

A Christmas message from The Provincial

On behalf of the Australian Province of the Society of Jesus, I extend warm wishes and God's blessings to the OIU Members for a joyful Christmas season.

It is the season of generosity, of charity, and of hope. May we respect God's creation and do what we can to bring peace to our earth.

I congratulate and thank the Union Members on the work they have undertaken this year, and I look forward to hearing of your endeavours throughout 2024.

Yours in our Lord.
