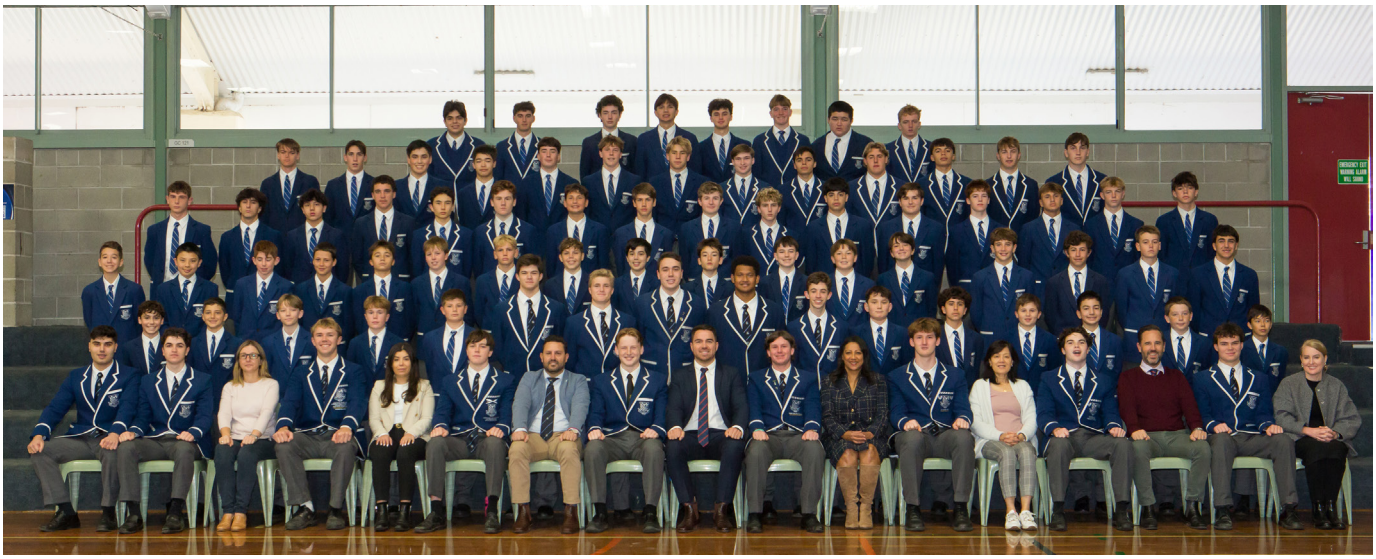

House Captain: Isaac Ford
House Vice Captain: Alastair Brown
House Vice Captain: Nicholas Dougherty

Another fast-paced year has flown by and it has been a pleasure to see the students adopt many of the characteristics of our patron Saint Oscar Romero, with the enthusiasm to immerse themselves in everything that Riverview offers.

The year began with 13 fresh-faced Year 7 students eager to start their high schooling journey. We welcomed Billy, Paddy, Jacob, Angus, Charlie, Tom, James, Aidan, Callum, Callan, Samuel, Max, and Ethan. Their impact was immediate with their enthusiasm, energy and abundance of questions! We also welcomed Tom (Year 9) into the boarding school from Forbes.

The Year 7 camp is always a fantastic opportunity for our new Year 7 students to break the ice and form bonds that will last a lifetime. They participated in several activities such as kayaking, bushwalking, orienteering, and ropes courses. Mr Lucia was humbled by the way in which the Year 7 group presented themselves and felt fortunate to have shared in one of their first Riverview camps.

Parents, staff, and students all gathered early in Term 1 to celebrate our House Mass. Our Year 12 cohort also received a candle in recognition of beginning their final year at Riverview. The Supper that followed was again one of the highlights of the year. Not only did the parents, staff, and students put on a fantastic assortment of foods (which the boarders loved!), we also raised $1600 for Redfern Jarjum College through our House raffle. Through the generosity of the parents there were a number of excellent prizes up for grabs. It created an exciting atmosphere, with Isaac Ford (Year 12) on the microphone calling out the lucky winners. We look forward to continuing this raffle in the years to come and to see who may

Romero

Back Row: Mattheo El Haddad, Zachary Dockney, Thomas Miller, Timothy Smith, Leonardo Deguara, Luke Carseldine, Darren OuYang, Patrick Keaney
Fourth Row: Benjamin Stewart, Andrew Bigg, Alexander Briscoe, Harry Bateman, Archie Owens, Hugo Brown, Jack Plamondon, Matthew Bigg, Monty Lau, Louie Arrowsmith, Oliver Lau, Hunter Chapman, Loughlin Canny
Third Row: Jack Edwards, Eden Butler, Benjamin Pinwiset, Alexy Slobodetsky, Ethan Francis, Jack McKegg, Jack Charleson, Levi Lazarus-Hall, William Thomas, Marcus Ambrogio, Marcus El Haddad, Alex Kardos, William McCarthy, Nicholas Rosser, Hugh McWilliam, Matthew Howard
Second Row: Callum Sullivan, Alexander Blayney, Michael Flanagan, Henry Mather, Toby Lau, Felix Brown, Edward Stewart, Eli Mckenzie, Rhys Williams, Samuel Miller, Jacob Galvin, Angus Johnston, Tom Carseldine, James Lewis-Enright, Thomas Bassingthwaighte, Thomas Grayson, Luca Ghoreyshi
First Row: Max Tevanian, Greg Soghomonian, Callan McInney, William Brown, Patrick Inglis, Patrick Short, Edward Carter, Augustin King, Joseph Paii, Oliver Edwards, William Briscoe, Charlie Ghoreyshi, Adian Lynam, Ethan Wong, William Sampson-Giglio, Joshua Francis
Seated: Christian Spiropoulos, Hugo Casali, Ms Rebecca Hoad, Oliver Perkins, Ms Gayaneh Michaelian, Alastair Brown, Mr Jason Lucia, Isaac Ford, Mr Ben Carolan, Nicholas Dougherty, Mrs Maryanne Humphrey, Joshua Saunders, Mrs Nancy Van, Toby Ward, Mr Trent McAllan, Martin Slobodetsky, Mrs Claire Burke
Absent: Freddy Reinhardt, Anakon Ratanavan, Zach Hui, Owen Kam, Ace Thomas, Sevan Tevanian

fill Isaac's shoes as MC during the raffle.

It was excellent to see so many Romero students engaged in the vast co-curricular program that the College offers. All students participated with great enthusiasm and sportsmanship throughout both the summer and winter seasons. Special mention to Isaac Ford who took out the Lawrence Campbell Oratory Competition, regarded as the most prestigious and difficult public speaking competition in NSW. Also to Will Thomas and Zac Dockney for their Silver and Gold in the Australian School Band and Orchestra Festival 2024. It is wonderful to see these students step out of their comfort zones and showcase their talents on a variety of platforms.

St Ignatius' Day this year was another successful day and a great opportunity to embrace our call to service. Romero again participated in the Romero Memory Walk in which students raised money towards Dementia Australia. We had an excellent day walking around Drummoyne Bay supporting families impacted by what continues to be a growing health issue in Australia. Through the generosity of the community and student fundraising we raised $3330 for Dementia Australia, amounting to just shy of $8000 over two years – an incredible achievement.

Mr Lucia and I would like to thank our outgoing House Captain Isaac Ford and Vice Captains Alastair Brown and Nick Dougherty for accompanying the Romero young men on their *cura personalis* journey by leading house activities and offering advice to younger students. These boys have set a new bar in regards to student leadership in 2024.

We look forward to the newly appointed Captain for 2025 Zac Dockney and Vice Captains Marcus Ambrogio and Oliver Lau who will bring their own version of accompaniment. An even bigger thank you to our wonderful team of mentors for all the time they invest in walking with and nurturing their mentor group through daily conversations. The Romero students and I are so grateful for your passion and continued care for each boy in your group.

Smith House

Ms Rosanna Comastri | Head of House

Assistant Head of House:
Mr Martin Collins

Mentors: Ms Kathleen Hunt, Mr Joe Boneham, Ms Christine Paek, Mr Anthony Reilly, Mr Emanuel Comino, Ms Lisa Ming, Mr Toby Martin, Mr Clint Maguire, Mr Andrew Szabo, Ms Leonie Gastineau-Hills, Ms Clara Manio

House Captain: Patrick Maguire
House Vice Captain: Marco Vecchio
House Vice Captain: Zachary Duane

"Gratitude is not only the greatest of virtues, but the parent of all others."
– Cicero

The year was a multicoloured crocheted blanket.

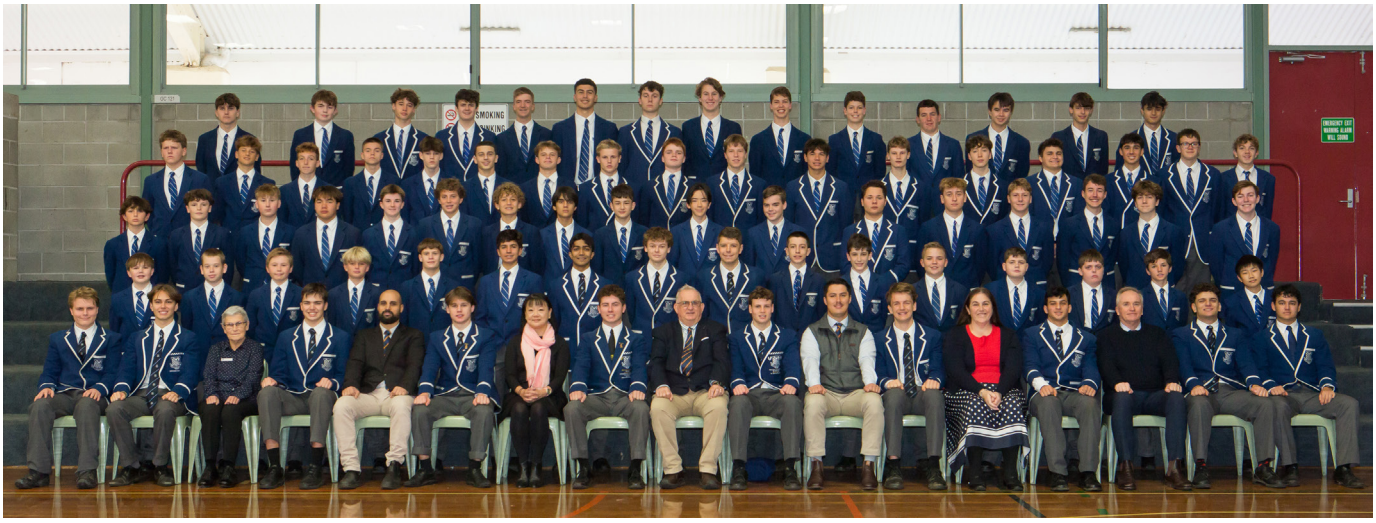

When at the end of 2023, Mr Henry Tsang, the Grandfather of Smith House Vice Captain, Charlie Tsang, gifted Smith House a blanket bound in ribbon and in a bag, its meaning was nebulous until we heard the story...

A story of gratefulness. First the gratitude of a grandfather for the care and attention his grandchild received over his years at the college. Then as the story unfolded from its paper bag and ribbon, it was of an honourable man who worked in gratefulness and vision of a Sydney united by its diversity. Henry Tsang worked with many groups in the 90s as the Deputy Lord Mayor of Sydney including the First Nations people in Redfern and, of course, with our extraordinary patron, Mum Shirley Perry Smith. It was in the many encounters these like-minded change makers shared, that a friendship grew and a deep respect. Mr Tsang's knees were cold during a meeting with our patron and upon the next visit, she gifted him the blanket, so he could be more comfortable.

It's a simple story.

One of listening, hearing, feeling, and acting. So now in Smith House, framed forever, is that memory and reminder. It sits on our wall and oversees all the Smiths. Retelling the story of why we are here – in gratefulness, to love and be kind. As Mum Shirl did, living and acting for the greater glory of God – seeing a need and filling it with everything we have. A simple story, taken out of a little bag, with the mightiest of messages.

This year's leaders continued the good work of their predecessors bringing their own take on House building. Patrick Maguire,

Smith

Back Row: Edward Pincock, Nicholas Cann, Nathan Drakeford, Oscar Wilmore, Healy Ryan, Hunter Reich, Lucas Gontarczyk, Cameron Ellis, Bailey Hanson, Cooper Hanson, Alexander Scanlon-Dawson, Samuel Nicholls, Kestrel Ebsworth, Christian Camus
Third Row: Robert Stenhouse, Hudson Shaw, Cooper Edwards, Luka Franich, Noah Duane, Jean-Paul Jacob, Samuel Keen, Sidney Ell, Michael Gordon, Thomas Makim, Campbell Conna, William Erwin, Max Sheffield, Salvatore Colosimo, Jason Tonkin, Jack Findlay, Matteo Shipman
Second Row: Henry Hay, Luke Sutherland, Stuart Ellis, Sebastian Conna, Jack Slater, Nicholas Marran, William Reilly, Cruz Ortega, Remy Camus, Jude Lee-Field, Harry Thomas, Marcus Brindisi, James Gibson, Oliver Roach, Mitchell Haigh, Oliver Moss, Jasper Perrett
First Row: Hugh Wentriro, Thomas Gibson, Hamish McGettigan, Fletcher Holmewood, Liam Vlaeminck, Luc Beasley, Ved Patel, Daniel Gibson, Dylan Hanson, Angus Piccoli, Oscar Wills, Gabriel Brady, Thomas Wilmore, Patrick Delaney, Charlie Vecchio, Edward Kwok
Seated: Rory Ell, Jack McConnell, Ms Kathleen Hunt, Bryce Keevers, Mr Emanuel Comino, Marco Vecchio, Ms Lisa Ming, Patrick Maguire, Mr Martin Collins, Zachary Duane, Mr Clint Maguire, Toby Ryan, Ms Leonie Gastineau-Hills, Marc Jacob, Mr Andrew Szabo, Christopher Chidiac, Jack Simmon

Marco Vecchio and Zachary Duane made being yourself our greatest value over the year – running our now staple food auctions, sport get togethers, and spelling bees. Despite our Machiavellian attempts at winning back OUR House basketball honours, again this year the trophy evades our grasp... next year! Or perhaps we are missing the point a little and it really should be about the pursuit... Our new incumbents, Campbell Conna, Tom Makim, and Michael Gordon have already stepped in and up organising many successful events and the making of our magnificent wedge-tail eagle corduroy bucket hats – sun safety with style!

We had a bumper Things in a Jar stall at the Jesuit Mission Bazaar this year with the most generous of prizes – holidays by the ocean or by a firepit staring at the stars, bikes and fitness programs, beauty and food. I continue to remain open mouthed at everyone's participation, volunteering and TIME. This year we had very schmick custom aprons that made our stall look truly professional. All our efforts were rewarded by earning $14,300 this year. Every drop going to the good works of Jesuit Mission.

The new year will soon dawn, we face the cold of a world that has forgotten their blanket in their bags. Let's help them find it.

Southwell House

Mr Damien Reidy | Head of House

Assistant Head of House: Stephen Croker
Acting Assistant Head of House (Term 4): Mr Chris Bishara

Mentors: Mrs Dominique Marturia, Mrs Louella Perrett, Mrs Rowena Byrne, Ms Laura Bernasconi, Mr Leon McAllister, Mr Samuel Maher, Mr Kaleb Taylor, Mr Jared Twaddell, Mr Lloyd Walker

House Captain: Zac Brasington
House Vice Captain: George Daly
House Vice Captain: Christopher Swan

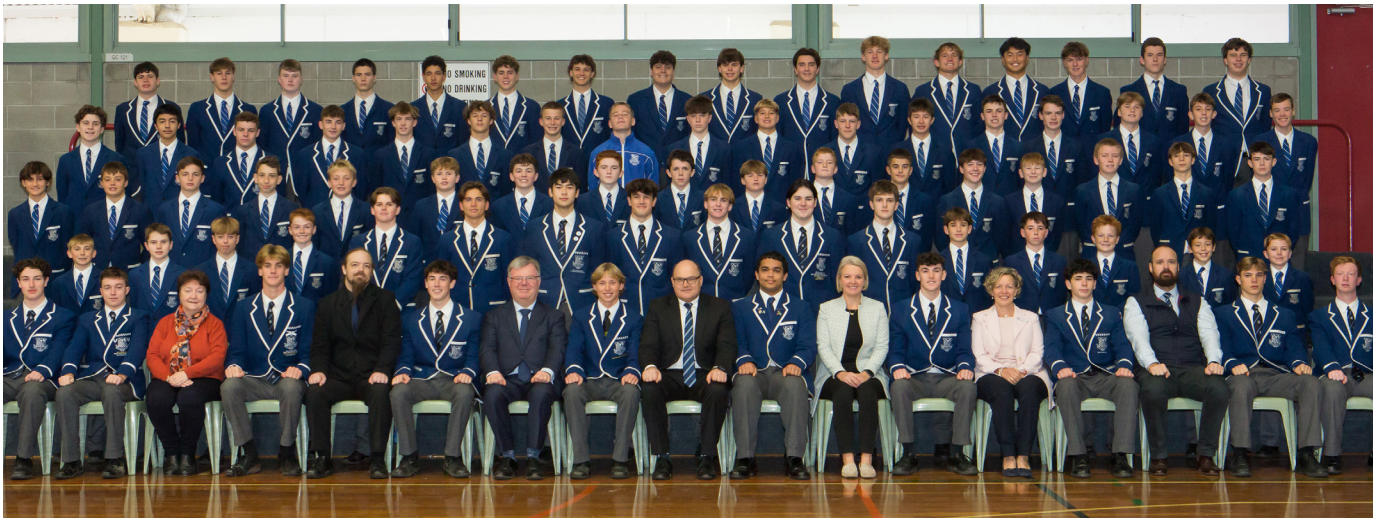

The strength of Southwell House in 2024 lay not in our wide range of involvements, achievements, and successes but rather in our sense of community – in particular, our willingness to support and care for one another.

At the beginning of this year, we lost one of the most treasured members of our community, Mr Tom Riemer. Tom was a member of Southwell House during his student days at Riverview and when he returned as a member of staff, he reacquainted with the House as a Mentor. Tom's kindness, patience, and devotion to the boys ensured he was much loved and respected. He and Mrs Marturia dovetailed beautifully, creating an environment that was inclusive, facilitating, compassionate and warm.

Tom's influence was not restricted to students in his Mentor Group. His ubiquitous loving presence impacted profoundly and acted as a point of reference and inspiration for the boys. Saint Ignatius once implored on us that for those who love, nothing is too difficult, especially when it is done for the love of our Lord Jesus Christ. Tom embodied these sentiments with every fibre of his being.

Our House Patron, Saint Robert Southwell, was renowned for his courage and steadfastness in the face of adversity and his gentle strength. When faced with deep sadness and grief on Tom's passing, the true nature of our community came to the fore. People listened, shared, supported, and respected each other, led by the boys. Our House Patron, no doubt, approved of how we navigated the journey in a loving fashion together.

Throughout the year, the unique sense of community which underpins everything we

Southwell

Back Row: Hamish O'Halloran, John Rowe, Patrick Purtell, Cooper O'Halloran, Marcus Hughes, Oscar Dominguez, Jack Fish, Jack Tsokos, Willem Van Rijswijk, Daniel Nuthall, Edward Bateman, Alexander Forlico, Xavier Wong, Jack Hamer, Nicholas Blackmore, Samuel Brookes
Fourth Row: Michael Hadwen, Daniel Vassallo, Archer Hallett, Julian De Angelis, Joshua McMeekin, Max Lenehan, George Bateman, Jagger Short, Freddie O'Halloran, Charlie O'Halloran, Henry Rose, Samuel Young, Charles Stuart-Robertson, Patrick Cleary, Charlie Loneragan, Noah King, Archie Woods
Third Row: Joseph McKeown, Xavier Ugarte, Archie Chandler, Leonardo Clyde, Billy Bowen, Max Quilkey, William Job, Billy Ryan-Lousick, Daniel Blackmore, Hugo Loneragan, William Gibson, Hugo Lennon, Jock Whittaker, Callum Sillett, Harry Francis, Samuel Rowe, Will Davies
Second Row: Jack Daly, Leo Harvey, Will Todd, Lachlan De Angelis, Archie Westhoff, Will Brasington, Sebastian Filla-Duan, Sebastian Todd, Oliver Hunt, Tom Doyle, Connor Forrest, Jonathan Lowe, James Stack, Richard De Angelis, James Koch, William Johnston
Seated: James Groundwater, Lachlan Hordern-Smith, Mrs Louella Perrett, Benjamin Bousie, Mr Samuel Maher, George Daly, Mr Stephen Croker, Zac Brasington, Mr Damien Reidy, Chris Swan, Ms Laura Bernasconi, Luca La Spina, Mrs Dominique Marturia, Harrison Bunis, Mr Leon McAllister, William Rowe, William Hall

strive to achieve in Southwell House was strongly in evidence. Four times weekly, students met in Mentor Groups to chat about their experiences. They bonded by playing games, engaging in friendly banter and sharing food on Thursdays. Mr Samuel Maher, Mr Jared Twaddell, and (after a hiatus of three years) Mr Lloyd Walker joined our Mentor team this year. They have augmented the strength of the group.

In Term 1, Year 7 students went on a camp partaking in challenging alternative pursuits together which tightened the bonds of friendship.

Our monthly House meetings and weekly mini-House meetings afforded students opportunities to engage their competitive spirit. It allowed them to enter a cooperative and collaborative spirit with each other.

In Term 4, Year 9 students spent three weeks engaging in activities where they were taken out of their comfort zone to develop their decision-making skills, leadership skills, and personal traits such as resilience in a challenging way. Sharing Bush Week with Mr Reidy no doubt left them with fond memories, recalling his inadequacies, and deteriorating athletic profile.

This year we were blessed to have a student leadership team that complemented each other beautifully. They were dedicated and approachable. Zac, George, and Christopher left a legacy, embraced challenge, encouraged change, and will be remembered as men who genuinely reached out and sought to make a difference.

Our House Mass was memorable this year. The theme of 'Supporting One Another', selected by our Year 12 cohort, was an appropriate one. The abundance of talent in the House was on display. Mr Croker's duet with Thomas Doyle, George Daly performing his own musical composition and Zac Brasington's thought-provoking reflection were highlights.

This year students from Southwell House excelled in every facet of life at the College. To list all achievements would cause me to exceed my accepted word count. However, it would be remiss of me not to mention Thomas Doyle's outstanding achievement of representing the Australasian region in the World Student Debating Championships at Cambridge University in England.

Our commitment and involvement in service and fundraising was excellent this year. Most students engaged in new experiences. The number of Southwell students who participated in either country placements or immersion experiences was never exceeded.

Our fundraising activities on St Ignatius' Day, at the House Mass and Supper and the Jesuit Mission Bazaar collected an aggregate total more than $6000. These figures reflect the sincerity and enthusiasm of the boys' efforts. In conversation with the boys, it was clear that these experiences impacted deeply and left them with a strong sense that they were following in the footsteps of both Saint Robert Southwell and Saint Ignatius.

We are privileged in Southwell House to have a Mentor Group team who are so devoted and caring. Their attention to detail and willingness to give more of themselves is inspiring. The relationships and environments they have fostered and created are unique.

Saint Ignatius reminds us that all the things in this world are gifts of God, created for us to come to know him better, love him more surely, and serve him more faithfully. At times this year our devotion to this mantra was challenged, but by being transparent, honest, and willing to share conversation, these beliefs have become stronger and clearer. I am confident our experiences this year will act as a point of reference and allow us to engage in a more authentic, reflective and understanding way in the future.

Teresa House

Ms Natalie Baines | Head of House

Assistant Head of House: Ms Sally Wentriro/Mr Todd Freedman

Mentors: Mr Paul O'Brien, Mr Charles Renneker, Mr Harrison Layton, Fr Joseph Dooley, Mr Jacob Stephens, Ms Melissa Bowering, Mr Dominic Moore

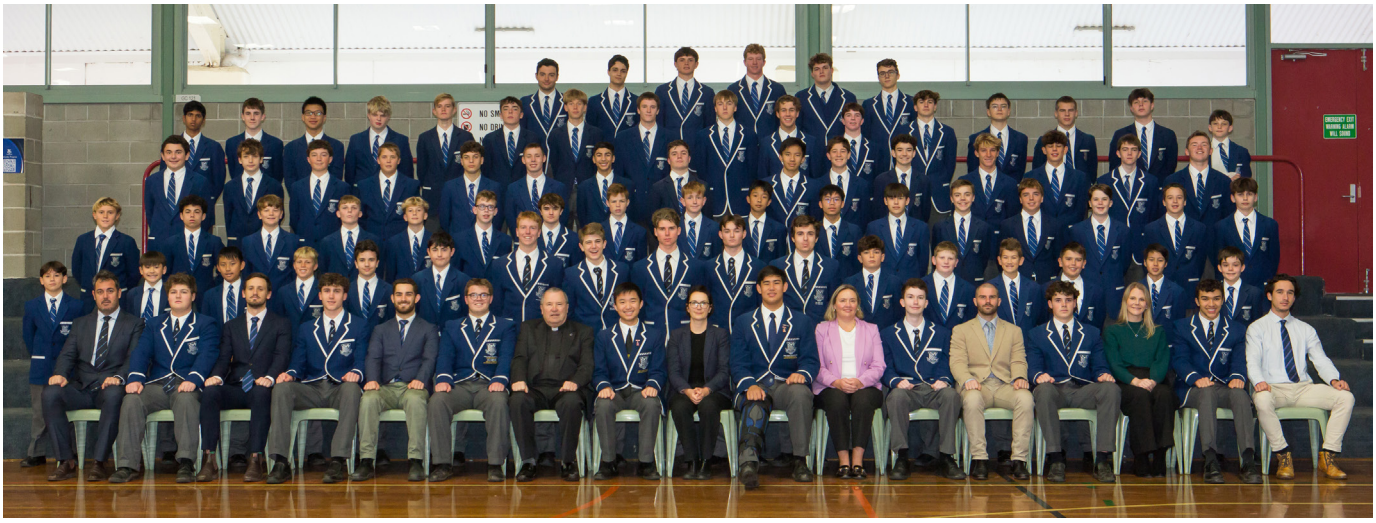

House Captain: Justin Hiew-Choy
House Vice Captain: Angus Phillips
House Vice Captain: Tana McCleary

At the end of 2023, our House Captains chose the theme for the new year: 'Ignite compassion.' This focused on the complexity of relationships and a commitment to working together to honour our House Patron's advice, "Love begins by taking care of the closest ones, the ones at home." With their Year 12 cohort, our leaders shaped a culture of inclusivity based on encouragement and praise, making everyone feel important by ensuring that they embraced uniqueness and individuality in our community.

We came together as a community to celebrate St Ignatius' Day sending students to engage in service at Cana Farm and The Rev. Bill Crews Foundation at the Loaves and Fishes Restaurant. We also listened to the experiences and raised funds for Jesuit Mission Australia and Jesuit Refugee Service who work to help refugees from the Ukraine. The words and actions of our staff and students were defined by conscience, compassion, and a recognition that we do not exist for ourselves alone.

We were blessed to commit to supporting initiatives and programs in India in the name of our House Patron. With the recommencement of the first Immersion Program since the pandemic, we collected health care and wellbeing items for a 'Wish List' and added funds for two projects chosen by our Captains. In the past years, we have raised over $10,000 for women and girls in remote communities. There are not enough words to express my thanks for the generous donations; we are blessed with extraordinary families in our Teresa community.

But, there was an event that will be remembered for bringing our House

Teresa

Back Row: Joshua Marzullo, Ahran Grimes, George Field, William Spora, Indy Beck, Daniel Perisa
Fourth Row: Marlon Malhi, Owen Hoy, Jaden Lee, Zane Beck, Noah Beardmore, Charles Hook, Charlie Pobje, Noah Coble, Dougald Hook, William Mudford, Jack Barry, Kynan Lascelles, Mykola Shmatukha, Lachlan Flynn, Lachlan Munnelly, Taig Hartigan

together this year: the College's Athletics Carnival. Competing with our top-floor neighbours Cheshire House, our students unified to secure first place this year. It was a moment that expressed a sense of pride as they realised the power of belonging and connection.

I would like to thank our Captains Justin Hiew-Choy, Angus Phillips and Tana McCleary for their contributions to Teresa House in the last year. In her book *Head and Heart: The Art of Modern Leadership*, Kirstin Ferguson reflects that Compassionate Leadership is the practice of using your head and heart to inspire and influence people so they can, in turn, inspire and influence others. She writes: "Leadership is simply a series of moments. We all have different moments. It's our choice to leave as positive a legacy as we can in those moments..."

Gratitude must be extended to the parents of our Teresians who continue to show generosity of spirit, repeatedly giving their time to support various events throughout the year and through their donations to numerous charities.

I would like to also express my gratitude to Ms Sally Wentriro and Mr Todd Freedman for their leadership this year, and to our team of exemplary mentors who are focused on the care and support of each student in the House: Fr Joseph Dooley SJ, Mr Paul O'Brien, Ms Melissa Bowering, Mr Charlie Reneker, Mr Dominic Moore, Mr Harrison Layton, and Mr Jacob Stevens. They have built strong relationships with our Teresians and must be acknowledged for their dedication and effort. We farewell Melissa Bowering as she moves to another school.

Looking ahead to 2025, Teresa House will be led by William Spora, Jack Barry, and George Field. These young people will continue to build on Mother Teresa's message and legacy through their words and actions.

This is my last year as Teresa Head of House, and I am grateful that Mr Christian Iligan will lead our community moving forward. I farewell these families with a quotation by Graham Greene: "There is always one moment in childhood when the door opens and lets the future in." I hope there have been moments for each of those in Teresa House when they have felt that the door has opened to a new way of thinking or being, because I have been privileged to experience that during my time with this special House.

Xavier House

Mr Rob Stuart | Head of House

Assistant Head of House: Ms Sarah Dieu

Mentors: Ms Kim Davey, Mr Lachlan Wylie, Ms Sarah Dieu, Mr Rob Stuart, Mr Peter Steffan, Ms Stephanie Vardas, Ms Ursula Sequeira

House Captain: Ambrose Hennessy
House Vice Captain: Thomas Hartman
House Vice Captain: Jaiah Wallace

The Xavier House community began the year again with an outdoor House Mass (celebrated by Fr Tom) early in Term 1.

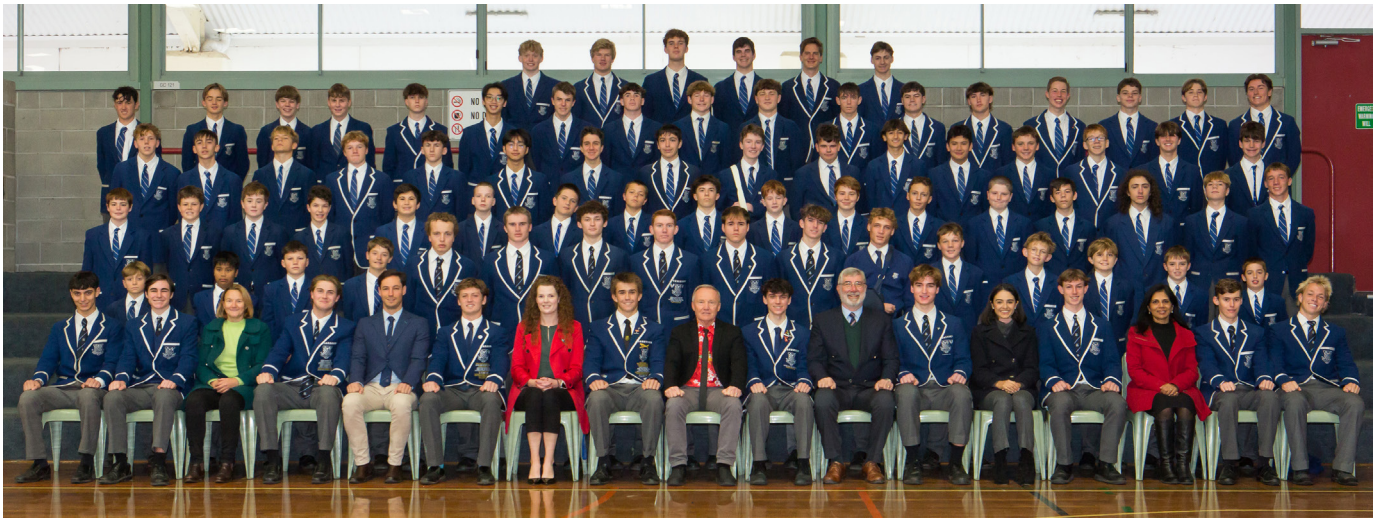

Our House leaders, Ambrose Hennessy (Captain) along with Tom Hartman and Jaiah Wallace (Vice Captains) were outstanding and fronted an influential Year 12 group whose inclusion, support, encouragement, and example were pivotal to the success of the year.

With a heavy heart we farewelled Mr Wylie in the mid-year as he was appointed as MacKillop Assistant Head of House. We thank him for his outstanding contributions to Xavier House and we are fully aware of the gift he is to MacKillop House. Fortunately, we secured the talents and services of Mr Nick Kitromilides, who has quickly established an excellent reputation. I wish you all the best for 2025.

Excerpts from the House Captain's Reflection at Xavier House Mass (February 2024)

Through the spirit of Xavier House, I have grown to recognise and appreciate the virtues of generosity and integrity. The reading and gospel tonight touch on these values. As most of the boys would know, Mr Stuart's version of Saint Ignatius' prayer is: "Dearest Lord, teach me to be generous." He then cuts the prayer short just there, which might initially seem strange but is an intentional focus on the importance of generosity. It also reinforces the idea that a short act of kindness goes a long way. If you give your bread to the hungry, and relief to the oppressed, your light will rise in the darkness, and your shadows become like noon. Whether it's helping someone in need by showing a new boy where to go or checking in on someone because they look down... a little can often go a long way.

So, to all who make up Xavier House, my advice is to be generous and have integrity.

Xavier

This has always been the Xavier spirit, from the first ever Xavier House Mass 41 years ago in 1983, captained by Michael Delany who has been kind enough to send his best wishes for the year we have ahead of us.

Year 9 Bush Week

Tom Symons (Year 9)

It was the first week of Year 9 Challenge, and the Xavier boys along with Ms Dieu headed off to Bush Week. Day 1 was a 10 km hike, which started unfortunately in the pouring rain. And up a large steep hill. At our campsite each group received a little camping stove and we sorted out cooking and clean-up duties. The evening reflection activity was really beneficial; it brought all of us together to reflect on the positives and the challenges we faced during our hike and in our lives, and how Bush Week can bring our Year 9 cohort together.

The following day started at 6am and we hiked to Vision Valley and set up our new campsite before lunch. Our next activity was mountain bike riding around Vision Valley. We learnt different techniques and core skills of mountain biking, which was awesome, however, the thunder clouds rolled in again.

We all knew the next two days were going to be tough, with a 20km canoeing activity with the current against us, needing to get up at 4am to be on the water by 5am. Canoeing took a lot of teamwork and resilience, and you relied on your teammate to get the job done. As Ms Dieu said, "Teamwork makes the dream work."

We began our last day of canoeing bright and early, headed back to our original campsite where the bus picked us up and took us back to school. Everyone was keen to get into their own bed, have a hot shower and put on some dry clothes. We all worked well together, reflected and made closer connections with each other. A big shout out to Ms Dieu who accompanied us on our Bush Week. It was awesome to share this experience with her, and we are very grateful that we had such a positive and caring mentor with us. Many thanks to all the staff and parents who organised and facilitated this Year 9 challenge, which we will always positively remember.

Jesuit Mission Bazaar

Theo Hennessy (Year 8)

In 2024 we celebrated the 72nd Jesuit Mission Bazaar. It was an amazing experience, providing fun for all ages including rides, games, stalls, and competitions. Starring the Old Ignatians' ham wheel, Smith House luck draw and Xavier House dunk tank – featuring Mr Lowe, Ms Dieu, Mr Noonan, other teachers and students all throwing themselves at the mercy of the thrower; this attracted quite a crowd through the day. There were also many thrilling musical performances from our Riverview big band, drum line, Ignatian Choir and other performances throughout the day. With a turnout of over 8000 people from the general public, volunteers, members of the school, parents and relatives all had a great time contributing to raise money for the Jesuit Mission charity. This charity provides education, health services, basic rights, emergency responses in crises and helps to break the cycle of poverty in more than 10 countries. This could not have been achieved without the generous support of St Aloysius' school, local parishes, volunteers, and the Riverview community all supporting this worthy cause.

Year 7 Camp

Patrick Gijselman (Year 7)

Year 7 camp was really enjoyable and was held at the Sydney Academy of Sport, Narrabeen. It was so exciting to hop on the bus and head off with a bunch of my old Regis friends and a lot of new students, who I would soon become friends with. I thought it was smart to have it at the start of the year because, as a year group, we bonded well with each other. The camp was full of exciting activities. Overall, the camp was super exciting and I made a bunch of new friends and made better connections with my old friends.

Year 11 Day of Reflection

Josh Delany (Year 11)

The 2024 Year 11 reflection day was one of great thought and created lasting impacts that uplifted us throughout Year 11. We were fortunate enough to go to Peter Canisius House at Pymble, led by our Year 12 leaders; Jackson Delany and Jaiah Wallace. On this day we sought to find God everywhere and in everyone, reflecting upon this on a deep and personal level in groups and individually. From reflection day we learnt valuable lessons and furthered our relationships with one another in our year group, whilst bonding with the older year. It was a day we won't forget.

St Ignatius' Day

Archie Delany (Year 11)

St Ignatius' Day, is a time for service and companionship. A day that reminds us of our mission for the Magis. On 31 July 2024, all 1600 Riverview students as well as College staff went across our local community to serve in honour of Saint Ignatius. This was particularly the case for Xavier House, where all boys donning the red and white worked on College grounds, in tree planting and serving our local community.

For my mentor group, guided by Mr Toby L'Estrange, we went out to provide services to St Anthony's school in Marsfield. We were welcomed by the Principal with open arms, and given plenty of things to do. What mainly occurred however was our interaction with students in the classroom. In my time there, I had helped out in the Year 3 classroom, helping with their skills in areas such as problem solving and spelling conventions.

During the break time at the school, we went out to interact with the students getting to know them. One particular highlight for the boys was the football match that they participated in with the students, as well as the running races around the school oval. For me, the simple joy of being able to see the smiles on their faces was truly a highlight.

From this particular moment, I was reminded of why we as Jesuit students do this on St Ignatius' Day. Instead of doing something for ourselves, we are doing something that will ultimately benefit those around us who need it the most, particularly in these difficult times. We are doing it for the greater glory of God, walking with those who need us by their side, serving as "men for and with others".

Year 10 Service Week

Paddy Delaney (Year 10)

Year 10 Service Week was an incredible experience. In the last week of Term 2, boys in Year 10 went to various parts in Sydney to give back to the community and take part in service. Boys travelled to places such as Loaves and Fishes in Ashfield, Catholic Care in Lakemba, and many more. This was the first time in our schooling period where we were given the opportunity to complete our service hours in a face-to-face way. This way, we could see the effects of our contribution first-hand and gain an insight into the many disadvantages people face on a daily basis. The week reinforced how lucky we are to go to a school like Riverview – giving us the opportunity to take part in important activities such as this.

Boarding

Boarding Community

Mr Anthony Begg | Director of Boarding

It was a year of growth, connection, and shared experiences for our boarders. Through challenges and celebrations, our students have built a community that will extend beyond their school years, creating lasting friendships that will support them in the future. Every day, we are reminded of the privilege it is to be part of this vibrant environment. Whether in the dining hall, on the field, or during recreational activities, there is a clear spirit of respect, support, and camaraderie that makes Riverview special. This brotherhood lies at the heart of the Riverview experience, providing our boarders with a foundation that strengthens them as they grow.

Our boarding program this year offered a range of activities designed to enhance students' school experiences, build social connections, and encourage personal development. Boarders enjoyed trips to destinations like Manly Beach, paintballing, ten pin bowling, Luna Park, and the National Maritime Museum. Boarders were also provided the opportunity to expand their social circles through organised activities with Loreto Normanhurst, Ascham, and Pymble Ladies' College. Senior students took advantage of training programs, earning Responsible Service of Alcohol (RSA) and Barista qualifications – important steps toward independence and future employment.

Some of the year's most memorable activities combined excitement and competition. Students eagerly discussed plans for rides at Raging Waters and recounted their experiences in Bubble Soccer matches. Our entire boarding community also came together for events like Super Rugby and NRL games, as well as movie nights. These events allowed students to unwind and build relationships, fostering an inclusive environment where everyone feels part of something bigger. The balance of fun and community has been essential in developing empathy, teamwork, and a strong sense of belonging among our boarders.

The Wellbeing programs focused on nurturing essential values and skills at different stages of adolescent development. The program started by instilling values such as gratitude, creativity, courtesy, and bravery while also teaching academic skills and workload management to lay a foundation for growth. As students progressed, they learned about resilience, empathy, and respectful relationships through initiatives like 'Bullying No Way'.

Study skills were emphasised with strategies for goal-setting and effective note-taking, while sustainability was promoted through gardening and clean-ups under the Care for our Common Home initiative. The Men of Honour Workshops, developed with the HopeFULL Institute, helped students explore their concept of masculinity, promoting self-regulation and emotional intelligence. Finally, the True North Workshops guided students to discover their purpose and strengths, empowering them to contribute meaningfully to their communities.

A major highlight of the year was the Boarding Roadshow, which allowed us to connect with students' families across NSW and beyond. Visits to Bowral, Forbes, Dubbo, Newcastle, Canberra, Wagga, Lord Howe Island, Tamworth, Moree, and Henty deepened our understanding of the diverse backgrounds and experiences that shape our students. The hospitality we received reaffirmed the strength of the Riverview community.

We extend our sincere gratitude to the Boarders Parents' Association for their invaluable support, particularly to Julie Lenehan for her dedicated leadership as President. We also thank our devoted boarding staff, Health Centre team, and Heads of Division for their continued care and commitment, ensuring that students feel supported and empowered. Without their dedication, the Riverview boarding experience would not be what it is today. This environment shapes compassionate, capable young men, preparing them for future leadership.

Years 7–12 Boarding Divisions

Proctors

Back Row: Isaac Ford, William Hodge, Ambrose Hennessy, Henry King, Joseph Madigan, Benedict King
Middle Row: Chris Swan, Tom Hartman, Jack Simmon, Aaron Malla, Joshua Price, Angus Phillips, Sam Ball, Hugh Graham

Hot Potato Shop

Ms Rosanna Comastri

"No man ever steps in the same river twice, for it's not the same river and he's not the same man." – Heraclitus

This year has been a time of change and transition for our beloved Hot Potato Shop. These lunchtime seminars named the 'Hot Potato Shop' began in 1979. While the seminars were the idea of Dr Gregory Haines from the History department, they were organised and run by the senior students. In 1979, the idea behind the seminars was to "encourage speakers of repute from the political and economic scene of Australia to address good crowds of boys throughout the year". In an article presumably written by Greg Haines on the Hot Potato Shop in the 1979 Alma (p24) he writes, "The Hot Potato Shop represents an attempt to help pupils learn how to deal with the expert – the news maker or the person behind the news."

And ever since, the Hot Potato Shop (HPS) has followed this model and expanded upon it. Seeing so many interesting individuals and groups come and share their vision of politics, economics but also, now including the arts, music, popular culture, people from the non-for-profit sphere, sports, and so much more. In recent years we have been blessed by the exceptional coordinating talents of Mr Paul Achmar who, since 2018, invited interesting people who excelled in their domains or pushed the boundaries of the traditional. While we miss him, we acknowledge and wish Mr Achmar well in his new move.

This year the HPS team took change in their stride as they organised opportunities for the pupils of the College to meet people blazing trails of change. Encouraging the SIC crowd to question everything in our eternal pursuit of finding the 'More' in our world and to open windows and doors to other worlds. This year we were lucky enough to have Louis Stenmark (OR2016) – co-founder of Windfall Bio, a company focused on utilising microbes to convert greenhouse gases into organic soil nutrients. Louis shared valuable insights on navigating life after school, seizing opportunities for success, and the significance of upholding the College's values. In collaboration with the College's Green Wolves, we asked pointed questions about our climate and how change is the only way forward.

Jesuit Refugee Service's (JSR) Maggie was another of our guests this year to help us see beyond our own lives. A courageous sports journalist from Sierra Leone, Maggie sought asylum in Australia in 2018 after receiving severe threats to her life due to her outspoken activism against female human rights violations in her home country. Despite the challenges of starting anew and leaving her family behind, Maggie has channelled her skills and passion into advocating for the rights of vulnerable communities. Now a dedicated Project Officer at the JRS Women's Space, she continues to make a significant impact, empowering others both in Australia and Sierra Leone with her unwavering commitment to justice and equality.

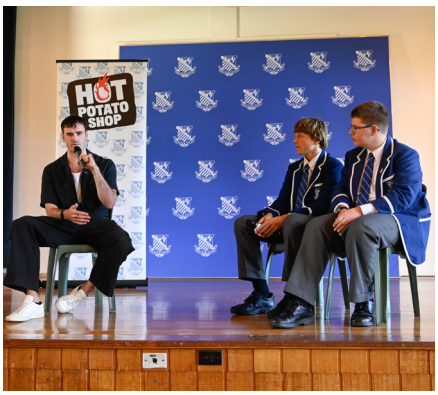

Our community continues to be enriched as we look at our opportunity and work to educate our hearts and minds to understand our gifts and use these to build God's Kingdom. The coming year looks promising with new Hot Potato Shop members joining the ranks of seekers to all the truths we can find in the words and experiences of others.

"To know that we know what we know, and to know that we do not know what we do not know, that is true knowledge." – Nicolaus Copernicus

Senior Co-Curriculum

Mr Andrew Szabo | Head of Co-Curriculum

In Jesuit education, the formation of young men goes beyond academic success; it extends to nurturing well-rounded individuals who are intellectually competent, morally grounded, spiritually aware, and physically capable. A vital part of this holistic approach to education is the inclusion of sport and co-curricular activities, which serve as powerful vehicles for personal growth, character development, and community building.

We emphasise *cura personalis*, or 'care for the whole person', which underscores the importance of balancing mind, body, and spirit. Riverview's sport and co-curricular programs provide opportunities for boys to challenge themselves physically, cultivate teamwork, develop resilience, and learn to navigate success and failure – all of which are essential life skills aligned with our Jesuit values.

We uphold the ideal of magis, or 'more', urging students to go beyond the minimum and seek to be the best versions of themselves. Riverview's extensive sports programs, drama productions, debating teams, music ensembles, and the like allow students to not only build friendships but also engage in experiences that foster empathy, integrity, and responsibility. These activities create a unique environment where students learn to embody the principles of Ignatian spirituality, such as seeking God in all things, working for justice, and showing compassion for others.

This 2024 report highlights the achievements, growth, and challenges faced by students in sports and co-curricular programs over the past year, underscoring the significant role these activities play in shaping individuals who are ready to lead and serve in the Jesuit tradition. Over the following pages you will find longer and more detailed write ups of all the co-curricular activities. I have summarised a few of these achievements below.

Term 1

Summer Sport

Term 1 always starts with great anticipation. Riverview's sporting programs are extensive and diverse, catering to a range of students.

Touch Football, a relatively new addition to our program over the past five years is now reaching unprecedented levels of popularity. At the top end, the quality of play is outstanding. It is a game that requires superior fitness and reflexes due to its fast pace.

Basketball is the most popular summer sport based on the number of teams and student participation. Riverview basketball is very strong across all age groups and is creating a robust culture. At the senior level, the seconds Basketball team won the GPS Premiership for the 2023/24 season. Riverview has won half of the seconds premierships in the past decade.

Riverview Rowing continues to be the premier program across the GPS thanks to Dan Noonan and his team of talented and dedicated coaches. Having won the Senior pennant for the second consecutive year, this trophy is a compilation of the results of Year 10 and Senior GPS crews over all the regattas during the season. At the Head of the River, all crews made the podium, while the First and Second IV won their races. A week later, the highlight of the season occurred at the National Rowing Championships, where Riverview had two crews in the final of the First VIII that finished third and sixth in the country, highlighting the immense depth of the Riverview Rowing Program.

Term 2

Winter Sport

I congratulate the entire Riverview community – students, staff, and parents – for their perseverance in adverse conditions. Firstly, we battled through another very wet autumn and winter. Secondly, with fourth field undergoing rejuvenation, we were down a major venue for weekly practices and fixtures.

The **Riverview Rugby** program, headed by Nick Bousie, showed great improvement as it continued to flourish with fantastic results, especially in the Year 9 and 10 age groups, which augurs well for the future.

Our **Football** program is thriving and runs seamlessly thanks to Pat Ferrara, Branko Cullina, and their dedicated staff. In July, we hosted the Jesuit Carnival, with games played at Blackman Oval in Lane Cove, a synthetic surface that allowed for meaningful games despite the persistent rain.

The First XVIII **AFL** began their season with an interstate trip to Melbourne and, by the end of the season, won the Sydney Independent Schools Championship. They then travelled to Canberra and won the NSW/ACT AFL Schools Championship Trophy for the best independent school in NSW – a first-time achievement.

Musical, Debating and Public Speaking

The Junior Musical for 2024, *Aladdin Jr*, saw tremendous student participation and showcased remarkable talent. Riverview fields multiple teams in debating and public speaking. In Terms 1 and 2, our teams competed in the ISDA and FED competitions, with all teams qualifying for finals. Special congratulations to the Senior B FED team, who won their grand final. In public speaking, the most coveted competition to win is the Lawrence Campbell Oratory Competition, which dates back to the 1930s. This year, Isaac Ford continued Riverview's tradition and won the trophy, marking the 22nd Riverview student engraved on it. The future looks bright in public speaking, thanks to Jimmy de Flamingh in Year 9, who represented Riverview as the NSW entrant in the junior division of the National Rostrum Voice of Youth competition. Although not a winner on the day, Jimmy has been outstanding throughout the rounds.

Term 3

Rugby, Snowsports, and Athletics

There is always great anticipation for the annual Joeys vs Riverview Rugby game. As in the last three seasons, this fixture was held at Leichhardt Oval, but

unfortunately, the First XV was not able to regain the Alex Noble Shield this year.

A large team of more than 50 students competed under the Riverview banner at the **Snowsports** Regional Championships in July, with over 20 qualifying for the State Championships. This allowed another 10 to compete for Riverview at the National Snowsports Championships at Perisher Valley.

Term 3 culminated in the Annual GPS Track and Field Championships at Homebush. There were some credible results across the age groups, and **Riverview Athletics** is emerging strongly after the COVID interruption.

Term 4

Sailing and Touch Football

Term 4 marked the start of the new summer season, which culminates in 2025. Early signs indicate another successful season of rowing and basketball to look forward to.

Sailing is gaining huge momentum at Riverview. With the onset of the new season, we limited spots to 50 students in Years 7 to 12. There is significant work underway among schools to establish a weekly schools' competition. Presently, Riverview competes in two to three regattas per season.

Touch Football has become the fastest-growing sport in summer, with Riverview now fielding two to three teams across every age group. Other private schools are also coming on board, providing quality competition on a weekly basis.

Representative Success

Riverview boys enjoyed success at the highest level in their sports this year.

Alex Lee-Young (Year 12) was selected in the Australia U19 cricket team which toured India in September and October. He performed admirably as wicket keeper and scored 66 in the second test match.

Ambrose Hennessy (Year 12) and **Henry Burton** (Year 11) travelled to Canada to row in a coxed IV at the junior world Championships. Their crew won the gold medal for Australia.

Angus Grover (Year 11) was selected to play in the Australian U18 Rugby Team, which travelled to New Zealand and defeated the Junior All Blacks for the first time in several years. Angus, at halfback, was one of the best players on the field that day.

Healy Ryan (Year 10) won the 2024 NSW/ACT Youth Sailor of the Year Award after an amazing year of sailing and winning events within Australia and overseas.

Sebastian Atra (Year 9) continued his pathway and dream of becoming an Olympian, winning Gold in Alpine events at the National Snowsports Championships. Unfortunately, we bid farewell to Sebastian as he pursues his dreams at a school in the USA that specialises in snowsports.

Sports Tours

At the time of writing this yearly report, Riverview Rowers are preparing to head to New Zealand for a rowing tour. Basketball and track and field teams are travelling to the USA for a combined tour. In January, our cricketers will head to Mumbai and Delhi for Riverview's first cricket tour to the subcontinent. It is an exciting time for Riverview students as they become global citizens.

Cattle Show

Mr Michael Roffey and Ms Christina Mikan | Cattle Show Co-ordinators

This year, our Cattle Show Team put in months of dedication, hard work, and early mornings to prepare six exceptional steers for the prestigious Sydney Royal Easter Show. From feeding and grooming to halter training and handling, every student played a crucial role in ensuring our steers were in peak condition for competition.

The journey began long before the show, with students carefully selecting and preparing their steers. Countless hours were spent in the yards, training the animals to be calm and responsive in the show ring. Nutrition and conditioning were also a major focus, with students learning the importance of balanced feeding programs to maximise growth and muscle development.

Arriving at the Sydney Show was an unforgettable experience. The team worked tirelessly to keep the steers in top form, washing, brushing, and leading them with pride. Competing against some of the best cattle in the country, our students demonstrated outstanding showmanship, presenting their steers with confidence and skill.

The hard work paid off, with the team earning commendable results in both the hoof and hook competitions. Beyond the ribbons and accolades, the experience was invaluable, providing students with industry knowledge, teamwork skills, and unforgettable memories.

A huge thank you goes to our Agriculture teachers, parents, and sponsors for their continued support. Their guidance and encouragement made this incredible opportunity possible.

As we reflect on this year's success, we look forward to the next season, ready to raise the bar even higher. Congratulations to the team for their dedication and passion – your efforts truly showcased the best of our School's agricultural spirit!

Chess Club (Senior)

Mr Victor Zhang | Chess Club Co-ordinator

Chess Co-ordinator 2024: Mr V Zhang
Assistant Co-ordinator: Ms F Qian
Chess Captain 2024: Spencer Solomons

The College Chess Club has become a welcoming community for students who enjoy social games with friends as well as those who thrive on the strategic challenges of both school and inter-school chess competitions. This year, the 2024 Riverview Chess Club has continued its proud tradition of success, achieving impressive results in the Term 2 inter-school tournaments. These competitions highlighted the skill and dedication of our players, particularly within the Senior competition teams, who showed marked improvement and delivered standout performances.

Chess
Standing: Christian Bowe, Noah Thurecht, Sebastian Filla-Duan, Finn Egerton-Warburton, Christian Bainy
Seated: Samuel Liubinskas, Elliot Solomons, Spencer Solomons, Edward Murray, Lochlan Korowe

One of the highlights of the year was the 2024 Inter-House Chess Tournament, where the chess culture extended beyond club members, sparking school-wide enthusiasm. The event drew over a hundred spectators, as players from each House competed under spirited House chants and cheers. In the end, the exceptionally talented and humble player Alexander Mercieca (Owen House) emerged victorious, defeating all opponents to claim the championship title and earning the admiration of his peers.

The GPS Chess Championship remains a cornerstone event in our school calendar. On 31 August, 2024, Alexander Mercieca, Lachlan Cronin, Sebastian Filla-Duan, Spencer Solomons, Christian Bainy, Charles Davidson, Alexander Ainsworth, Oscar Mason, and Finn Egerton-Warburton represented the College with grit and determination as they entered the Great Hall of Sydney Boys High School to compete against top players from other GPS schools. Throughout a long day of intense matches, both students displayed advanced tactics, poise, and excellent sportsmanship. They left the tournament not only proud of their gains but also inspired by the high-level competition.

A standout moment of the year was the Inter-School Chess Tournament, which took place across Terms 2 and 3. Every player rose to the occasion, fully embracing the challenge of the competition. Their ability to maintain intense focus and concentration throughout each match was truly impressive. The tournament featured tough opponents, offering valuable opportunities for growth and sharpening their skills. Though the initial nerves were apparent, all players quickly found their rhythm and enjoyed the experience immensely.

As we close the 2024 season, we look forward with excitement to 2025. We are confident in the continued success of the Riverview Chess Club and are committed to further cultivating a vibrant chess culture that unites and inspires our school community.

Award	Recipient
College Chess Champion	Sebastian Filla-Duan
Year 11 Chess Champion	Oscar Mason
Year 10 Chess Champion	Finn Egerton-Warburton
Year 9 Chess Champion	Elliot Solomons
Year 8 Chess Champion	Ryley Nolan
Year 7 Chess Champion	Teddy Murray
Year 12 Excellent Application and Commitment	Spencer Solomons
Year 11 Excellent Application and Commitment	Alexander Ainsworth
Year 10 Excellent Application and Commitment	Lochlan Korowe
Year 8 Excellent Application and Commitment	Gianluca Di Pietro
Year 7 Excellent Application and Commitment	James Hodges

Duke of Edinburgh's Award

Ms Jacinta Barlow | Duke of Edinburgh's Award Co-ordinator

The Duke of Edinburgh's Award, with over six decades of history and participation in 130-plus countries, continues to empower and inspire youth worldwide. The program's three levels – Bronze, Silver, and Gold – challenge participants to explore their capabilities and interests through physical recreation, skills, service, and adventurous journeys. The flexibility of the Award ensures that students can tailor their experiences at their own pace. It remains highly valued by employers and tertiary institutions.

This year, the program saw remarkable engagement, with over 80 Year 9 students commencing their Bronze Award. This high participation was spurred by focused promotion early in the year. Additionally, the number of students transitioning directly to the Silver Award after completing Bronze increased significantly. An encouraging number of students also commenced their Gold Award. These trends underscore the Award's enduring relevance and appeal.

The diversity of activities chosen by students highlights the individual nature of the Award. In the 'Service' category, students dedicated their time to after-school programs, aged care facilities, and meal preparation for those in need. Many engaged in environmental initiatives such as bushcare and recycling, while others volunteered as junior sports coaches and referees. Impressively, a number of students exceeded their usual Ignatian service obligations to meet the Award's requirements, demonstrating remarkable dedication to service and community.

For 'Skills', participants showcased creativity and ambition. Popular pursuits included preparing family meals, baking, learning new languages, and mastering musical instruments. One student stood out by learning Auslan (Australian Sign Language), while some older participants incorporated driving lessons as their chosen skill.

A significant change this year was replacing school-based 'Adventurous Journeys' with 'Open Journeys', based on participant surveys. This decision allowed students greater flexibility in selecting their modes of travel and provided opportunities to collaborate with other participants outside the school. Despite encountering tough weather on some journeys, students demonstrated resilience and adaptability, earning well-deserved praise.

Silver Award participants embraced diverse expeditions, choosing mountain biking, hiking, or blended travel programs. Meanwhile, several Gold Award participants are preparing for an ambitious hike on Tasmania's Overland Track in December. This 65-kilometre trek, requiring extensive preparation, will test their endurance, stamina, and ability to adapt to changing conditions.

I sincerely thank all Riverview staff who supported the program and served as assessors. Your contributions were vital in helping students achieve success.

Congratulations to all recipients of the Duke of Edinburgh's Award this year. Your determination, resilience, and commitment are inspiring. I look forward to another year of passion and achievement in 2025.

Green Wolves

Ms Stephanie Vardas | Sustainability Co-ordinator

The Green Wolves, our school's environmental group, serves as the student voice for the Caring for Our Common Home Committee, aligned with the Universal Apostolic Preferences of the Society of Jesus. At Saint Ignatius' College Riverview, this mission drives education and action toward environmental responsibility, emphasising how local efforts impact global sustainability.

This year, the Green Wolves have embraced the 2020–2025 Strategic Directions and 2023 School Goals to lead initiatives that foster environmental stewardship, build community knowledge, and inspire individual responsibility.

The Green Wolves presented updates during assemblies. This included findings from the Environmental Survey in Term 1, sharing key information from the Data Dashboard, promoting the Return and Give House Competition, updating students on the House Competition tally board, and finally, sharing the findings from our student-led waste audit. Through the communication of key information, the Green Wolves have fostered ecological awareness across the school.

In Term 2, the Green Wolves launched the Earth Hour campaign which takes place every Friday during Period 4. Staff and students are encouraged to turn off lights, fans, and devices, with reminders displayed via infographics. This campaign aims to raise awareness around individual responsibility in conserving our energy resources at school.

The Green Wolves also organised and participated in events that promoted ecological awareness at our College.

During Laudato Si Week, our Senior Green Wolves were engaged through morning prayer and examen, as well as sharing posters around our school to promote the importance of this annual event. To celebrate further, we welcomed Dr Gates Moss, Partner and Associate Director of Boston Consulting Group (BCG), to speak at our first-ever Green Wolves Lunch. Dr Moss specialises in climate sustainability and spoke to our students about contemporary issues surrounding carbon markets and climate change action.

Green Wolves
Back Row: Samuel Hutchinson, Charlie McKay, Archie Timmins, Adam Walters
Middle Row: Edward Murray, Harrison Hooper, Walter Yuille, Nelson Meehan, Alexander Bradley, Ellis Hazelton
Seated: James Koch, Henry Rooney, Justine Choy, Ms P Fitzsimmons (Junior Green Wolves Co-ordinator), Alexander Camilleri, Angus Martinez, Lachlan Caruana

To further build awareness towards our treatment of the environment, the Green Wolves hosted their first Season of Creation Mini House Art Competition. This year, the theme for the season was, 'To Hope and Act with Creation'. The theme refers to the idea that there is hope, made possible through our individual and collective action.

Two Year 9 and/or Year 10 students from each House were set with the task of putting an art installation together out of recycled materials at lunchtime. The artworks were judged by our wonderful art department, led by Julie Stevens, Fr Tom and Mr John Gilles. This was based on theme alignment, creativity, communication, and use of recycled goods. Our winners were:

1st – Cheshire House
2nd – Ricci House
3rd – Claver House

It was such a great success that would not have been made possible without the support and engagement of staff and students.

Finally, the Green Wolves were involved in raising awareness of resource conservation by hosting a donut stall to raise awareness and funds during National Water Week, which was celebrated in the third week of October. National Water Week serves as a powerful reminder of the vital role water plays in our lives, environment, and future. It shines a spotlight on the importance of conserving, managing, and valuing our water resources.

It's a call to action for individuals, communities, and industries to reflect on how we use water and to foster innovation for sustainable water management. All proceeds were donated to the 'Light of Mercy' Water Project in Phnom Penh, Cambodia.

The Green Wolves' efforts this year exemplify a united commitment to environmental consciousness, education, and meaningful action within our school community.

Historical Society

Ms Cathy Hobbs | Historical Society Co-ordinator

This year marks the 20th anniversary of the Historical Society. It was established to provide an opportunity for students to explore the wonderful and rich heritage of the College and to share these stories with the Riverview community.

The Society consists of a small group of dedicated students ranging from Year 7 to Year 11. Their activities include:

- discovering stories from our heritage
- investigating the culture of the College
- creating historical resources and exhibitions.

While participating in the activities of the Society, the students not only gain research and organisational skills, which will prove useful in senior and tertiary studies, but also learn how treasured items are handled to prevent damage.

Following on from the success of the 'Then and Now' exhibition, which was held last year in the Museum, it was decided to host another exhibition in 2024. The exhibition focused on the buildings that were once located near the quadrangle before the Arrupe and the Administration buildings were completed. The exhibition was titled 'The Ghost Buildings of Riverview'. The term 'ghost buildings' or 'architectural ghosts' refers to "human-made structures that no longer exist and can now be known only through traces that they have left – in memory, in landscape, and in photographs, drawings, and paintings" (Jeanette Bicknell, 'Architectural Ghosts', *The Journal of Aesthetics and Art Criticism*, Volume 72, Issue 4, November 2014, Pages 435–441).

The ghost buildings displayed in the exhibition have left a clue of their existence. The pathways that once led to Riverview Cottage are still in the Rose Garden and now stop suddenly at Loyola Drive, indicating where the cottage once stood. The doorways of the Senior Refectory almost mirror the doorways of the brick Music House. The roof of the band house that once stood in the quadrangle now graces the teahouse. In other instances, such as the weatherboard study halls, gymnasium and chapel, the buildings may have disappeared but live on in photographs and written memories of past students.

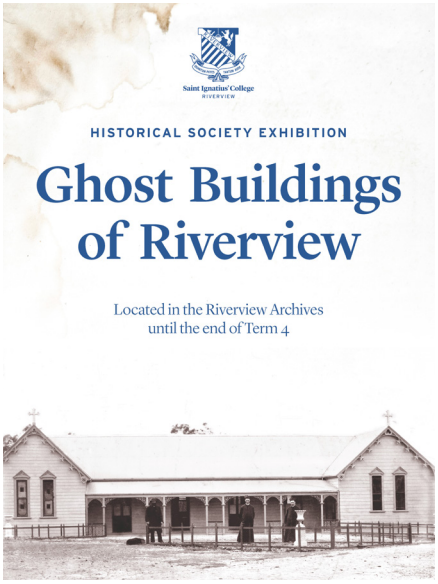

Historical Society
Back Row: Gabriel Ashmore, Charles Stuart-Robertson, Mrs Leonie Gastineau-Hills (Assistant Co-ordinator), Liam Chan-Wilson, Patrick Gardiner
Absent: Ms Cathy Hobbs

Fr Joseph Dalton SJ, the founding Rector of the College, in his letter to the Jesuit Provincial dated 4 July 1884, provides the origins and purpose of the buildings:

"We are gradually putting up building after building, meeting each pressing want until the new College goes up – which will be after my time, P.G." The buildings were never intended to be permanent structures but were constructed to provide an immediate solution to a vital need.

The students in the Historical Society are immensely proud of the exhibition which serves as a reminder of the early days of the College.

The Historical Society hosted an exhibition this year, 'Ghost Buildings of Riverview'

Photography

Ms Justine Gesterkamp | Photography Club Co-ordinator

Ansel Adams (1902–1984) was an American landscape photographer famous for his majestic images of the American West. Adams developed the Zone system, an elaborate method to expose black and white negatives for the widest tonal range in his landscape photography. He was a very well-known Master of Photography and arguably the most influential landscape photographer in history.

Adams was a lifelong conservationist who encouraged understanding of, and respect for, the natural environment. He climbed mountains and went trekking for hours at a time to take the right shot. He would often leave before dawn, and arrive home after dusk, because he knew the importance of finding the right place to stand.

"You don't take a photo, you make it."
– Ansel Adams

Photography is and should always be a creative act. Taking photos is snapping away without any consideration for what you're photographing. Making a photo is the exact opposite. It's intentional, deliberate and full of attention and awareness. It means you must work to get that photo. You must spend time learning the craft and learning your gear. You must spend time watching. Seeing. Seeing things differently and using that to create, make, that perfect photo; to get that image the photographer had to work for it.

As part of the Co-Curricular Photography program, we invest time in developing students' understanding of this approach to making photographs. Weekly sessions encourage students to be actively involved in studio photography shoots, zoom timed photography competitions, darkroom experimentation, and a variety of Photoshop editing sessions.

This year we returned to Vivid Sydney for our annual night shoot. Feature Creatures zookeepers provided lizards, snakes, and a variety of creatures to challenge the students to work with animals in the studio. Students engaged in a vast range of experiences that further developed and broadened their portfolio of work. While developing and extending their skills, students gained confidence to express and reveal their insights through their photography.

Photography (Senior School & Regis Campus)
Back Row: Alex Gontarczyk, Luis Criola, Charles Wyche, Jasper Timms, Mitchell Hornby, Max Quirk, Michael Coorey
Middle Row: Cooper Stewart, Brando Campo, Thomas Walter, Joseph Beregi, Joshua Peach, Jacob Peach, James Walter
Seated: Ms Justine Gesterkamp, William Hall, Alexander Camilleri, Alexander Bradley, Henry Stuart, Callan McInney, Ms Emma Desira

A reminder to all photographers, when you are out making photographs, remember to communicate through your work:

"A great photograph is one that fully expresses what one feels, in the deepest sense, about what is being photographed." – Ansel Adams

Congratulations to the following students who were awarded for their leadership and commitment to 2024 Co-curricular Photography.

Photography Leadership Team:

- Co-captains: Alexander Camilleri (Year 11) and Alexander Bradley (Year 11)
- Junior Captains: Marlon Malhi (Year 9), William Baird (Year 9) and Mitchell Hornby (Year 9)

Photography Awards:

- Most outstanding student – Marlon Malhi (Year 9)
- Dedication and Excellence – Mitchell Hornby (Year 9)

Thank you to all contributing photographers who have made 2024 another inspiring year. Special thanks to Ms Desira who generously continues to support the co-curricular program with her expertise and experience.

Mock Trial & Mooting

Mr Stephen Croker | Mock Trial & Mooting Program Co-ordinator

This year in Mock Trial the Law Society moved to back to 'in person' competition rounds, which allowed for a much more authentic experience for our team. We had our best year since winning the competition in 2018, by making it to the semi-final round.

The boys are to be commended for the way they prepared for each round, working with the coaches and developing sound argument, knowing what points to argue and what to concede. Particular mention to Alexander Bradley, Angus Martinez, and Lazlo Kapel who fulfilled the roles of barristers and solicitor admirably, and to the boys who acted as witnesses, magistrate clerk, and court officer. Each boy contributed greatly to the overall team's success as evident in the improving scores and wider winning margins each round. We wait in anticipation of the 2025 competition.

Mr McGovern and I would like to thank all the boys for their tireless effort and enthusiasm and congratulate them for a fantastic Mock Trial season.

We again competed in the Bond University Mooting Competition with Tom Doyle, Xavier Hynes, and Cian McAweeney making it through the preliminary rounds and being invited to complete in person at the Bond University Campus in the semi-final round. It was a wonderful experience for these students to travel to the Gold Coast and present their argument before a panel of judges. Although not progressing to the grand final, Tom, Xavier, and Cian gained great insight into the High Court appeal process.

Mock Trial

Standing: Julian Criola, Gregory Zucconi, Ahron Grimes, Lazlo Kapel, Ethan Li, Alexander Bradley
Seated: Nicholas Wong, Gabriel Ashmore, Mr S Croker (Program Co-ordinator), Angus Martinez, Ruki Merlin

Mooting

Tom Doyle, Xavier Hynes, Cian McAweeney, Mr S Croker (Program Co-ordinator)

Debating

Mr Liam Donohoe | Debating Program Co-ordinator

The 2024 debating season was one for the ages. By almost all metrics it was our most successful year in years, if not decades. Over 200 students participated in debating in some form in 2024, around one in eight students at the College, and our highest number yet. Trophies and conventional success abounded. From ISDA, FED, SDN, and Jesuit Carnival senior premierships, to tally topping all-of program win rates, to Lawrence Campbell Oratory prizes, to representative honours, at times it felt like the trophy cabinet wouldn't be big enough!

Beyond the trophies, the SDC competition reached new heights of consistency and opposition quality, giving hundreds of Riverview students the opportunity to debate, enjoy the art of exchanging ideas, and seriously refine the speaking and critical thinking skills.

None of this would be possible without the hard work of our staff. Thank you to Ms Stephanie Vardas, Ms Valentina Raguz, Mr Nicholas Kitromilides, and Mrs Helen Ephraums for your hard work on Friday nights to support students and competitions, and to Messrs Michael Byrne (OR2018), Henry Chapman (OR2018), and Tom Henry (OR2018) for your fantastic work running competitions.

Finally, it'd be remiss not to acknowledge the outstanding contribution of our passionate and exceptionally talented class of 2024. Every single Year 12 debater who competed externally achieved rare success, whether in the form of personal or team trophies or representative honours (or both!). More importantly, they were true leaders in their sacrifice and dedication to the program. Thank you to Isaac Ford, Cian McAweeney, Xavier Hynes, Sam Wright, George Gaha, and Tom Doyle (2024 Captain of Debating) for your unwavering support and exceptional skill.

Independent Schools' Debating Association (ISDA)

Mr Michael Byrne

The 2024 ISDA debating season was a remarkable one, with Riverview placing first on the schools tally (for overall wins across all age groups) for the first time in recent memory, if ever. Our Senior B team (Eddie Dunstan, Xavier Hynes, Lazlo Kapel, and Sam Wright, coached by Jordyn Gibson) won Riverview the Senior B division for the second consecutive year, while all teams made the finals for the first time in recent memory, the only school to achieve that feat in 2024. Our Primary B and Year 7 teams made it to the octofinals, Primary A, Year 8 and Year 9 teams made it to the quarterfinals, and Senior A and Year 10 teams made it as far as the semis.

To have all teams progress to the finals, have three teams in semis, win a premiership, and top the tally is unheard of, and a testament to the hard work and skill that our students and coaches put into debating. The season was not only remarkable in terms of results, but also in audience turnout, with crowds starting to return to pre-COVID quantity and enthusiasm. Thanks to all spectators, parents, coaches, staff, and debaters on a truly special year.

Friday Evening Debating Competition (FED)

It was a great year for Riverview in the FED competition, with consistent success across all years and experience levels augmented by our first FED premiership. Congratulations to our all-conquering senior As (Isaac Ford, Cian McAweeney, Oliver Lau, Daniel Osborne, and Charlie Spiteri), who set a new standard for Riverview teams with consistently impressive case construction and dominant rebuttal, no matter the opposition. Fortunately, the success did not end there, with Year 10 (themselves actually Year 9 students!) making semis and both Year 7 teams making the quarters, showing the near and long-term future of the Riverview program looks bright.

Results aside, the FED competition yet again provided fun and challenging debates and continued to push our debaters to reach higher and higher standards. Congratulations to all students and coaches, and Mr Henry Chapman (OR2018), FED Co-ordinator, on a fantastic season.

Sydney Schools Debating Competition (SSDC)

Mr Tom Henry

The Schools Debating Championship is an online debating competition focussed on the development of fundamental debating skills. SDC consisted of 12 rounds with a wide range of topics, including education, law and order, Australian politics, gender, international relations and science, and technology.

Our primary teams had a successful season with Riverview 1 and Riverview 4 coming first and second on nine and seven wins respectively. The remaining primary teams were consistent throughout the season, with Riverview 2, Riverview 3 and Riverview 5 coming tied seventh. Our Years 7 and 8 had our largest contingent of SDC teams with six teams each. The Year 7 teams had varying results, though a special mention goes to our Year 7 Riverview 6 team who finished tied second on seven wins.

Meanwhile, our Year 8s had a tight competition, with teams 4 and 5 tying third on six wins and teams 1 and 2 close behind on five and four wins respectively. Our Year 9 teams faced challenging opposition but gained momentum in the final rounds winning their final few debates.

Our Year 10 contingent consisted of two teams, with Riverview 2 finishing second on six wins and Riverview 1 finishing third on four wins. Lastly, our two senior teams dominated the competition with both teams tied first for the premiership on six wins each.

Overall, Riverview's 2024 SDC campaign was a resounding success with 24 teams competing across our primary and secondary schools, completing 232 debates throughout the year.

Great Public School (GPS) Debating Competition

Mr Michel Byrne

This year's GPS season had its up and downs but saw us continue to perform well across age groups and grades, as we finished third on the overall tally. At the level of individual teams, the greatest success was experienced by the 8A and 8B teams, who placed an equal first in their respective divisions. Our 9B and 9A teams placed second and equal second, respectively, while our 10A team placed third, a remarkable result against selective schools and militantly coached students.

Our firsts, up against several state and national speakers, finished equal third on four wins from seven, in the process costing a star-studded Joeys side a third consecutive premiership while also handing the eventual winners, Sydney Boys, their only loss. Similarly, the seconds, were admirably consistent and successful in a highly competitive division, finishing in second place, losing only to eventual winners, Grammar, and co-runners up, Sydney Boys.

Additionally, Tom Doyle and Angus Martinez were both selected into the GPS Seconds Representative team, winning two of their three debates and greatly contributing towards the GPS Representative side taking home the NSW Representative Debating Cup!

But despite all this success, the most impressive feat was the sheer number of teams we managed to field across the competition. Consistently bringing C, D, and even E grade teams, all our debaters impressed host schools with their skill and behaviour. To see so many students enjoy and improve at debating, while forming stronger community with our GPS partners, was an inspiring sight, not least when we were winning! Long may it continue!

Schools Debating Network (SDN)

In the SDN competition, 2024 was another great year for Riverview, and one reflective of the considerable talent and depth in our coaching and debating ranks. Finishing second on the overall tally, we managed to get six out of eight teams into the finals, four out of eight into the grand-finals, and even won the senior B premiership! Congratulations to Brody Folkes, Michael Gordon, Louis Taylor, Elliot Confos, Ahran Grimes, and coach Toby Freeman on an outstanding season.

Congratulations to the Year 7 and Primary A teams for making it as far as the semis, and the Senior A, Year 10, and Year 9 teams on making the grand-final. Senior A's performance was particularly auspicious, going down in a highly spirited and close debate to a talented Abbotsleigh team, marking the end of an incredible run of success and dedication, which lasted – in the case of Cian McAweeney and Isaac Ford – many years, competitions, and grand-finals. While it would have been nice to snag a few more of the grand-finals, all of our SDN debaters performed exceptionally well and improved considerably over the season. More importantly, they rose to the challenge of engaging with diverse and sophisticated perspectives across an array of interesting topics and hopefully had lots of fun doing so! Thanks to all coaches, staff, parents, and debaters on making it another great SDN season, particularly Mr Henry Chapman (OR2018) who coordinated his final season to resounding success.

Public Speaking

Mrs Marilyn Fitzgerald | Public Speaking Co-ordinator

"Those who have the privilege of voice, must speak for those who are silenced." – Oscar Romero

Public speaking has always been a grand tradition at Riverview. While triumphs and trophies are welcome, of more value is the opportunity to stand up and speak out on contemporary issues challenging our world. Wit and eloquence are delightful decorations that entertain and intrigue, but what really makes our students 'Men for Others' is a desire to stir the soul and dare to invite public discourse on issues that moved us and mattered to us across a wide range of oratory platforms in 2024.

CSDA

The public speaking year starts early in February with the longstanding CSDA competition, the oldest and largest event of its kind in Australia. Riverview always performs strongly here. We would like to acknowledge and congratulate all our students who entered this year, with a special mention to those who made it through to the Zone Finals held at Riverview in March.

Congratulations to all our public speakers who have participated in the competition this year.

Year 7
Jake Spiden, Tommy Smith (Zone Finalist)

Year 8
Scotch O'Connor (Zone Finalist)

Year 9
Luis Criola, Kestrel Ebsworth

Year 10
Henry Martin, Michael Hadwen (Zone Finalist)

Year 11
Charles Spiteri, Cian McAweeney, Lawrence Campbell (Oratory Competition)

Friday 3 May at The Scots College was indeed a night of nights as 'The Boy from Bourke' Isaac Ford (2024) brought the esteemed Lawrence Campbell Oratory trophy home to Riverview.

Mentored by recent champion Sebastian Braham (2019) and our College Public Speaking Eminence Grise, the unmatchable Mr James Rodgers, Isaac delighted the audience with his wit, wisdom, and wondrous words, exploring (loosely and eloquently) the topic: 'The minority is always right – or so they think'. We must also acknowledge the powerful College brotherhood, corralled and inflamed by School Captain Sam Wright (2024), who were keen to excite and incite Isaac's victory.

Saint Ignatius' College Riverview has only embraced the cup twice in 30 years and so the celebrations continued with a magical dinner, generously hosted by Mr Szabo in our Parlour to honour such a special achievement.

We were delighted to have both those victors, Isaac Ford (2024) and Sebastian Braham (2019) present and delight the audience with their wit, charm, and eloquence. They were joined by Dr Paul Hine, Fr Tom Renshaw SJ, Fr Joe Dooley SJ, and Mr James Rodgers who spoke so graciously about his personal connection with the prize. It was an outstanding result for Isaac, and indeed, an enviable jewel in the College crown.

Plain English

In May, two of our talented students represented the College in the prestigious Plain English Public Speaking Competition held at Abbotsleigh College.

Angus Martinez and Julian Criola, both engaging and experienced Year 11 speakers, delivered an eight-minute prepared speech. They then had to undertake a challenging impromptu task as well. The boys were most impressive. We congratulate them both, with a special mention to Angus who also progressed through to the regional final in June.

Rostrum

This year, one of our incredibly talented junior speakers, Jimmy de Flamingh (Year 9) represented NSW in the Rostrum Voice of Youth Public Speaking National Final, which was held on a cold and wintry Hobart evening.

It has been a demanding journey, with Jimmy needing to successfully navigate heats,

The CSDA public speaking group

zone finals and state championships before representing the College in the national finals. This was held in conjunction with the 50th year anniversary of the Rostrum Voice of Youth Public Speaking Competition.

While Jimmy did not take out the competition, he spoke with flair, enthusiasm, and confidence and was rewarded with a Certificate of Excellence, presented by the Governor of Tasmania, Her Excellency the Honourable Barbara Baker AC. The finalists were also celebrated with a state reception at Government House, a highlight of the weekend.

Left: Isaac Ford, winner of the Lawrence Campbell Oratory Competition. Right: Isaac with coach and former winner, Sebastian Braham (OR2019)

Participants:

Junior Competitors
Jimmy de Flamingh (State Champion)
Luis Criola
Alexander Mercieca

Senior Competitors
Charlie Spiteri (Zone Finalist)
Julian Criola
Isaac Ford

Jimmy de Flamingh, NSW Rostrum Voice of Youth State Champion

Co-curricular Drama

Mr Conrad Page | Theatre Productions Co-ordinator

"Actors are agents of change. A film, a piece of theatre, a piece of music or a book can make a difference. It can change the world." – Alan Rickman

The 2024 Co-curricular Drama program invites students to shine in the O'Kelly Theatre, where unforgettable live theatrical experiences come to life. Whether taking centre stage or contributing behind the scenes, students develop invaluable skills and unleash their creativity while working as a cohesive ensemble.

From captivating performances to the artistry of costume design, set building, props, stage management, and lighting and sound design, Co-curricular Drama offers an exceptional opportunity for collaboration in a genuine theatrical environment. Join us in celebrating the enchanting world of theatre and the joy of collaborative artistic expression through Co-curricular Drama.

This year's productions had students and audiences engaged with a variety of theatrical experiences. We started the year with the Year 12 play, *DO (NOT) PUSH!*, created by the director, cast and crew. The play explored the themes of choice and consequence. In Term 2 we had the Year 8 play, *The Iron Man*, written by Ted Hughes, directed and adapted for the stage by Natalie Baines and the cast. Also, the stage was managed by Christine Moriarty and our very own View Crew students.

In September we had the Year 9 play, *Pygmalion*, by George Bernard Shaw and director Angy Newey. In Term 4 the Year 11 students tackled *Venetian Twins* by Nick Enright and Terence Clarke, directed by Sinead Zille and assistant director by Lara Stern. The play *Black Comedy* by Peter Schaffer was performed in November, directed by Louise Arnott and Student Directors Angus Devlin and Harrison Hooper. The final production for 2024 was our new addition under Performing Arts at Riverview with two Dance performances in the O'Kelly Theatre directed and choreographed by Alanna Elliott.

I would like to extend my heartfelt gratitude and recognition to the incredible students, parents, and staff who work tirelessly and creatively behind the scenes in the theatre. A special thank you to our costume design team, led by the exceptionally talented Louella Perrett, with the invaluable support of Kathleen Hunt and Jennifer Pocknall. Their work is unparalleled, designing and handcrafting costumes for each and every uniquely different production throughout the year. I also want to acknowledge the outstanding set design and construction team, led by Kirk Hume and assisted by Mark Anderson, who consistently bring the director's vision to life. They transform the O'Kelly Theatre into a variety of immersive performance environments, providing the perfect stage for our actors to bring their creativity to the forefront. Lastly, a sincere thank you to our dedicated backstage supervisors, Justine Malingrey and Julie Stevens. All, a thank you for your unwavering support and attention to detail in ensuring everything runs smoothly behind the curtain. Your hard work and commitment are truly appreciated!

I would like to express my gratitude to all the directors, assistant directors, coordinators, choreographers, and mentors whose tireless dedication and boundless energy have shaped every production throughout 2024. From editing and writing to casting, rehearsals, choreographing, blocking action, and executing technical and dress rehearsals, each of you has contributed to creating theatre that has inspired and moved both students and audiences alike.

A heartfelt thank you to the staff and students who work behind the scenes to bring these productions to life. Special mention to our Audio-Visual Managers, Kevin Kwan and Nick Aisake, alongside our View Crew student. Our Trybooking Coordinator, Danni Hurley, deserves recognition, as does Anne Nesbitt for her vital role Front of House. Leanne Gomez and Helena Lapic for their work on Viewpoint has been invaluable, and we are grateful for Lisa Hooper and Adrienne Kraft for creative poster designs over the year. Thank you to our photographers Alexander Bradley, as well as Callan McInney and Edward Wright (OR2021) for their wonderful photos over the year, and to Abu Hassan and David Hoang for their printing expertise. Throughout the year, Denyse Gibbs has helped with props, and Christine Moriarty's impeccable Stage Management of the Year 8 Play – along with her live music for Theatresports competitions – has added immeasurable depth to our performances. A huge thank you also goes to our dedicated student ushers and backstage staff, whose efforts ensure every show runs seamlessly.

"Acting is behaving truthfully under imaginary circumstances." – Sanford Meisner

The Riverview student stage crew began in 2016 with just a small group of students, and over the years, it has grown into the thriving team we now know as View Crew. This incredible journey started with a vision from James Craig (OR2022), the College Captain and Elective Drama

student, back in Year 8. What was once an idea has now become a vibrant reality.

This year, over 20 students from Years 7 to 12 have been involved with View Crew, which has been expertly managed by Kirk Hume and me. The dedication and professionalism demonstrated by the entire crew has been truly inspiring. It has been a privilege to watch them develop and mentor them through their journey. The students have gained a deep understanding of how to manage a theatre production, from the first meetings with directors to interpreting their theatrical visions and transforming them into the magic we see on stage in the O'Kelly Theatre, production after production. The View Crew has now reached a level where they can independently manage and run an entire production, a remarkable achievement that speaks to their hard work and commitment.

I would like to take a moment to acknowledge Marcus Criola (OR2022), who dedicated countless hours to mentoring younger View Crew students during his time at Riverview. Even after his graduation, Marcus has continued to give back by designing the lighting for all productions this year, a testament to his passion and ongoing commitment.

A special thank you must also go to Hugo Wrightson (OR2024), who has been an integral part of View Crew since its inception. Hugo's contributions have been immeasurable, and I sincerely hope he will return to continue mentoring future generations of Riverview View Crew members, ensuring that this incredible legacy continues.

Theatresports 2024 offered over 100 students from every year group the chance to embrace the excitement and challenge of improvisational theatre. With numerous competitions, heats, and finals held throughout the year, it has been a remarkable showcase of creativity, quick thinking, and team spirit. A heartfelt thank you goes to our talented Theatresports Co-ordinator, Lara Stern, whose leadership has been pivotal in making this program such a success. I would also like to express my gratitude to our exceptional coaches Roseanne Cuschieri, Michelle Ellis, Andrew McGovern, and Sally Wentriro, whose expertise and guidance have been invaluable to our students. Additionally, I extend my appreciation to all the Senior Theatresports student mentors, hosts, and judges, whose dedication and enthusiasm have supported and elevated the competition experience for all involved. Together, these individuals have helped cultivate a thriving environment of improvisational theatre that has inspired and challenged students, creating unforgettable moments of performance and growth throughout the year.

"Sometimes you can have the smallest role in the smallest production and still have a big impact." – Neil Patrick Harris

The 2024 Drama Prefect, Tom Doyle, along with Vice Prefects Isaac Ford and Xavier Hynes, have been exemplary leaders, consistently going above and beyond. Their selflessness and dedication have been evident in their work backstage, ushering, performing, hosting Theatresports, and supporting fellow Drama students in every aspect of our productions. Their leadership has set a standard of excellence, and they have truly embodied the spirit of teamwork and community.

I would also like to extend my deepest thanks to Dr Paul Hine, Fr Tom Renshaw SJ, Andrew Szabo and Louise Arnott, whose unwavering support and professional guidance have been invaluable throughout the year.

This has been a truly wonderful year for Co-curricular Drama, and it has been an absolute pleasure to be part of every moment. I want to express my sincere gratitude to all those involved in the many diverse Co-curricular Drama ensemble roles, whose contributions have provided rich and rewarding theatrical experiences for our student thespians, ensembles, and production crews. Your dedication has made this year a remarkable journey of growth, creativity, and collaboration. Thank you for your passion and commitment to the art of theatre.

Year 12 Drama

Mr Conrad Page

DO (NOT) PUSH!

Monologues, scenes, songs, and theatrical moments adapted for the stage by the Year 12 cast, crew, and Mr Page.

Director: Conrad Page

The directorial vision for *DO (NOT) PUSH!* was inspired by the idea of how people can be fickle when making different choices at the press of a button. This vibrant production weaved a tapestry of songs, monologues, and scenes from modern pop culture and timeless classics chosen by the Year 12 student actors and myself. Exploring themes of choice and consequence, it challenged audiences to consider the impact of pushing boundaries.

Where better to explore the variety of different characters and scenes than on the O'Kelly Theatre stage. The theatre created several different staging levels for all the actors to play and perform on. A faceless button pusher led the audience through the changing performances with energy and fun. The actors had several opportunities to explore different places on the stage with the changing of over 42 scenes and more than 140 lighting cues.

I am truly overwhelmed by the level of talent, dedication, and creativity of staff and students who have helped in creating this production. I would like to thank all of the cast, View Crew, and parents who helped with this production. Without the generosity of their time and support, this play would not have been possible.

I must extend a special thank you to Kathleen Hunt who meticulously designed, hand-made, and custom-fitted the costumes for the performance and works on all our Co-curricular Drama plays.

The set was built by staff Mark Anderson and Kirk Hume, and the View Crew students. Thank you to student Harrison Hooper and his mother Lisa for colour design input for the set too. Their ability to transform our conventional theatre space was incredible to witness and a joy for the actors to perform on.

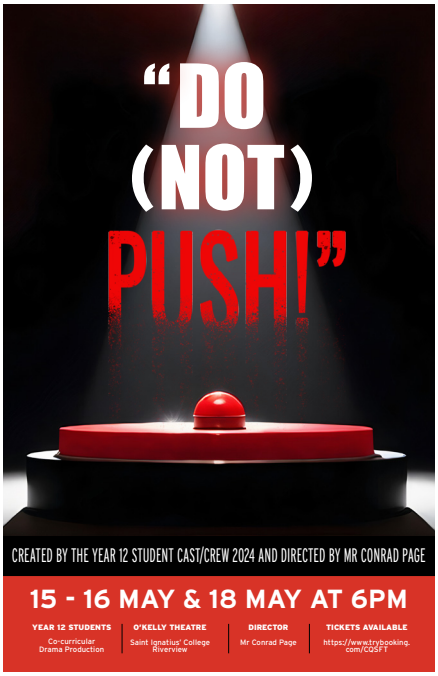

The technical magic that is lighting, sound, music, and props would not be possible without the passion and creative flair from staff like Kirk Hume and Marcus Criola (OR2022) who manage our View Crew students. Thank you to Alexander Bradley, our student photographer. An enormous thank you to the View Crew students who worked on the show – they spent many lunchtimes and after school in the theatre plotting the lights, sound, stage management, and building and painting the set.

Year 11 Drama

Mr Conrad Page

VENETIAN TWINS: A Musical Comedy
Book and Lyrics by Nick Enright
Music and Arrangements by Terence Clarke
Director: Sinèad Zille
Assistant Director: Lara Stern

This playful musical comedy, adapted by Nick Enright, a Riverview Old Boy and Drama Captain of 1964, is a delightful reimagining of Carlo Goldoni's classic. Enright's sharp, witty adaptation weaves a whirlwind of mistaken identities, catchy tunes, and tangled romances, bringing the timeless tale into a lively, contemporary setting. His unique fusion of Commedia dell'Arte and Australian humour has given the actors the freedom to take creative risks, allowing them to grow as performers and embrace the bold stock characters, physical comedy, and razor-sharp wordplay that define this energetic production.

The success of this show is the result of the dedication and talent of many people. A heartfelt thanks goes to our director, Ms Sinèad Zille, whose thoughtful guidance and creative vision shaped every moment on stage, and to Ms Lara Stern, our Assistant Director, whose steady support kept the production on track throughout rehearsals. Our costume and makeup team, led by Mrs Louella Perrett, with Mrs Kathleen Hunt and Mrs Jenny Pocknall, transformed the actors with meticulously hand-crafted costumes and stunning makeup, adding another layer of magic to the performance.

We also extend our deepest gratitude to Mr Kirk Hume and Mr Mark Anderson for their design and construction of a versatile set that balanced both function and flair. Special thanks go to Lisa Hooper, who worked her graphic design magic on everything from the poster to signage, and to Mr Conrad Page, our Theatre Manager, who kept everything running smoothly, assisting with set changes, sword fights, and even operating the follow spot.

The crew's contributions were invaluable, with Alex Camilleri designing and managing sound, Marcus Criola (OR2022) creating a dynamic lighting design that perfectly captured the changing atmosphere of each scene, Max Quirk expertly operating the lights, and Sam Liubinskas for his commitment and for keeping the follow spot right on cue.

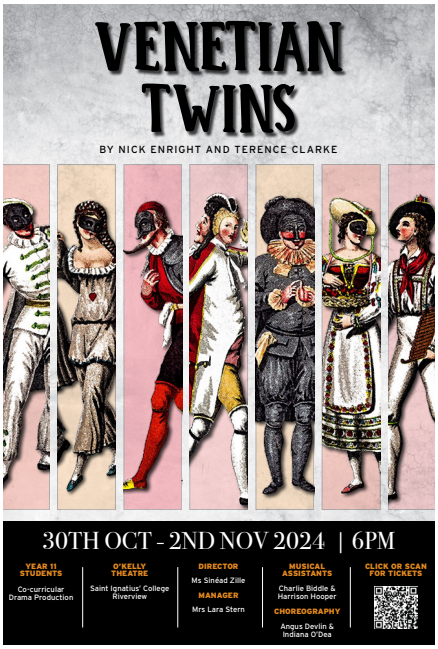

A heartfelt congratulations to our talented cast, who brought this heightened theatrical style to life with enthusiasm and flair. Collaborating with students from Marist Sisters' College Woolwich and Loreto Kirribilli has been a true privilege. Their skill and passion enriched the production, and we are grateful to their schools for enabling this collaboration. Special thanks to Indiana O'Dea and Angus Devlin for their outstanding choreography, and to Harrison Hooper and Charlie Biddle for their musical direction and dedication to perfecting the score. Finally, we express our deepest gratitude to the parents, families, friends, and Riverview staff for their unwavering support of Co-curricular Drama at Riverview.

Year 10 Drama

Mr Conrad Page

BLACK COMEDY by Peter Schaffer
Director: Ms Louise Arnott
Student Assistant Directors: Angus Devlin and Harrison Hooper

Our Term 4 production was of *Black Comedy*, a brilliant farce that effortlessly navigates the delicate balance between light and dark, woven together with sharp wit and humour. Written by Peter Shaffer, this play pushes the boundaries of comedy, drawing us into a world where absurdity becomes the key to understanding the human condition.

Set in a dimly lit apartment during an unexpected power outage, the story unfolds in an environment of total darkness – yet it is within this very darkness that the true vibrancy of the characters' chaotic interactions comes to life. Shaffer's brilliant use of physical comedy and quick-witted dialogue keeps us laughing while also encouraging us to reflect on how our perceptions of reality can be easily distorted.

Bringing this play to life has been a tremendous journey for our talented student cast, who have fully embraced the challenges of comedic timing, character development, and the complexities of the dramatic style of farce. Each performance was a reflection of their hard work, creativity, and ability to navigate the fine line between chaotic confusion and comedic brilliance. This production not only serves as a platform for their artistic expression but also explores how humour can shine through even in the most difficult of circumstances. *Black Comedy* reminds us that laughter is a powerful tool for resilience. In uncertain times, we must embrace joy, even in the most improbable situations.

A special thank you to Mrs Louella Perrett for her inspired creativity and countless hours spent sourcing and sewing costumes to bring our 1960s vision to life, with the help of Mrs Kathleen Hunt and Mrs Jenny Pocknell. We are also deeply grateful to Ms Denyse Gibbs for her exceptional work in creating a remarkable array of outlandish props, each adding a unique touch to our production. Her keen eye for detail and ability to source the perfect pieces did bring the theatrical vision to life.

My heartfelt gratitude extends to Mr Kirk Hume and Mr Mark Anderson for their outstanding work as our set designers and builders. Their creativity and vision fully immersed our audience in the vibrant spirit of the 1960s. A huge thank you as well to Marcus Criola (OR2022) and the View Crew students for their lighting and sound expertise and professional skills. Their dedication to the intricate lighting and sound design of this challenging production did make an indelible impact.

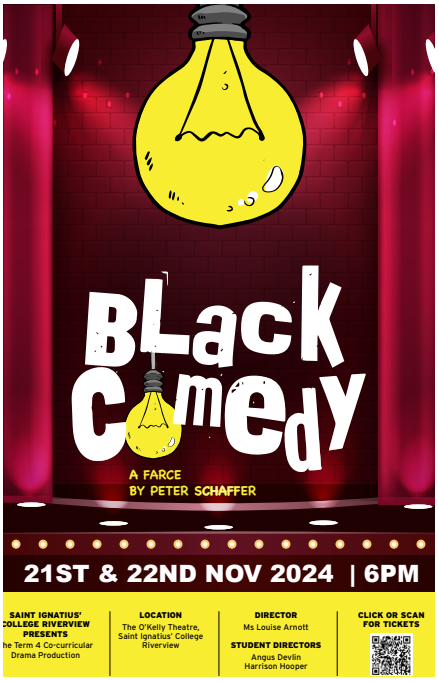

After all, in a world of shadows, we hope to bring a little light to your day – because laughter truly is the best light!

CAST (in alphabetical order)

Rose Baird-Petroni (Wenona), Lachlan Club, Harry Cook, Artaban de Lacharriere, Finn Egerton-Warberton, Bede Egerton-Warburton, Alex Usher (Wenona), and Imogen Wu (Ravenswood).

VIEW CREW (in alphabetical order)

Alexander Camilleri, Marcus Criola (OR2022), Benny Dickinson, Toby Dickinson, Ed Vallely, Harrison Hooper, and Hugo Wrightson.

Year 9 Drama

Mr Conrad Page

PYGMALION By George Bernard Shaw
Director: Ms Angy Newey
Stage Manager: Mr Kirk Hume

George Bernard Shaw's play *Pygmalion* is an engaging play that tells the story of a young flower girl who dreams of a better life. When a professor makes a bet that he can teach her to speak like a refined lady, her journey of transformation begins. This is a story that challenges us to think about who we are and how we see others, making it a wonderful choice for a Riverview play.

Pygmalion seemed a good 'fit' for Year 9, so I began thinking of ways to highlight each boy's individual talents. By blending the thought-provoking drama of *Pygmalion* with elements of the delightful musical entertainment of *My Fair Lady*, a dynamic and rewarding theatrical experience was achieved.

Jimmy de Flamingh portrayed Henry Higgins brilliantly as a man with a sharp intellect and sometimes arrogant demeanour. Ben Camilleri played Colonel Pickering with excellent poise and dignity, and Hamish Walter did a sterling job of capturing Alfred Doolittle's energy and vibrance on stage.

Mrs Eynsford-Hill, played by Arthur Lusher, was portrayed eloquently as a socially ambitious woman, and her son, Freddy Eynsford-Hill, was played with finesse by Max Finsterer. Hugh Wentriro had loads of fun playing Clara Eynsford-Hill, Freddy's sister, and Caelan Cosgriff worked tirelessly in his portrayal of Mrs Pearce, the housekeeper in Higgins' household.

Luis Criola, Jed Mercer, Will Thomas, Marcus Camilleri, and Jude Feilen were incredible as Doolittle's friends, injecting some true cockney flavour into this production. Their double roles as singing Butlers also provided the audience with harmonious entertainment.

The inclusion of some very talented girls enriched this production further. Genevieve Hynes was outstanding as Eliza Doolittle, capturing beautifully the essential change her character experienced. Imogen Kee, who played Mrs Higgins, brought great maturity to her role. The parlourmaid in Mrs Higgins' home was portrayed competently by Violet Reinhardt.

'Cockney Court' abounded with energy and personality outside Covent Garden, with its myriad characters from the Ensemble. The spectacle of the Ascot Races was a fun-filled snippet of upper-class, pompous ceremony. Ensemble members were Camilla Andersen, Patrick Cleary, Phoenix El-Agha, Lucy Flynn, Owen Hoy, Ignatius Meagher, Harry Riordan, Callum Sillett, and Jemima Yard-Smith.

This production would not have been possible without the assistance and dedication of an incredible production team led by Conrad Page. Thank you to Louella Perrett, Kathleen Hunt, and Jenny Pocknell for their creative vision of costumes.

Thank you to Kirk Hume, whose design and construction of revolving sets was pure genius, and to Mark Anderson for his assistance.

Thanks to Lara Stern and Lisa Hooper for the poster design, that I loved. Thanks to the boys in View Crew, who mastered set movement with precision, and the lighting and sound crew for their momentous contribution to this production.

CAST (in alphabetical order)

Camilla Andersen, Benjamin Camilleri, Marcus Camilleri, Patrick Cleary, Luis Criola, Caelan Cosgriff, Jimmy de Flamingh, Phoenix El-Agha, Jude Feilen, Maximilian Finsterer, Lucy Flynn, Owen Hoy, Genevieve Hynes, Imogen Kee, Arthur Lusher, Ignatius Meagher, Jed Mercer, Violet Reinhardt, Harry Riordan, Callum Sillett, William Thomas, Hamish Walter, Hugh Wentriro, and Jemima Yard-Smith.

VIEW CREW (in alphabetical order)

Lachlan Au-Yeung, Christian Bowe, Alexander Camilleri, Marcus Criola (OR2022), Benny Dickinson, Michael Dickason, Toby Dickinson, Mitch Hornby, Sam Liubinskas, Callan McInney, Tom Miller, Max Quirk, Elliot Solomons, Jasper Timms, Ed Vallely, and Hugo Wrightson.

Year 8 Drama

Mr Conrad Page

THE IRON MAN by Ted Hughes, adapted for the stage by Ms Baines and the cast
Director: Ms Natalie Baines
Stage Manager: Ms Christine Moriarty

The Iron Man came to the top of the cliff.
Where had he come from? Nobody knows.
How was he made? Nobody knows.

Described by some as a modern fairy tale, Ted Hughes' iconic children's story *The Iron Man*, narrates the unexpected arrival in England of a giant 'metal man' of unknown origin who rains destruction on the countryside by eating the industrial farm equipment, before befriending a small boy and defending the world from a dragon from outer space.

Many critics have argued that Hughes' classic tale personifies the wake of the ongoing environmental conflict between the age of machines and technology, and the destruction of the environment, through human-induced changes to nature. However, it also tells the story of friendship, betrayal and reconciliation between Hogarth and the Iron Man.

This performance was an amalgam of voices. All the Year 8 cast have contributed to the script; the movement and the aesthetic vision for our reimagining of this well-known story. I feel blessed for their willingness to create this world together in such meaningful ways.

To watch this small group of young people stand on stage, many for the first time, has been a humbling experience. With each week, they have grown in confidence as they learned to step into the identity of another, in a world different (and perhaps much the same) to their own. It has been a privilege to walk beside this group. I have been in awe of what they have achieved as Year 8 students. They should be acknowledged and thanked for their dedication, openness and immense sense of fun and energy. We are especially grateful to have students who joined our team from Abbotsleigh and MLC School.

Both the cast and View Crew of *The Iron Man* created a world that we all might learn from. In shaping a production where the real and unreal are indistinguishable, we have been reminded about the power of art and imagination to challenge us to consider our human experiences of fear, courage, resilience, and acceptance.

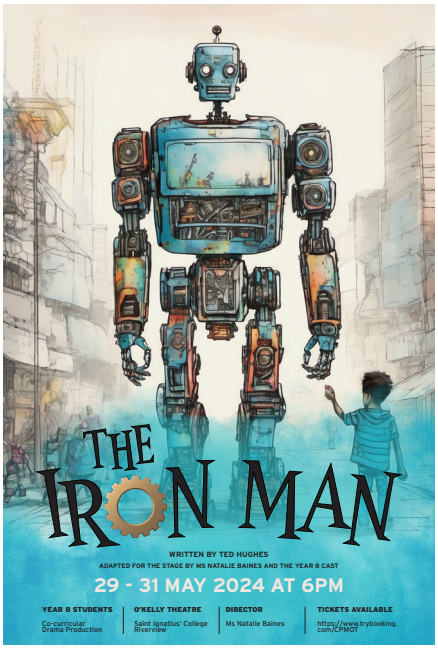

This is a story with many lessons for both children and adults.

Sienna Clark, Jack Costa, Rafferty Dady, Lachlan Gacitua, Jack Healy, Harry Johnston, Elise Miller, Oliver Schmid, Edward Thrum, and James Wylie.

VIEW CREW (in alphabetical order)

Alexander Camilleri, Marcus Criola (OR2022), Benny Dickinson, Toby Dickinson, Sam Liubinskas, Larry Lynch, Liam MacIntosh, Callan McInney, Tom Miller, Max Quirk, Elliot Solomons, and Jasper Timms.

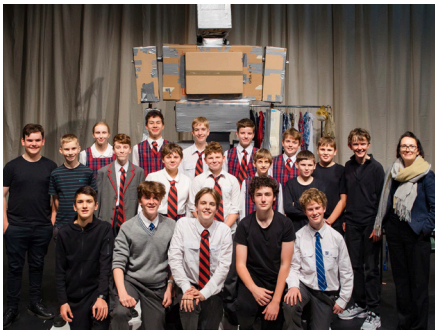

Speech & Drama

Ms Cassandra Cochrane | Speech & Drama Co-ordinator

It's been a busy and productive year for our cohort of private drama and public speaking students from Years 6 to 12. Year 6 students got an introduction to our private Drama program, while senior students worked towards recital performances and Trinity College London Drama and Communication Skills exams. Every student has extended their range of dramatic and performance skills, developed confidence, and had opportunities to perform to their peers and families.

This year we held two recital showcases in the O'Kelly Theatre, with students performing a diverse and entertaining range of comic and dramatic monologues and duologues. Congratulations to all who sat a Trinity College Drama or Communication Skills exam, developing monologues, duologues or presentations for assessment.

We were also excited this year to be able to offer the opportunity to work towards new Trinity Syllabus certifications in Performance Arts. This is where students can combine dramatic work with contributory skills such as dance, singing, or playing a musical instrument, developing a whole performance sequence combining their skills.

From next year, we will also be able to offer Trinity College certifications in Musical Theatre, working alongside voice teachers to coach students who wish to combine their passions for acting and singing.

We love the enthusiasm, humour, and commitment of our students, and welcome any new students who are interested in performance across the spectrum of Performing Arts to join the team. Thanks to all of our students and their families for their continued support. We look forward to another exciting year of performance opportunities in 2025!

View Crew

Mr Conrad Page | View Crew Co-ordinator

View Crew Co-ordinators:
Mr Kirk Hume and Mr Conrad Page

View Crew is a dynamic team of student-led theatre production managers, designers, and operators who play a crucial role in bringing co-curricular Drama performances to life.

The primary vision of View Crew is to empower students with the knowledge and skills required to lead and manage all aspects of production, ensuring that every theatrical performance is a success. This includes the design and operation of audio-visual equipment, as well as overseeing backstage responsibilities such as costumes, set, props, projection, lighting, sound, and stage management. Students from Years 7 to 12 are trained and mentored, working collaboratively to enhance the overall theatrical experience for both actors and audiences.

View Crew
Back Row: Christian Bowe, Thomas Miller, Jasper Timms, Harrison Hooper
Middle Row: Edward Vallely, Maxwell Quirk, Alexander Camilleri, Elliot Solomons, Mitchell Hornby, Lachlan Au-Yeung
Seated: Mr Conrad Page (Program Co-ordinator), Toby Dickinson, Benjamin Dickinson, Michael Dickason, Samuel Liubinskas, Callan McInney, Mr Kirk Hume (Coach)

The 2024 year was a remarkable one for View Crew, as we welcomed both returning students and many enthusiastic newcomers. Everyone was eager to develop new skills, while continuing students advanced their proficiency in lighting, sound, and backstage management.

The year began with an exciting start, featuring Theatresports, followed by the Year 12 play, *DO (NOT) PUSH!* This student-driven production, created by the Year 12 cast alongside Mr Conrad Page, provided each View Crew member with the opportunity to select their roles and actively contribute to the production. Students worked in areas such as sound design, lighting operation, and stage management, honing their skills in real-world scenarios.

Next came the Year 8 play, *The Iron Man,* adapted by Ms Natalie Baines and the cast, where View Crew students showcased their expertise in lighting, sound, and props management. The year also included the Disney School Musical, *Aladdin Jr.*, offering students the chance to collaborate with industry professionals and witness the complexities of professional theatre productions. Later, View Crew students supported *Pygmalion* and another Theatresports competition, where they continued to shine with their creative contributions to lighting and sound.

In Term 4, View Crew worked tirelessly on two major productions: the Year 11 play *Venetian Twins*, a musical comedy, and the Year 10 play *Black Comedy*. These productions allowed the View Crew to showcase their dedication, skill, and teamwork, ensuring that each performance was a spectacular visual and auditory experience. I am continually impressed by the hard work and passion each student brings to every show. Their commitment and teamwork are invaluable, and I am incredibly proud of their efforts. Thank you to each and every member of the View Crew for their outstanding contributions.

View Crew 2024:

Lachlan Au-Yeung, Christian Bowe, Alex Camilleri, Michael Dickason, Benny Dickinson, Toby Dickinson, Kestral Ebsworth, Harrison Hooper, Mitch Hornby, Sam Liubinskas, Larry Lynch, Liam MacIntosh, Callan McInney, Tom Miller, Henry Merrick, Max Quirk, Elliot Solomons, Jasper Timms, Edward Vallely, and Hugo Wrightson.

Theatresports

Mrs Lara Stern | Theatresports Co-ordinator and Coach

Theatresports at Riverview exemplifies the school's Ignatian values of teamwork, resilience, creativity, and empathy. Through improvisational theatre, students from Year 7 through to Year 12 develop self-confidence, learn to work collaboratively, and sharpen their ability to think on their feet.

Theatresports challenges performers to create spontaneous, unscripted characters and narratives under tight time constraints. The program's continued success is a testament to the dedicated efforts of our coaches, staff, Old Boys, mentors, students, and families, whose unwavering support fosters an environment where creativity and personal growth flourish.

Intermediate and Senior Competition

The 2024 Intermediate and Senior Theatresports Competition showcased the exceptional talent and creativity of our Years 9 to 12 students. The evening would not have been possible without our Riverview Old Boys and senior students, who generously shared their time and expertise. Special thanks to returning Liam Tracy (OR2023), Dylan Bennett (OR2023), and Daniel Izard (OR2023), who served as hosts, as well as judges Jack Treacy (OR2022), Tom McKay (OR2022), and Gabriel de Haast (OR2021).

The performances were enriched by Madame Christine Moriarty's live musical accompaniment and the precise event management from Mr Conrad Page. It was a privilege to coach alongside dedicated colleagues Ms Roseanne Cuschieri, Mrs Michelle Ellis, and Mr Andrew McGovern, who guided our quick-thinking performers throughout the program.

Congratulations to the winning teams:

- Intermediate Pauline Cain Trophy Winners: Fish and Chippa – Year 9 (Hugh Wentriro, Xavier Quoyle, Luca Rogers, and Ben Camilleri)
- Senior Pauline Cain Trophy Winners: Gone Golfing – Year 12 (Eddie Dunstan, Xavier Hynes, George Gaha, and Isaac Ford)

Monte Friendly

The Intermediate and Senior Theatresports teams participated in the inaugural Tri-School Friendly Competition at Monte Sant' Angelo Mercy College, alongside St Andrew's Cathedral School. Hosted by improv legends David Callan and Jon Williams, the event featured lively and imaginative scenes, showcasing the breadth of talent in the community.

Intermediate State Team Heat and Semi-Final

Our Intermediate State Theatresports team, with Hamish Walter, Jude Feilen, Xavier Quoyle, Marcus Camilleri, and Max Finsterer, excelled in the first heat of ImproAustralia's School's Challenge, earning a place in the semi-finals. Despite facing illness-related setbacks, their resilience and creativity remained strong. While they didn't progress to the finals, we couldn't be prouder of the team for their playfulness and boldness on stage.

Senior State Team Heat and Semi-Final

Our Senior State Theatresports team, with Tom Doyle, Eddie Dunstan, Henry Rooney, Raphael Quoyle, and Harrison Hooper, demonstrated outstanding talent, quick-witted humour, and compelling character work and earnt a place in the semi-finals. Their performances, which included scenes from a morning coffee routine and a musical number in a chicken shop, captivated audiences. Though they narrowly missed advancing to the finals, their performances were a testament to their hard work, talent, and dedication.

Junior Competition

The Junior Theatresports competition saw a full house at the O'Kelly Theatre, featuring 13 teams from Years 7 and 8. The event was supported by senior students Henry Rooney, Raphael Quoyle, and Eddie Dunstan as timekeepers and hosts, while Xavier Hynes, Tom Doyle, Charlie McKay, and Isaac Ford lent their expertise as judges. Madame Moriarty's live piano accompaniment, coupled with lighting by Hugo Wrightson and Toby Dickinson, enhanced every performance.

A sincere thanks to mentors Jasper Timms, Ignatius Meagher, Hugh Wentriro, Lachlan Clubb, Cameron Ellis, Will McCarthy, Oliver Tucker, Finn Roberts-Thomson, Harrison Hooper, Finn Egerton-Warburton, and Artaban de Lacharriere, whose dedication and guidance supported the teams. We also extend our gratitude to coaches Mrs Sally Wentriro and Ms Roseanne Cuschieri, for their tireless commitment in organising and overseeing Junior Theatresports.

Congratulations to the Junior Winners:

- Theatre Sports Premium – Year 8 (Harry Johnston, Oliver Schmid and Bede Egerton-Warburton)

Junior State Team Heat and Semi-Final

The Junior State Theatresports team, Oliver Schmid, Harry Johnston, Benny Dickinson, Tom Shanahan, and Wilbur Lusher, brought creativity, quick wit, and strong teamwork to the first heat of ImproAustralia's School's Challenge, hosted in the O'Kelly Theatre. Their standout performances in the semi-finals, while narrowly missing the finals, won the admiration of all in attendance. Heartfelt thanks go to the boys' families and their coaches, whose support made this achievement possible.

Theatresports at Riverview is a true celebration of creativity, teamwork. To everyone who contributed to the program this year, thank you for your dedication, passion, and unwavering support.

Intermediate and Senior Teams:

- Daily Triumph Seekers – Year 9 (Henry Collopy, Jasper Timms, Will Thomas, Phoenix El-Agha, and Teddie Munro)
- Algebros – Year 9 (Marcus Camilleri, Max Finsterer, Hamish Walter, and Jude Feilen)
- Fish and Chippa – Year 9 (Hugh Wentriro, Xavier Quoyle, Luca Rogers, and Ben Camilleri)
- One Two Many – Year 9 (Henry Stuart, Ignatius Meagher, Max Quirk, Samuel Nicholls, and Lucas Gesterkamp)
- The Meddling Kids – Year 10 (Finn Roberts-Thomson, Cameron Ellis, Lachlan Clubb, Oliver Tucker, and William McCarthy)
- Hey, I bet we can get the hosts to say something funny... – Years 10 and 11 (Finn Egerton-Warburton, Harrison Hooper, and Artaban de Lacharriere)
- Gone Golfing – Year 12 (Eddie Dunstan, Isaac Ford, George Gaha, and Xavier Hynes)
- Howzat! – Year 12 (Tom Doyle, Charlie McKay, Raphael Quoyle, and Henry Rooney)

Junior Teams:

- Timeless Toms – Year 7 (Tom Polin, Tom Shanahan, and Tom Carseldine.
- Larry and the Birds – Year 7 (Larry Lynch, Jordan Herrera-Hu, Jimmy Fitzgibbon, and Henry Pfafflin)
- The Three Stooges – Year 7 (Jacob Yap, William Carney, and Dean Criola)
- Cole Palmer's Pet Penguin is a Pilot – Year 7 (Jacob Follari, Callan McInney, and Thomas Saadat)
- DJ-W – Year 7 (Dominic Hall, William Hall, Jason Herrera-Hu, and Wilbur Lusher)
- My Mum Made Me Compete, it's Not My Fault! – Year 7 (Tommy Smith, Ed Vallely, and Jack Priestley-Mathews)
- Grandpas on Holiday – Year 7 (Finn Maher, Angus Stanic, and Otis Timms)
- The Watery Watermelons – Year 8 (Sam Liubinskas, Rhys Williams, Oliver Patrk, and Christian Bowe)
- No Clue – Year 8 (Xander Crabb, Teddy Hardy, and Harry Walsh)
- Theatre Sports Premium – Year 8 (Harry Johnston, Oliver Schmid, and Bede Egerton-Warburton)
- Taste the Rainbow – Year 8 (Bastian Klok, Nick Sheehan, James Thomas, and Benny Dickinson)
- The Real Housewives of Lane Cove – Year 8 (Eddie Thrum, Eddy Williams, and Xander Russell)
- Not Half Bad Kid – Year 8 (Darcy O'Dea, Lachlan Gacitua, Felix Brown, Scotch O'Connor, Charlie O'Halloran, and Edward Mitchell).

Dance

Ms Alanna Elliott | Dance Co-ordinator

The inaugural year of the Co-curricular Dance program at the College was a remarkable success. The journey began in Term 1, when students first gathered over lunch to discuss their vision for the new dance program. From these early conversations, a vibrant community formed, with a strong cohesive and collaborative philosophy.

The dance program has been designed to offer meaningful and diverse opportunities for all students. It aims to cultivate their artistic talents while encouraging them to explore their unique voices through movement. This approach empowers participants to take risks, collaborate with peers, and develop a deep appreciation for dance.

Meeting every Tuesday over the year, students honed their skills in the O'Kelly Theatre, where they engaged in diverse dance styles including hip-hop, jazz, lyrical and self-devised choreography. This regular rehearsal schedule allowed students to develop their performance skills while fostering an encouraging environment that advanced creativity and self-expression.

The highlight of the year was the showcase held on 27 November, featuring 11 enthusiastic dance students from Years 7 to 11. We thank Loreto Kirribilli for their students who were also a part of the dance group. This event not only celebrated their hard work and dedication but also provided a platform for each student to show their skills. The performances captivated the audience and illustrated the growth and confidence gained throughout the year.

Thank you to everyone who helped and supported Co-curricular Dance throughout the year. A deep thank you to the Co-curricular Drama Co-ordinator and O'Kelly Theatre Manager Conrad Page who handled all the production logistics, and Kathleen Hunt and Jennifer Pocknall for the amazing costumes.

We cannot wait to see what the future holds for Dance at Saint Ignatius' College Riverview.

DANCERS (in alphabetical order)

Charlie Biddle, Aamiya Cleary, Harvey Cummins, Archie Delany, Angus Devlin, Jack Fish, Jess Hermens, Jed Mercer, Ruki Merlin, Tom Polin, and Eddy Williams.

VIEW CREW (in alphabetical order)

Alex Camilleri, Marcus Criola (OR2022), Callan McInney, and Max Quirk.

College Musical

Ms Alanna Elliott and Ms Elena Turunen | Co-Directors

Aladdin Jr. was a spectacular show full of magic, adventure, and a celebration of talent. Seventy-six dedicated students from Saint Ignatius' College Riverview, Monte Sant' Angelo Mercy College, Loreto Kirribilli, Loreto Normanhurst, and St Michael's Primary School Lane Cove started their six-month journey in late January. They consistently put their all in at every rehearsal for the three shows on 20, 21, and 22 June.

Based on the beloved Disney animated film, the *Aladdin Jr.* musical brought to life the story of Aladdin, a street-smart young man who discovers a magical lamp. He embarks on a journey to win the heart of Princess Jasmine, all while facing the villainous Jafar and discovering his true self.

The role of Aladdin was brought to life by Bede Mercer who truly captured Aladdin's charm and determination. His ability to portray the journey from a humble street rat to a confident hero with warmth and humour drew the audience into his world, making Aladdin's life lessons of personal growth relatable.

Princess Jasmine was portrayed by Chanelle Wilson who beautifully embodied the character's strength and independence. Jasmine's desire for freedom and true love was highlighted in her performance, as she navigated the constraints of royal life. Chanelle's vocal and emotional depth brought authenticity to Jasmine's character.

Oliver Schmid as the Genie stole the show with comedic flair and powerful vocals. His larger-than-life personality and energetic presence provided numerous highlights, especially during his show-stopping numbers 'Friend Like Me' and 'Prince Ali'.

Jafar, played by Matteo Maiorana, had a knack for portraying menace and manipulation, which added tension and drama to the narrative. His cunning performance kept the audience on the edge of their seats, showcasing his ambition to seize power. Every villain also needs a witty sidekick, and in this performance that role was portrayed by Chester Johnson. Playing Lago, Chester provided much of the comic relief, expertly balancing humour with the story's darker elements.

The Agrabahns, a lively ensemble, played an essential role in establishing the vibrant atmosphere of Agrabah. Their participation in key scenes and dance numbers enriched the story, making the world feel full and alive. The Palace Ensemble enhanced the royal scenes, adding a touch of grandeur that complemented the storyline. Their coordinated performances highlighted the contrast between the lives of the common people and the royal court.

The dance ensemble was integral to the production, particularly in energetic numbers like 'Friend Like Me' and 'Prince Ali'. The choreography transformed these songs into dazzling spectacles, showcasing the vibrant culture of Agrabah and the Palace. The seamless integration of dance and music captivated the audience, turning each performance into a lively celebration.

The costumes, created by a dedicated team, were a visual feast that brought the characters and setting to life. Each outfit was thoughtfully designed to reflect the personality and status of the characters, from Aladdin's humble attire to Jasmine's regal dresses. The attention to detail in the costumes added authenticity to the performance, enhancing the overall experience for both the performers and the audience.

One of the most memorable aspects of the production was the flying magic carpet, a stunning set that added a magical dimension to the storytelling. The innovative staging techniques and lighting effects used to create the illusion of flight were particularly impressive, captivating the audience during key moments of the show.

The school's production of *Aladdin Jr*. was a remarkable achievement that showcased the immense talent and dedication of the entire cast and crew. It entertained and inspired students to express their creativity and passion for the performing arts.

Thank you to everyone who supported the *Aladdin Jr.* musical.

Co-curricular Music

Mr Peter Watters | Head of Music

This year has been a celebration of musical achievement, growth, and creative expression for the Co-curricular Music program. Throughout 2024, students at Saint Ignatius' College Riverview participated in a diverse array of performances and events, demonstrating their passion, dedication, and remarkable talent.

Guided by an exceptional team of skilled and committed staff, and energised by the enthusiastic participation of students, the co-curricular program fostered a vibrant culture of musical excellence and collaboration. These efforts culminated in memorable experiences for performers and audiences alike, reinforcing the importance of music in our community.

At the heart of the Co-curricular Music program lies the Woods Music Centre, a bustling hub of creativity and dedication. From early morning rehearsals to late-afternoon private tuition sessions, the Woods comes alive with activity, serving as a testament to the commitment of Riverview's students and staff. This space has provided not only the resources but also the inspiration for young musicians to grow, refine their skills, and experience the collective joy of making music together. The collaborative spirit cultivated here has been instrumental in the program's success, enabling students to thrive both as individuals and as part of a larger musical community.

The 2024 concert program offered a platform for students to shine and for the community to come together in celebration. The annual Riverview in Concert event was a particular highlight, featuring the College's diverse range of co-curricular music ensembles. Audiences were treated to a repertoire that spanned classical pieces, cinematic scores, jazz standards, and popular hits. The professionalism and enthusiasm of all involved made the evening a resounding success and a moment of pride for the entire Riverview community.

In Term 2, the Junior Musical transported audiences to the enchanted city of Agrabah with a captivating production of *Aladdin Jr.* The tale of the young protagonist and his magical adventures delighted audiences, thanks to the creativity and dedication of the cast, production team, parents, and technicians. It was a shining example of Riverview's commitment to fostering collaborative and imaginative opportunities for its students.

Another memorable event was the Riverview Music Gala Evening, held mid-year, which featured senior co-curricular ensembles and soloists from Years 9 to 12 Music classes. The evening demonstrated the incredible breadth and depth of talent within the program and was a fitting showcase of the students' growth as musicians.

The Jesuit Mission Bazaar added another layer of excitement to the calendar. Continuous performances by College ensembles across multiple stages created an energetic atmosphere throughout the day and the highly anticipated Battle of the Bands captured the creativity, energy, and skill of the participating students.

The year ended on a high note with Regis in Concert, a special event celebrating the youngest members of the Riverview music community, students from Years 5 and 6. The audience of family and friends warmly applauded the impressive performances by the Regis Ensembles, Music Activities groups, and soloists. A heartfelt thanks goes to Mr Arne Tripolone, Co-ordinator of Music – Regis Campus, and the Music Tutors for their dedication and hard work throughout the year. This event showcased the remarkable potential and enthusiasm of Riverview's young musicians.

Beyond the College, Riverview students proudly represented the College at a wide range of public events and competitions, demonstrating not only their extraordinary talent but also their dedication and collaborative spirit. These performances not only highlighted the College's commitment to musical excellence but also strengthened its role as a vibrant cultural presence in the wider community.

One of the most memorable events was the Stand Tall gathering at the ICC in Darling Harbour. The Regis Choir and Ignatian Choir collaborated with Jael Wena, renowned for her appearances on *The Voice* and *Australia's Got Talent*, for a breathtaking rendition of Mariah Carey's 'Hero'. This powerful performance, in front of over 5000 students, was particularly significant for the younger members of the Regis Choir, many of whom were performing for such a large audience for the first time. The Ignatian Choir's tenors and basses also shone in their performance of 'This Is Me' from *The Greatest Showman*, while the Riverview Drumline electrified the audience with their precision and energy.

At the IPSHA Concert at Sydney Town Hall, the Regis Choir and Regis Concert Band delivered a rousing rendition of Elton John's 'I'm Still Standing'. Their performance was a testament to the hard work and dedication of these talented young musicians.

The year was also marked by numerous accolades at the Australian Schools Band and Orchestra Festival (ASBOF), held at the University of New South Wales. Riverview ensembles impressed adjudicators and audiences alike, with the Regis Concert Band earning a Bronze Award for their diverse program. The Intermediate Concert Band and Symphonic Wind Band each received Silver Awards for their polished and confident performances. The Riverview Big Band achieved a standout result, earning a Gold Award in the prestigious Don Burrows Event – a remarkable achievement adjudicated by renowned jazz educator John Morrison.

Equally impressive was the Drumline's performance at the National Percussion Eisteddfod, where they earned the title of Division B Champion along with the Best Test Piece Award. Their dynamic and precise performance captivated audiences, underscoring the exceptional talent and dedication of these students.

Closer to home, the Regis Concert Band, Intermediate Concert Band and Riverview Big Band delighted local audiences with performances at The Canopy in Lane Cove, further strengthening the College's ties to the community.

The Private Instrumental Tuition program

continued to be a vital part of Riverview's students' musical development. The program encouraged individual growth by providing students with dedicated tutor support and opportunities to participate in ensembles, recitals, and external examinations. A standout feature of the program was the Solo Recital Evenings, where students showcased their progress in a supportive and intimate setting. These performances, a testament to the dedication of both students and tutors, highlighted the immense talent within the program and the value of personalised guidance and encouragement.

As 2024 draws to a close, special recognition must be given to the contributions of the Year 12 students. Their leadership and dedication have set a high standard for the program, inspiring younger students to pursue their musical aspirations with enthusiasm and commitment. Special thanks go to the College Music Captain, Jack Caine, and Vice Captain Thomas Doyle, for their outstanding work and unwavering dedication. Their efforts have fostered a strong sense of community within the program, ensuring its continued success. The legacy left by these graduating students will undoubtedly serve as a source of inspiration for future participants.

The collective efforts of students, staff, and parents have ensured the ongoing success of the co-curricular Music program, creating a rich and inspiring environment for musical growth. Looking ahead, the program is poised to build on its achievements with exciting initiatives and performances planned for 2025, including the highly anticipated senior musical, *Disney's Newsies*. With its diverse ensembles, passionate staff, and dedicated students, the program will continue to enrich the cultural life of the College and set a high standard of excellence for years to come.

Music Private Tuition

Ms Trish Schwager | Music Private Tuition Co-ordinator

The Private Instrumental Tuition program continued to expand throughout 2024, providing a unique opportunity for students to engage themselves enthusiastically in a specific music learning environment.

String, woodwind, brass, percussion, keyboard, vocal, and drama and public speaking tuition is offered to any student wishing to learn a particular instrument with 18 different instruments taught by a dedicated staff of nearly 30.

The program enables students to develop an ability to manage their own learning and serves as a pathway for further musical experiences. Students are encouraged to join instrumental ensembles, sit for internal and external exams and participate in Eisteddfods, major productions, concerts and instrumental recitals.

The instrumental recitals in particular provided an excellent public platform for students of any age and level to display their own unique talent and skills.

Musically, 2024 has been a busy and productive year. The staff involved in the program are to be congratulated for their consistent support, time, care and planning in fostering a desire for students to enjoy and develop a unique musical experience. A big congratulations is also extended to the students who involve themselves in this special co-curricular program. Their enthusiasm and commitment to music in the College is important and valued on so many levels.

Orchestra

Mr Peter Watters | Ensemble Director

This year, the Riverview Orchestra captivated audiences with a series of performances that showcased their remarkable talent and dedication. The year kicked off with a performance at Riverview in Concert, where they brought Klaus Badelt's 'Pirates of the Caribbean' to life. The piece was conducted by Year 12 Music 2 student Tom Doyle, with his leadership adding a special touch to an already dynamic performance.

The Orchestra followed this with a stirring performance of 'Lord of the Dance', featuring the vibrant music from Michael Flatley's iconic Irish and Celtic dance show, transporting the audience into a world of rhythm and energy.

Another standout moment came at the Riverview Music Gala Evening, where the Orchestra showcased their versatility. They performed Leroy Anderson's 'Fiddle Faddle', a playful piece full of energy and character, before transitioning into a powerful arrangement of Beethoven's '5th Symphony'. The contrast between these two pieces highlighted the Orchestra's broad repertoire and impressive skill.

The Orchestra's commitment to early morning rehearsals every Monday at 7:30am has been a testament to their love for music and dedication to excellence. The Year 12 musicians played an especially important role, guiding younger members and fostering both musical growth and a strong sense of community within the Orchestra.

As we look forward to 2025, the dynamic and talented Riverview Orchestra is set to continue delighting audiences with their outstanding performances.

Orchestra

Back Row: Nicholas Dwyer, Alexander Teoh, Patrick Hickton, Nelson Meehan, Daniel Osborne, Thomas Doyle, Lachlan Mauleon, George Gaha, Justin Hiew-Choy
Third Row: Gianluca Di Pietro, Charles Forshaw, James Munro, Elijah Wehrhahn, Gian McAweeney, Samuel Young, Luke Wang, Edward Murray
Second Row: Mr Peter Watters, Leonardo Clyde, Ignatius Meagher, Nicholas Teoh, Matthew Lee, Rui Teng, Ciaran Wilde, Henry Klok, Jack Healy, Hong (Sidney) Au-Yeung
Seated: Felix Merlino, Jason Herrera-Hu, Bastian Klok, William Thomas, Gaelan Cosgriff, Benjamin Hartcher, Callum Sillett, Harry Johnston, James Cousins, Benjamin Dielmann
Absent: Cooper Clarke, Matteo Maiorana, Raphael McLachlan, Adam Travers, Mr Luke Thatcher (Assistant Ensemble Director)

Chamber Strings

Mr Arne Tripolone | Ensemble Director

This year the Chamber Strings performed at some of our school's most significant events, including the Jesuit Mission Bazaar, Gala Evening, and Donor Thanksgiving Concert. Each performance gave the group the chance to showcase a diverse repertoire, featuring works such as Respighi's 'Ancient Airs and Dances', Piazzolla's 'Libertango' and 'Oblivion', and Paul Jenkins' 'Palladio'.

One of the most valuable tools in our preparation has been the use of audio recordings during rehearsals. Listening back to recordings allowed the group to pinpoint areas for improvement, helping us work on intonation, rhythm, and sound quality. With each performance, Chamber Strings became more cohesive and improved their adaptability to the unpredictable nature of live events.

Chamber Strings is excited to continue the musical journey, exploring some of their favourite composers in the upcoming year. Among these, the indefatigable works of Vivaldi and Mozart, as well as delving further into captivating tango repertoire by composers such as Astor Piazzolla. In addition to these classical selections, the ensemble is eager to showcase some dynamic pop arrangements, offering a diverse and engaging program for audiences to enjoy.

Chamber Strings

Standing: Matthew Lee, Henry Klok, Elijah Wehrhahn
Seated: James Munro, Cian McAweeney, Luke Wang, Samuel Young
Absent: Mr Arne Tripolone

Intermediate Strings

Ms Heather Lloyd | Ensemble Director

The Intermediate String Ensemble comprises students from Years 5 to 8, and includes players of violin, viola, cello, and double bass. The Ensemble rehearses on Tuesday afternoons from 3.35 to 4.30pm. This new time slot has meant that all students now reap the benefit of a full rehearsal, where previously it was before school and Regis students missed out on half the session. Tuesday is now a longer day, but attendance is so far strong and the punctuality at rehearsals is notable.

The ensemble has grown in strength this year, with many wonderful violin players from the Year 6 cohort joining the group in Term 3. It is inspiring to see such an eagerness for musical knowledge and continued striving on their instruments. The students work harmoniously together, listening and learning from each other.

Intermediate Strings performed with great enthusiasm and flair at the Gala Concert in the middle of the year, standing in Tango band formation, playing the 'South Brisbane Tango' by Australian String composer Loreta Fin. This performance was executed almost entirely from memory by many of the players – and they clearly had a lot of fun. It was an impressive display of commitment and musicality from these young musicians.

The Intermediate Strings joined with Regis Strings and formed a powerful double string orchestra at the Jesuit Mission Bazaar on Saturday 14 September, performing to a large crowd outside the Dalton Chapel. The best learning environments are supportive ones, and this combined effort is a great example of that. I remind the students that music performing could become their profession or long-term passion if they keep up such great commitment.

Intermediate Strings

Standing: William Rees-Woods, Edward Murray, Gianluca Di Pietro, Marc-Felipe Lewis
Seated: Thomas Brewer, Thomas de Meyrick, George Palmer, Xavier Roberts
Absent: Samuel Abouchrouche, Thomas Drake, Elliott Johnston, Nicolas Klok, Ms Heather Lloyd

Ignatian Choir

Mr Kirk Hume | Ensemble Director

The Ignatian Choir was an integral part of many liturgical events in the College calendar in 2024, including services for Ash Wednesday, Holy Week, and the Sacred Heart Mass.

This year's ANZAC Ceremony in the Ramsay Hall on 1 May focused on the role of the Air Force in past conflicts, so for this occasion the choir chose to perform 'On Eagle's Wings' by Michael Joncas, arranged for choir by Douglas E Wagner.

For Riverview in Concert in May, we reprised 'On Eagle's Wings', and performed 'The Flame', a song composed especially for the 2000 Sydney Olympics. It featured Matteo Maiorana (Year 8) and Stephen Barchinski (Year 10) as soloists.

One of the highlights this year was to travel to the International Convention Centre in Darling Harbour to take part in Stand Tall, an event bringing together young people to share their stories of challenge and resilience. In the morning session, our tenors and basses sang backing vocals for 'This is Me' from *The Greatest Showman*. After lunch, the combined Ignatian and Regis Choirs joined Jael Wena on stage to perform a rousing arrangement of the Mariah Carey hit 'Hero' before an audience of over 5000 people.

With this year's Olympic Games taking place in Paris, it seemed only fitting that for the Gala Concert in Term 3 the choir performed the Edith Piaf classic 'Sous le Ciel de Paris', and reprised 'This Is Me', this time with Tom Doyle (Year 12) as soloist.

It was with a mixture of sadness and gratitude that we farewelled Tom Doyle who would be leaving the choir this year. Tom has sung in our choirs throughout his entire time here at Riverview, performed in many of our College musicals and conducted the College Orchestra. He is a true Renaissance Man of the Arts and we will miss him very much.

As ever, the students of the Ignatian Choir brought the year to a close singing the timeless hymn 'O Come, O Come Emmanuel' at the Advent Mass.

Ignatian Choir

Back Row: James Gibson, Julian Criola, Louis Gower, Thomas Doyle, Archer Delany, Patrick Gardiner, Nicholas Morgan, Oliver Schmid, Arthur Lusher
Second Row: Mr Kirk Hume, Harry Johnston, Gianluca Di Pietro, Luis Criola, James de Flamingh, Stephen Barchinski, William Thomas, William Rees-Woods, Marc-Felipe Lewis, James Cousins
Seated: Thomas Shanahan, Dean Criola, Patrick Bates, Nicholas Mian, Ruki Merlin, Jules Roche, Angus Stanic, Thomas Saadat, Jack Bray
Absent: Alexander Bradley, Bede Egerton-Warburton, Justin Foote, Matteo Maiorana, Jed Mercer, Ms Christine Moriarty (Ensemble Accompanist)

Symphonic Wind Band

Mr Michael Bellemore | Ensemble Director

This year has been a productive one for the Symphonic Wind Band. It's always terrific to meet the new recruits who come to us from Regis Campus and those who migrate from the Intermediate Concert Band.

Our performances this year included Riverview in Concert, the Riverview Gala Evening and the Jesuit Mission Bazaar. We were also fortunate to participate in the ASBOF Band Festival held at the University of NSW during August. The students played very musically and I was pleased that the students received a Silver Award for their efforts. We look forward to participating in band competitions next year, which always provide the students with challenging repertoire and another chance to perform publicly.

In our year of rehearsals, we managed to get through a fairly diverse repertoire, many with a distinctive 70s and 80s flavour. Our selection consisted of The Beach Boys' medley, *Jurassic Park*, 'Gateway to the Alps', 'Queen in Concert', and a medley of the marches from *Star Wars*.

For 2025 we look ahead to organising some performances both at school assemblies and in the Lane Cove local area where we can show off the abilities of these talented students to the public.

To conclude, I would like to pay tribute to the students from Year 12 who are leaving us this year – Ed Dunstan, George Gaha, Connor Forrest, Sam Wright, Judah White, Charlie McKay, and Spencer Solomons.

A big thank you to all of them for their leadership, commitment, and enthusiasm over the years with the band. I would also like to thank the parents for their enthusiastic support and encouragement of the students during this year.

Symphonic Wind Band

Back Row: Aiden Paras, Harry Sultana, Spencer Solomons, Thomas Kropman, Charles McKay, Edward Dunstan, William Brungs
Third Row: Sam Wright, George Gaha, Thomas Hartman, Aaron Donohoe, Henry Merrick, Hugo Curran, Marlon Malhi, William Thomas

Seated: Jonathan (Jonty) Hickton, Angus Harrison, Ignatius Meagher, Charles Fuller, Jack Caine, Judah White, Charles Holt, Harry Saadat, Luke Jacobs, Benjamin Vaz
Absent: Patrick Welsh

Intermediate Concert Band

Mrs Sue Thomas | Ensemble Director

It is widely recognised that the best way to learn music is by playing an instrument. The goal of the Intermediate Concert Band is to guide our younger students, regardless of skill level, in mastering fundamental musical techniques while building their confidence as musicians.

It has been a busy and immensely enjoyable year for the Intermediate Concert Band, with our ensemble growing thanks to the arrival of our new Year 7 students. We had multiple opportunities to perform at concerts and venues throughout the year, which has been important for the band's progress. This year, the Intermediate Concert Band featured a broad range of instruments across all sections, contributing to a varied and well-blended sound.

Our first concert performance was at Riverview in Concert, where we showcased 'Cake by the Ocean', and 'The Best of Queen'. In August, the Intermediate Concert Band performed at the Australian School Band and Orchestra Festival held at the University of NSW. With over 10,000 students performing at this event, it is one of the most significant music education events in Australia. The band played with confidence and musicality and, to the delight of all involved, were rewarded with a Silver Award.

In Term 4, the band was once again invited by Lane Cove Council to perform at The Canopy, offering the Intermediate Concert Band a special opportunity to play for our local community. The performance was a great success, as the band showcased some of our favourite pieces.

I want to take this moment to thank Mr Sam Gill for his musical support throughout the year, and to the students of the Intermediate Concert Band for making this year so special. It has been a pleasure getting to know each of you and witnessing your growth. To those moving on to senior ensembles, thank you for your valuable contributions this year. For those remaining in the Intermediate Concert Band, I look forward to another exciting and successful year in 2025!

Intermediate Concert Band

Back Row: James Cousins, Zachary Dynon, Jonathan Hickton, Zion Sharman, Liam Muir, Edward Thrum, Samuel Fitzsimons, William Carney, Leonardo Clyde, Jordan Herrera-Hu
Second Row: Mr Sam Gill, James Fitzgibbon, Angus Douglas, Michael Dickason, Jude Lee-Field, Felix Liddy, Benjamin Hartcher, Riley Quin, William Bredenhann, Marcos Long Garcia, Mrs Sue Thomas
Seated: William Johnston, Henry Russell, Thomas Saadat, Nicholas V'landys, Ryan Hurley, Aidan Bion, Benjamin Dielmann, Aidan Lynam, Nicholas Hudson, Wilbur Lusher

Seated: Hong (Sidney) Au-Yeung, Charles Holt, Lewis Mills, Jack Healy, Jack Caine, Patrick Hickton, Cameron Raynor, Charlie Caine, Clayden Tam **Absent:** Cooper Clarke, Patrick Delaney, Sean McKeon, Mr Andy Fiddes (Assistant Ensemble Director)

Intermediate Stage Band

Mr Sam Gill | Ensemble Director

The Intermediate Stage Band has had a productive and creative year. A large number of members from Year 7 joined the group, complementing the Year 8 and 9 players who have continued from last year. Together they have learned a variety of exciting stage band repertoire with enthusiasm and dedication, covering styles including classics from the swing era, funk, soul jazz, and newer pop arrangements.

The band has had several performances throughout the year. The first was at Riverview in Concert, where the band presented two engaging pieces. The first was Herbie Hancock's 'Chameleon' (arr. Sweeney), a 70s funk-jazz classic driven by a groovy bassline and powerful unison melody. The second tune was Daryl McKenzie's 'Dog Walkin' Shuffle', which featured call-and-response ensemble work between the saxophones and brass, as well as two fantastic blues-tinged solos.

Later in the year, the band performed an expansive set of songs at the Jesuit Mission Bazaar. 'Chameleon' and 'Dog Walkin' Shuffle' were played here too, alongside four additional tunes the band had learnt throughout the year. These included Louis Prima's swinging drum feature 'Sing, Sing, Sing', the catchy soul-jazz tune 'Gospel' by Carl Strommen, the synth-pop classic 'Take On Me', originally by the band A-ha, and Michael Jackson's much-loved 'Billie Jean'.

In the last term of the year, the band has been exploring new repertoire including Gordon Goodwin's classic big-band song 'Hit The Bricks', which the band hopes to perform next year.

Thank you to all of the Intermediate Stage Band members for their commitment and hard work throughout 2024. I look forward to exploring more stage-band music with the group next year. A special thanks to the older students moving into the senior ensembles next year for your contributions during your time with the band.

Absent: Samuel Fitzsimons, Jonathan Hickton, Oliver Wright

Saxophone Quartet

Mr Sam Gill | Ensemble Director

The Riverview Saxophone Quartet continued its growth this year, following its reforming in 2023 after a lengthy hiatus. The members of the quartet have continued their exploration of energetic and challenging repertoire, with the group this year comprising predominantly of Year 12 students, as well as one member from Year 11.

A majority of the quartet's activity was undertaken in Semester 1, prior to the Year 12 students' HSC commitments in Semester 2. The centrepiece performance by the group was at Riverview in Concert, where they played a well-received rendition of the Jackson Five classic 'I Want You Back'. Preparing this song presented a rewarding challenge for the quartet, with each of the four members getting their moment as the lead player within the rhythmically complex and fast-paced arrangement.

The quartet's weekly rehearsals also featured a variety of other renowned songs. These included 'Sir Duke' by Stevie Wonder, the theme song from *The Simpsons*, and the well-known song 'Megalovania' from the soundtrack of the game Undertale, each of which presented unique musical demands on the quartet.

Thank you to all members of this year's quartet for your commitment and high-energy approach to performance. Special thanks also to the departing Year 12 members for your contributions to getting the quartet back together over the last two years.

Saxophone Quartet
Mr Sam Gill, Jack Caine, Ambrose Hennessy, Thomas Hartman, Ted Perrignon

Drumline

Mr Luke Thatcher | Ensemble Director

The Riverview Drumline has had an extraordinary year, marked by outstanding performances and remarkable achievements. This talented group of percussionists has not only entertained audiences but also brought home prestigious awards, making 2024 a year to remember.

One of the highlights of the year was their performance at Stand Tall in Sydney's International Convention Centre. The Drumline's powerful rhythms and precise coordination captivated the audience, setting the tone for an inspiring event. Their energy and enthusiasm were palpable, leaving a lasting impression on everyone present.

The Joeys vs Riverview Rugby match was another significant event where the Drumline showcased their skills. Their performance added to the electrifying atmosphere of the match, boosting the spirits of the Riverview supporters and players alike. The Drumline's beats echoed through the stadium, creating an unforgettable experience for all.

The Gala Concert was yet another platform where the Drumline shone brightly. Their performance was a testament to their versatility and musical prowess. The audience was treated to a spectacular display of rhythm and coordination, highlighting the Drumline's commitment to excellence.

At the Valete ceremony, the Drumline played a crucial role in celebrating the achievements of the graduating class. Their performance was both moving and celebratory, perfectly capturing the emotions of the day. It was a fitting tribute to the hard work and dedication of the students and staff.

In addition to these performances, the Riverview Drumline achieved a significant milestone by winning the National Percussion Eisteddfod Drumline Competition Division B. They were awarded Best Test Piece and Division B Champion, a testament to their hard work, dedication, and exceptional talent.

This year has been a remarkable journey for the Riverview Drumline. Their performances have not only entertained but also inspired, making them a source of pride for the entire Riverview community. Here's to another year of rhythm, passion, and success!

The Bluenotes

Mr Simon Gilkes | Ensemble Director

In 2024, we had the resurrection of Riverview's prestigious vocal ensemble The Bluenotes for the first time since 2019. The Bluenotes has been reborn in the American Collegiate 14 Voice A Cappella style, singing in four (and at times up to eight) part harmony, as well as offering the opportunity to sing solos in an eclectic array of musical styles.

Learning and performing this type of music has developed a new skill base for the students, as singing in harmony without any accompaniment necessitates a great degree of vocal strength, flexibility, and stamina. Students also need strong aural skills to maintain pitch and development of tone as an ensemble.

Throughout the first semester we worked on several pieces to develop these fundamental skills. This culminated in our first performance at the Gala Concert at the start of Term 3. We performed John Legend's 'All of Me', with Julian Criola singing solo, and The Temptations' 'My Girl', with Archie Delany on solo, receiving a rapturous applause from the audience. We followed that performance with a set at the Jesuit Mission Bazaar where Charles Biddle sang 'All of Me' and we added The Turtles 'Happy Together' to our repertoire list, with Bede Egerton-Warburton and Jack Fish on solo.

The Year 11 students this year – Charles Biddle, Archie Delany, Julian Criola, Jack Fish, and Harvey Cummins – have been instrumental in establishing this ensemble again within the Riverview Vocal program. They have galvanised the group as a solid unit.

As the ensemble continues to develop and mature, I am looking forward to the great potential of this group. We look forward to the opportunities that lie ahead in 2025 and beyond.

The Bluenotes

Seated: Harvey Cummins, Luis Criola, Charles Biddle, Stephen Barchinski, James de Flamingh
Absent: Mr Simon Gilkes

Emmanuel Guitar Ensemble

Mr Richard Cichocki | Ensemble Director

The Emmanuel Guitar Ensemble has experienced significant growth this year, both in size and in the range of their performances. They have had the privilege of showcasing their talents at notable events such as Riverview in Concert and the Jesuit Mission Bazaar. These opportunities allowed the ensemble to shine and share their music with larger audiences.

This year, the ensemble's repertoire expanded to include a variety of more challenging and engaging pieces. Among their new additions are 'He's a Pirate', 'Man of Mystery', 'Sway', and 'Wedding Cake Island'. These selections have not only been enjoyable for the students to play, but have also pushed them to develop their technical and musical abilities.

Through their dedication and practice, the students have shown remarkable improvement in their technical proficiency and listening skills. Their ability to perform more complex pieces with confidence and precision is a testament to their hard work and passion for music. Additionally, participation in the ensemble has fostered strong friendships among the members, creating a supportive and collaborative atmosphere that has greatly contributed to their growth as musicians.

Looking ahead, the Emmanuel Guitar Ensemble is excited to perform at more events, including College assemblies and other special occasions. These opportunities will allow them to continue showcasing their talent, building their confidence, and sharing their love of music with the community. The future looks bright for this talented group of young musicians.

Australian Rules Football

Mr Nathan Strempel | AFL Program Co-ordinator

Nathan Strempel (AFL SPC)
and Nick Hay (Opens AFL AGC)

The 2024 AFL season was a historic and successful year for Riverview, as the school's AFL program achieved remarkable success across all levels of competition.

The Year 7/8 teams demonstrated tremendous promise. Despite at times coming up against bigger and faster opponents, the team showed great enthusiasm, resilience and commitment throughout the season, marking a strong foundation for our program's future. Under the guidance of Matt Sidhu (OR2023), Adam Sidhu (OR2021), and Callum Mitchell (OR2023), the boys quickly developed their skills and match awareness throughout the season, and I'm confident this group will turn into a very strong AFL side as their bodies develop.

The Year 9/10 teams had a memorable 2024 season with the Div 1 team playing in the inaugural 9/10 grand final – a remarkable achievement considering the depth of talent across the competition. Coach Josef Finsterer (OR2019) did a wonderful job facilitating both individual growth and team dynamics.

For the Div 1 side, the midfield, led by some of the school's brightest up-and-coming stars, was key to our success. They regularly controlled the play and set up offensive ball movement with precision. Although they ultimately fell short in the grand final, the team's resilience and work ethic were clear for all to see, and they were a major force in the competition.

The dominance of Riverview's Opens teams in 2024 reinforced the school's reputation as a powerhouse in NSW High School AFL. The on-field success is a result of our comprehensive AFL development program. Under the astute eye of Head Coach Andrew Wild, our 1st XVIII was able to secure a historic undefeated record this year. Having kept two sides scoreless (one in a finals match) and defeating our eventual grand final opponents Knox three times throughout the year, there was nothing this group of players couldn't do.

Even as we were faced with our toughest proposition, playing against Xavier High School, Albury, for the State Final, we were able to pull out our best performance of the year and seal the deal as the first group of Riverview students to win an AFL NSW State Final.
While our 1st XVIII was as strong as ever, our 2nd XVIII was equally as impressive in claiming back-to-back Premierships. Head Coach Pat Browne was instrumental in the development of all players and paved the way for many of these players to crack into the 1st XVIII side throughout various stages of the year. It was a testament to the hard work of all these players, as they were all able to step up when required.

The 2024 AFL season was a landmark year for Riverview, with the school's AFL program achieving unprecedented success. From winning the 1st and 2nd XVIII Premierships to finishing as runners-up in Year 9/10 final and launching the inaugural 3rd XVIII team, the season demonstrated the strength, depth, and potential of Riverview's AFL program.

A big thank you to Age Group Managers Kim Romeo, Josh Conlon, and Nick Hay for their tireless work throughout the season. To all of the AFL families, thank you also

for your flexibility and commitment to your son's AFL. It is the connection of the amazing families involved that truly make the Riverview AFL community a special place.

1st XVIII Season

Nathan Strempel (AFL SPC), Andrew Wild (1st XVIII AFL Coach) and Nick Hay (Opens AFL AGC)

The 2024 AFL season has been nothing short of extraordinary for the 1st XVIII AFL team. Under the leadership of newly appointed Head Coach Andrew Wild (OR2006) and assistants Nick Hay, Pat Browne (OR2021), and Max Toohey (OR2022), the team not only remained undefeated throughout the season but also claimed the ultimate honours as both NSW ISC Premiers and State Champions. The achievement is a testament to the team's cohesion, discipline, and exceptional talent.

Throughout the season, several players played crucial roles in Riverview's success. In attack, the forward line was a constant threat, led by our leading goal-kicker Nate Tucker, supported by the likes of Charlie Barwick, James Armour, Josh McMeekin, and Archer Wilson, whose pressure and goal-scoring ability was instrumental in our dominant performances.

In the midfield, our engine room was driven by a group of talented players who combined speed, strength, and football smarts. Henry Meaney, Zac Duane, Austin Orsini, and Heath Mercer fed off the excellent ruck work of Will Morahan and Toby Ryan. Their ability to transition the ball from defence to attack was a critical factor in our game plan. This group excelled as on-field leaders and contained any pressure that was thrown at them throughout a match.

Defensively, the backline was rock-solid throughout the season, with a tight-knit unit led by Xavier Browne, Antonio Hartman, Sam Hutchinson, and many more. Under the tutelage of Coach Max Toohey (OR2022), it was their desire to compete and fight their way to the very end that made them an almost impossible back line to break. Twice this season they kept opponents scoreless.

In our Premiership win against Knox, both teams were evenly matched, but our ability to control the midfield in the latter stages of the game proved crucial. It was a thrilling match that also earned us the right to travel to Canberra and face off against Xavier High School, Albury, for the State Championship.

The State Final was a huge match for the College, having appeared in the milestone match previously but not being able to come away victorious. This special group of players, despite being a few injuries down, was able to dig deep and put on the performance of the year. In the final quarter, backs against the wall, our boys were able to kick five straight goals to leave Xavier stunned as we ran over the top of them, victorious at last in the State Championship match – the first time in the College's history!

The 2024 season will go down as one of Riverview's most successful. An inaugural pre-season trip to Melbourne where our captains were presented by Sydney Swans Premiership player Leo Barry (OR1994), then going undefeated and clinching both the Sydney ISC Premiership and State Championship title. This was achieved off the back of a strong, unified squad following the leadership of Captain Zac Duane and Vice Captain Austin Orsini. The season was marked by individual brilliance, a collective team spirit, and a desire to win that made this Riverview team the one to beat.

The Presentation Night was a fitting close to the season with many celebrating the legacy that this group was intent on leaving. The Best and Fairest count reflected our depth with the top five students (Heath Mercer, Will Morahan, Antonio Hartman, Henry Meaney, and Zac Duane) all within five votes of each other. It was Heath Mercer who finished on top as the 2024 Best and Fairest. He was presented the award with four previous winners in the room: Harry Grebe 2023, Andrew Wild 2006, Zac Nandlal 2022, and Pat Browne 2021.

With four of the 2024 top five returning next year, we are excited for what 2025 will bring.

2nd XVIII Season

Nathan Strempel (AFL SPC) and Pat Browne (2nd XVIII AFL Coach)

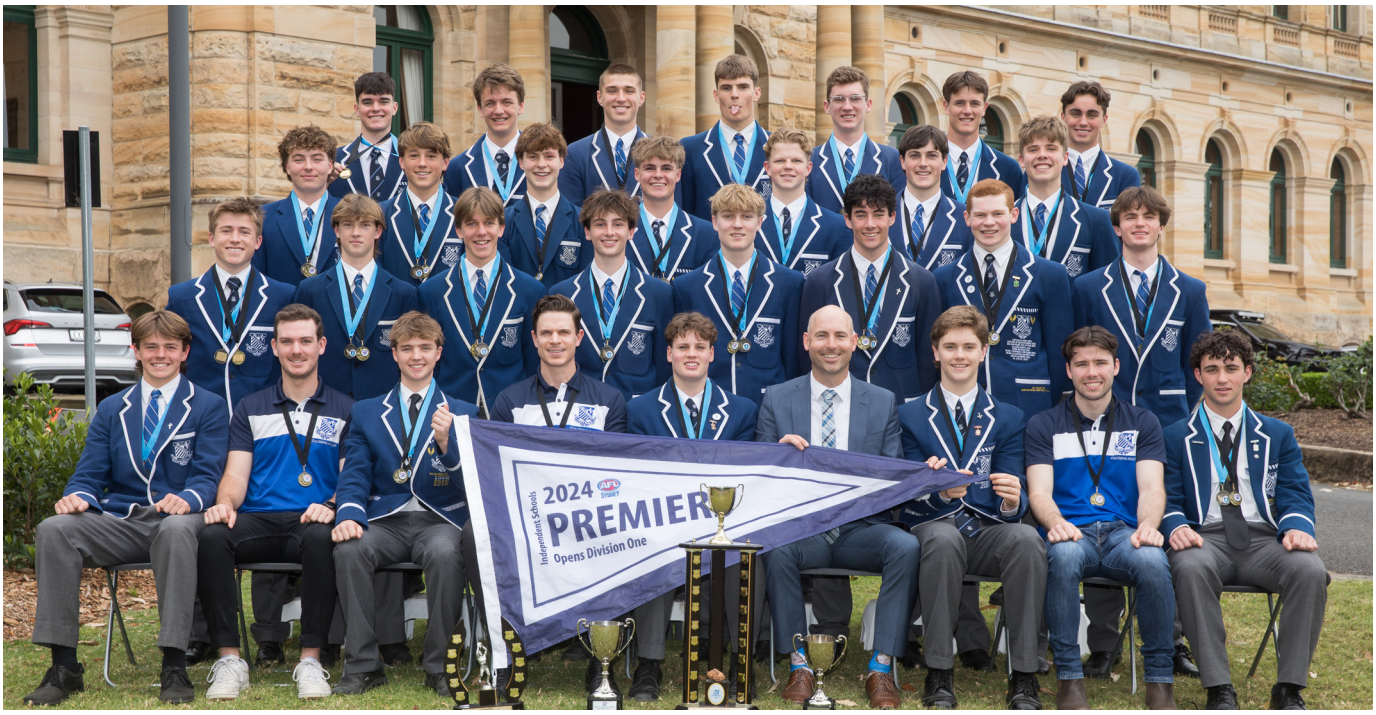

In the inaugural season of our third XVIII, the 2nds were as competitive as they have ever been. We had our sights on the ultimate goal from the beginning of the season and started off strongly. Our first game for the season fell on a Friday night at Sydney University against a strong Newington side. The boys shone underneath the lights and kicked away in the second half to produce an impressive 28-point win over the hosts.

The following round was a taste of what the grand final was going to offer as we came up against Redlands – our biggest competition. The game was a nailbiter with the difference only being two points going into half time and then again at three-quarter time. The final quarter was an arm wrestle, with our boys kicking two goals to the opposition's one, getting the job done by a narrow eight points and claiming top spot on the ladder. Unfortunately, our following week was washed out against Newington, which meant our next match up was against Shore.

On another wet afternoon at ELS Hall, our boys produced their largest win of the season. An 11-goal second half saw the View boys put up a whopping 124 points, showing no mercy to the opposition and booking a spot in the grand final. Leading up to the final we played a hard-fought match against St Augustine's 1sts side and then against Shore's 2nds, despite being undermanned. Both games were tough and produced narrow defeats for our boys but didn't shake us from the fact we had a Grand Final still to play.

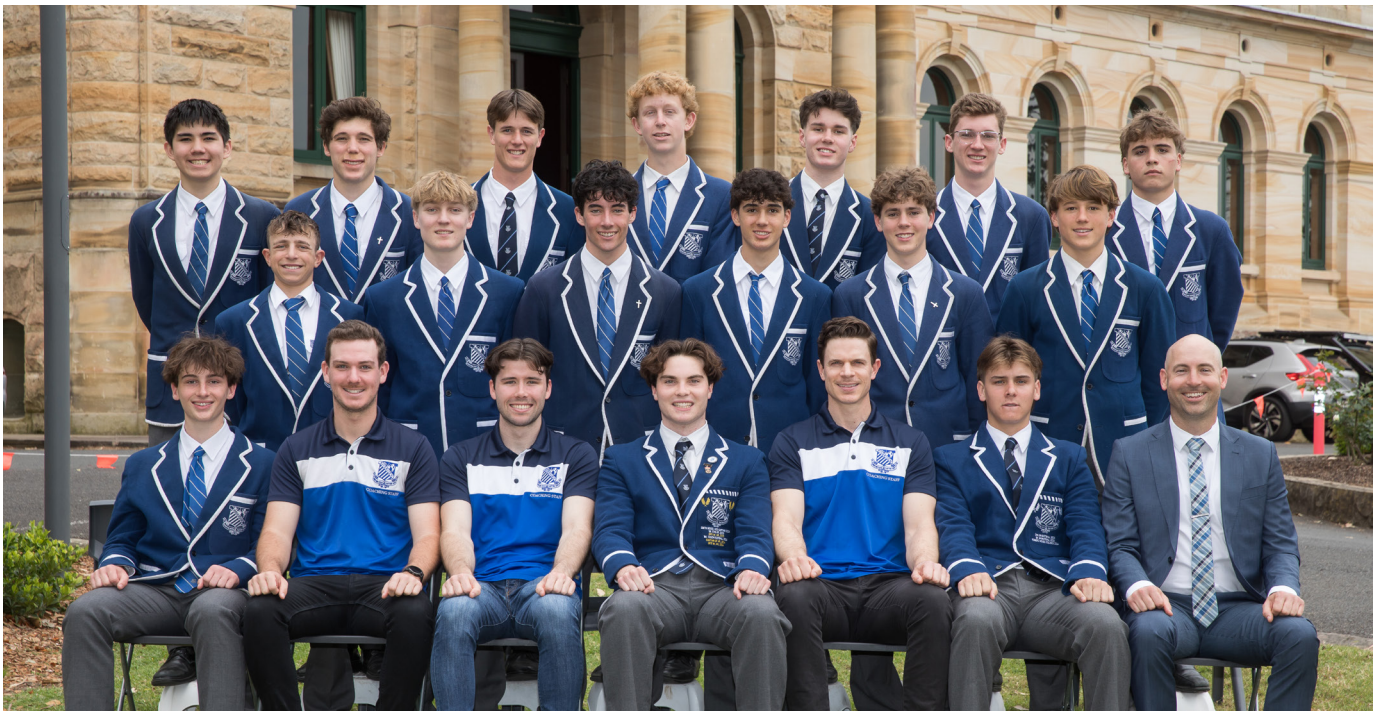

On a stunning winter's morning at Macquarie University the boys geared up for the biggest game of the year. With it all to play for we started off strong taking an 11-point lead into the first break. After half time Riverview went to another level, kicking four goals to nothing in the second half. They ran away by 41 points in the end and secured a well-deserved premiership making it back-to-back premierships for the 2nd XVIII.

This was a season that saw so many different students play across all three Opens teams, with every single one of them giving their all and contributing to the success of the Opens program. It was a pleasure to coach so many students this year and I'm so glad they were rewarded with a Premiership to finish the year. It was great to see so many Year 12s embrace their final year at Riverview through the AFL program. I can't wait to see all the other students back to defend the title next year.

Basketball

Mr Thomas Garlepp | Basketball Program Co-ordinator

Season 2023–24

Thomas Garlepp, Program Coordinator and 1st V Head Coach, Basketball

The 2023–24 basketball season will be remembered as one characterised by positivity, teamwork, and a host of memorable moments on the court. This year stood out due to the success on court of the boys, the minimal disruptions from weather, the increased coaching ability across the teams, and the boys' behaviour. The enthusiasm from the boys was evident each time they took the court.

Our key aim this season was to prioritise the enjoyment of the game, while cultivating a culture of support and positivity within our teams. We made a concerted effort to foster an environment where each player feels valued, and where individual as well as team growth is celebrated. We are delighted to say that this objective was largely achieved, playing a significant role in our success both on and off the court.

The 2023–24 season was filled with unforgettable moments, and throughout the season, we aimed to capture the essence of these moments through our weekly 'Fab Five' column in Viewpoint. After another impressive year for Riverview Basketball, here are the top five highlights for the entire season.

1) The 2nds Triple Crown
A historic achievement by the 2nds team, who solidified their place as one of the most formidable teams in Riverview history. This powerhouse squad captured not just one, but three prestigious titles throughout the season: the Newington Tournament, the Raschke Cup, and the ultimate prize, the GPS 2nds Championship. Each win demonstrated their resilience, teamwork, and poise under pressure, cementing their dominance across multiple competitions. The Triple Crown is a testament to the dedication of the players and the guidance of their coaching staff, making it one of the season's most significant accomplishments.

2) 16As: A Glimpse into the Future
The 16A team's performance this season was nothing short of spectacular, leaving little doubt that the future of Riverview basketball is in excellent hands. The team showcased their cohesion and talent from start to finish, delivering some of the most dominant and well-rounded performances of the year. With key players emerging as leaders on the court, this group epitomised teamwork, blending high-octane offense with gritty defence. Their consistency throughout the season signals that Riverview basketball has plenty to look forward to in the coming years, as these boys continue to hone their skills and rise to new challenges.

3) Undefeated 4ths: A Season for the Ages
Coached by the ever-reliable Tim Ross, the 4ths put together an undefeated season that will be remembered as one of the best performances in recent history across the entire program. Week after week, this team delivered wins, combining exceptional defence, high basketball IQ, and a balanced offensive attack. Each game, they found ways to outclass their opponents, whether through precise execution or sheer determination. Coach Ross's leadership and the team's unyielding desire to improve set the standard for success, culminating in a perfect season that showcased just how deep the talent pool runs in Riverview Basketball.

4) Game-Winning Heroics: Buzzer Beaters and Clutch Free Throws
Few things in basketball rival the excitement of a buzzer-beater or a game-winning shot, and Riverview had no shortage of dramatic finishes this season. Josh Allan's game-winning layup for the 16E, Andy Larkin's clutch three-pointer for the 14As, Tom Atkinson sealing a draw for the 16Cs with ice-cold free throws, Sevan Tevanian stepping up at the line for the 14Bs, and Ollie O'Callaghan's last-second heroics at the line for the 7ths are all moments etched in the memories of those lucky enough to witness them. These thrilling victories encapsulated the spirit of the season – Riverview players, regardless of the grade, showing composure under pressure and delivering when it mattered most.

5) A Special Night Against Scots: A Community United
While the results in our highly anticipated match against The Scots College may not have gone our way, the night was still one of the season's standout moments. The game, held under difficult playing conditions, saw our boys give their all on the court. Although we didn't secure the win, the tremendous support from the Riverview student body, family, and community was something truly special. The atmosphere was electric, with fans rallying behind the 1sts and 2nds, creating a unique and unforgettable environment. It was a moment that symbolised what Riverview Basketball is all about: resilience, passion, and an unwavering bond between players and supporters.

These moments defined the 2023–24 season, reminding us all of the strength, talent, and spirit within the Riverview basketball community. Each Fab Five moment reflects not just victories, but the culture of excellence and camaraderie that runs deep through the program.

As we wrap up the 2023–24 basketball season, we are filled with pride and gratitude. Our commitment to creating a positive, inclusive environment that emphasises teamwork has led to exceptional results. We would like to extend our heartfelt thanks to our dedicated coaches, enthusiastic supporters, and most importantly, our passionate players, whose efforts and love for the game have made this season a memorable one.

Looking forward, we are excited for the continued growth and success of our players in the years ahead, and we wish all the best to those moving on. We remain committed to upholding the values of St Ignatius' College Riverview, nurturing young athletes who not only excel on the court but also demonstrate integrity, sportsmanship, and strong character. Thank you for your continued support.

1sts Report 2023–24

The 1st V Basketball team built on the foundation set in previous years, showcasing improved chemistry, tactical growth, and resilience. Riverview finished the season with 11 wins and three losses, securing a commendable second place on the ladder – our highest finish in six years.

Basketball 1sts

Standing: Jack Plamondon, Toby Ward, Will Morahan, Oliver Perkins, Luke Easdown, Antonio Hartman, Bol Diing
Seated: Mr Michael Dela Cruz (Companion), Lachlan Wappett, Toby Ryan (Captain), Mr Tom Garlepp (Coach), Bailey Hanson (Vice Captain), Jacob Magsakay, Mr Nathan Strempel (Coach)

Key Moments of the Season

Back-to-Back Wins

The season began with strong performances as Riverview secured victories over King's and Shore Grammar. Notable contributors included Bol Diing, who posted 15 points in the King's game, and Bailey Hanson, whose 15 points against Shore set the tone for his consistent season-long performance.

Nail-Biter Against Scots College

In one of the most intense games of the season, Riverview eked out a two-point win at The Scots College. The game featured tense back-and-forth action, with Bailey Hanson leading the charge with 18 points. His ability to step up in clutch moments was pivotal to securing this close victory.

Shooting Clinic vs Sydney Grammar

The highlight of the season's shooting performance came in a 98–44 rout of Sydney Grammar. The team connected on 18 three-pointers, including a stunning sequence where Toby Ward hit three consecutive threes on back-to-back possessions. This game demonstrated the team's ability to execute from the perimeter, a testament to their focus on skill development and spacing.

Consolidating a Great Term 4 with Big Away Win vs King's

The midseason saw the team travel to The King's School, where they delivered a dominating 100–84 victory. Every player contributed to the scoring, exemplifying the team's depth and chemistry. Bailey Hanson shone once again, scoring 27 points and playing an integral role in the team's offensive execution.

Nathan Strempel Leads Side to Opening Win in Term 1

In a high-octane 93–82 win, Hanson once again led the scoring with 27 points, further cementing his reputation as the team's offensive leader. Nathan Strempel's seamless transition into the head coach role reflected the depth of leadership on the coaching staff.

Securing 2nd Place with Comprehensive Win Over Joeys

In a crucial matchup to lock down second place, Riverview delivered one of their most complete performances of the season, defeating rivals St Joseph's College 102–82. This was the second time the team broke the 100-point barrier, a testament to their offensive efficiency and teamwork. The win marked the team's highest GPS finish in six years, a significant achievement for this group.

Acknowledgments

The 1st V's success would not have been possible without the dedicated support of the coaching staff. We extend our gratitude to assistant coaches Mr Nathan Strempel, Mr Harry Ballhausen, and Mr Callum Balmer for their valuable contributions throughout the season, and acknowledge the outstanding efforts of assistant coach Mr Michael De La Cruz, who helped develop habits of journalling and mindfulness across the 1sts and 2nds squads.

Our dedicated parent group provided incredible support behind the scenes, from organising meals to fostering camaraderie within the team. Their efforts were crucial in creating a sense of unity that translated into the team's performances on the court.

Award Winners 2023-2024

- **MVP – Bailey Hanson**
  Bailey's consistent scoring and leadership on the court made him an indispensable part of the team's success and earned him the season's MVP award.
- **Defensive Player – Antonio Hartman**
  Antonio's tenacity on defense was sound all season, proving his ability to guard multiple positions on the court.
- **Players' Player – Will Morahan**
  Will's teammates demonstrated their appreciation for his application to positivity across 2023/24 by voting him in for this award.
- **Best Trainer – Luke Easdown**
  Luke's commitment to his craft and tireless work ethic earned him this award, setting a high standard for his teammates.
- **2nd Team GPS – Antonio Hartman and Ollie Perkins**
  Antonio and Ollie were recognised for their solid contributions throughout the season, earning well-deserved spots in the GPS 2nd team.
- **1st Team GPS – Bol Diing and Bailey Hanson**
  Bol and Bailey were standout performers throughout the season, their selections to the prestigious 1st Team GPS acknowledging their consistent excellence.

Conclusion

The 2023–2024 season for the Saint Ignatius' College Riverview 1st V Basketball team was marked by thrilling victories, remarkable individual performances, and significant growth as a team. Their second-place finish on the ladder – the team's highest in six years – and numerous awards were testament to their resilience, determination, and camaraderie both on and off the court.

2nds Report 2023–24

The Riverview 2nd V basketball season unfolded as an exhilarating journey for the group, marked by triumphs and challenges that showcased their resilience,

determination and commitment to what the group set out to achieve from day one. The campaign began on a high note with a hard-fought victory in the pre-season tournament with the team winning the Yeend Shield. This early win not only boosted the players' confidence but also set a competitive tone for the season ahead, establishing a foundation of teamwork and camaraderie.

As the season progressed, the team faced multiple changes, including adjustments in player roles and strategies. However, the boys demonstrated remarkable adaptability, proving their mettle in high-pressure situations. During one particularly challenging moment in an away game against Newington, Konrad Svilans showed an incredible level of relentless defensive grit, which became one of the defining features of the group.

One of the season's highlights was a thrilling overtime victory against The Scots College. Stef Wood delivered an MVP-calibre performance, scoring 33 points, with the most crucial buckets coming in overtime. His leadership on the court was pivotal, culminating in a hard-fought win for Riverview.

Returning from the Christmas break, the team continued to build momentum by entering the Newington Tournament. Shaking any Christmas cobwebs aside, they emerged victorious, defeating Newington twice on the road to victory – claiming their second piece of silverware.

The second home game against Newington was another significant moment in the season, where young debutant Cooper Hanson joined the ranks of GPS senior basketball. With some clutch shooting from both beyond the arc and charity stripe, 'Coops' helped lift those around him to a much deserved win, dazzling those lucky enough to be in attendance cheering on the blue and white. This game highlighted the depth of talent within the squad and set the stage for what hoped to be a thrilling finish to the season.

However, not every game ended in victory. The team faced heartbreak during a closely contested Friday night clash against The Scots College. After an emotional week for the school as a whole, in a nail-biting finish, the team fell short by just a point, a result that was especially tough to swallow. Skipper Rupert Fulton led by example in this match, top scoring with 14, leading the fourth quarter comeback. His ability to rally the team in the face of adversity exemplified the spirit and determination that would define their season.

Basketball 2nds

Standing: John Dynon, Rocky Roger, Joshua Saunders, Luke Easdown, Konrad Svilans, Stefan Wood
Seated: Louis Maher, Xavier Acton, Mr Michael Dela Cruz (Coach), Rupert Fulton (Captain), Mr Callum Balmer (Coach), Zachary Hawkins, Lachlan Cashion

Adding another piece of silverware to the pool room, the 2nd V finished the season tied with The Scots College for the GPS 2nds Premiership. This was a much deserved result for departing Year 12 students Rupert Fulton, Stefan Wood, Josh Saunders, and Luke Easdown, while providing invaluable experience for returning students John Dynon, Louis Maher, Lachlan Cashion, Konrad Svilans, Lachlan McCullach, Lachlan Clancy, Xavier Acton, Rocky Roger, Cooper Hanson, and Zach Hawkins.

Like with any awards season, competition was fierce and this season was no exception. Congratulations to:

- **Players' Player – Rupert Fulton**
  Rupert was acknowledged by his peers for his unwavering commitment to the high standards he set for the 2nd V, proving that they placed the role of Captain in the most capable hands.
- **Most Improved – Rocky Roger**
  Much like his namesake, Rocky – ever hungry to get better and ever hungrier to win – had an immense impact on the success of the season, adapting to whatever was thrown at him. He always kept a smile on his face while doing it, too.
- **MVP – Stef Wood**
  Stef, for the second time, won the 2nd V MVP in a landslide. This etches his name into Riverview Basketball folklore, solidifying what has been a successful and impactful contribution to Riverview Basketball.

Cricket

Mr Nick Bousie | Cricket Program Co-ordinator

The 2023–24 cricket season marked a period of substantial growth and transformation for our program, building on over two decades of tradition. A renewed approach was embraced to create a welcoming environment that fosters the development and wellbeing of all players, regardless of their skill level. Central to this was the Pathway Program, which aimed to identify and nurture potential GPS players. These players participated in early-morning training sessions under the guidance of our Pathway coaching team, and nearly all who were identified early in the season went on to play in the 2nd XI, with one player making a mid-season debut in the 1st XI. Additionally, our development program provided players of all abilities with opportunities to receive individualised feedback from our performance coaching team.

For the GPS teams, comprehensive reports prepared by their coaches outline their accomplishments and growth over the season. The 1st XI and 2nd XI teams had especially noteworthy seasons, while other Open teams also celebrated significant achievements. The 3rd XI enjoyed outstanding results, and the 4th XI, guided by Mr Harry Rorke, had a successful and enjoyable season, embodying the spirit of the program. The U16s demonstrated impressive progress throughout the season. This age group worked hard and saw substantial achievements, reflecting the dedication of the players and their commitment to development. The team's journey this season highlighted their growth, both in terms of skill and teamwork, setting a promising foundation for the future.

In the U15s, the Riverview 15A team had a stellar season, winning all but two of their games and showcasing remarkable individual performances along the way. As they look forward to additional fixtures, the future of this group looks bright, and their success is a testament to the strength of the program. The 15B and C teams also performed commendably, securing impressive results and demonstrating the depth of talent within this age group.

The U14 age group had a season characterised by growth and resilience, with all three teams showing improvement and achieving commendable wins. The 14C team, in particular, made notable strides, with both their batting and bowling skills on display in several strong performances. Their commitment to training and maintaining a positive mindset was evident throughout the season, and the U14s demonstrated a strong sense of unity and potential. For the U13s, integrating new players into the college program presented unique challenges, as the team accommodated players of varying skill levels. The coaching staff prioritised offering as many players as possible the opportunity to experience competitive play in the 'A' team, enabling them to showcase their abilities and grow as athletes. Over the season, 21 players advanced through the performance team, and this age group celebrated numerous successes, indicating a promising future. The commitment to nurturing these young players is unwavering, and we are enthusiastic about continuing to support their development.

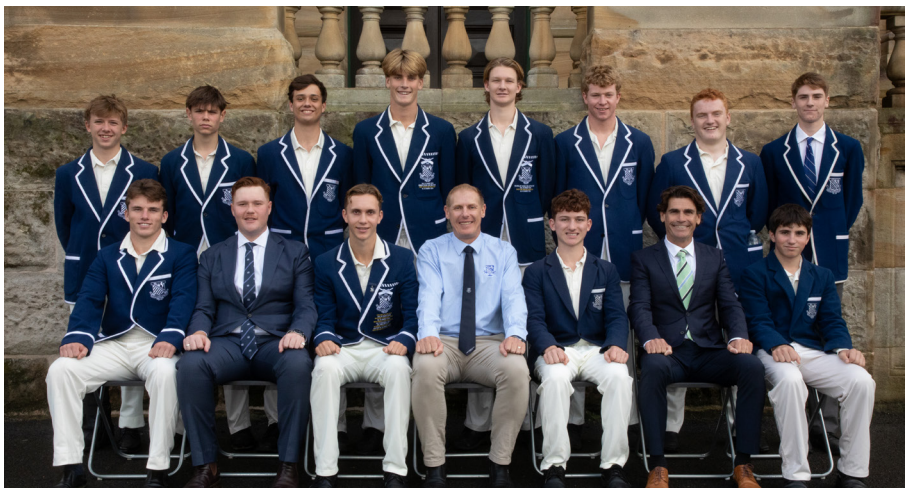

In summary, the 2023–24 cricket season was marked by a strong sense of sportsmanship, camaraderie, and dedication across the college. The coaching staff extends their sincere gratitude to all players, supporters, and fellow coaches whose passion and commitment made the season a success. Looking ahead, we are excited to build on this year's achievements with fresh perspectives and renewed focus within the GPS teams, following the departure of our previous senior coaches. Here's to a promising season to come, one filled with growth, development, and continued success.

1st Cricket

Mr Phillip Koen

As the sun sets on another thrilling cricket season, our squad reflects on a journey that led us to a respectable 5th place finish – a year marked by growth, resilience, and valuable lessons learned. This season wasn't solely about our position on the ladder but rather about the strides made both as a team and as individuals.
We entered this season with a mix of seasoned veterans and promising young talent, setting the stage for an exciting campaign. Throughout these months, we saw the emergence of new stars and the continued excellence of our established players. This culminated in a mid-table finish that reflects our potential while also highlighting areas for improvement.

Our top order showed remarkable consistency, with opener Angus Tesoriero leading the charge and finishing the season with an impressive average. In the bowling department, young pace bowler William Spora truly made his mark with 27 wickets in his debut season. Fielding standards reached

new heights as well, with a notable increase in catch success a testament to our focus and commitment in this area. Several matches captured the team's fighting spirit and potential. A nail-biting victory against Shore and a dominant performance against King's, showed the team's true potential. Yet, not every result went our way; a heartbreaking loss to Joeys in rain-affected game reminded us of the importance of composure under pressure.

As we look back, a few areas stand out for further development. While our batting has come a long way, the team did struggle at times, highlighting the need to build stability in this crucial area. Final overs bowling also emerged as an aspect where tighter execution could have swung some close matches our way. Additionally, a few high-pressure losses underscored the need for enhanced mental preparation and resilience, which will be a focus for us moving forward.

Our 5th place finish leaves us both proud and hungry for more. The growth witnessed this season gives us a solid foundation upon which to build. With targeted training, strategic player development, and the invaluable experience we've gained, we are poised to make a stronger push in the coming season. While we may not have reached the pinnacle of the league table, this season has been one of significant progress. We've become a more resilient, experienced squad, ready to face new challenges and transform this season's growth into even greater success in the future. There's a palpable sense of excitement and determination within our team – a readiness to take the next step. As we look to the future, we are driven by the promise of even brighter achievements and a stronger performance in the seasons to come.

2nd Cricket

Mr Ben Monaghan

The 2024 GPS cricket season for Riverview's 2nd XI was marked by resilience, determination, and a remarkable turnaround. A total of 34 players represented the 2nd XI across the season, with 27 boys taking the field at different times. This reflected both the depth of the playing group and the challenges posed by injuries and the need to find balance within the squad.

After the first bleak four rounds, prospects for the season looked dire, however, the side displayed remarkable character, coming back to win six of the final seven matches, with the only non-win being a washout against Joeys. To finish in a commendable 4th place overall was a testament to the team's resilience.

Several performances stood out across the season, showcasing both individual excellence and team spirit. In Round 5 vs High, a pivotal 280-run partnership between Nate Tucker and Hugh Taylor, both scoring centuries, set up a dominant 271-run victory. Sam Dillon contributed with a five-wicket haul, underlining a turning point in the season. In Round 8 vs Kings, after being dismissed for 68, the team produced one of the season's most memorable comebacks, bowling Kings out for 66 to secure a dramatic two-run victory inspired by Tom Duncan's four early wickets. In Round 9 vs Shore, from a precarious 7/140, Raph's unbeaten 62 and Charlie McKay's selfless running built a critical partnership, while Dan Smith's 5/12 sealed the result. In Round 10 vs Newington, chasing 190, the team recovered from losing two early wickets to secure victory with 11 balls to spare. Contributions included steady innings from Nate and Hugh, a composed 37* from Raph, and a quickfire finish from Dan Smith.

Thank you to our players for their contributions this season, especially Team Captain Mike Mason who provided consistent leadership to create a strong team culture, and Tom Duncan and Hugh Taylor who consistently appeared in every match. Duncan finished as leading wicket-taker (21), while Taylor topped the run tally (350). And shout out to our Year 12 players, Ben Boise who contributed significantly before moving to the 1st XI; Spora who bowled with pace and showed untapped batting talent, Dan Smith, a humble and versatile performer; Alex Harvey who proved reliable in multiple roles and as a fielder; Henry Madigan and Tim Ward who filled vital roles within the order as required; Charlie McKay who demonstrated a team-first attitude and played important roles in key matches; Raph Quoyle who remained calm under pressure and delivered crucial innings, and again, Mike Mason, who in addition to captaincy, was a constant source of initiative and ideas for improvement.

The success of the season was made possible through the support of many parents for their encouragement at games and consistent high-quality lunches throughout the season. Special thanks to Head Coach Mr Koen for his leadership and experience and to Mr Bousie for continued support and guidance throughout the year, as well as our assistant coaches, Oscar and Henry Kirk.

Cross Country

Mr Alexander Godbold | Cross Country Program Co-ordinator

As the 2024 Cross Country season comes to a close, we reflect on the hard work and camaraderie put in and the performances that made it a success. The dedication, hard work, and commitment from all athletes were evident throughout the season, culminating in strong individual performances and team representation at the CIS Championships.

Individual Highlights

A standout performer this season was Year 10 athlete Charlie Culbert, who claimed the prestigious Intermediate GPS Cross Country Champion title for the best overall results across all races. Charlie's consistent performances throughout the season, coupled with his second place at the GPS Championship race, earned him this well-deserved accolade. Charlie's commitment to training and his focus during the season, on the course, and at training were key to his success.

Another notable achievement came from Ben Case, who had another fantastic performance at the CIS Championships. Ben finished in fourth place, demonstrating his tenacity and skill in what is one of the most competitive fields in the region. Ben's work ethic and support of his fellow squad members continue to make him a standout member of the team.

CIS Success

This season, eight athletes from Saintt Ignatius' College Riverview were selected to represent GPS at the CIS Championships, a significant achievement for the team. The selection of such a large contingent speaks to the strength and depth of our team this year, and the athletes' hard work and perseverance paid off in a way that is a true reflection of their talent and determination.

The athletes who were selected to represent GPS at the CIS Championships were: William Brothers (Year 11), Ben Case (Year 8), Charlie Culbert (Year 10), Daniel Gibson (Year 12), Thomas Poynton (Year 10), Hudson Savage (Year 9), Henry Stuart (Year 9), Brandon Sullivan (Year 11)

We are extremely proud of their achievements.

Season Overview

The season was marked by strong performances across the junior, intermediate, and senior divisions. We had a fantastic squad of 14 dedicated athletes, as well as a group of 12 training athletes who ensured everyone was pushed and supported during training sessions.

The team's commitment to training has been exceptional. Be it during our Thursday long runs, the long run challenge, or working on speed endurance on a Tuesday, the boys all supported and got behind each other, no matter their age or ability. With every cold morning, dry or wet run they grew as a team and as individual athletes.

Competition saw us competing across Sydney from St Ives down to Miranda. Every course offers its challenges but none more than our home event, here on campus. After an extraordinary amount of rain, our athletes lined up on the start line, ankle deep in mud and water. After two to four laps of trails, hills, and puddles that could be home to a hippopotamus, each member of the team crossed the line covered head to toe in mud – but with a smile on their face.

Looking Forward

As we look ahead to the future, the Saint Ignatius' College Riverview Cross Country team is in an exciting position.

With many young athletes continuing to show promise, there is a strong foundation for sustained success. The leadership of our senior athletes, in mentoring, supporting, and inspiring the next generation of runners has been fantastic and we wish those boys finishing up all the best in their next endeavours.

The coaching staff remains committed to continually developing training programs and opportunities to ensure all students have the support they need to develop and reach their full potential. The team spirit and enthusiasm that has defined this season will undoubtedly continue to be a driving force as we prepare for future competitions.

Acknowledgements

We extend our thanks to the parents, and supporters who have played an integral role in the success of the team this year. Their encouragement, dedication to morning training sessions, and Saturday travel across Sydney for races have been invaluable. To our student athletes, thank you for your hard work, discipline, and sportsmanship. You have made us incredibly proud.

Congratulations to all involved in the 2024 Cross Country season – your achievements have been truly inspiring, and we look forward to seeing even greater success in the seasons to come.

Fencing

Mr Andrew Szandurski | Fencing Program Co-ordinator

A Year of Growth and Success

The 2024 season has seen a remarkable improvement in the calibre of fencing at Saint Ignatius' College Riverview. Many students have demonstrated outstanding individual and team performances, proudly representing Riverview in State and Schools Championships throughout the year.

Fencing is a sport that demands both mental and physical effort, engaging the individual's motor system, intellectual abilities, and emotional resilience. Technique remains one of the essential components of success in fencing, forming the foundation for mastery in the sport.

Key Skills Developed Through Fencing

Fencing fosters poise, quick thinking, and precise observation, alongside balance in defence, spatial awareness, anticipation, and strategic foresight. Over months of dedicated training, students refine their ability to execute complex movements, improve timing and reflexes, and develop an acute understanding of their opponent's intentions.

Beyond technical skills, fencing cultivates sportsmanship, self-discipline, and independence. Students experience a sense of accomplishment when they win and learn valuable lessons from their defeats. They sharpen their ability to analyse problems, make quick decisions, and think strategically, skills that extend far beyond fencing into many aspects of life.

Training and Development

At Riverview, fencers train three times a week, participating in preparatory exercises, strategic games, footwork drills, bladework, technical and tactical lessons, fencing bouts, and internal competitions. These training sessions develop flexibility, reflexes, self-reliance, cardiovascular endurance, hand-eye coordination, problem-solving skills, and mental agility.

Junior fencers train alongside more experienced athletes, significantly enhancing their skills while improving their overall fitness and stamina.

Outstanding Performances Throughout the Year

Throughout the season, many students showcased their talents in various individual and team competitions, achieving commendable results:

School Competitions:

- Beginning of the Season Schools Competition at Barker College – Individual Event: 1st Place: Eric Sallway
- NSW State Foil Championships: 2nd Place: Eric Sallway
- NSW Schools League Championships – Team U/19: Bronze Medal: Eric Sallway, Ahran Grimes, Ethan Francis Schools League Championships – U/16 Division:
- Gold Medal: Eric Sallway

The Saint Ignatius' College Riverview's Fencing Championship in September was a resounding success, bringing together both junior and senior fencers for an exciting competition.

College Championship Results:

- College Champion: Eric Sallway
- Silver Medal: Ahran Grimes
- Bronze Medal: Ethan Francis

Growth and Achievement

We extend our congratulations to all fencers for their dedication, perseverance, and outstanding performances throughout the year.

Not only have students developed impressive new skills, but they have also formed strong friendships and embodied the school's spirit of 'daring to do'. Their commitment and determination have made us proud.

Thank You

A heartfelt thank you to parents, and supporters for their unwavering encouragement and contributions throughout the season. Your support has been instrumental in making this a memorable and successful year for our fencing team.

Football

Mr Pat Ferrara | Football Program Co-ordinator

The 2024 football season proved to be another successful season, full of magic moments and sensational goals! The College Football program has continued its policy of educating and developing our students to play a technical and possession-based style of football.

After years following our plan and process, it was very encouraging to see our senior teams follow our principles to achieve much success on the pitch this season.

The biggest season on record started off in the best way possible, with students from Years 10 to 12 going on a European tour in April. Forty-four students travelled to Spain and England for a football pilgrimage, visiting world-renowned clubs including Barcelona, Atletico Madrid, and Manchester City to train, visit their amazing facilities, and watch some of the best players on earth play the beautiful game. The Riverview students were also able to experience significant cultural sites to the Jesuit tradition including Monserrat and Sagrada Familia.

While many of our senior players were away in Europe, another 18 players were in action at the St Andrew's Cup, including six Year 9 students. Despite being an inexperienced team, they played with heart and cohesion, punching above their weight. They demonstrated resilience and stamina, weaving together moments of brilliance to secure a stunning 3–2 victory – ending the tournament on a high note.

In the CIS Cup, our senior team progressed to Round 3 before coming undone to a formidable Central Sports College team. Our U15 Bill Turner Cup Squad, created history in 2024, progressing further in the competition than any other Riverview team. Coach Branko Culina led the team to the semi-final of our zone, with memorable victories along the way against Epping boys and Hunters Hill.

The College had GPS representatives this season. Congratulations to Benjamin De Laet for his selection to the GPS 1st team, and to Julian Carr, Kobe Ellis, Antony Nobilo and Samuel Ryan for their selection in the GPS U16 Representative side. These players represented the GPS at the CIS Football Championship at Valentine Sports Park.

The Under 13s had a fantastic first season where all teams were very competitive. The results showed just how much each team improved as the season progressed. The 13A team finished with memorable victories against Shore and SBHS, while the 13B, 13C and 13D teams played extremely good possession football this season, coming away with wins in half their games. The 13E were the most successful team in the age group with five wins. 13F also came away with a couple victories.

The U14s demonstrated great resilience and a growth mindset in the 2024 season. Their commitment to the process will see them better for it in the years to come. The 14A team were rewarded in the last game with a positive result against St Joseph's College. 14B were unlucky to find a winner, although they got close in a couple of matches. 14C were the best performing team in the age group, coming away with a couple of victories. Meanwhile, 14D showed great commitment to training and enthusiasm to games despite a tough season.

The U15 age group enjoyed a very successful season, results-wise, demonstrating the great depth of talent in the age group. 15A enjoyed a fantastic Bill Turner Cup run but were inconsistent in the GPS competition. 15B went through the season as our most successful side in the program, winning each game. They were worthy winners of the Rob Stuart Cup! The 15C and 15D teams both grew throughout the season and finished in Term 3 with some memorable performances. 15E had a tough season but played with great enthusiasm and created a fun atmosphere at games and at training.

It was a year of development for the U16s age group, with many players moving up to the senior 1st and 2nd teams. This meant many players were exposed to a higher level than previously experienced. The U16A side enjoyed a fantastic season winning five out of their seven fixtures while playing some incredible football along the way. 16B were unlucky not to find victory on a couple of occasions. The 16C team struggled throughout the season but managed a fantastic one-nil victory against The Scots College.

The Opens program was very competitive this season. Our 1st team finished fifth overall in the GPS competition, while the 2nd XI finished third. However, if a couple of the results went their way it could have been even better! Our 3rd XI almost went through the season undefeated, playing some of the best football in the program.

The 4th XI finished the season with five victories, while the 5th XI finished the season with three victories. The 6th XI (full of departing Year 12s) finished their careers with a fantastic season, including three big victories. The 7th XI finished the season very strong and undefeated in Term 3. The 8th XI often won or lost big in some high-scoring games!

I congratulate SBHS for their victory in the 1st Grade Premiership. I thank Mr Chris Kitching for his work as the GPS Football Convener and Mr Paul O'Brien and Mr Andrew Szabo for their continued support in 2024. Thanks to Mr Peter Steffan, Mr Rob Stuart, Mr Valerio Silvestro, and Mr Andrew Casali for their work with the 1st and 2nd teams, and to Mr Branko Culina for his guidance and support for all our footballers and coaches.

Thank you to our coaches and Age Group Coordinators for their commitment to doing the best for our footballers. I wish all our Year 12 students the best for the future and hope that their football journey continues beyond their Riverview career.

1st XI Football Report 2024

The 2024 season for the 1st XI opened with a clash of the teams that had dominated the competition in recent times. Ongoing rain forced the match to be played at Tempe Reserve's synthetic pitch. Newington was out of the blocks early and took a 2–0 lead. Subsequently the Riverview boys steadied the ship and defended with greater composure. A late goal to NC made the 3–0 final score look worse for the Riverview team than it should have, with the Riverview boys demonstrating stout defence and good attacking combinations during the match.

The second Plate match at Lower Park was another in the long list of cracking games between the archrivals, Riverview and St Josephs, who happened to be the reigning Premiers. In heavy conditions, the game finished 1–1. The third match with Shore, played at home, finished 1–0 to the visitors. This led to a Plate Finals Day match with Grammar played at Kings. The game started explosively with a goal in the first minute. Unfortunately, it was the Grammar team who scored it. Two more were added towards the end of the first half and a further two in the second half to bring the curtain down on Riverview's GPS Plate campaign.

The Riverview team took the field in the College Indigenous strip in recognition of Reconciliation Week to begin the GPS competition rounds. The High team had three early goals, each of which occurred following a Riverview mistake. However, from 0–3 down, the Riverview boys started to dig their way out of the hole in which they found themselves.

By half time, the rain had started falling, but the Riverview boys were playing with more composure; their passes sticking more often, their defence more secure, and High hadn't scored any more goals. A penalty to Tom Kalogerou and an opportunistic goal to Ben De Laet saw Riverview finishing with a wet sail, but the result finished 2–3. After the match the teams gathered in the Fr Mac for a cosy and well-provisioned post-match function. Old Boy and former 1st XI goalkeeper, Kyle Wallace, was on hand to acknowledge country and explain the symbolism of the Indigenous playing shirts, which he had a hand in designing.

The second round match on Weigall 4 commenced in conditions so wet there was doubt that the game would go ahead. Grammar scored first, but young guns Kobe Ellis and Andrew Tsihlis combined, with a little help from veteran Lachy Iacono, to produce an equaliser. In the second half, Riverview was reduced to 10 men and had a very near goal, which was not awarded despite many observers thinking the ball had crossed the line.

The game for round three at Northbridge was postponed due to the wet weather and played on the day before Term 3 commenced. Wearing the white alternate strip to contrast with Shore's navy outfit, but missing influential midfielder Marcus Kulukovski, the Riverview team took the field under an altostratus veil obscuring the blue sky.

Shore scored before half time and again deep into the second half. Tom Kalogerou finally gave the Riverview boys something to cheer about when he took a long shot at goal and, while the keeper did get a hand to it, was unable to prevent it finding its way into the net. A late penalty gave Shore a goal to finish the game 3–1 ahead.
The fourth round meeting of the dominant forces in GPS Football, played in heavy conditions at Stanmore, brought Riverview and Newington together, with both being in an unusual position of being on the bottom half of the Premiership ladder. The Riverview team was missing a couple of first pick troops and a next-in sub due to injury. Recent form had also not been particularly impressive. Interested bystanders faced the game with some trepidation.

As it was, the Riverview boys stood up to be counted. While neither team could find a goal, both played with the intensity and determination that is expected for a Riverview vs Newington match. While all the players did well, the formidable Kobe Ellis chased everything, and Tom Kalogerou dominated the real estate in Riverview's left back corner, launching dangerous raids into other areas on the field.
Buoyed up by the winning results of the 3rd and 2nd XIs on a bright morning, which contrasted with the recent rainy Saturdays, the 1st XI took to 1B for the round five match with Scots. On a day when only Sams could score for Riverview, Sam Ryan scored early to establish a lead, and late to seal the result 3–1. College Captain Sam Wright goaled early in the second half to wrest back the lead.

The sunny weather followed Riverview's 1st XI to the impressively manicured Wanderers' Field at North Parramatta for the penultimate match of the GPS season. The Kings #9 scored two goals with a combination of clinical skills – a good fortune before Julian Carr pulled one back. The result favoured the home team 2–1, despite the Riverview

GPS 6	The Kings School	L	1	2	Julian Carr
GPS 7	St Joseph's College	W	2	1	Kobe Ellis and Lachlan Iacono

boys having netted the ball on two other occasions, which were disallowed as goals.

Who better to invite to Riverview for the final match of the season than the cerise-clad Catholics from across the river. Although neither side would be finishing the season with a Premiership, a competitive match was promised by the longstanding rivalry between the Colleges.

The young Kobe and the older Lachy scored the goals, both with input from Tom Kalogerou, to take Riverview to a 2–0 half time lead. Joeys were awarded a penalty early in the second half, which was duly converted. The remaining half hour of the match passed without any adjustment to the score, although there were alarms at both ends of the field.

Sydney Boys High School beat Shore to the Premiership. Riverview finished fifth ahead of Newington, Joeys and Scots in a season when a little bit of luck might have made a big difference. Kobe Ellis received the Best and Fairest Award and Tom Kalogerou was the Players' Player.

Golden Boot: Tom Kalogerou 2, Sam Ryan 2.

2nd XI Football Report 2024

The GPS season for the Riverview 2nd XI commenced under unusual circumstances, as ongoing rain forced the relocation of the match from Riverview to the synthetic pitch at Tempe Reserve. The Riverview team started brightly and had several good early chances. Ben Hyde proved to be a handful using his pace in chasing balls down the right-hand channel. The teams went to the break at 0–0. However, halfway through the second half, Charlie O'Connor looked up and saw the opportunity to take a long shot, with the Newington keeper off his line. Charlie was the hero of the day, and the Riverview 2nd XI opened their account with the three points earned from their 1–0 victory.

Visiting Hunter's Hill always provides a challenging fixture, and the Round 2 match was no exception. Despite chances at both ends of the field, the half-time score remained 0–0. Sustained pressure forced a Joeys handball in the box and Theo Tsihlis, who had recently re-entered the game for a second shift, confidently stepped forward to take the shot. This broke the 47-minute long deadlock and gave the Riverview boys the lead. They held this to the end of the match.

The first home game for the team started well, when College Captain Sam Wright scored early, but squandered chances let Shore into the game. They took advantage of this and won the match 2–1. On Plate Final day, Riverview met SBHS at Kings and prevailed 2–0.

Having defeated High the week before in the GPS Plate final round, hopes were high for the Riverview boys to repeat the dose and get off to a winning start in the GPS competition. This plan hit a speed bump when High scored first after only six minutes. However, the match turned into a tour de force for Ben Hyde who equalised with a searing shot 10 minutes later, before Charlie O'Connor put the Riverview boys in front by half time. Two more goals in the second half to Ben, with Theo Tshihlis, Billy Barwick and Jed Driscoll contributing, gave Riverview its most emphatic win (7–1) of the season.

The round two match at Weigall was in danger of being postponed due to the amount of water on the ground; however, play went ahead. Ben Hyde picked up where he had left off the previous week, scoring a strong goal from goalkeeper Antony Nobilo's clearance. With barely a minute to go, Grammar broke down the left-hand side, crossed to the right where the winger found space, and shot inside the far post to even the scores, after the Riverview boys had looked to have had the better of most of the game.

The third-round match with Shore was postponed to the beginning of Term 3 due to the wet weather. Riverview scored early from a Billy Barwick free kick. Shore scored early in the second half and then

Football 2nd XI

Back Row: William Paterson, Nathan Drakeford, Billy Barwick, Nelson Meehan
Middle Row: Ashton Drew, Max Vlaeminck, Angus King, Charlie O'Connor, Jed Driscoll, Benjamin Hyde
Seated: Cooper Morton, Mr P Ferrara (SPC), Joshua Engelman (Captain), Mr A Casali (Coach) Theodore Tsihlis (Vice Captain), Mr P Steffan (Manager), Marcus Ambrogio

2nd XI Premiership Table 2024

School	Win	Draw	Loss	For	Against	Total
SGS	5	2	-	7	1	17
NC	5	1	1	15	2	16
SIC	3	2	2	17	7	11
TSC	3	2	2	14	11	11

Shore	3	-	4	14	16	9
SBHS	-	2	5	4	19	2
SJC	-	2	5	6	22	2

2nd XI Football GPS Season Results 2024

Round	2nds vs	Result			SIC Scorers
Plate 1	Newington College	W	1	0	Charlie O'Connor
Plate 2	St Joseph's College	W	1	0	Theo Tsihlis [pen]
Plate 3	Shore	L	1	2	Sam Wright
Plate Final	SBHS	W	2	0	Ben Hyde, Cooper Morton [pen]
GPS 1	SBHS	W	7	1	Ben Hyde 3, Charlie O'Connor, Theo Tsihlis, Billy Barwick, and Jed Driscoll
GPS 2	Sydney Grammar School	D	1	1	Ben Hyde
GPS 3	Shore	L	1	2	Billy Barwick
GPS 4	Newington College	D	1	1	Jed Driscoll
GPS 5	The Scots College	W	4	2	Ben Hyde 2, Billy Barwick, Ashton Drew
GPS 6	The Kings School	L	1	2	Ashton Drew
GPS 7	St Joseph's College	W	3	0	Jed Driscoll, Nathan Drakeford, and Ben Hyde

late in the match to secure the win. Wet weather again put the fourth round match with Newington in doubt. Play did get underway, and Jed Driscoll scored early, but unfortunately the lead was only short lived as Newington equalised six minutes later.

On the sideline, things were stacking up against the boys in blue, as substitutes fell by the wayside due to injury and unavailability. At half time Ben Hyde came off with a lower arm injury, which would prevent his return to the game. With only goalkeeper Antony Nobilo left on the bench and able to take the field, he took up the position in goals and the incumbent, Josh Engelman, swapped playing strips and ran on to bolster the forwards, backs or midfield, as the circumstances demanded. The boys did themselves, their coach, and supporters proud in playing above themselves in the face of adversity. They hung on for a 1–1 draw.

The sun returned to Riverview for round five, greeting visitors from Bellevue Hill. The welcome extended to a first-minute goal with the Scots boys getting the ball in the net before the spectators had settled in their seats. Riverview scored twice before half time (Sam Wright and Sam Ryan) and Scots again early in the second half. This cued Ben Hyde to take the stage. Within a period of 12 minutes in the middle of the half, he scored twice to return the lead to Riverview and then consolidate it. Riverview defeated Scots 4–2.

The following excursion out to North Parramatta proved disappointing, as numerous scoring chances were missed. Kings went to half time a goal up and scored again before Ashton Drew chipped the keeper to pull one back. However, the 1–2 result extinguished any hope Riverview had left of an unlikely Premiership.

The final round, at home and with St Joseph's, brought a pleasing end to the competition for the boys in blue. Jed Driscoll and Nathan Drakeford scored for the Riverview team in the first half, before Ben Hyde finished the GPS rounds the way he started them, scoring the final goal for the team in a 3–0 result. The win secured the 2nd XI team third place in this year's Premiership race behind Grammar and Newington.

Congratulations to the players and Coach Casali on a good season in which they represented the College with distinction. Ben Hyde scored eight goals for the team and received the award for the Best and Fairest player. Theo Tshilis received the award for Players' Player.

Golf

Mr Marty Collins | Golf Program Co-ordinator

After the success of the 2022–23 season, and with a number of students returning, high hopes were held for the upcoming season. Unfortunately, not everything that you plan comes to fruition. As it turned out, the new rules adopted by the sport this year made things much more difficult for us. Still, with Saint Ignatius' College Riverview being the most successful school in the competition since its inception almost 20 years ago, we have little to complain about.

Of the eight schools that participated this year, the outstanding school was Knox Grammar. With all four members of their squad scratch golfers, their consistency easily accounted for the other schools. Still, I was very proud of our representatives, who gave their all each week. With a few more very close results going our way, we would have finished much higher on the ladder.

The squad consisted of Lucas Ballantine, Paddy Maguire, Isaac Ford, Charlie O'Connor; Charlie Barwick, Luke Brady (all Year 12), Ronan Daly, Benjamin Vaz, Ted Madigan, and Max Lutowski. We are certainly in good hands with Ronan, Ben, Ted and Max taking over the reins next season. I would especially like to thank the Year 12 boys, especially Lucas, Paddy, Isaac, and Charlie O for their commitment to the sport over the last few years. The most successful inter-school player this season was Ronan Daly, who is to be congratulated.

The greatest satisfaction I received this season was the commitment that was shown by the whole squad. On Saturdays, the Lane Cove boys played nine holes at Lane Cove Golf Course under the watchful eye of Mr Leon McAllister. I thank him very much. Each week the consistency from all players grew. I hope to see many who improved return next season. I also wish the many Year 12 boys who have finished their time here at the College the best of luck on golf courses around the world in the future.

School Champion: Lucas Ballantine
Net Champion: Isaac Ford
Most Improved: Max Lutowski

Seated: Liam Codemo, Charlie O'Connor, Theodore Madigan, Mr M Collins (Coach), Benjamin Vaz, Isaac Ford, Hugh Graham
Absent: Luke Brady, Parker Lynn, Ronan Daly, Fred Stuckey

Martial Arts

Ms Maryanne Humphrey | Martial Arts Program Co-ordinator

Riverview's 2024 Martial Arts squad enjoyed a highly competitive summer and winter season where many participants trained hard to progress through the belt system to realise their potential. The sport also maintained its popularity among the dedicated, and welcomed new participants who worked individually and collaboratively to strengthen skills and develop camaraderie.

Under the outstanding leadership of Squad Captain Joshua Yap (Year 12) and the tutelage of Greg Wyllie, and his coaching staff from Wyllie Tae Kwon Do, the students in both seasons received several outstanding individual awards.

In Term 1, the Martial Arts squad relocated to the Regis Campus for training and Saturday competition while building works took place on the senior campus. This transition was made easy by Ms Mikayla Kim who coordinated the summer program and settled the students into their new surroundings. The campus proved to be popular with participants, parents, and visiting MICs who appreciated the open space, parking, Regis fundraising barbecue, and coffee van. The summer competition ended with Belt Grading where several students rose in their belt rank.

Congratulations to Oscar Jarman (Year 11) and James Pittorino (Year 10), who were graded to the prestigious rank of Black Belt. These accomplishments are a testament to the students' hard work, perseverance, and unwavering commitment to training in the art of Tae Kwon Do. Other SIC Martial Arts squad members who successfully graded at the end of Term 3, rising to higher ranks on the Tae Kwon Do Belt ladder, include:

- Jack McKegg (Year 11) who achieved a Yellow Belt
- Jack McAvoy (Year 10) who achieved a Red Belt Black Tip.

Each student who graded demonstrated exceptional skill, discipline, and a deep understanding of Martial Arts principles in their quest to progress further. Their achievement is an inspiration to their peers and a shining example of what can be accomplished with dedication and hard work.

Martial Arts

Standing: Jude Musgrave, Raymond Teng, Jack McAvoy, Nicholas Morgan
Seated: Sam Wicks, Oscar Jarman, Joshua Yap (Captain), Mrs Maryanne Humphrey (SPC), James Pittorino, Jack McKegg, Lachlan Galofaro

On Saturday 7 September, the annual All Schools Tae Kwon Do Championships Tournament was held for the first time at Monte Sant' Angelo College where over 100 participants from across Sydney represented their respective schools in the full-contact competition. It was a great exhibition of indomitable spirit, competitiveness, and technical expertise in self-defence techniques. Our SIC squad proudly displayed their strength and stamina against their opponents. The individual medals were awarded to:

- Gold Medallists – Raymond Teng (Year 11), Joshua Yap (Year 12)
- Silver Medallists – Oscar Jarman (Year 11), Jack McAvoy (Year 10), Lachlan Galafaro (Year 7)
- Bronze Medallist – James Pittorino (Year 10)

Based on points, our SIC squad placed third behind Sydney Grammar School and Shore College who took home the prestigious Senior All Schools Boys Champion School Pahlke Cup. It's a prestigious prize named in honour of SIC's first MIC, Mr Bruno Pahlke. This perpetual trophy dates to the early 1990s when Riverview donated the cup to the championship winning school.

In addition to the individual bouts, the final of GPS Teams Comp was held. In a very close grand final match between SIC and SAC, St Aloysius successfully claimed the win and was awarded the Teams Cup Trophy. Congratulations to the SIC team for making it to the final and to all team competitors for their commitment, courage, and strength.

Special mention and thanks go to the non-competing squad spectators for their enthusiastic encouragement of those representing the respective schools, including Captain Joshua Yap and his parents who supported the students with unwavering positivity and refreshments during the entire day. Furthermore, many thanks to SIC, Shore and Barker Colleges for making their facilities available to run this competition. This invaluable support adds to the prestige and establishment of this now, very competitive annual event.

Overall, the 2024 Martial Arts program was enjoyable, rewarding and inspiring for all the participants, largely due to the wonderful MICs whose support and camaraderie contributed to the success of the program.

Mountain Biking

Mr Abu Hassan | Mountain Biking Program Co-ordinator

Embarking on my role as the first-time Sport Program Coordinator, I was met with the challenge of spearheading Riverview's mountain biking team. Admittedly, my knowledge of competitive mountain biking was limited, but with the support and guidance of our coaches Alex Pettit, Charles Langley, Matt McAlpine, Lachlan Ambrogio, and Gap student Aran Maloney, I dove headfirst into the task at hand.

Our team comprised 28 eager riders, each with varying skill levels. Throughout the season, we squared off against six other GPS schools, including St Augustine's College, Waverley College, The King's School, Barker College, Knox Grammar School and The Scots College.

Saturday mornings became regular group rides, as we traversed Sydney's diverse terrain, from Terrey Hills, Manly Dam, St Ives, Westleigh, Hornsby, Belrose, Cecil Park and Narrabeen, to the Central Coast and Richmond. These trips fostered camaraderie and fine-tuned our skills acquired during the week's training exercises.

However, our primary focus remained on race days. The inaugural competitive race, hosted at our school grounds, set the tone for the season. There were stellar performances from our top riders:

- Jack Caine clinched first place in the Senior category
- Lucius Pimpini secured third in Intermediate
- Remy Camus claimed second in Junior.

Subsequent races took us to various locations – St Ives Showground, The King's School North Parramatta, Yellow Mundy, Richmond, and Ourimbah. Consistently, our leading riders (Jack Caine, Judah White, Lucius Pimpini, Marcus Hughes, Sam Ashton, Hugh Brown, Remy Camus, and Max Spice) etched their names in the top 10.

The pinnacle of our season awaited us at the Thredbo Interschools, a renowned event drawing students from across the nation to the Snowy Mountains. Represented by our finest riders (Remy Camus, Max Spice, Sam Ashton, Joseph Girard, Marcus Hughes, Thomas Osborne, Lucius Pimpini, Ed Shorter, William Star, Luke Wang, Caius White, and Judah White), Riverview left an indelible mark on the competition.

Mountain Bike

Back Row: Levi Lazarus-Hall, Caius White, Lucius Pimpini, Marcus Hughes, Henry Merrick, Daniel Nuthall, William Eckermann, William Starr, Hugh Brown
Middle row: Thomas Osborne, Ed Shorter, Remy Camus, Emilio Rios Lacavalerie, Riley Boal, Ed Vallely, Sam Ashton, Joseph Girard, Sidney Dynon, Jack Kelly, William Turnbull, Oscar Davis-Rice
Seated: Mr A Maloney (Coach), Max Spice, Will Todd, Mr A Hassan (SPC), Jack Caine (Captain), Mr A Pettit (Coach), Judah White, Max Tevanian, Mr L Ambrogio (Coach)

Special recognition is due to Marcus Hughes, whose dominance on the trails propelled Riverview to success. His stellar performance across all categories – Flow, All Mountain, and Downhill – culminated in a remarkable 25th position out of 439 riders in the Flow category, earning us a commendable 36 points. Marcus's efforts propelled Riverview to become the 12th fastest school in Division 2 boys for Flow and the top GPS school in that race category.

In addition to Marcus, commendations are extended to Ed Shorter and Lucius Pimpini, whose contributions bolstered Riverview's standing in the competition. Further acknowledgment goes to our Co-Captain and sole Division 1 rider, Judah White. Beyond his exemplary performance on the trails, Judah exhibited exceptional mechanical skills and served as a mentor to younger teammates. As Judah bids farewell to his Riverview Mountain Biking journey, we wish him success in his future endeavours.

A round of applause is also warranted for our junior riders, Remy Camus and Max Spice, who represented Riverview with pride and dedication. Their commitment and performances epitomised the spirit of our team.

As the curtains draw on our Mountain Biking season, we reflect on the triumphs, challenges, and memories shared.

Rowing

Mr Jim Busteed | Assistant Rowing Program Co-ordinator

Rowing Program Coordinator:
Mr Daniel Noonan
Assistant Rowing Program Coordinator: Mr Jim Busteed
Captain of Boats: Ambrose Hennessy
Vice Captain of Boats:
Charlie Harrison
Sebastian Zukerman
Squad Managers:
Mr Peter Kovacs
Ms Laura Bernasconi
Safety Officers: Mr Bob Marsh, Mr Chris O'Brien, Dr Paul Brogan, Mr Phillip Elbourne, Mr Harry Brogan

This season, the high standards set in previous years were maintained at all levels. The enthusiasm and dedication of both rowers and coaches, and the program developed for each squad by Mr Dan Noonan, ensured a very successful season.

This success can be measured in the consistency of performance across the different age groups, as shown by the following highlights:

- Ambrose Hennessy and Alistair Brown gained selection in the combined GPS Eight.
- At the Head of the River Regatta, 14 crews raced in the 11 events, winning five (including the 1st and 2nd Fours), finishing second in four, and third in another.
- Winning the GPS Senior Point Score competition and finishing second in the Junior competition.
- The performances of the Years 8 and 9 Quads at the NSW Schoolboy Head of the River.
- Winning the Rowing NSW Schoolboy Point Score Competition for the season.
- The 1st and 2nd Eights made the A Final at both the NSW and Australian Championships in the Schoolboy Eight events. The 1st VIII finished second in the former, and third in the latter.
- The 1st, 2nd and 3rd Fours made the A Final of the NSW Championship Schoolboy Four at the NSW Rowing Championships.
- Ambrose Hennessy and Henry Burton gained selection in the Coxed Four to represent Australia at the World U19 Rowing Championships.

Combined GPS Eight

In Term 4, the members of the 1st VIII trialled for selection in the GPS Combined VIII. This involved a sculling time trial and then seeded sculling races. At the completion of this process, Ambrose Hennessy and Alistair Brown were ranked second and third and so gained selection in the GPS Crew.

GPS Rowing Representatives
Alastair Brown and Ambrose Hennessy

Gold Cup Regatta

This year saw the running of the 140th Gold Cup Regatta involving 200 crews and 1350 competitors, competing in 81 races. This was down from previous years with the Junior Schoolgirls competing at an alternate regatta. The main races were closely contested and resulted in UTS winning the Men's Gold Cup Eight, and Sydney Rowing Club the Women's Gold Cup Eight.

It proved a successful day for the College crews, with the 1st VIII, 2nd VIII, 1st IV, 2nd IV, 4th IV, and 3rd VIII winning their school races. Of the 18 crews in the junior squads that raced, 12 were successful.

Nepean River Regatta

The last Senior Regatta prior to the Head of the River was held over 2000 metres on the Nepean River. This was due to the unavailability of the Sydney International Rowing Centre. While crews train on the Nepean on occasions, this was the first official GPS event at this venue since the Head of the River was last held there in 1995. The Head of the River then moved to the Sydney International Regatta Centre.

While all schools did not participate, heats and finals were held providing a strong hit out before the Head of the River. The 2nd VIII, 3rd IV and 10.1 VIII won their events with the 1st VIII. The 1st IV and 10.2 VIII finished second. The 2nd IV won their heat but withdrew from the final due to illness. A lack of starters meant that the 4th IV rowed in the 3rd IV event.

NSW Schoolboy Head of the River

The top four Year 8 and 9 quads competed in the NSW Schoolboy Head of the River Regatta. They all raced well. The Year 8 4th Quad and the Year 9 3rd and 4th Quads won their events, with the other crews finishing second.

AAGPS Head of the River Regatta

Fourteen crews raced at the Head of the River in 11 events, with five crews (1st IV, 2nd IV, 3rd VIII, 10.3 and 10.4 VIIIs) winning their events, four finishing second (2nd VIII, 3rd IV, 4th IV, 10.2 VIII) and the 10.5 VIII coming third.

The 3rd, 4th and 5th VIIIs all contested the 3rd VIII event, with the 3rd VIII producing an outstanding performance to finish first. The 4th VIII were fourth and the 5th VIII sixth.

The day started with very strong performances from the Year 10 VIIIs with the 10.3 and 10.4 crews winning their events, and the 10.2 crew finishing second, the 10.5 crew were third in the 10.4 event and the 10.1 Crew finished fourth.

Members of the 1964 Riverview 1st VIII and 1st VIII were the guests of the AAGPS at the Regatta, celebrating the 60th anniversary of their victories at the Head of the River.

National Rowing Championships

This year the National Championships were held in Sydney in the week following the Head of the River Regatta. The 1st and 2nd VIII competed in the Schoolboy Eight Championships, the 1st IV in the Schoolboy Four Championship, the 1st Year 10 VIII in the U17 Championship Schoolboy Eight and George Field and Ambrose Hennessy raced in the U17 and U19 Championship Single Sculls respectively.

The 1st and 2nd Eights both qualified for the final of the Schoolboy Eight Championship, finishing third and sixth respectively, while the 10.1 VIII finished fifth in the final of the U17 Schoolboy Eight Championship. There were 47 starters in the U17 Championship Sculls, many of them specialist scullers within their rowing programs. On the back of very limited training in the sculling boat, George raced well to win his heat and semi-final. He then rowed a well-judged race to finish third in the final.

National Selection

At the end of the Rowing season, Ambrose Hennessy, Alistair Brown, and Henry Burton trialled for selection in the Australian team to compete in the U19 World Championships (held in August at St Catharines, Canada). After a very intense selection process, Ambrose and Henry were selected in the Australian Coxed Four, along with Samuel Basha, Matias Maloney, and Tomas Maloney from St Joseph's. The coach of the crew was Mr Will Raven (OIU2009).

At the regatta, the crew dominated their event, leading all the way to win in a time of 6:39.36, ahead of Italy, USA, South Africa, Ireland, and Canada.

GPS Crews

Senior Rowing Awards

Clubman Award: Darcy Hallam
Most Outstanding Oarsman: Ambrose Hennessy
Most Outstanding Cox (Ian Ward Memorial Trophy): Henry Burton
Most Improved Oarsman: Alistair Brown
Most Improved Coxswain: Ryan McNulty

Senior Squad

Senior Eights

Crew Awards

1st VIII: Jeremy Holmes
2nd VIII: Edward Thorp

The 1st and 2nd VIIIs dedicated themselves to a very intense training regime, both in and out of the boat throughout the season. This helped them create a very competitive and enthusiastic approach in the GPS Squad.

1st VIII

The 1st VIII, under the direction of Mr Matthew Curtin, were again a very competitive crew winning at the Grammar, Shore, and Gold Cup Regattas. They also finished second at the NSW Championships and third at the Australian Championships in the Schoolboy Eights. They travelled to Victoria at the end of the January Rowing Camp and competed at the Barwon Regatta where they raced in the Schoolboy 1st Eight and Men's U21 Eight events, winning the former and finishing second to Melbourne University in the latter.

At the Head of the River, they raced well finishing fourth, less than a second behind second place. They are to be commended for their efforts and determined approach, and the mature way in which they dealt with the ups and downs of the season.

2nd VIII

Under the direction of Mr Joe Bokeyar, the 2nd VIII were consistent performers throughout the season, winning races at the Grammar, Shore, Kings/PLC, Sydney Rowing Club and the AAGPS (Nepean) Regattas. At the Head of the River, they finished a close second.

At the NSW Championship and Australian Championship Regattas they raced in the Champion Schoolboy Eight events, making the A final at both. At the latter, they produced an outstanding row in winning the Repechage to make the final, rowing through the field over the last 1500 metres. In the A final they finished sixth, in front of 1st VIIIs from Tasmania and Queensland.

GPS Fours

Crew Awards

1st IV: Tom Hartman
2nd IV: Willem Van Rijswijk
3rd IV: Luca La Spina
4th IV: Darcy Macpherson

The GPS Fours, coached by Mr Hugh Courts (1st and 2nd IV), Mr Hamish McDonald, and Mr George Davis (3rd and 4th IV) were again very competitive, culminating in the 1st and 2nd IVs winning their events at the Head of the River, and the 3rd and 4th crews finishing second. Earlier in the season, at the NSW State Championship Regatta, they all competed in the NSW Championship Schoolboy Four with the 1st, 2nd, and 3rd crews qualifying for the A final, where the 1st IV finished third, the 2nd IV fourth, and the 3rd IV seventh.

1st and 2nd IV

The 1st IV had a very successful season winning at the Sydney Grammar, Shore, Kings, and Gold Cup Regattas, finishing second at the Sydney Rowing Club Regatta, and third in the NSW Championship Schoolboy Four. At the Head of the River, they led all the way in an impressive performance to win the Yaralla Cup.

The 2nd IV also won at the Sydney Grammar, Shore, King's and Sydney Rowing Club Regattas. They were third at the Gold Cup, and fourth in the NSW Championship Schoolboy Four. At the Head of the River, they dominated the race from the start to win the Alan Callaway Trophy by 7.66 seconds. Members of the Riverview 1964 1st VIII and 1st IV were present for the presentation of both these trophies, marking their victories at the 1964 Head of the River.

3rd and 4th IV

The 3rd and 4th IV were both very competitive throughout the season, finishing on the podium each week. The 3rd IV won their event at the Sydney Grammar, Kings and AAGPS (Nepean) Regattas, while the 4th IV won at the Sydney Grammar, Shore, Kings and Gold Cup Regattas. They both competed in the NSW Championship Schoolboy Four at the NSW Rowing Championships where the 3rd IV finished seventh in the final, and the 4th IV were eliminated in the heat by higher-graded crews. At the Head of the River, both crews raced well to finish second in their event.

3rd, 4th and 5th Eights

Crew Awards
3rd VIII: Josh Delany
4th VIII: Dominic Flynn
5th VIII: Tommy Schell

The depth of the Senior Squad was again evident with the ability to successfully boat an additional three Eights throughout the season, coached by Ms Sarah Dieu, Mr David Hogan, and Mr Hunter Hyde. These crews competed in the 3rd VIII events and at the Gold Cup Regatta where members of the Squad raced as Fours in the 4th IV event. The 3rd VIII remained undefeated throughout the season, winning at the Grammar, St Joseph's, Sydney Boys High, Gold Cup, Kings/PLC and Sydney Rowing Club Regattas. At the Head of the River, the three Riverview crews raced against 3rd VIIIs from Shore, St Joseph's, and Kings. The 3rd VIII produced a strong performance over the final thousand metres to win the event, with the 4th VIII finishing fourth and the 5th VIII sixth.

Year 10 Eights
Squad Manager: Mr Peter Kovacs
Coaches: Mr Jackson Garrels and Mr James Benson (10.1), Mr Simon Kenderes (10.2), Mr Marcus Bambagiotti (10.3), and Timothy Sekel (10.4)

Crew Awards
10.1: Julian Carr
10.2: Hugo Brown
10.3: Jack Haire
10.4: Luke Delany

The 10.1 and 10.2 crews were competitive throughout the season, finishing on the podium at most Regattas, and winning at the AAGPS (Nepean) Regatta and the Kings/PLC Regatta respectively. At the Head of the River, the 10.1 crew was slow to start but finished strongly over the final 500 metres to miss the podium by less than a second.

The 10.2 crew also finished strongly, coming second by 1.48 seconds. The 10.1 crew also competed in the NSW U17 Schoolboy Championship Eight and the Australian U17 Schoolboy Championship Eight events, finishing fifth in the latter in a very closely contested event.

The 10.3 VIII and 10.4 VIIIs were both very dominant in their respective events through the season. Both crews won at the Sydney Grammar, Shore, Sydney High, Gold Cup and Sydney Regattas with the 10.4 VIII also winning at the Scots Regatta, where the 10.3 crew were second. At the Head of the River, the 10.4 crew led all the way to win by 17 seconds while the 10.3 Crew produced an outstanding last 1000 metres to win by 3.31 seconds.

At the Head of the River, the 10.5 VIII also raced in the 10.4 event. In a very strong performance on the back of very limited preparation together, they finished third in front of St Joseph's and Scots.

Year 9 Quadruple Sculls

Coaches: Mr Ned O'Rourke (9.1 and 9.2), Mr Patrick Johnston (9.3 and 9.4), Mr Rory Curtin (9.5 and 9.6), and Mr Hugo Kerr (9.7)

Crew Awards
9.1 James Davis
9.2 Harry Walker
9.3 Harrison Polin
9.4 Jagger Short
9.5 Noah Beardmore
9.6 Liam Vlaeminck
9.7 Charles Fuller

The Year 9 Squad continued the strong enthusiastic and committed approach to training and racing they displayed last season. The Squad competed in 51 events throughout the season, and their consistency resulted in them finishing on the podium in 48 of these, with a winning ratio of 65 per cent.

Highlights for the Squad during the season were their consistent performances each week, including winning six of their seven events at the last regatta of the season (AAGPS Junior Regatta) and five out of seven events at the Gold Cup and Shore Regattas. This helped them secure second place in the GPS Junior Pointscore Competition. On the Sunday prior to the GPS Head of the River, the top four crews competed against crews from NSW and the ACT at the NSW Head of the River Regatta, with 9.3 and 9.4 crews winning their events and the 9.2 crew finishing a close second.

Year 8 Quadruple Sculls

Squad Manager: Ms Laura Bernasconi
Coaches: Mr Daniel Johnston (8.1 and 8.2), Mr Tom Jewell (8.3 and 8.4), Mr Lachlan Easdown (8.5 and 8.6), and Mr Ryan Bowditch (8.7)

Crew Awards

8.1 Arthur Roche
8.2 Joe Gordon
8.3 Hugo Higgins
8.4 Iggy Jenkins
8.5 Xavier Kennedy
8.6 Frederick Dunn
8.7 Nicholas Klok

The Year 8 crews made great progress in their first season of rowing, training enthusiastically in Term 4 and at the January Rowing Camp, showing strong improvement in their technical skills. Over the course of the season, as a squad they competed in 50 events, winning on 26 occasions and finishing second 18 times. Highlights for the Squad were their consistent performances throughout the season, especially at the Gold Cup and St Joseph's College Regattas where they won five of the seven Year 8 events.

On the Sunday prior to the GPS Head of the River, the top four crews competed against crews from New South Wales and the ACT at the NSW Head of the River Regatta, where the 9.4 crew won their event and the others finished a close second in theirs.

Rugby

Mr Nick Bousie | Rugby Program Co-ordinator

Lower Opens Teams 2024

Several of our Riverview teams excelled this season. The 9th XV achieved an impressive undefeated record and celebrated a stunning 'Spaghetti Cup' victory in the final game against Joeys.

The 6th XV and also 5th XV were extremely well coached by Messrs Wes Thomas and Rob Powell respectively, earning some significant victories.

The 4th XV, coached by Mr Harrison Layton, had some key wins, and grew over the 2024 season. The 8th XV showed competitive potential with strong performances and a significant draw.

The 7th XV had a mixed season with some notable wins, arguably suffering from lots of movement in the surrounding sides. The Year 11s dominated 8th XV and 10th XV had a myriad of different combinations. While consistency was sometimes lacking, there were some momentous victories against strong opponents and we look forward to these boys continuing their rugby odyssey in their final year at Riverview.

Our Lower Opens teams suffered from a lack of training grounds 4th Field out for the 2024 season, however, they still demonstrated a range of performances which we can all be very proud of – both wins and tight losses. We anticipate that these will contribute to future success and ultimately camaraderie, which is so important for these boys as they prepare to leave the College.

U16 Age Group | The U16 age group had a dynamic season with both triumphs and challenges. A large challenge was training in the morning all season, twice a week, which caused significant dislocation, especially to the U16 cohort. A big thank you to the parents for braving the alarm clocks and dropping your boys off in the dark at 6:30am.

Across all seven teams (16A to 16G), Riverview had a successful season with more wins than losses. The teams displayed admirable resilience, demonstrating a strong commitment to their growth as rugby players.

Across all teams, Riverview definitely had some notable highlights, particularly with the 16A, 16B, 16C, and 16D teams securing victories against our best competitors. The season showcased that this U16 age group has a bright future ahead as they continue their rugby journey at the College.

U15 Age Group | This group delivered a remarkable season as our marquee cohort for the winter period of 2024. From 15A to 15G, we had some stunning against-the-odds victories and our ratio of wins was very encouraging. The 15A and 15B were hard to beat all season, while the 15C were undefeated until their final round when they lost narrowly by two points. This points to some good seasons ahead for Riverview rugby if these boys continue to stick tough and be open to developing as players and young men. The U15 age group showed immense potential throughout the season, with standout performances from all teams. The 15D side was the most successful of all, being undefeated. 2024 was a year of strong evolution and development for this U15 cohort and it augurs well, providing a strong foundation for the coming seasons.

U14 Age Group | A lot of growth and development goes on in the Under 14 group over any season. The U14 age group of 2024 had a very competitive season, marked by several impressive team performances across the board. Some very good coaching aided the development of rugby strategies and understanding for these boys. We had a very tight coaching and coordination group, and all sides trained together at one location which definitely increased the success of the year.

The age group displayed some gratifying resilience when the chips were down in games, culminating in some very memorable victories. It was a successful season in terms of winning statistics. Moreover, the increase in basic handling, passing and tackling skills was evident in a very wet rugby season. It was a big step up for the previous year as U13s when they found senior school GPS Rugby quite challenging. Their growth has laid the groundwork for future success and progress as they move into higher age groups at Riverview.

U13 Age Group | The U13 age group faced a challenging season as they adjusted to the physical and tactical demands of senior school rugby. At Regis, Riverview play a very limited number of opponents, sourced from a very small cohort of boys. This changes in Year 7, when other schools are bigger and have more organised and effective rugby programs. Other schools also commence sporting scholarships, which assist their A/B performances.

Despite some tough matches for our U13s, the teams showed resilience and determination throughout the season and retained a fighting spirit, which ultimately resulted in some memorable victories. The results were mixed across the teams, with the 13B, 13D, and 13E teams demonstrating strong performances. The 13A and 13C sides gained valuable experience and will be better for that experience. The spirit of the U13 age group cannot be faulted; it was a happy group and well coached. Trainings were a joy, developing young Ignatian men and getting them ready for life's challenges.

1st XV

With 12 players from last year's 1st XV team graduating, there were plenty of new faces that joined the team this season. This meant the April holiday training camp was a valuable opportunity to bring the group together, build combinations and clarify how we wanted to play. This was always going to take some time and we saw this in our trial games against Oakhill and Waverley. A spirited performance, however, against Barker demonstrated to the players that they could match it with anyone regardless of their experience.

A number of injuries in our final trial game challenged the group and it made the proposition of taking on one of the pre-season favourites, Shore, in Round 1 even more formidable. In wet and windy conditions, we fell behind early in the contest but a sideline conversion after the siren sealed a memorable victory and continued to build the belief within the group.

The second GPS round against Newington saw the boys scrap their way to a 14–7

victory on the back of a solid set piece effort. But as torrential rain hit Sydney during our next game against Scots, we learnt that you have to take the good with the bad. We went into the break trailing 10–12, and despite a relentless show of spirited defence in the second half, Scots managed to secure the narrowest of wins.

More wet and muddy conditions dominated our subsequent games against Kings, St Joseph's and Shore. Each of those games featured good periods of play punctuated by lapses in execution that invited the opposition back and ultimately proved costly. What was never in question was the courage and determination displayed by the players in very trying circumstances.

We reset in our July camp with a theme of resilience and set ourselves the goal of winning our final four games. The sun shone as we took on Newington in our first game back in Term 3 and the faster game, along with a greater emphasis on executing fundamental skills, led to our best attacking performance of the year. This, combined with some resolute defence, was enough to see us go home with a 38–35 win.

There was plenty of improvement on show in our next game against Scots. On a memorable day, the players from 1sts, 2nds, 3rds, and 16As raised funds for motor neurone disease in honour of highly respected former Riverview teacher Brian Piper. Playing for something bigger than themselves, the boys showed plenty of heart in another tight game to eventually pull away with a 31–19 win.

With all teams beating each other, we entered the final two rounds with everything still to play for. We went out to Kings hopeful of what might be, but despite some encouraging signs at the beginning, soon found ourselves out of the contest. Some hard lessons learnt in a 33–43 loss.

The boys bounced back well by starting fast in our final game of the season against St Joseph's at Leichhardt Oval. There were some signs of how far the group had come as we opened up a 21–7 lead. But a lack of discipline hurt us early in the second half and gave a dangerous St Joseph's side too much momentum. They cashed in on these opportunities and walked away with a 38–28 win.

On reflection, this was a brave 1st XV that punched above its weight on numerous occasions. The group can walk away knowing they left everything on the field; the Year 12 members of the group leave us as more complete players and the Years 10 and 11 players will no doubt be in a better place to step up to the challenge next year.

Thank you, in particular, to Liam Winton for his positivity and tireless work ethic preparing the boys. Thank you also to Lawrance Hunting for the value he added to our group on Saturdays, and kicking coach Mike Kennedy for his important work supporting the person as much as the player; to Marko Becejski and Jane Rorke who were outstanding in diagnosing and recuperating players after injury; to Daniel Mullen for his care and dedication in preparing the players physically; and to Phil Koen, Harry Rorke, Josh Lo, and Hugo Dempsey for their help coaching the other GPS rugby teams.

A final word of thanks to Bill Dowers, Damien Reidy, Lachlan Wylie, James Bairamian, and Nick Bousie who supported the whole group in all matters off the field. Without their selflessness, the players wouldn't have had the opportunity to do what they love and get so much out of the season.

The overview of the 2024 rugby season reflected on key achievements, challenges faced, and lessons learned. The season has been marked not only by the scores and victories, but by the growth, teamwork, and unwavering commitment demonstrated by both players and coaching staff.

2nd XV

The 2024 rugby season for the 2nd XV was characterised by determination, discipline, and camaraderie. The team displayed consistent progress throughout the year, with numerous highlights both on and off the field. As Sir Clive Woodward once said, "Winning doesn't happen in the match; it happens in the preparation." This mantra was evident in the hard work and strategic approach taken by this team.

From the initial preparations in the pre-season to the final whistle of the last match, the players committed themselves to rigorous training and continuous improvement. The resilience shown during tough matches and the perseverance through adverse conditions underscored the character and dedication of the squad.

The players demonstrated significant development over the course of the season. Their performance was not just measured by physical prowess, but by their teamwork, sportsmanship, and mental toughness. Rugby is often said to be a game of inches, and our players epitomised this by consistently going the extra mile, whether in a tackle, a pass, or a word of support to a teammate.

The role of the coaching staff was instrumental in guiding the team through the challenges of the season, and the team's success would not have been possible

Rugby 1st XV

without their families and supporters. Their presence on the sidelines, patience during long weeks of training, and constant encouragement provided the players with the morale boost they needed during both difficult and triumphant moments. We extend our deepest gratitude for their unwavering commitment.

As we look toward the future, it is essential that we carry forward the lessons learned this season. Both the triumphs and setbacks have created a strong foundation for continued growth and development. No matter where players find themselves next year, they are encouraged to strive for excellence, both on and off the field. The camaraderie, challenge, and joy of rugby will continue to guide their journey.

The season concluded with a sense of accomplishment and optimism for the future. As Brian O'Driscoll once said, "Rugby gave me confidence. I was quite shy and relatively timid, but it gave me the confidence to be a little bit more like me and back myself a bit more." This sentiment encapsulates the spirit of our team this year – through rugby, the players not only became better athletes but more confident individuals.

Sailing

Mr Matthew Bentley | Sailing Program Co-ordinator

The summer season of 2024 was another season of significant growth for the Riverview Sailing Club. In recent years, the club had doubled in membership, raised many new sailors to competency and developed our representative sailors to achieve pleasing results in regattas. This year was no different as we hit our membership cap, hosting the maximum number of sailors possible in 17 training sessions each week for nine differentiated teams learning in three disciplines.

Our learn to sail programs developed a new group of absolute beginners to the point where they independently navigated downstream beyond Lane Cove Skiff Club, and home again. Considering some of them had never been in a sailboat before this, these new skills represent a massive achievement, and I hope it is just the beginning of a great pastime for these new sailors.

The intermediate and advanced learn to sail team members continued to develop their skills and shared many sessions with the 1st and 2nd VI, interchanging with the competition squad in training. The intention was to open a pathway for home-grown sailors into the representative teams.

This year's 1st and 2nd VI teams were blessed to receive a second set of new Pacer dinghies. This allowed for uncompromised training at home of the 'Teams Racing' discipline. Until now the teams had to suffice with isolation drills and simulations of team-racing scenarios. The teams were fruitfully led once again by the coaching combination of Mr Nathan Wilmot and Mr Xavier McLachlan (OR2021).

There had been a limited number of regattas this season, but our teams made the most of each of them. First up was the Redland's Invitational Cup. This was a fleet racing regatta contested by 12 teams from accomplished youth and school programs around the harbour. After a day of racing at RSYS, our teams finished third, fifth, eighth, and ninth. There was just one place separating Raphael McLachlan and the two leading Ascham teams. We also enjoyed a collaborative training session with the girls from Monte Sant' Angelo College. The Monte Sailors joined our teams one Saturday afternoon in February to race on the 'S' course in the Lane Cove River. The racing was tight and provided both teams a great opportunity to practise strategy before the State Championships.

Special recognition must go to a pair of our sailors who were also busy competing at the highest level in regattas around Australia and overseas. Healy Ryan sails in the ILCA6 class, an Olympic feeder class for youth sailors, formerly known as the Laser Radial. Healy is also the Captain of our 1st VI representative team. Healy finished the summer with multiple places and wins in state titles around Australia, both in age groups and as outright ILCA6 Champion. This led to the Australian and Oceania championships, held in Adelaide where Healy (age 15) won the U17 National Title. Healy is heading overseas later this year to contest world-class regattas in Europe as a member of the Australian Sailing Youth Squad. We wish Healy all the best in his travels and look forward to hearing his report on this fantastic opportunity.

Raphael McLachlan is a highly competitive Optimist Sailor and also one of the skippers of our 1st VI team. Raphael is nearing the end of his career in Optimists due to his age and size. This year being his last, he sought to compete in the Asian and Oceanian Championships held in Abu Dhabi. After a week of sailing in the tropical waters of the UAE, Raphael finished in the middle of the Bronze Fleet, which is a significant achievement considering the number of competitors and the standard of Opti sailing around the world.

The flagship event of our season is the NSW Sailing Teams Racing Youth Championships. The format has become the primary focus of inter-school sailing in Australia. Competition does not differentiate for gender and sailors of all ages can compete against each other. This year, the regatta was hosted by the RSYS in Kirribilli. Twenty-four teams from school and youth clubs raced over three days. Over the first two days, our Sailing 1st and 2nd VI participated in 12 rounds of racing in a round robin competition. Following this, the top eight teams contested a knockout series of races to determine the higher places. Following an intense finals series on Sunday, the Riverview Blue team (1st VI) – consisting of Healy R (C), Zac H, Raphael M, Harry T, Patrick M, Patrick H – placed third behind Cranbrook 1sts and Scots College 1sts. Third place represents a significant achievement considering the scale and intensity of some other school programs. The standard of the sport overall is advancing rapidly due to the dedication of school sailors to compete in this flagship event – possibly making this year our most significant result ever.

The Riverview White (2nd VI) – Dashiell R, Michael D, Nelson S, Lewis M, William T, Gabe A, and Angus H – were unlucky not to qualify for the finals series contested among the top eight. However, they finished 11th overall on points from the round robin. Our 1st VI team this year contained sailors no older than Year 10, and so their opportunity to improve on this year's results over the next few years is immense.

I wish to thank our coaches and supporters for another fantastic season. Our coaching team, comprising Nathan Wilmot, Xavier McLachlan, David Wilson, Patrick Grew, James Wilson, Gretel Payne, and Harry Ashton, were exemplary in the care and expertise they show each session to develop our sailors in a safe and fun environment. I hope to see them all again for the coming season.

In particular, I would like to acknowledge Mr Jonathan Talbot who has retired from teaching at the College this year but has remained in capacity with the Sailing program. Mr Talbot has been instrumental in the success and growth of our program over the last few years and I am very grateful for his wisdom, skills, and support.

The 2024–25 season will be an exciting time for our sailors as our competitive program matures, facilities continue to expand, and our home-grown sailors begin to fill places in the representative teams. We already have more regattas planned, more collaboration with similar schools, and a lot more fun on the water to come.

Sailing 1st & 2nd Squad

Standing: Raphael McLachlan, Will Thomas, Dashiell Russell, Zach Hui, Healy Ryan
Seated Row: Gabriel Ashmore, Harry Taylor, Mr N Wilmot (Coach), Michael Dickason, Mr X McLachlan (Coach), Patrick McLachlan, Angus Hui

Front Row: Rafferty Dady, Xavier Chan, Callan McInney, William Craig, Dalton Beaumont, Leonardo Clyde, Jonathan Li, Oliver Patrk, Thomas Johnson

Snowsports

Mr Anthony Cook | Snowsports Program Co-ordinator

The Riverview Snowsports Team proudly represented the College at multiple championships, demonstrating outstanding skill, resilience, and sportsmanship.

At the State Interschools Championships, in Division 4 (Years 5 and 6) Ben Hodgkinson and Charlie Maynes showed immense talent, both qualifying for Nationals. Ben secured an impressive sixth-place finish in Moguls, while Charlie qualified in both Snowboard GS and Snowboard Cross, setting a promising tone for the team's season.

In Division 3 (Years 7 to 8), the team excelled, with the Boys Moguls team of Charlie Salter, Bill O'Rourke, and Richie De Angelis winning the team silver medal and earning National qualification in Ski Cross and Alpine events. Notably, Charlie Salter clinched a Bronze medal in Ski Cross, a fantastic achievement as he competed against older boys. These results showcased the talent and grit of Riverview's young competitors.

Division 2 (Years 9 to 10) proved to be one of the most competitive age groups, with Riverview's team continuing to rise to the challenge. The Alpine team of Sebastian Atra, Henry Salter, Lachlan De Angelis, and Mitchell Haigh earned a Bronze medal at State, with Sebastian claiming an individual silver. In Ski Cross, the trio of Sebastian, Henry, and Lachlan secured a team silver, with Sebastian adding another individual silver. Both Henry and Lachlan also qualified in Moguls, and Jarvis Smoker defended his title in the Snowboard GS Multi-Class, winning gold under challenging snow conditions. These results positioned them well for Nationals.

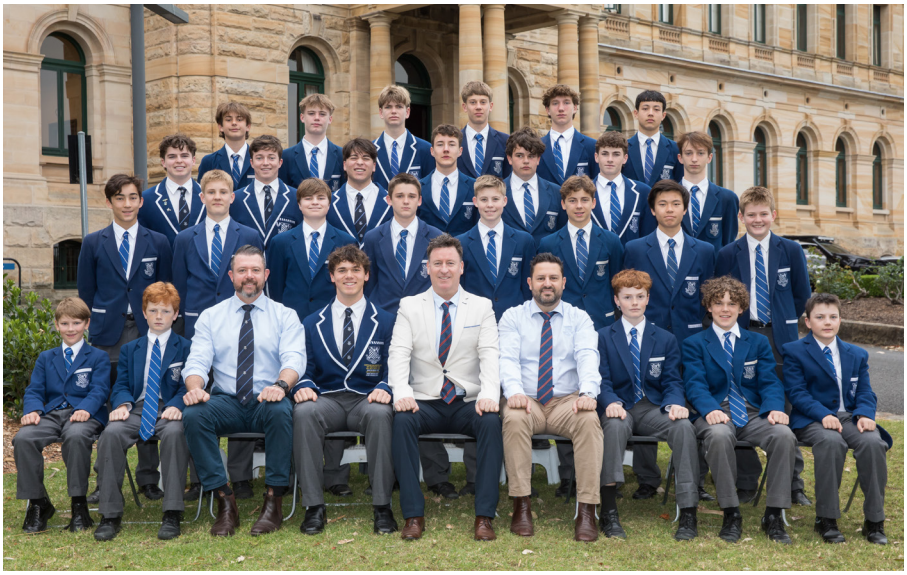

The Division 1 (Years 11 to 12) team faced some of Australia's top young racers. Riverview was represented by Luke Geoghegan, Snowsports Captain Joseph Graves, Hudson Alexander, and Lachlan Hordern-Smith. Luke qualified for Nationals in Snowboard GS with a 13th-place finish, and Joseph qualified in Snowboard Cross. Joseph also joined Julian De Angelis, Lucas Breeze, and Lachlan Hordern-Smith for the Alpine Ski event, achieving a commendable sixth-place finish to qualify for Nationals. This result was particularly meaningful for Lachlan, who had overcome a serious head injury from a skiing accident two years prior. His return was a testament to his courage and the support of his family and the Riverview community.

The team's success continued at Nationals. In Division 4, Ben Hodgkinson achieved a top 10 finish in Moguls, placing ninth in Australia, while Charlie Maynes finished 13th in Snowboard GS. These results are commendable and promise even stronger performances in the years ahead.

Division 3 saw Charlie Salter and Bill O'Rourke secure a team Bronze in Moguls. Along with with their individual achievements, this speaks to their potential and passion for the sport. In Division 2, Sebastian Atra won the national gold medal in Alpine as well as Ski Cross, solidifying his status as the top skier in his division. The team also placed fourth in Ski Cross, while Henry Salter and Lachlan De Angelis achieved a top-10 finish in Moguls. Jarvis Smoker earned another national title winning the Snowboard GS Multi-Class, a well-deserved recognition for his hard work.

Our Division 1 athletes concluded their Riverview snowsports careers on a high note. Luke Geoghegan placed 13th in Snowboard GS, and the team of Joseph Graves, Julian De Angelis, Lucas Breeze, and Lachlan Hordern-Smith achieved a respectable seventh place in Alpine. Joseph, the captain, led the team with dedication and pride.

Throughout the season, Riverview's snowsports athletes displayed resilience, whether facing intense competition or navigating the unpredictable weather. The team's showed some outstanding performances and personal growth – congratulations to all competitors and thank you for making us all proud. We also thank all our families, staff, and the College for their wonderful support.

Snowsports

Back Row: Austin Smoker, Patrick McInerney, Lucas Breeze, Charlie Pobje, Lucas Kropman, Ace Williams
Second Row: Luke Geoghegan, Lachlan Hordern-Smith, Hudson Alexander, Mitchell Haigh, Jarvis Smoker, Julian De Angelis, Harry Hordern-Smith

Absent: Sebastian Atra

Summer Athletics

Ms Cathy Walsh | Summer Athletics Program Co-ordinator

The Summer Athletics team enjoyed a highly successful season, competing each weekend at Athletics NSW events at Sydney Olympic Park. With many athletes recording personal bests, the boys represented both themselves and the College with commitment, determination, and pride against some of the strongest athletes in the state.

Following impressive performances at the AAGPS Athletics Championships, several boys progressed to the 2023 NSW State All Schools Track & Field Championships. This event, which draws over 2000 athletes from primary and secondary schools, is unique in bringing together competitors from all educational sectors – government, independent, and Catholic – making it one of the most competitive and rewarding events of the year.

Highlights included Michael Gatsas, who ran a personal best to set a new College U15 100m record, finishing 2nd in the state. He backed up this achievement with another personal best in the 200m, placing 4th overall. Benjamin Case also shone, claiming 2nd place in the state in the boys' 12 years 1500m.

The NSW State Relay Championships, the largest event on the Athletics NSW calendar, saw the College field a small but determined group of U16 and U18 teams. Their performances were outstanding, securing eight medals. The team of Miller Siasat, Charles Geddes, Charles Culbert, and Henri Dempsey won bronze in the boys' 16 years 4x400m relay. The following day, Henri joined Jake Saeedi, Jasper Sinclair, and Brody Folkes to claim silver in the boys' 18 years 4x400m relay. These results reflect not only the talent of individual athletes but also the teamwork and camaraderie within the squad.

The season concluded strongly at the NSW Junior State Championships, with most athletes again recording personal bests. Standout performances included Evan Dransfield, who placed 3rd in the U20 men's 1500m and qualified for the Australian National Junior Championships, where he finished 12th in the nation in the 800m. Benjamin Case followed up his 4th place finish in the U13 1500m at the State Championships by also qualifying for Nationals, finishing 9th in the U14 1500m. Both Evan and Ben deserve special congratulations for reaching this prestigious level and representing the College with distinction on the national stage.

Across the season, the team demonstrated resilience, commitment, and an eagerness to continually improve. Their efforts not only brought individual and team success but also strengthened the proud tradition of athletics at the College.

The College extends its sincere thanks to all staff, coaches, and parents who supported the athletes throughout the season. Their encouragement, organisation, and presence at each competition made this success possible.

Congratulations to all members of the Summer Athletics team on an outstanding season, marked by personal bests, state finals, national qualifications, and, above all, the spirit of teamwork and sportsmanship that defines Riverview Athletics.

Summer Athletics

Back Row: Michael Gatsas, Charles Geddes, Frederick Garling, Evan Dransfield, Xavier Wong, Amir Saeedi, Elijah Wehrhahn
Middle Row: Mr G Smith (Coach), Ned Wright, Archie Chandler, Miller Siasat, Thomas Makim, Hugo Sealey, Cooper Edwards, Baxter Dalton, Mr E Williams (Coach)
Seated: Benjamin Case, Oscar Le Guay, Louis Portale, Jake Bouropoulos, William Brothers, Hudson Savage, Sabian Polhill

Swimming

Mr Michael Webb | Swimming Program Co-ordinator

Junior Division: 8th
Intermediate Division: 4th
Senior Division: 8th

The 2023–2024 swimming season was another successful one with over 80 students training throughout the season and 55 representing the College. Swimming training consisted of students from Regis and the Senior School, and it was wonderful to see boys from a range of ages competing and training together. Each session the boys often swim between 3km and 5km, which is an exceptional achievement. The team enjoyed the Thredbo Swim camp where they trained in a high-altitude environment.

The Captain of the team, Jackson Delany, along with Vice Captains Jack Thompson and Charlie Christie are to be congratulated for demonstrating great leadership throughout the season. Jackson Delany represented the College with honour at the annual Captains' Dinner at St Joseph's College.

NSW CIS Swimming Championships

- 15 years: Liam Chenery, Thomas Martin
- 16 years: Luca Bet, Bon Ethan Au-Yeung, Luke Jamieson, Alexander Scanlon-Dawson

Table Tennis

Mr Greg Jones | Table Tennis Program Co-ordinator

Season 2023–24

This season was one of both highs and lows for Table Tennis at Riverview. Our squad of 16 players competed in all six divisions most weeks. Our division one and two players performed solidly throughout the summer, challenging and often winning their games against the strongest of opponents in the competition.

The last half of the season saw our two new Year 7 students take to the game very quickly. We look forward to both these players being a valuable part of our squad in the years to come.

We also look forward to renewed commitment next season. As we strive for better results, that commitment will give us strength to achieve our goals.

Tennis

Mr Jaymon Crabb | Tennis Program Co-ordinator

The tennis program took another step in the right direction in 2023–24, bolstered by the addition of new 1st coach Andrew Riminton. A top junior and most decorated Barker College tennis player ever, Andrew also spent four years in California playing in the USA College Tennis Competition. Andrew has been fantastic imparting his knowledge of school and team tennis.

The ever energetic and passionate Michele Law was back for another year, teaching the youngsters the discipline and attitude required to be a part of Riverview Tennis, as well as creating a fun environment for the seniors as they enjoy their last year on the College campus.

The Year 7s (13s)

The 13s joined us in Term 1 of 2024, bursting onto the senior courts like they owned the place. Full of character, loud, energised, and supremely confident, this year's group included the likes of Seb Koromilas, Jake Spiden, Will Rees, Oliver Dryden, and Ben Thornhill, to name a few.

Going into the weekend matches there was extreme confidence. Most boys were used to winning a lot, but the GPS schools bring a different beast. While the results were mixed, the boys retained their enthusiasm throughout the season.

The Year 8s and 9s (14s and 15s)

With more sporting options to pick from, ie Rowing, the tennis numbers began to thin out. The boys started to find their place and understood that often a lower team meant more chance of winning on the weekend.

Zion and Xavier worked hard to lead 8As. The Year 9s welcomed country boarder Archie McCormack who with his serve/volley attacking style became a great rival for Henry Salter at the top of 9As. Both boys look like future 1st/2nd players and I look forward to watching their development over the years. I anticipate Leonard will keep the boys on their toes and keep nipping at their heels.

16s Tennis

We saw a lot of new faces in the 16s in 2023–24. The As consisted of Samuel Young with his consistent play, Henry Martin with his intensity, Alistair Leung with his beautiful strokes, and Artaban de Lacharriere who would chase every ball down and make life difficult for any opponent.

Then there were the 16Ds with many boarders, including Ed Pincock and Max Power who both caught the tennis bug and clearly thrived being on the court. Despite losing 0–6 to start the season, they saw wins on the board at the end – a testament to their tenacity!

The Opens thrived under the guidance and

direction of Ms Law, the 3rd-6ths being our most successful teams and the camaraderie between player, coach and parent was a pleasure to see. The Opens took the reins at the end-of-season BBQ and the snags were delicious (Lachie Cronin's secret was extra oil to make the outside of the snag extra crispy).

Thanks to everyone for a fantastic season and looking forward to next year!

1sts Tennis

Andrew Riminton

Firsts Tennis wrapped its 2023–2024 season with an overall 2-3-9 record, finishing at 7th place in the combined GPS rankings. This season saw the boys up against an incredibly tough and, at times, far more experienced field of players, however, the boys remained committed to make each week an exciting opportunity to test themselves and give their best effort. Whether it was a win or a loss, the boys displayed great character, camaraderie, and support towards each other both on and off the court. The season saw us witness a host of incredible matches and commendable performances by our players – many of whom will be sadly leaving us as they set their sights towards HSC and set to graduate later this year. With all this in mind it's important to recognise the progress made as a team and by each individual player.

2023–2024 Lineup:

Fred Nery (Year 12): Fred once again led and captained the team at the #1 position. Amongst a highly competitive field Fred managed three impressive singles wins, five doubles wins and selection into GPS 1st tennis team. His leadership, attitude and accountability helped inspire his teammates and contributed significantly to the team's overall cohesion and growth throughout the season. Partnering with Jack, Xander, and Jake at some point during the season was an incredible opportunity for Fred to share his experience and tennis knowledge with these younger boys as they eventually look to lead the team in future seasons. The qualities mentioned will serve Fred well in all endeavours he pursues in the future and we thank him for everything he has given to the Riverview tennis program over the years.

Jack Hamer (Year 10): In 2024 we were thrilled to welcome Jack to Riverview. He quickly became an integral part to the 1sts lineup and his experience, demeanour and presence at weekly practices immediately had a tangible impact. Joining at the halfway mark of the season Jack had good singles win and three doubles win and earned selection for the GPS 2nds team. We look forward to seeing Jack's game continue to flourish in the coming years.

Tennis 1sts

Standing: Jack Hamer, Oliver Gunns, Christian Spiropoulos
Seated: Jake Hardwick, Mr A Riminton (Coach), Frederic Nery (Captain), Mr J Crabb (Coach), Xander Crabb

Xander Crabb (Year 8): Our youngest player, Xander finished the season with five singles wins and five doubles wins. He is quickly emerging as a formidable force on court, displaying impressive power and competitiveness for his young age. Xander was instrumental in securing crucial wins for the team during the season, such as clinching the match against Sydney Grammar as well as securing numerous doubles wins in tight 3rd set tie-breaks with his most frequent partner Jack Hamer.

Jake Hardwick (Year 10): Jake was our unanimous most–improved player for the 2023–2024 season. Week-on-week we saw Jake step on court with an unwavering intention to win, despite often being up against significantly higher-ranked opponents. He used each opportunity to properly test the limits of his own game. We look forward to seeing Jake's game continue to flourish and become a force to be reckoned with next season.

Christian Spiropoulos (Year 12): Christian finished the season with two singles wins and two doubles wins. With possibly the fastest serve in GPS, Christian always proved an exciting player to watch from the sidelines. Notably, his doubles with Oliver Gunns

Tennis GPS

Frederic Nery, Jack Hamer

proved to be pure 'popcorn tennis' for all spectators with incredible volley-to-volley exchanges, big serves, and for better or worse, wild momentum shifts. We wish Christian all the best for the remainder of Year 12 and HSC.

Oliver Gunns (Year 12): Oliver completed his final season for Riverview with a hard fought singles win and two doubles wins. With a powerful serve in his own right, strong baseline strokes and willingness to come to the net, Oliver was able to control the pace of many of his matches, often making it difficult for his opponents to find rhythm. He thrived on the challenge of being matched up with higher-ranked opponents and never had a doubt in his mind that he could compete and even gain victories over these players which he succeeded in doing several times. We thank Oliver for everything he gave towards the program and wish him the best for HSC.

As the season concludes, the team reflects on its performances and looks forward to building upon them in the future. With continued hard work and training over the winter, the team is poised for even greater accomplishments in the seasons to come.

For all graduating Year 12s we wish you all the best for the upcoming HSC and thank you sincerely for all the time and energy you have given to Riverview Tennis over the years. Finally, we thank all the parents for their continued support as well as the provision of wonderful afternoon tea for all home fixtures throughout the season.

2nds Tennis

Hugo Darin

As we look back on an incredible season of perseverance, teamwork, and strong effort, there are many great outcomes that can lead Riverview tennis into the future of next season with positivity.

Through the Term 4 period the team was made up of around eight boys, weekly challenges matches were being fought out on court 8 in the blistering sun of afternoon training. Our team hugely benefited from being players of adaptability; they were eager and happy to play with whomever on the weekend, if they thought it gave us the best chance for a win on Saturday. The team's morale was unwavering. Although the day is long, the boys had consistent faith in each other even when the results did not display such positivity. I believe that through the hard work and the strong efforts of the squad in its entirety in Term 4, we shared the marvel of this effort in the following year where the team really started to stretch its legs into great results.

Tennis is a sport of high technical requirements with long years of experience required to fight through a tough opponent in a match. While at some points in the season the boys were a bit disappointed in their own ability not to get the job done, they came straight up to the coaching area after their match and were eager and open to listen to constructive notes made throughout. It was this consistent motivation to improve that saw our team significantly improve on some key technical abilities such as:

- Game awareness at the net
- Serving technique
- Doubles strategy
- Repeatability cross court
- Footwork.

Following hard work in the summer break, the team came back stronger than ever to rematch against strong sides. The positivity really started to play a factor when the team defeated a strong Scots College side who they had previously lost 8–1 in December. This hard work was led by the captain Ethan Nandlal who played an extremely consistent and strong doubles with his teammate Riley Burgess to post a 6–2, 6–2 win to start the day. Other notable wins that day came from the 4ths, 5ths and 6ths all winning their singles, as well as breakthrough singles turnarounds for Lachlan Cronin and Mathew Keen, who cheered each other on during their matches in true Ignatian spirit.

Touch Football

Ms Elin Michelsons | Touch Football Program Co-ordinator

The 2023–24 Touch Football season was one that saw the program continue to expand, with 11 teams competing for Riverview each week. For the first time in program history the Opens consisted of four teams and competed across three divisions, showing that Riverview holds the greatest depth in the schools competition. All teams focused on weekly goals of continual improvement, inclusion of team members and sportsmanship, and enjoyment of the game as a collective.

The Opens divisions hosted new schools to the competition, which set new challenges for all teams when playing at Queens Park each Saturday. The 1sts, coached by Ms Kate Hilyard, were led wonderfully by Captain Luc Johnstone and Vice Captain Billy Grattan. This tight-knit group developed into one of the top contenders in Division 1, placing third against Trinity Grammar after the finals series. Mr Tim Lee coached the 2nds to an undefeated season and overall winners of the Division 2 competition. Ms Elin Michelsons introduced many new players into the sport in the 3rds team, which also saw great success and huge enjoyment each week. The 4ths team was coach-shared by Mr Joe Boneham and Mr Anthony Reilly and characterised the notion of continual improvement against tougher opponents in Division 3.

The U16 As and Bs competition also expanded with a total of 10 teams competing, including Waverley College, Trinity Grammar, and Reddam House. Both teams were challenged in different ways, with different learning points presented each week that were addressed by coaches Mr Peter McNamara, Ms Kim Romeo and Mr Tom Milenovic. The coaches focused on creating a strong fitness base and skill development, which enabled both teams to find success at Queens Park on Saturdays, and will hopefully see them develop into the future leaders of the sport.

Mr Sean Hewes and Mr Harrison Layton doubled up as the TAS coaches for the U15 As and Bs. Split into two divisions, each team played their weekly fixture at Trinity Grammar School on the astro turf. The A team was challenged weekly to rise to their capabilities and responded with resilience and creative gameplay against new ISA schools added into the Division 1 competition. The B team continued to develop their mastery of the sport, celebrated working as a team each week, and ensured inclusion of all players was at the forefront of values.

The U14s had one team this season, which was dual-coached by Mr Kyle Wallace and Mr Damien Reidy. The combination of these coaches allowed for each coaching style to be expressed and complemented. Playing at Trinity Grammar School each Saturday, the U14s managed a larger playing group and used this to create different combinations on the field throughout the season, highlighting new friendships and finding the right place for each player. This age group has a firm grasp on the basic structure of touch football and will look to develop more detailed skill and playing patterns in future years to be a formidable playing group.

Playing in their first year of Senior School sport, the Riverview U13 touch football As and Bs competed with spirit each Saturday at Riverview 1B for Term 1. Supported by Mr David Wales, Ms Jennifer Shin, and Ms Rhian Lovell, these teams were challenged by schools with a deeper history of touch football. Matches against Waverley, Trinity Grammar, and Reddam House presented different learning opportunities for our teams and provided an excellent learning foundation in their first season as teams. We are proud of how these two teams represented Riverview in their first senior season and look forward to seeing how they develop in future seasons.

The season was rounded out with nearly 10 1sts players being selected to represent the Combined GPS touch football team at the CIS trails tournament held at Hills Grammar School. Ms Kate Hilyard and Ms Elin Michelsons were selected to coach the team, with Mr Lachlan Wylie selected to coach the U15 combined GPS team. Playing with other students from St Joseph's College, The King's School, and Newington College, the Riverview senior players led the team with confidence. They supported Hugh Gacitua (Year 10) to be selected in the 'Possibles vs Probables' match at the end of the day.

Thank you to all parents, players, and coaches for their commitment to and support of the Touch Football program for the 2023–24 season.

Track & Field

Ms Cathalina Walsh | Track & Field Program Co-ordinator

The 2024 GPS Athletics season kicked off with a holiday camp over two days in July, followed by optional training sessions during the final rounds of winter sport. The camp and training introduced our athletes to the sessions and conditioning training they were about to face as we hit the ground running in preparation for the 128th GPS Championship in September.

The season got underway in mid-August and little did we know how much of an exceptional journey it would be for the College's athletics team. With a strong commitment to excellence, the team competed in four invitational carnivals leading up to the highly anticipated AAGPS Athletics Championships. A total of 210 students registered for the season, and each athlete had the opportunity to showcase their skills in a range of events, including sprints, middle-distance, hurdles, jumps, and shot put.

The season kicked off with an invitational carnival hosted by Riverview, marking the beginning of a flatout and competitive period. From this first event, it was clear that the athletes were focused on achieving their best. The team's coaches, understanding the limited time available for preparation, pushed the boys to their limits with a training regimen that was both rigorous and demanding. With just a short window to fine-tune our athletes, extra sessions were included in this season's schedule to focus on and develop athlete conditioning, among the other essentials of endurance, speed-endurance, and speed. I would like to thank all the coaches who made themselves available for extra sessions throughout the season for athletes across sprints, distance, and field events.

Throughout the season, the boys faced a relentless schedule of competitions, each of which brought its own set of physical and mental challenges. However, the athletes' determination and perseverance were evident at every carnival. Each event saw an incredible number of personal bests, with so many remarkable performances that it was impossible to recognise them all individually. The sheer number of personal bests was a testament to the athletes' dedication to their training programs. The improvement seen across all year groups spoke to the collective effort and individual growth of each student.

As the season progressed, 79 Riverview students earned the honour of being selected to compete at the prestigious AAGPS Championships, covering a total of 81 events. This was a significant accomplishment, reflecting the high level of talent and hard work within the team. The selection was not only a reflection of individual achievement but also a recognition of the team's dedication to pushing one another to succeed. While athletics is inherently an individual sport, the sense of camaraderie among the Riverview boys was palpable. The athletes supported each other through the highs and lows of the season, with senior members mentoring the younger boys, ensuring a positive and motivating environment for all.

The level of teamwork displayed throughout was truly inspiring. While each athlete competed for individual glory, the overarching goal was always the success of the team as a whole. The boys were constantly there for each other, offering mental and physical support in a sport where mental resilience plays as big a role as physical ability. Whether celebrating victories or overcoming setbacks, the Riverview athletes demonstrated what it means to compete as a cohesive team.

128th AAGPS Athletics Championships: A Day of Triumph and Tradition

On Saturday 21 September 2024, the Sydney Olympic Park Athletic Centre played host to the 128th AAGPS Athletics Championships. It was a celebration of athletic prowess, school pride, and enduring tradition. The competition showcased the best schoolboy athletes in Australia, delivering a day filled with thrilling races, remarkable performances, and new records.

Highlights of the Day

Our athletes demonstrated exceptional talent and determination, with many achieving personal bests and notable victories. Special congratulations go to our standout performers:

- U16 800m GPS Championship Winner: Charlie Culbert
- U16 800m GPS Division Winner: Thomas Poynton
- U13 100m GPS Championship Winner: James Lewis-Enright

Senior Athletics

Standing: Jake Saeedi, Frederick Garling, Jack Ward, Lachlan Maiers, Patrick Maguire
Seated: Brody Folkes, Mrs C Walsh (SPC), Jeremy Studdert (Captain), Mr A Godbold (Coach), James Fraser

Record-Breaking Achievements

This year's championships saw several of our athletes etch their names into the history books with new school records:

- Intermediate 4x400m Relay: Henri Dempsey, Angus Tesoriero, Jack Plamondon, and Hamish Elliott – a performance that set a new school record.
- Intermediate 4x100m Relay: Miller Siasat, Taj Scarr, Hamish Elliot, and Michael Gatsas – an outstanding team effort resulting in a new record.
- U13 800m School Record: Congratulations to Benjamin Case for his record-breaking run.
- Open Men's 800m Record: A fantastic achievement by Evan Dransfield, setting a new standard in this event.

Acknowledgements

We extend our gratitude to the Athletics coaching team for their tireless work in preparing our athletes for this prestigious event. A special thank you goes to the students, parents/guardians, and teaching staff who showed their unwavering support from the grandstands, cheering our team to success.

This year's AAGPS Athletics Championships was not just about the medals and records but also about the camaraderie, determination, and sportsmanship that each participant displayed. We are incredibly proud of all our athletes and look forward to continued success in future competitions. Thank you to everyone who contributed to making this a memorable day.

Volleyball

Mr Christian Iligan | Volleyball Program Co-ordinator

The 2024 volleyball season was truly exceptional, filled with remarkable growth, dedication, and impressive skill development among our players. Volleyball at our College has steadily grown over the years, and it was thrilling to see both returning and new faces eager to embrace the sport with such passion this season. The enthusiasm and commitment shown by the boys this year reflected their hunger to refine their skills, challenge themselves, and make the most of every opportunity to step onto the court.

Our program has continued to expand, with a strong lineup of teams across multiple age groups. This season, we had four Opens teams, two U16 teams, two U15 teams, and a solid U13 team, each contributing to the strength and depth of our volleyball community. These teams provided opportunities for athletes at every level to participate, grow, and build a foundation for future success. The diverse age groups allowed for a seamless development pipeline, where younger players learned from older teammates, and all athletes shared a common commitment to excellence and hard work.

A key part of this year's success was the guidance and expertise provided by our dedicated coaching team. Our players were fortunate to be mentored by coaches who not only possessed exceptional skill but also a personal connection to the program. Many of our coaches are former students who once wore the 1sts jersey and are now giving back to the program.

This season, we were delighted to welcome Ms Trish Koutsoukos as our new 1sts coach. Her experience, enthusiasm, and tactical knowledge have been tremendous assets to our team, and she quickly became a source of inspiration for the players. Trish was supported by an exceptional coaching lineup: Henry Payne, Luca McDonald, Sam Magarey, Xavier Masztak, Sam Waterson, and Mr Luke Robinson. Their collective experience and passion were invaluable to the players' growth and development. Each coach brought unique insights, strategies, and approaches to training, fostering an environment where players could thrive both individually and as a team. The players have expressed their deep gratitude for the opportunity to learn from such an experienced and supportive coaching staff.

The competitive landscape of this year's GPS rounds was much like last year's: a double round-robin against five other GPS schools, totalling 10 rounds of intense competition. Each round was an opportunity to adapt, grow, and showcase the skills developed in training. I would like to extend our sincere thanks to Ms Trinh Loi from Sydney Grammar School for her exceptional leadership in organising the GPS Volleyball season. Her efforts helped make this season a rewarding experience for players and coaches alike.

The commitment shown by our players throughout the season was inspiring. Their dedication extended beyond scheduled practices, with many of our athletes putting in additional hours to work on their techniques, fitness, and game strategies. This level of commitment was particularly evident in our training sessions, where players demonstrated a relentless focus on mastering the fundamentals, improving their athleticism, and developing strong team chemistry. Whether it was early morning training, intense conditioning, or targeted skill drills, the players displayed a remarkable work ethic and a genuine desire to improve.

The unwavering support of our players' families has also played a crucial role in making this season a success. From early morning drop-offs to vocal encouragement on the sidelines, the parents have been an integral part of our volleyball community. Their presence at games and their continued motivation have been invaluable, and their involvement has helped create a positive, supportive atmosphere that motivates our players to perform at their best. The families' dedication has been a constant reminder of the strong community that supports our program, and we are deeply grateful for their encouragement.

Reflecting on this successful year of growth, it's clear that the season has set a high standard for our Volleyball program. Our players have learned to approach each game with discipline, adapt to challenges, and strive for excellence – qualities that will serve them well in future seasons.

Looking ahead, I am excited to see what the next season will bring. With the skills, experience, and maturity our players have gained, I am confident that our Volleyball program will continue to grow and thrive. I look forward to witnessing the continued development of our athletes and the new heights they will reach in the years to come.

Volleyball 1sts

Standing: Noah Thurecht, Dylan Harris, Austyn Stanton, Oscar Wilmore
Seated: Jayden Waldao, Sebastian Filla-Duan (Captain), Ms P Koutsoukos (Coach), Lucas Johnson, Jay R Appino

1sts Volleyball

Trish Koutsoukos

This season was a development year for our program with a new coach and a new squad full of youth. Being in such a competitive tournament, every week we would face teams that had players competing at a club, state and even national level. This made the season tough with only one of our healthy players having played in the 1sts Division before. Despite this, our team stayed resilient, mentally tough, and worked hard each week to put up a good fight against established programs.

The 1sts Volleyball roster:

- Sebastian Filla-Duan – Setter and Captain
- Dylan Harris and Oscar Wilmore – Middle Blockers
- Jay R Appino, Lucas Johnson, and Martin Slobodetsky – Outside Hitters
- Jayden Waldao – Libero
- Noah Thurecht – Opposite Hitter

With injury and the pressures of the HSC affecting our roster, junior players in Years 8 and 9 were asked to step up and perform at the highest level. These juniors were up against an opposition stacked with experienced Year 11 and 12 students. A special mention goes to Jay R Appino in Year 8, and Jayden Waldao and Matt Walters, both in Year 9, who played consistently in the 1sts team. To do this at such a young age, at the beginning of their volleyball career is an achievement in itself and something to be very proud of.

Teddy Morton, Nick Teoh, Austyn Stanton, and Laurence De Luca were all 2nds players who were asked to step up and play in the 1st squad. Congratulations and well done for earning your opportunity to play up.

This year, the Volleyball Strength and Conditioning program was introduced. Players would lift in the weight room twice a week in addition to their court training with the aim of injury prevention and to maximise performance in future years. We aim to continue and develop this program in the coming seasons.

Congratulations to award winners:

- **MVP:** Lucas Johnson
- **Team Voice:** Dylan Harris
- **Most Improved:** Jay R Appino
- **Most Committed:** Noah Thurecht and Sebastian Filla-Duan

Developing culture and building the foundations of our younger players have been key themes we've been working on this season. It takes years to build a successful program, but the genuine and supportive community at Riverview is clearly present and ready to build it. Parents and families, thank you for supporting our athletes each week and committing to their volleyball journey.

My fellow coaches – Henry Payne, Xavier Masztak, Sam Magarey, Jasper Lee, Luca McDonald, Josh Cunningham, Sam Waterson, and Mr Luke Robinson – thank you! Being Old Boys, you are all fantastic role models for our athletes to look up to. I know all our players are very thankful to be coached by you. You have done an amazing job.

Mr Paul O'Brien, thank you for your continuous support all season. It's always a pleasure to have you stop by our training and have you cheer on our boys. Mr Christian Iligan, thank you for your continuous commitment to the success of this program. Your guidance and support throughout the entire season have been invaluable. You are always there to support your players and your coaches, and we cannot be more thankful for all your hard work that goes on behind the scenes.

2nds Volleyball

Henry Payne

The 2nds team has once again stood out as a promising glimpse into the future of Volleyball at Riverview. While our record of 1–9 may not indicate a successful season, the continued progression and persistence displayed by this group of boys cannot be understated, especially considering they were Riverview Volleyball's youngest Opens team on record – potentially even the youngest in AAGPS history.

With only a single Year 12 player – the core of the 2nds team consisted of two Year 9 players – Teddy Morton, the team's starting setter whose perceptive approach to the game led our offence throughout the season; and Matt Walters, a first-year player who eagerly took on the challenging role he was tasked with and quickly became an imposing force at the net. Our backcourt was led by our Libero and most improved player throughout the season, Nick Teoh, who, while only in Year 8, has an impressively mature presence and outlook on the court, allowing him to build on his skills consistently week after week. This core has been able to display the athleticism needed to compete at the highest level. However, what's been more remarkable is the attitude they have demonstrated throughout the season.

The 2nds team was led by MVP and team Captain, Laurence De Luca. His consistency through each game and level-headed nature gave this young team a role model to rely on during the season's ups and downs. Laurence was supported by Co-Captain and recipient of the inaugural 'Most Committed' award, Ben Ross. Ben continually pushed himself during training and competitions, infallibly arriving first and leaving last, always hungry to improve. Both Laurence and Ben played a vital role for the team in all aspects of the game, acting as the glue that would hold this young team together. This helped allow the rest of the squad to better themselves.

Volleyball 2nds

Standing: Ryan Choy, Matt Walters, Austyn Stanton, Benjamin Ross
Seated: Jayden Waldao, Teddy Morton, Mr H Payne (Coach), Laurence De Luca, Nicholas Teoh

A noticeable result of their leadership was the development of our offence during this season. The team's reliance on players such as Ryan Choy, our starting opposite hitter, to help carry the offensive load would build each game to the point where he became one of the most effective offensive options by the end of the season. This offensive load was also supported by the development of our two senior middle blockers, Austyn Stanton and Wilson Frith. Austyn and Wilson started the season as potent blockers but quickly became just as proficient at scoring off their attacks in the middle position, building on the depth of our team.

As the sport of volleyball continues to grow at Riverview and in Australia, it will be exciting to witness the different stages of development through the results of our 2nds team. With how young the team was this year, we expect many players to return in 2025 with the experience needed to play in the 1sts. The senior squad will look very formidable by the start of next season. Players like Will Huang, one of the 2nds key pass-hitters, will bring multiple years of competitive experience to a team that has been growing up playing together. I look forward to continuing to participate in this development and seeing how far this program can grow.

Volleyball 3rds

Standing: Mattheo El Haddad, Angus Devlin, Lachlan Vey
Seated: Roger Lin, Archie Delany, Mr L McDonald (Coach), Jack Fish, Max Sheffield

Volleyball 4ths

Standing: Deven Feng, William Griffiths, Rupert Angell
Seated: Harrison Hooper, Ace Thomas, Mr J Lee (Coach), Charles Biddle, Harvey Cummins

Volleyball 13B

Standing: Ryan Hurley, Liam Muir, Jasper Perrett, Tom Carseldine
Seated: Lachlan Reilly, Mr S Waterson (Coach), Loren Li

Volleyball 15A

L-R: Mr S Magarey (Coach), Jay R Appino, Cameron Raynor, Phoenix El-Agha, Teddie Munro, Hugh Wentriro

Volleyball 15B

Standing: Oliver Schmid, Nicholas Cann, Samuel Nicholls, Ryley Nolan
Seated: Henry Collopy, Kobe Matzen, Mr J Cunningham (Coach), Charles Czencz, Ignatius Meagher

Volleyball 16A

Standing: Noah Confos, Angus Hartson, Leonardo Deguara, Cameron Raynor

Volleyball 16B

Standing: Aiden Paras, Ethan Li, Jasper Timms
Seated: Alex Kardos, Charles McEvoy, Mr L Robinson (Coach), Angus Harrison, Marlon Malhi

Water Polo

Mr Alexander Godbold | Water Polo Program Co-ordinator

The 2023–24 Water Polo season at Saint Ignatius' College Riverview was one of challenges and triumphs. The GPS/CAS water polo competition saw our athletes go up against some of the best, which for our senior teams meant it was a tough season where results didn't always go our way. However, our juniors performed above expectation, which points to a bright future emerging.

1sts: A Season of Resilience

The 1sts, led by our experienced coach and Old Boy Jack Rector, encountered a season that tested their mettle. Despite facing tough competition, the players exhibited remarkable strength of character and resilience. Each match showcased the Ignatian spirit that defines the Riverview Water Polo team. Though all games were hard-fought, they were unlucky in the season's results. The growth and development of these athletes were evident throughout the season.

Coach Rector's guidance proved invaluable in nurturing not only the skills of the players but also their ability to face adversity head-on. The 1sts' performance serves as a source of inspiration for all those in the sport, reinforcing the values of perseverance and teamwork.

U16A: A Team on the Rise

Under the mentorship of Coach Mr Hubbard, the 16As demonstrated remarkable progress throughout the season. As their skills and tactics evolved week by week, so did their competitiveness. The team's commitment to improvement was evident in every match, painting a promising picture for the future.

The U16As showcased not only individual talent but also the power of collective growth. The potential displayed by the U16As bodes well for the continued success of Riverview Water Polo in the seasons to come.

U14 and U15: A Bright Future Unveiled

In the junior ranks, Coach Mr Smith guided the U15s, while Coach Mr Godbold mentored the U14s. The commitment and passion exhibited by these young athletes were nothing short of outstanding. teams.

The U15s and U14s teams displayed continuous improvement in skills and tactics as the season progressed. The untapped talent within these ranks, coupled with the determination to excel, solidifies Riverview as a force to be reckoned with in the coming years.

Year 7s: Rising Stars

A special mention goes to the Year 7s, who not only embraced the challenge of playing up a grade in the U14s but emerged undefeated against bigger and more experienced opponents. This remarkable feat speaks volumes about the potential within this budding group of athletes and their commitment to excellence. The Year 7s have set a high standard for themselves, and their undefeated streak is a testament to the bright future that lies ahead.

The Water Polo season has been one of growth, resilience, and promise. The players, coaches, and supporters alike can take pride in the accomplishments and lessons learned throughout the season. As we look forward to the future, the College's Water Polo community remains united in its pursuit of excellence, with the conviction that the seeds of dedication and passion sown this season will continue to flourish in the seasons to come.

Congratulations to all the award winners for the season. It is tough to recognise just a few when there have been so many achievements and improvements across all teams. A special mention to Louie Arrowsmith for his hard work and self improvement, which caught the eye of selectors who invited him to attend the GPS trials. I look forward to seeing everyone back again for another season.

1st Water Polo Season 2023–24

This season for the 1st Water Polo team presented many opportunities for all those involved. With the season divided into two, the team was faced with some difficult opponents, with the likes of Knox, Trinity, and Shore having multiple national level

Water Polo 1sts

Standing: Solomon Butcherine, Hudson Thompson, Callum McCaffrey, David Garcia-Hennessy, Archie Delany, Jack Thompson
Seated: Matthew Marinovic, Lukas Taylor, Mr Jack Rector (Coach), Koby Bryan, Louie Arrowsmith

players for their respective age groups. Our team managed to band together to produce some amazing and highly competitive matches of water polo against these teams, scoring incredible team goals and putting together some great defensive efforts.

The boys committed to multiple swims and skill sessions where they looked to constantly improve. Much of this can be credited to the seniors of the group who led from the front – boys with a wealth of experience, the likes of Jack Thompson, Lukas Taylor, Archie Delany, and Callum McCaffrey, who all started their journey early on in their schooling life. They were able to thrive and grow as the years went on, eventually leading the team both in and out of the water. New faces and names such as Hudson Thompson (brother of Jack), Matt Marinovic, and David Garcia-Hennessy all added some firepower to the side. They connected well with our experienced players to produce some fantastic water polo.

The middleman and eventual Best and Fairest winner for the team, Louie Arrowsmith, played a crucial role for the team, fighting for position and allowing our outside shooters to get a better look on goal. With another year to play, it will be great to see Louie develop even further.

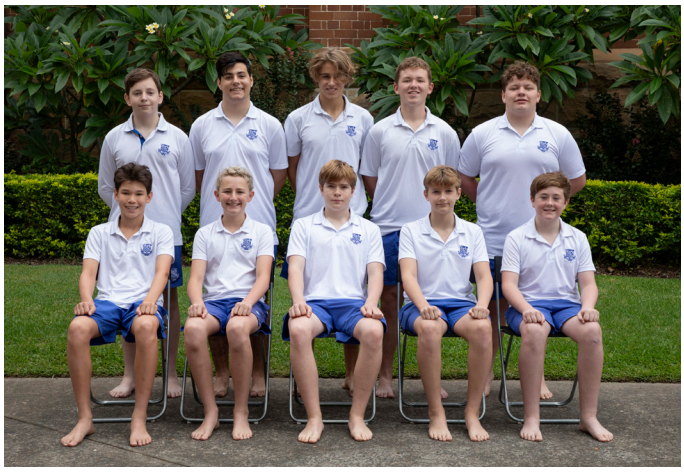

With many close games and highly competitive matches, the team must be commended for their efforts turning up week after week and giving 110 percent out in the pool. This was evident in matches against teams such as Waverley and eventual premier division winners Kings. Our team was able to put together great defensive efforts and execute on various attacking opportunities to win multiple quarters and halves of the match. The game eventually slipped away; however, this did not stir the team. If anything, it motivated them to get back to work and continue building a strong foundation.

It was a very hard-fought year, leaving life lessons for everyone about resilience, commitment, and maturity. The team set a great example for what Riverview Water Polo is all about and everyone involved should be very proud. As we look to the future, there are great things to come, but we must remind ourselves to not be so focused on the destination, but rather enjoy the journey we take to get there.

Water Polo 14B

Standing: Charles Walker, Kerr Chidgey, Robert Stenhouse, Ryley Nolan, Jack Priestley-Mathews
